section and certify the rate to the county clerks for their use in preparing the tax bills. If the

(4) If the tax rate set by the department as provided in subsection (2) of this section produces more than a four percent (4%) increase in real property tax revenues, excluding:

(a) The revenue resulting from new property as defined in KRS 132.010(8);
(b) The revenue from property which is subject to tax increment financing pursuant to KRS Chapter 65; and

the rate shall be adjusted in the succeeding year so that the cumulative total of each year's property tax revenue increase shall not exceed four percent (4%) per year.

(5) The provisions of subsection (2) of this section notwithstanding, the assessed value of unmined coal certified by the department after July 1, 1994, shall not be included with the assessed value of other real property in determining the state real property tax rate. All omitted unmined coal assessments made after July 1, 1994, shall also be excluded from the provisions of subsection (2) of this section. The calculated rate shall, however, be applied to unmined coal property, and the state revenue shall be devoted to the program described in KRS 146.550 to 146.570, except that four hundred thousand dollars ($400,000) of the state revenue shall be paid annually to the State Treasury and credited to the Office of Energy Policy for the purpose of public education of coal-related issues.

Section 10. KRS 132.220 is amended to read as follows:

(1) (a) All taxable property and all interests in taxable property, unless otherwise specifically provided by law, shall be listed, assessed, and valued as of January 1 of each year.
(b)  1. It shall be the duty of the holder of the first freehold estate in any real property taxable in this state to list or have listed the property with the property valuation administrator of the county where it is located between January 1 and March 1 in each year, except as otherwise provided by law.

2. a. It shall be the duty of all persons owning any tangible personal property taxable in this state to list or have listed the property, by the address at which it is located, with the property valuation administrator of the county of taxable situs or with the department between January 1 and May 15 in each year, except as provided by subdivision b. of this subparagraph or otherwise prescribed by law.

b. On January 1 of each year, for each address, if the sum of all of the taxable tangible personal property's fair cash values is one thousand dollars ($1,000) or less, the taxpayer shall not be required to list the property in accordance with subdivision a. of this subparagraph.

c. On January 1 of each year, for each address, if the sum of all of the taxable tangible personal property's fair cash values exceeds one thousand dollars ($1,000) and the property is not listed as required by subdivision a. of this subparagraph, the property shall be deemed omitted property in accordance with KRS 132.290.

d. For any taxable tangible personal property that is not listed due to the one thousand dollar ($1,000) threshold established in subdivision b. of this subparagraph, the owner of the property shall maintain records of the property and its fair cash value calculation for five (5) years after the expiration of the listing period.

3. The holder of legal title, the holder of equitable title, and the claimant or bailee in possession of the property on the assessment date as provided by law shall be liable for the taxes thereon, and the property may be assessed in any of their
names. But, as between them, the holder of the equitable title shall pay the taxes thereon, whether or not the property is in his or her possession at the time of payment.

4. All persons in whose name property is properly assessed shall remain bound for the tax, notwithstanding they may have sold or parted with it.

(2) Any taxpayer may list his or her property in person before the property valuation administrator or his deputy, or may file a property tax return by first class mail. Any real property correctly and completely described in the assessment record for the previous year, or purchased during the preceding year and for which a value was stated in the deed according to the provisions of KRS 382.135, may be considered by the owner to be listed for the current year if no changes that could potentially affect the assessed value have been made to the property. However, if requested in writing by the property valuation administrator or by the department, any real property owner shall submit a property tax return to verify existing information or to provide additional information for assessment purposes. Any real property which has been underassessed as a result of the owner intentionally failing to provide information, or intentionally providing erroneous information, shall be subject to revaluation, and the difference in value shall be assessed as omitted property under the provisions of KRS 132.290.

(3) If the owner fails to list the property, the property valuation administrator shall nevertheless assess it. The property valuation administrator may swear witnesses in order to ascertain the person in whose name to make the list. The property valuation administrator, his or her employee, or employees of the department may physically inspect, or inspect using any other method approved by the department, and revalue land and buildings in the absence of the property owner or resident. The exterior dimensions of buildings may be measured and building photographs may be taken; however, with the exception of buildings under construction or not yet occupied, an interior inspection of residential and farm buildings, and of the nonpublic portions of commercial buildings shall not be conducted in the
absence or without the permission of the owner or resident.

(4) Real property shall be assessed in the name of the owner, if ascertainable by the property valuation administrator, otherwise in the name of the occupant, if ascertainable, and otherwise to "unknown owner." The undivided real estate of any deceased person may be assessed to the heirs or devisees of the person without designating them by name.

(5) (a) Real property tax roll entries for which tax bills have not been collected at the expiration of the one (1) year tolling period provided for in KRS 134.546, and for which the property valuation administrator cannot physically locate and identify the real property, shall be deleted from the tax roll and the assessment shall be exonerated.

