4 requirements of a student instructional year in subsection (1)(f) of this section  
5 for districts that wish to adopt innovative instructional calendars, or for  
6 circumstances that would create extreme hardship.

7 (b) If a local board of education amends its school calendar after its adoption due  
8 to an emergency, it may lengthen or shorten any remaining student attendance  
9 days by thirty (30) minutes or more, as it deems necessary, provided the  
10 amended calendar complies with the requirements of a student instructional  
11 year in subsection (1)(f) of this section or a variable student instructional year  
12 in subsection (1)(h) of this section. No student attendance day shall contain

18 employees to attend statewide professional meetings.
- 19 2. These two (2) days for statewide professional meetings may be scheduled  
20 to begin with the first Thursday after Easter, or upon request of the  
21 statewide professional education association having the largest paid  
22 membership, the commissioner of education may designate alternate  
23 dates.
- 24 3. If schools are scheduled to operate during days designated for the

26 who are delegates to attend as compensated professional leave time and  
27 shall employ substitute teachers in their absence.

- 1           4. The commissioner of education shall designate one (1) additional day  
2           during the school year when schools may be closed to permit  
3           professional school employees to participate in regional or district  
4           professional meetings.
- 5           5. These three (3) days so designated for attendance at professional  
6           meetings may be counted as a part of the minimum school term.
- 7       (b) 1. If any school in a district is used as a polling place, the school district  
8           shall be closed on the day of the election, and those days may be used for  
9           professional development activities, professional meetings, or parent-  
10          teacher conferences.
- 11          2. A district may be open on the day of an election if no school in the  
12          district is used as a polling place.
- 13       (c) All schools shall be closed on the third Monday of January in observance of the  
14          birthday of Martin Luther King, Jr. Districts may:
- 15          1. Designate the day as one (1) of the four (4) holidays permitted under  
16          subsection (3)(~~c~~)(~~d~~) of this section; or
- 17          2. Not include the day in the minimum school term specified in subsection  
18          (1) of this section.
- 19       (6) (a) The Kentucky Board of Education, or the organization or agency designated  
20          by the board to manage interscholastic athletics, shall be encouraged to  
21          schedule athletic competitions outside the regularly scheduled student  
22          attendance day.
- 23       (b) Beginning with the 2009-2010 school year, any member of a school-sponsored  
24          interscholastic athletic team who competes in a regional tournament or state  
25          tournament sanctioned by the Kentucky Board of Education, or the  
26          organization or agency designated by the board to manage interscholastic  
27          athletics, and occurring on a regularly scheduled student attendance day may

1           be counted present at school on the date or dates of the competition, as  
2           determined by local board policy, for a maximum of two (2) days per student

11          need additional time to achieve the outcomes defined in KRS 158.6451, and schools  
12          shall not be limited to the minimum school term in providing this education.  
13          Continuing education time may include extended days, extended weeks, or extended  
14          years. A local board of education may adopt a policy requiring its students to  
15          participate in continuing education. The local policy shall set out the conditions  
16          under which attendance will be required and any exceptions which are provided. The  
17          Kentucky Board of Education shall promulgate administrative regulations  
18          establishing criteria for the allotment of grants to local school districts and shall  
19          include criteria by which the commissioner of education may approve a district's  
20          request for a waiver to use an alternative service delivery option, including providing  
21          services during the student attendance day on a limited basis. These grants shall be

20 to fifteen (15) minutes of the student attendance day if necessary to provide the  
21 opportunity for children to eat breakfast not to exceed eight (8) times during the  
22 school year within a school building.
