14 attendance days and calendar days for the purposes of a student instructional  
15 year, employment contracts that are based on the school term, service credit  
16 under KRS 161.500, and funding under KRS 157.350.
- 17 (2) (a) Beginning with the 2018-2019 school year, and each year thereafter, the local

2 recommendation of the superintendent at a meeting of the local board of  
3 education.

4 (d) During a subsequent meeting of the local board of education, the local board  
5 shall adopt a school calendar for the upcoming school year that establishes the  
6 opening and closing dates of the school term, beginning and ending dates of  
7 each school month, student attendance days, and days on which schools shall  
8 be dismissed. The local board may schedule days for breaks in the school  
9 calendar that shall not be counted as a part of the minimum school term.

10 (e) For local board of education meetings described in paragraphs (c) and (d) of  
11 this subsection, if the meeting is a regular meeting, notice shall be given to  
12 media outlets that have requests on file to be notified of special meetings  
13 stating the date of the regular meeting and that one (1) of the items to be  
14 considered in the regular meeting will be the school calendar. The notice shall  
15 be sent at least twenty-four (24) hours before the regular meeting. This  
16 requirement shall not be deemed to make any requirements or limitations  
17 relating to special meetings applicable to the regular meeting.

18 (f) Beginning with the 2018-2019 school year, and each year thereafter, a local  
19 school board of education that adopts a school calendar with the first student  
20 attendance day in the school term starting no earlier than the Monday closest  
21 to August 26 may use a variable student instructional year. Districts may set  
22 the length of individual student attendance days in a variable student  
23 instructional schedule, but no student attendance day shall contain more than  
24 seven (7) hours of instructional time unless the district submitted and received  
25 approval from the commissioner of education for an innovative alternative  
26 calendar.

27 (3) (a) Each local board of education shall use four (4) days of the minimum school

1 term for professional development and collegial planning activities for the  
2 professional staff without the presence of students pursuant to the  
3 requirements of KRS 156.095. At the discretion of the superintendent, one (1)  
4 day of professional development may be used for district-wide activities and  
5 for training that is mandated by federal or state law. The use of three (3) days  
6 shall be planned by each school council, except that the district is encouraged  
7 to provide technical assistance and leadership to school councils to maximize  
8 existing resources and to encourage shared planning.

9 (b) In addition to the four (4) days required under paragraph (a) of this subsection,  
10 a minimum of two (2) hours of self-study review of suicide prevention  
11 materials shall be required for all high school and middle school principals,  
12 guidance counselors, and teachers each school year.

13 (c) A local board may approve a school's flexible professional development plan  
14 that permits teachers or other certified personnel within a school to participate  
15 in professional development activities outside the days scheduled in the school  
16 calendar or the regularly scheduled hours in the school work day and receive  
17 credit towards the four (4) day professional development requirement within  
18 the minimum one hundred eighty-five (185) days that a teacher shall be  
19 employed.

20 1. A flexible schedule option shall be reflected in the school's professional  
21 development component within the school improvement plan or  
22 consolidated plan and approved by the local board. Credit for approved  
23 professional development activities may be accumulated in periods of  
24 time other than full day segments.

25 2. No teacher or administrator shall be permitted to count participation in a  
26 professional development activity under the flexible schedule option  
27 unless the activity is related to the teacher's classroom assignment and

1 content area, or the administrator's job requirements, or is required by  
2 the school improvement or consolidated plan, or is tied to the teacher's  
3 or the administrator's individual growth plan. The supervisor shall give  
4 prior approval and shall monitor compliance with the requirements of  
5 this paragraph. In the case of teachers, a professional development  
6 committee or the school council by council policy may be responsible  
7 for reviewing requests for approval.

8 (d) The local board of each school district may use up to a maximum of four (4)  
9 days of the minimum school term for holidays; provided, however, any  
10 holiday which occurs on Saturday may be observed on the preceding Friday.

11 (e) Each local board may use two (2) days for planning activities without the  
12 presence of students.