(b) The property valuation administrator shall keep a record of these exonerations, which shall be open under the provisions of KRS 61.870 to 61.884.

(c) If, at any time, one of these entries is determined to represent a valid parcel of property it shall be assessed as omitted property under the provisions of KRS 132.290.

(d) Notwithstanding other provisions of the Kentucky Revised Statutes to the contrary, any loss of ad valorem tax revenue suffered by a taxing district due to the exoneration of these uncollectable tax bills may be recovered through an adjustment in the tax rate for the following year.

(6) All real property exempt from taxation by Section 170 of the Constitution shall be listed with the property valuation administrator in the same manner and at the same time as taxable real property. The property valuation administrator shall maintain an inventory record of the tax-exempt property, but the property shall not be placed on the tax rolls. A copy of this tax-exempt inventory shall be filed annually with the department within thirty (30) days of the close of the listing period. This inventory shall be in the form prescribed by the department. The department shall make an annual report itemizing all exempt properties to the Governor and the Legislative Research Commission within sixty (60) days.
of the close of the listing period.

(7) Each property valuation administrator, under the direction of the department, shall review annually all real property listed with him or her under subsection (6) of this section and claimed to be exempt from taxation by Section 170 of the Constitution. The property valuation administrator shall place on the tax rolls all property that is not exempt. Any property valuation administrator who fails to comply with this subsection shall be subject to the penalties prescribed in KRS 132.990(2).

Section 11. KRS 132.360 is amended to read as follows:

(1) Any assessment of tangible personal property listed with the property valuation administrator or with the department as provided by KRS 132.220 may be reopened by the department within five (5) years after the due date of the return, unless the assessed value has been established by a court of competent jurisdiction. If upon reopening the assessment the department finds that the assessment was less than the fair cash value and should be increased, it shall provide notice to the taxpayer. If the taxpayer disagrees with the increase in the assessment, the taxpayer may protest the notice in accordance with KRS 131.110, who may within forty-five (45) days thereafter protest to the department and offer evidence to show that no increase should be made. After the department has disposed of the protest, the taxpayer may appeal from any such additional assessment as provided by KRS 49.220 and 131.110.

(2) Upon the assessment becoming final, the department shall certify the amount due to the taxpayer. The tax bill shall be handled and collected as an omitted tax bill, and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

Section 12. KRS 134.580 is amended to read as follows:

(1) As used in this section, unless the context requires otherwise:

(a) "Agency" means the agency of state government which administers the tax to be refunded or credited; and
(b) "Overpayment" or "payment where no tax was due" means the excess of the tax payments made over the correct tax liability determined under the terms of the applicable statute without reference to the constitutionality of the statute.

(2) When money has been paid into the State Treasury in payment of any state taxes, except ad valorem taxes, whether payment was made voluntarily or involuntarily, the appropriate agency shall authorize refunds to the person who paid the tax, or to his heirs, personal representatives or assigns, of any overpayment of tax and any payment where no tax was due. When a bona fide controversy exists between the agency and the taxpayer as to the liability of the taxpayer for the payment of tax claimed to be due by the agency, the taxpayer may pay the amount claimed by the agency to be due, and if an appeal is taken by the taxpayer from the ruling of the agency within the time provided by KRS 49.220 and it is finally adjudged that the taxpayer was not liable for the payment of the tax or any part thereof, the agency shall authorize the refund or credit as the Kentucky Claims Commission or courts may direct.

(3) No refund shall be made unless each taxpayer individually files an application or claim for the refund within four (4) years from the date payment was made. Each claim or application for a refund shall be in writing and state the specific grounds upon which it is based. Denials of refund claims or applications may be protested and appealed in accordance with KRS 49.220 and 131.110.

(4) Notwithstanding any provision of this section, when an assessment of limited liability entity tax is made under Section 41 of this Act against a pass-through entity as defined in Section 49 of this Act, the corporation or individual partners, members, or shareholders of the pass-through entity shall have one hundred eighty (180) days from the date of assessment to file returns to allow for items of income, deduction, and credit to be properly reported on the returns of the partners, members, or shareholders of the pass-through entity subject to adjustment.

(5) Refunds shall be authorized with interest as provided in KRS 131.183. The refunds
authorized by this section shall be made in the same manner as other claims on the State Treasury are paid. They shall not be charged against any appropriation, but shall be deducted from tax receipts for the current fiscal year.

(6) Nothing in this section shall be construed to authorize the agency to make or cause to be made any refund except within four (4) years of the date prescribed by law for the filing of a return including any extension of time for filing the return, or the date the money was paid into the State Treasury, whichever is the later, except in any case where the assessment period has been extended by written agreement between the taxpayer and the department, the limitation contained in this subsection shall be extended accordingly. Nothing in this section shall be construed as requiring the agency to authorize any refund to a taxpayer without demand from the taxpayer, if in the opinion of the agency the cost to the state of authorizing the refund would be greater than the amount that should be refunded or credited.

