2 Be it enacted by the General Assembly of the Commonwealth of Kentucky:

- 3 → Section 1. KRS 304.39-320 is amended to read as follows:
- 4 (1) As used in this section, "underinsured motorist" means a party with motor vehicle
 5 liability insurance coverage in an amount less than a judgment recovered against
 6 that party for damages on account of injury due to a motor vehicle accident.
 - (a) Subject to the provisions of paragraph (b) of this subsection, no automobile liability or motor vehicle liability policy of insurance insuring against loss resulting from liability imposed by law for bodily injury or death suffered by any person arising out of the ownership, maintenance, or use of a motor vehicle shall be delivered or issued for delivery in this state with respect to any motor vehicle registered or principally garaged in this state unless underinsured motorist coverage is provided in the insurance policy or supplemental to it, Every insurer shall make available upon request to its insureds underinsured motorist coverage, wherebyl subject to thel terms and conditions of such coverage not inconsistent with this section. Underinsured motorist coverage shall require the insurance company agrees] to pay its own insured for any[such] uncompensated damages as he or she may recover on account of injury due to a motor vehicle accident because the judgment recovered against the owner of the other vehicle exceeds the liability policy limits under the owner's policy of insurance thereon, to the extent of the underinsurance policy limits on the vehicle of the party recovering.
 - (b) A named insured may reject underinsured motorist coverage. Any named insured who rejects underinsured motorist coverage shall do so in writing and the rejection shall be valid for all insureds under the policy following submission of the written rejection, unless a named insured requests

If an injured person or, in the case of death, the personal representative agrees to settle a claim with a liability insurer and its insured, and the settlement would not fully satisfy the claim for personal injuries or wrongful death so as to create an underinsured motorist claim, then written notice of the proposed settlement must be submitted by certified or registered mail to all underinsured motorist insurers that provide coverage. The underinsured motorist insurer then has a period of thirty (30) days to consent to the settlement or retention of subrogation rights. An injured person, or in the case of death, the personal representative, may agree to settle a claim with a liability insurer and its insured for less than the underinsured motorist's full liability policy limits. If an underinsured motorist insurer consents to settlement or fails to respond as required by subsection (4) of this section to the settlement request within the thirty (30) day period, the injured party may proceed to execute a full release in favor of the underinsured motorist's liability insurer and its insured and finalize the proposed settlement without prejudice to any underinsured motorist claim.

If an underinsured motorist insurer chooses to preserve its subrogation rights by refusing to consent to settle, the underinsured motorist insurer must, within thirty (30) days after receipt of the notice of the proposed settlement, pay to the injured party the amount of the written offer from the underinsured motorist's liability insurer. Thereafter, upon final resolution of the underinsured motorist claim, the underinsured motorist insurer is entitled to seek subrogation against the liability insurer to the extent of its limits of liability insurance, and the underinsured motorist for the amounts paid to the injured party.

(5) The underinsured motorist insurer is entitled to a credit against total damages in the amount of the limits of the underinsured motorist's liability policies in all cases to which this section applies, even if the settlement with the underinsured motorist under subsection (3) of this section or the payment by the underinsured motorist insurer under subsection (4) of this section is for less than the underinsured motorist's full liability policy limits. The term "total damages" as used in this section means the full amount of damages determined to have been sustained by the injured party, regardless of the amount of underinsured motorist coverage. Nothing in this section, including any payment or credit under this subsection, reduces or affects the total amount of underinsured motorist coverage available to the injured party.

- 12 (6) The department shall promulgate administrative regulations in accordance with

 13 KRS Chapter 13A to establish a single form, to be signed by the insured, for