13 (f) Each local board may close schools for the number of days deemed necessary  
14 for:

15 1. National or state emergency or mourning when proclaimed by the  
16 President of the United States or the Governor of the Commonwealth of  
17 Kentucky;

18 2. Local emergency which would endanger the health or safety of children;  
19 and

20 3. Mourning when so designated by the local board of education and  
21 approved by the Kentucky Board of Education upon recommendation of  
22 the commissioner of education.

23 (4) (a) The Kentucky Board of Education, upon recommendation of the  
24 commissioner of education, shall adopt administrative regulations governing  
25 the use of student attendance days as a result of a local emergency, as  
26 described in subsection (3)(f)2. of this section, and regulations setting forth  
27 the guidelines and procedures to be observed for the approval of waivers from

1 the requirements of a student instructional year in subsection (1)(f) of this  
2 section for districts that wish to adopt innovative instructional calendars, or  
3 for circumstances that would create extreme hardship.

4 (b) If a local board of education amends its school calendar after its adoption due  
5 to an emergency, it may lengthen or shorten any remaining student attendance  
6 days by thirty (30) minutes or more, as it deems necessary, provided the  
7 amended calendar complies with the requirements of a student instructional  
8 year in subsection (1)(f) of this section or a variable student instructional year  
9 in subsection (1)(h) of this section. No student attendance day shall contain  
10 more than seven (7) hours of instructional time unless the district submitted  
11 and received approval from the commissioner of education for an innovative  
12 alternative calendar.

13 (5) (a) 1. In setting the school calendar, school may be closed for two (2)  
14 consecutive days for the purpose of permitting professional school  
15 employees to attend statewide professional meetings.  
16 2. These two (2) days for statewide professional meetings may be  
17 scheduled to begin with the first Thursday after Easter, or upon request  
18 of the statewide professional education association having the largest  
19 paid membership, the commissioner of education may designate  
20 alternate dates.  
21 3. If schools are scheduled to operate during days designated for the  
22 statewide professional meeting, the school district shall permit  
23 employees who are delegates to attend as compensated professional  
24 leave time and shall employ substitute teachers in their absence.  
25 4. The commissioner of education shall designate one (1) additional day  
26 during the school year when schools may be closed to permit  
27 professional school employees to participate in regional or district

1 professional meetings.

2 5. These three (3) days so designated for attendance at professional  
3 meetings may be counted as a part of the minimum school term.

4 (b) 1. If any school in a district is used as a polling place, the school district  
5 shall be closed on the day of the election, and those days may be used  
6 for professional development activities, professional meetings, or  
7 parent-teacher conferences.

8 2. A district may be open on the day of an election if no school in the  
9 district is used as a polling place.

10 (c) All schools shall be closed on the third Monday of January in observance of  
11 the birthday of Martin Luther King, Jr. Districts may:

12 1. Designate the day as one (1) of the four (4) holidays permitted under  
13 subsection (3)(d) of this section; or

14 2. Not include the day in the minimum school term specified in subsection  
15 (1) of this section.

16 (6) (a) The Kentucky Board of Education, or the organization or agency designated  
17 by the board to manage interscholastic athletics, shall be encouraged to  
18 schedule athletic competitions outside the regularly scheduled student  
19 attendance day.

20 (b) Beginning with the 2009-2010 school year, any member of a school-  
21 sponsored interscholastic athletic team who competes in a regional  
22 tournament or state tournament sanctioned by the Kentucky Board of  
23 Education, or the organization or agency designated by the board to manage  
24 interscholastic athletics, and occurring on a regularly scheduled student  
25 attendance day may be counted present at school on the date or dates of the  
26 competition, as determined by local board policy, for a maximum of two (2)  
27 days per student per year. The student shall be expected to complete any

1 assignments missed on the date or dates of the competition.

2 (c) The school attendance record of any student for whom paragraph (b) of this  
3 subsection applies shall indicate that the student was in attendance on the date  
4 or dates of competition.

5 (7) Students applying for excused absence for attendance at the Kentucky State Fair  
6 shall be granted one (1) day of excused absence.