(7) This section shall not apply to any case in which the statute may be held unconstitutional, either in whole or in part.

(8) In cases in which a statute has been held unconstitutional, taxes paid thereunder may be refunded to the extent provided by KRS 134.590, and by the statute held unconstitutional.

(9) No person shall secure a refund of motor fuels tax under KRS 134.580 unless the person holds an unrevoked refund permit issued by the department before the purchase of gasoline or special fuels and that permit entitles the person to apply for a refund under KRS 138.344 to 138.355.

(10) Notwithstanding any provision of the Kentucky Revised Statutes to the contrary:

(a) The Commonwealth hereby revokes and withdraws its consent to suit in any forum whatsoever on any claim for recovery, refund, or credit of any tax overpayment for any taxable year ending before December 31, 1995, made by an amended return or any other method after December 22, 1994, and based on a change from any initially
filed separate return or returns to a combined return under the unitary business concept or to a consolidated return. No such claim shall be effective or recognized for any purpose;

(b) Any stated or implied consent for the Commonwealth of Kentucky, or any agent or officer of the Commonwealth of Kentucky, to be sued by any person for any legal, equitable, or other relief with respect to any claim for recovery, refund, or credit of any tax overpayment for any taxable year ending before December 31, 1995, made by an amended return or any other method after December 22, 1994, and based on a change from any initially filed separate return or returns to a combined return under the unitary business concept or to a consolidated return, is hereby withdrawn; and

(c) The provisions of this subsection shall apply retroactively for all taxable years ending before December 31, 1995, and shall apply to all claims for such taxable years pending in any judicial or administrative forum.

(II)(10) Notwithstanding any provision of the Kentucky Revised Statutes to the contrary:

(a) No money shall be drawn from the State Treasury for the payment of any claim for recovery, refund, or credit of any tax overpayment for any taxable year ending before December 31, 1995, made by an amended return or any other method after December 22, 1994, and based on a change from any initially filed separate return or returns to a combined return under the unitary business concept or to a consolidated return; and

(b) No provision of the Kentucky Revised Statutes shall constitute an appropriation or mandated appropriation for the payment of any claim for recovery, refund, or credit of any tax overpayment for any taxable year ending before December 31, 1995, made by an amended return or any other method after December 22, 1994, and based on a change from any initially filed separate return or returns to a combined return under the unitary business concept or to a consolidated return.

Section 13. KRS 134.810 is amended to read as follows:

(1) All state, county, city, urban-county government, school, and special taxing district ad
valorem taxes shall be due and payable on or before the earlier of the last day of the month
in which registration renewal is required by law for a motor vehicle renewed or the last day
of the month in which a vehicle is transferred.

(2) All state, county, city, urban-county government, school, and special taxing district ad
valorem taxes due on motor vehicles shall become delinquent following the earlier of the
end of the month in which registration renewal is required by law or the last day of the
second calendar month following the month in which a vehicle was transferred.

(3) Any taxes which are paid within thirty (30) days of becoming delinquent shall be subject to
a penalty of three percent (3%) on the taxes due. However, this penalty shall be waived if
the tax bill is paid within five (5) days of the tax bill being declared delinquent. Any taxes
which are not paid within thirty (30) days of becoming delinquent shall be subject to a
penalty of ten percent (10%) on the taxes due. In addition, interest at an annual rate of
fifteen percent (15%) shall accrue on said taxes and penalty from the date of delinquency.
A penalty or interest shall not accrue on a motor vehicle under dealer assignment pursuant
to KRS 186A.220.

(4) When a motor vehicle has been transferred before registration renewal or before taxes due
have been paid, the owner pursuant to KRS 186.010(7)(a) and (c) on January 1 of any year
shall be liable for the taxes on the motor vehicle, except as hereinafter provided.

(5) If an owner obtains a certificate of registration for a motor vehicle valid through the last
day of his second birth month following the month and year in which he applied for a
certificate of registration, all state, county, city, urban-county government, school, and
special tax district ad valorem tax liabilities arising from the assessment date following
initial registration shall be due and payable on or before the last day of the first birth month
following the assessment date or date of transfer, whichever is earlier. Any taxes due under
the provisions of this subsection and not paid as set forth above shall be considered
delinquent and subject to the same interest and penalties found in subsection (3) of this
section.
For purposes of the state ad valorem tax only, all motor vehicles:

(a) Held for sale by a licensed motor vehicle dealer, including licensed motor vehicle auction dealers;

(b) That are in the possession of a licensed motor vehicle dealer, including licensed motor vehicle auction dealers, for sale, although ownership has not been transferred to the dealer; and

(c) With a salvage title held by an insurance company;

on January 1 of any year shall not be taxed as a motor vehicle pursuant to KRS 132.485 but shall be subject to ad valorem tax as goods held for sale in the regular course of business under the provisions of KRS 132.020(1)(e) and 132.220.

Any provision to the contrary notwithstanding, when any ad valorem tax on a motor vehicle becomes delinquent, the state and each county, city, urban-county government, or other taxing district shall have a lien on all motor vehicles owned or acquired by the person who owned the motor vehicle at the time the tax liability arose. A lien for delinquent ad valorem taxes shall not attach to any motor vehicle transferred while the taxes are due on that vehicle. For the purpose of delinquent ad valorem taxes on leased vehicles only, a lien on a leased vehicle shall not be attached to another vehicle owned by the lessor.

The lien required by subsection (7) of this section shall be filed and released by the automatic entry of appropriate information in the AVIS database. For the filing and release of each lien or set of liens arising from motor vehicle ad valorem property tax delinquency, a fee of two dollars ($2) pursuant to this section shall be added to the delinquent tax account. The fee shall be collected and retained by the county clerk who collects the delinquent tax.

The implementation of the automated lien system provided in this section shall not affect the manner in which commercial liens are recorded or released.

For the purpose of the proper administration of this chapter and to prevent evasion of the duty to collect the taxes imposed by KRS 139.200 and 139.310, it shall be presumed that all gross receipts and all tangible personal property, digital property, and services sold by any person for delivery or access in this state are subject to the tax until the contrary is established. The burden of proving the contrary is upon the person who makes the sale of:

(1) Tangible personal property or digital property unless the person takes from the purchaser a certificate to the effect that the property is either:

(a) Purchased for resale according to the provisions of KRS 139.270;

(b) Purchased through a fully completed certificate of exemption or fully completed Streamlined Sales and Use Tax Agreement Certificate of Exemption in accordance with KRS 139.270; or

(c) Purchased according to administrative regulations promulgated by the department governing a direct pay authorization:

(2) A service included in paragraphs (a) to (f) in subsection (2) of Section 20 of this Act unless the person takes from the purchaser a certificate to the effect that the service is purchased through a fully completed certificate of exemption or fully completed Streamlined Sales and Use Tax Agreement Certificate of Exemption in accordance with KRS 139.270; and

(3) A service included in paragraphs (g) to (q) in subsection (2) of Section 20 of this Act unless the person takes from the purchaser a certificate to the effect that the property is:

(a) Purchased for resale according to Section 22 of this Act;

(b) Purchased through a fully completed certificate of exemption or fully completed Streamlined Sales and Use Tax Agreement Certificate of Exemption in accordance with Section 22 of this Act; or
(c) **Purchased according to administrative regulations promulgated by the department governing a direct pay authorization.**

Section 22. KRS 139.270 is amended to read as follows:

(1) The resale certificate, certificate of exemption, or Streamlined Sales and Use Tax Agreement Certificate of Exemption relieves the retailer or seller from the burden of proof if the retailer or seller:

(a) Within ninety (90) days after the date of sale:

1. Obtains a fully completed resale certificate, certificate of exemption, or Streamlined Sales and Use Tax Agreement Certificate of Exemption; or

2. Captures the relevant data elements that correspond to the information that the purchaser would otherwise provide to the retailer or seller on the Streamlined Sales and Use Tax Agreement Certificate of Exemption; and

(b) Maintains a file of the certificate obtained or relevant data elements captured in accordance with KRS 139.720.

(2) The relief from liability provided to the retailer or the seller in this section does not apply to a retailer or seller who:

(a) Fraudulently fails to collect the tax;

(b) Solicits purchasers to participate in the unlawful claiming of an exemption; or

(c) Accepts an exemption certificate when the purchaser claims an entity-based exemption when:

1. The product sought to be covered by the exemption certificate is actually received by the purchaser at a location operated by the retailer or seller; and

2. The state in which that location resides provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available in that state.

For purposes of this paragraph, "entity-based exemption" means an exemption based on who purchases the product or who sells the product. An exemption available to all...
individuals shall not be considered an entity-based exemption.

(3) (a) If the department requests that the seller or retailer substantiate that the sale was a sale for resale or an exempt sale and the retailer or seller has not complied with subsection (1) of this section, the seller or retailer shall be relieved of any liability for the tax on the transaction if the seller or retailer, within one hundred twenty (120) days of the department's request:

1. Obtains a fully completed resale certificate, exemption certificate, or Streamlined Sales and Use Tax Agreement Certificate of Exemption from the purchaser for an exemption that:
   a. Was available under this chapter on the date the transaction occurred;
   b. Could be applicable to the item being purchased; and
   c. Is reasonable for the purchaser's type of business; or

2. Obtains other information establishing that the transaction was not subject to the tax.

(b) Notwithstanding paragraph (a) of this subsection, if the department discovers through the audit process that the seller or retailer had knowledge or had reason to know at the time the information was provided that the information relating to the exemption claimed was materially false, or the seller or retailer otherwise knowingly participated in activity intended to purposefully evade the tax that is properly due on the transaction, the seller or retailer shall not be relieved of the tax on the transaction. The department shall bear the burden of proof that the seller or retailer had knowledge or had reason to know at the time the information was provided that the information was materially false.