7 (8) Schools shall provide continuing education for those students who are determined  
8 to need additional time to achieve the outcomes defined in KRS 158.6451, and  
9 schools shall not be limited to the minimum school term in providing this  
10 education. Continuing education time may include extended days, extended weeks,  
11 or extended years. A local board of education may adopt a policy requiring its  
12 students to participate in continuing education. The local policy shall set out the  
13 conditions under which attendance will be required and any exceptions which are  
14 provided. The Kentucky Board of Education shall promulgate administrative  
15 regulations establishing criteria for the allotment of grants to local school districts  
16 and shall include criteria by which the commissioner of education may approve a  
17 district's request for a waiver to use an alternative service delivery option, including  
18 providing services during the student attendance day on a limited basis. These  
19 grants shall be allotted to school districts to provide instructional programs for  
20 pupils who are identified as needing additional time to achieve the outcomes  
21 defined in KRS 158.6451. A school district that has a school operating a model  
22 early reading program under KRS 158.792 may use a portion of its grant money as  
23 part of the matching funds to provide individualized or small group reading  
24 instruction to qualified students outside of the regular classroom during the student  
25 attendance day.

26 (9) (a) Notwithstanding any other statute, each school term shall include no less than  
27 the equivalent of the student instructional year in subsection (1)(f) of this

1 section, or a variable student instructional year in subsection (1)(h) of this  
2 section, except as provided in paragraph (b) of this subsection.~~[that]~~

3 (b) Until the start of the 2021-2022 school year, the commissioner of education  
4 may grant up to the equivalent of ten (10) student attendance days each school  
5 year for school districts that have an alternative instruction plan approved by  
6 the commissioner of education for the use of alternative methods of  
7 instruction, including virtual learning, on days when the school district is  
8 closed for health or safety reasons, on nontraditional days, or on nontraditional  
9 time. The district's plan shall demonstrate how teaching and learning in the  
10 district will not be negatively impacted. Average daily attendance for purposes  
11 of Support Education Excellence in Kentucky program funding during the  
12 student attendance days granted shall be calculated in compliance with  
13 administrative regulations promulgated by the Kentucky Board of Education.

14 (10) Notwithstanding the provisions of KRS 158.060(3) and the provisions of subsection  
15 (2) of this section, a school district shall arrange bus schedules so that all buses  
16 arrive in sufficient time to provide breakfast prior to the beginning of the student  
17 attendance day. In the event of an unforeseen bus delay, the administrator of a  
18 school that participates in the Federal School Breakfast Program may authorize up  
19 to fifteen (15) minutes of the student attendance day if necessary to provide the  
20 opportunity for children to eat breakfast not to exceed eight (8) times during the  
21 school year within a school building.

22 (11) Notwithstanding any other statute to the contrary, the following provisions shall  
23 apply to a school district that misses student attendance days due to emergencies,  
24 including weather-related emergencies:

25 (a) A certified school employee shall be considered to have fulfilled the minimum  
26 one hundred eighty-five (185) day contract with a school district under KRS  
27 157.350 and shall be given credit for the purpose of calculating service credit

1 for retirement under KRS 161.500 for certified school personnel if:

- 2 1. State and local requirements under this section are met regarding the  
3 equivalent of the number and length of student attendance days, teacher  
4 professional days, professional development days, holidays, and days for  
5 planning activities without the presence of students; and
- 6 2. The provisions of the district's school calendar to make up student  
7 attendance days missed due to any emergency, as approved by the  
8 Kentucky Department of Education when required, including but not  
9 limited to a provision for additional instructional time per day, are met.

10 (b) Additional time worked by a classified school employee shall be considered as  
11 equivalent time to be applied toward the employee's contract and calculation  
12 of service credit for classified employees under KRS 78.615 if:

- 13 1. The employee works for a school district with a school calendar  
14 approved by the Kentucky Department of Education that contains a  
15 provision that additional instructional time per day shall be used to make  
16 up full days missed due to an emergency;
- 17 2. The employee's contract requires a minimum six (6) hour work day; and
- 18 3. The employee's job responsibilities and work day are extended when the  
19 instructional time is extended for the purposes of making up time.

20 (c) Classified employees who are regularly scheduled to work less than six (6)  
21 hours per day and who do not have additional work responsibilities as a result  
22 of lengthened student attendance days shall be excluded from the provisions  
23 of this subsection. These employees may be assigned additional work  
24 responsibilities to make up service credit under KRS 78.615 that would be  
25 lost due to lengthened student attendance days.