(4) Notwithstanding subsections (1) and (3) of this section, the seller or retailer may still offer additional documentation that is acceptable by the department that the transaction is not subject to tax and to relieve the seller or retailer from the tax liability.

(5) If the department later finds that the retailer or seller complied with subsections (1), (3),
and (4) of this section, but that the purchaser used the property *or service* in a manner that
would not have qualified for resale status or the purchaser issued a certificate of exemption
or a Streamlined Sales and Use Tax Agreement Certificate of Exemption and used the
property *or service* in some other manner or for some other purpose, the department shall
hold the purchaser liable for the remittance of the tax *originally due* and may apply
penalties provided in KRS 139.990.

➡️ Section 23. KRS 139.280 is amended to read as follows:

(1) The resale certificate shall:

(a) Be signed by and bear the name and address of the purchaser;

(b) Indicate the number of the permit issued to the purchaser;

(c) Indicate the general character of the tangible personal property, *or services* sold by the purchaser in the regular course of business.

(2) The certificate shall be substantially in a form as the department may prescribe.

(3) A signature shall not be required if the purchaser provides the retailer with an electronic
resale certificate.

➡️ Section 24. KRS 139.340 is amended to read as follows:

(1) Except as provided in KRS 139.470 and 139.480, every retailer engaged in business in this
state shall collect the tax imposed by KRS 139.310 from the purchaser and give to the
purchaser a receipt therefor in the manner and form prescribed by the department. The
taxes collected or required to be collected by the retailer under this section shall be deemed
to be held in trust for and on account of the Commonwealth.

(2) "Retailer engaged in business in this state" as used in KRS 139.330 and this section
includes any of the following:

person who has contracted with a printer for printing, which consists of the final
printed product, property which becomes a part of the final printed product, or copy
from which the printed product is produced, and which is located at the premises of

room or place, warehouse or storage place, or other place of business maintained,
occupied, or used by the person;

which a person has contracted for printing shall not be deemed to be a representative,
agent, salesman, canvasser, or solicitor for the person;

(d) Any retailer deriving receipts from the lease or rental of tangible personal property
situated in this state;

(e) Any retailer soliciting orders for tangible personal property, digital property, or an
extended warranty service from residents of this state on a continuous, regular,

this state under the authority of the retailer to repair or service tangible personal
property or digital property sold by the retailer;

(f) Any retailer located outside Kentucky that uses a representative in Kentucky, either
full-time or part-time, if the representative performs any activities that help establish
or maintain a marketplace for the retailer, including receiving or exchanging returned 
merchandise; or

(g) 1. Any remote retailer selling tangible personal property or digital property 
delivered or transferred electronically to a purchaser in this state, including 
retail sales facilitated by a marketplace provider on behalf of the remote 
retailer, if:

a. [1.] The remote retailer sold tangible personal property or digital property that 
was delivered or transferred electronically to a purchaser in this state in 
two hundred (200) or more separate transactions in the previous calendar 
year or the current calendar year; or

b. [2.] The remote retailer’s gross receipts derived from the sale of tangible 
personal property or digital property delivered or transferred electronically 
to a purchaser in this state in the previous calendar year or current 
calendar year exceeds one hundred thousand dollars ($100,000).

2. Any remote retailer that meets either threshold provided in subparagraph 1, 
of this paragraph shall register for a sales and use tax permit and collect the 
tax imposed by KRS 139.310 from the purchaser by the first day of the 
calendar month that begins no later than thirty (30) days after either 
threshold is reached.

⇒ Section 25. KRS 139.450 is amended to read as follows:

(1) It shall be presumed that:

(a) Tangible personal property shipped or brought to this state by the purchaser; or

(b) Digital property delivered or transferred electronically into this state;

transferred electronically to a purchaser in this state for one (1) or more
marketplace retailers that in any sales combination exceeds one hundred thousand dollars ($100,000) or reaches two hundred (200) or more separate transactions in the immediately preceding calendar year or current calendar year shall be subject to this section.

(b) The marketplace provider shall:

1. Register for a sales and use tax permit number to report and remit the tax due on the marketplace provider's sales;

2. Register for a separate sales and use tax permit number to report and remit the tax due on all of the sales it facilitates for one (1) or more marketplace retailers; and

3. Collect tax imposed under this chapter;

   by the first day of the calendar month that begins no later than thirty (30) days after either threshold in paragraph (a) of this subsection is reached.

(c) The marketplace provider shall collect Kentucky tax on the entire sales price or purchase price paid by a purchaser on each retail sale subject to tax under this chapter that is made on its own behalf or that is facilitated by the marketplace provider, regardless of whether the seller would have been required to collect the tax had the retail sale not been facilitated by the marketplace provider.

(3) Nothing in this section shall be construed to relieve the marketplace provider of liability for collecting but failing to remit the taxes imposed under this chapter.

(4) (a) The marketplace provider shall be subject to audit on all sales made on its own behalf and on all sales facilitated by the marketplace provider.

(b) The marketplace retailer shall be relieved of all liability for the collection and remittance of the sales or use tax on sales facilitated by the marketplace provider.

(5) No class action may be brought against a marketplace provider on behalf of purchasers arising from or in any way related to an overpayment of tax collected by the marketplace provider. [Except as provided in subsection (8) of this section, every retailer that:}
1. Is making sales of tangible personal property or digital property from a place outside this state for storage, use, or other consumption in this state; and

2. Is not required to collect the use tax under KRS 139.340; shall notify the purchaser that the purchaser is required to report and pay the Kentucky use tax directly to the department on purchases from that retailer unless the purchases are otherwise exempt under this chapter.

(b) The required use tax notification shall be readily visible and shall be included on the retailer’s Internet Web site, retail catalog, and invoices provided to the purchaser, as provided in subsection (4) of this section.

(c) A retailer shall not advertise, state, display, or imply on the retailer’s Internet Web site or retail catalog that there is no Kentucky tax due on the purchases made from the retailer.

(3) The use tax notification required by subsection (2) of this section shall contain the following language:

(a) "The retailer is not required to and does not collect Kentucky sales or use tax."

(b) "The purchase may be subject to Kentucky use tax unless the purchase is exempt from taxation in Kentucky."

(c) "The purchase is not exempt merely because it is made over the Internet, by catalog, or by other remote means."; and

(d) "The Commonwealth of Kentucky requires Kentucky purchasers to report all purchases of tangible personal property or digital property that are not taxed by the retailer and pay use tax on those purchases unless exempt under Kentucky law. The tax may be reported and paid on the Kentucky individual income tax return or by filing a consumer use tax return with the Kentucky Department of Revenue. These forms and corresponding instructions may be found on the Kentucky Department of Revenue’s Internet Web site."

(4) Except as provided in subsection (5) of this section, the retailer shall include the exact
required use tax notification language provided in subsection (3) of this section on the:

(a) Internet Web site page necessary to facilitate an online sales transaction;

(b) Electronic order confirmation or, if an electronic order confirmation is not issued, the required use tax notification shall be included on the purchase order, invoice, bill, receipt, sales slip, order form, or packing statement; and

(c) Catalog order form, purchase order, invoice, bill, receipt, sales slip, or packing statement.

(5) If the retailer provides a prominent reference to a supplemental page in the retailer's catalog or on the retailer's Internet Web site, or provides a prominent electronic linking notice on the retailers' Internet Web site, that states, "See important Kentucky sales and use tax information regarding tax you may owe directly to the Commonwealth of Kentucky," and that supplemental page or electronic link contains the required use tax notification language as provided in subsection (3) of this section, the retailer is relieved from the requirements of subsection (4) of this section.

(6) If the retailer is required to provide a similar use tax notification for another state in addition to the use tax notification required by this section, the retailer may provide a consolidated notification if the consolidated notification meets the requirements of this section.

(7) Except for the notification requirement on invoices in subsection (4)(c) of this section, subsections (2) to (8) of this section shall also apply to online auction Web sites. For purposes of this section, "online auction Web site" means a collection of Internet Web pages that allows persons to display tangible personal property or digital property for sale that is purchased through a competitive process where participants place bids with the highest bidder purchasing the item when the bidding period ends.

(8) Any retailer that made total gross sales of less than one hundred thousand dollars ($100,000) to Kentucky residents or businesses located in Kentucky, and that reasonably expects that its Kentucky sales in the current calendar year will be less than one hundred
thousand dollars ($100,000), shall be exempt from subsections (2) to (8) of this section.

Section 26. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

the storage, use, or other consumption in this state of tangible personal property or digital
property, the transfer of which to the purchaser is an occasional sale;

4. Gross receipts from sales of tangible personal property to a common carrier, shipped by the
retailer via the purchasing carrier under a bill of lading, whether the freight is paid in

conduct of its business as a common carrier;

5. Gross receipts from sales of tangible personal property sold through coin-operated bulk

   the definitions of "residential" contained in tariff filings accepted and approved
   by the Public Service Commission with respect to utilities which are subject to
   Public Service Commission regulation.
   If the service is classified as residential, use other than for "residential" purposes by
the customer shall not negate the exemption;

(c) The exemption shall not apply if charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and

(d) The exemption shall apply also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years;

This group is limited to hand tools such as jigs, dies, drills, cutters, rolls, reamers, chucks, saws, and spray guns and to tools attached to a machine such as molds, grinding balls, grinding wheels, dies, bits, and cutting blades. Normally, for industrial tools to be considered directly used in the manufacturing or industrial processing process, they shall come into direct contact with the product being manufactured or processed; and

3. Materials and supplies that are not reusable in the same manufacturing or industrial processing process at the completion of a single manufacturing or processing cycle. A single manufacturing cycle shall be considered to be the period elapsing from the time the raw materials enter into the manufacturing process until the finished product emerges at the end of the manufacturing process.

(b) The property described in paragraph (a) of this subsection shall be regarded as having been purchased for resale.

redemption certificate;

(16) Gross receipts from the sale of tangible personal property or digital property returned by a

A taxpayer may elect to treat the cost of property placed in service on or after August 1, 1985, as an expense as provided in Section 179 of the Internal Revenue Code in effect on December 31, 1980. Computations, limitations, definitions, exceptions, and other provisions of Section 179 of the Internal Revenue Code and related regulations shall be construed to govern the computation of the allowable deduction.

(10) Upon the sale, exchange, or disposition of any depreciable property placed in service on or after January 1, 1981, capital gains or losses and the amount of ordinary income determined under the provisions of the Internal Revenue Code shall be computed for Kentucky income tax purposes as follows:

(b) Compute the adjusted basis by subtracting the depreciation allowed or allowable for Kentucky income tax purposes from the unadjusted basis, except corporations will not be permitted to adjust the basis of assets by the ACRS depreciation not allowed for Kentucky income tax purposes in the tax years beginning on or before June 30, 1984, and

(c) Compute the gain or loss by subtracting the adjusted basis from the value received from the disposition of the depreciable property, and

(d) Compute the recapture of depreciation required under Sections 1245 through 1256 of
the Internal Revenue Code and related regulations, and
(e) Unless otherwise provided in this subsection the provisions of the Internal Revenue
Code and related regulations governing the determination of capital gains or losses
shall apply for Kentucky income tax purposes.

(11) Unless otherwise provided by this chapter, the basis of property placed in service prior to

and the adjusted federal basis of all transition property determined as of the first day

election to expense deductions, allowed or allowable, the basis of assets, adjusted or
unadjusted, and the gain or loss from the sale or other disposition of assets shall be the
same for Kentucky income tax purposes as determined under Chapter 1 of the Internal
Revenue Code.

accordance with the provisions of paragraph (e) of subsection (12) of this section shall be
reported by the taxpayer as follows:

   Section 338 of the Internal Revenue Code; and

dollars ($100,000), or if the transition amount does not exceed one hundred thousand
dollars ($100,000) and the taxpayer elects the provision of this paragraph with the
filing of the income tax return for the first taxable year beginning after December 31,
1993, the taxpayer shall:

   the adjusted Kentucky basis of transition property exceeds the adjusted federal
   basis of transition property; or

2. Add to gross income twenty-five percent (25%) of the transition amount if the
adjusted federal basis of transition property exceeds the adjusted Kentucky basis of transition property.

(c) In the first taxable year beginning after December 31, 1993, if the transition amount does not exceed one hundred thousand dollars ($100,000) and the taxpayer does not elect the provisions of paragraph (b) of this subsection, the taxpayer shall:

1. Deduct from gross income the total transition amount if the adjusted Kentucky basis of transition property exceeds the adjusted federal basis of transition property; or

(c) If the S corporation is required under Section 1374 or 1375 of the Internal Revenue Code to pay tax on built-in gains or on passive investment income, the amount of tax imposed by this subsection shall be computed by applying the highest rate of tax for the taxable year.

(5) For the taxable years beginning on or after January 1, 2021, but prior to January 1, 2022, there shall be allowed a refundable credit against the tax imposed by this section and Section 41 of this Act, with the ordering of the credits as provided in Section 79 of this Act, for any financial institution that timely pays the bank franchise tax imposed under Section 16 of this Act.

Section 41. KRS 141.0401 is amended to read as follows:

(1) As used in this section:

(a) "Kentucky gross receipts" means an amount equal to the computation of the numerator of the apportionment fraction under KRS 141.120, any administrative regulations related to the computation of the sales factor, and KRS 141.121 and includes the proportionate share of Kentucky gross receipts of all wholly or partially owned limited liability pass-through entities, including all layers of a multi-layered pass-through structure;

(b) "Gross receipts from all sources" means an amount equal to the computation of the denominator of the apportionment fraction under KRS 141.120, any administrative regulations related to the computation of the sales factor, and KRS 141.121 and
includes the proportionate share of gross receipts from all sources of all wholly or partially owned limited liability pass-through entities, including all layers of a multi-layered pass-through structure;

(c) "Combined group" means all members of an affiliated group as defined in KRS 141.200(9)(b) and all limited liability pass-through entities that would be included in an affiliated group if organized as a corporation;

(d) "Cost of goods sold" means:

1. Amounts that are:
   a. Allowable as cost of goods sold pursuant to the Internal Revenue Code and any guidelines issued by the Internal Revenue Service relating to cost of goods sold, unless modified by this paragraph; and
   b. Incurred in acquiring or producing the tangible product generating the Kentucky gross receipts.

2. For manufacturing, producing, reselling, retailing, or wholesaling activities, cost of goods sold shall only include costs directly incurred in acquiring or producing the tangible product. In determining cost of goods sold:
   a. Labor costs shall be limited to direct labor costs as defined in paragraph (f) of this subsection;
   b. Bulk delivery costs as defined in paragraph (g) of this subsection may be included; and
   c. Costs allowable under Section 263A of the Internal Revenue Code may be included only to the extent the costs are incurred in acquiring or producing the tangible product generating the Kentucky gross receipts. Notwithstanding the foregoing, indirect labor costs allowable under Section 263A shall not be included;

3. For any activity other than manufacturing, producing, reselling, retailing, or wholesaling, no costs shall be included in cost of goods sold.
As used in this paragraph, "guidelines issued by the Internal Revenue Service" includes regulations, private letter rulings, or any other guidance issued by the Internal Revenue Service that may be relied upon by taxpayers under reliance standards established by the Internal Revenue Service;

(e) 1. "Kentucky gross profits" means Kentucky gross receipts reduced by returns and allowances attributable to Kentucky gross receipts, less the cost of goods sold attributable to Kentucky gross receipts. If the amount of returns and allowances attributable to Kentucky gross receipts and the cost of goods sold attributable to Kentucky gross receipts is zero, then "Kentucky gross profits" means Kentucky gross receipts; and

2. "Gross profits from all sources" means gross receipts from all sources reduced by returns and allowances attributable to gross receipts from all sources, less the cost of goods sold attributable to gross receipts from all sources. If the amount of returns and allowances attributable to gross receipts from all sources and the cost of goods sold attributable to gross receipts from all sources is zero, then gross profits from all sources means gross receipts from all sources;

(f) "Direct labor" means labor that is incorporated into the tangible product sold or is an integral part of the manufacturing process;

(g) "Bulk delivery costs" means the cost of delivering the product to the consumer if:

"Tangible personal property" means property, other than real property, that has physical form and characteristics; and

"Tangible product" means real property and tangible personal property;

(2) For taxable years beginning on or after January 1, 2007, an annual limited liability entity tax shall be paid by every corporation and every limited liability pass-through entity doing business in Kentucky on all Kentucky gross receipts or Kentucky gross profits except as provided in this subsection. A small business exclusion from this tax shall be provided based on the reduction contained in this subsection. The tax shall be the greater of the amount computed under paragraph (b) of this subsection or one hundred seventy-five dollars ($175), regardless of the application of any tax credits provided under this chapter or any other provisions of the Kentucky Revised Statutes for which the business entity may qualify.

The limited liability entity tax shall be the lesser of subparagraph 1. or 2. of this paragraph:

1. a. If the corporation's or limited liability pass-through entity's gross receipts from all sources are three million dollars ($3,000,000) or less, the limited liability entity tax shall be one hundred seventy-five dollars ($175).

   b. If the corporation's or limited liability pass-through entity's gross receipts from all sources are greater than three million dollars ($3,000,000) but less than six million dollars ($6,000,000), the limited liability entity tax shall be nine and one-half cents ($0.095) per one hundred dollars ($100) of the corporation's or limited liability pass-through entity's Kentucky gross receipts reduced by an amount equal to two thousand eight hundred fifty dollars ($2,850) multiplied by a fraction, the numerator of which is
six million dollars ($6,000,000) less the amount of the corporation's or
limited liability pass-through entity's Kentucky gross receipts for the
taxable year, and the denominator of which is three million dollars
($3,000,000), but in no case shall the result be less than one hundred
seventy-five dollars ($175);[zero];

c. If the corporation's or limited liability pass-through entity's gross receipts
from all sources are equal to or greater than six million dollars
($6,000,000), the limited liability entity tax shall be nine and one-half
cents ($0.095) per one hundred dollars ($100) of the corporation's or
limited liability pass-through entity's Kentucky gross receipts.

2. a. If the corporation's or limited liability pass-through entity's gross profits
from all sources are three million dollars ($3,000,000) or less, the limited
liability entity tax shall be one hundred seventy-five dollars ($175);[zero];

b. If the corporation's or limited liability pass-through entity's gross profits
from all sources are at least three million dollars ($3,000,000) but less
than six million dollars ($6,000,000), the limited liability entity tax shall
be seventy-five cents ($0.75) per one hundred dollars ($100) of the
corporation's or limited liability pass-through entity's Kentucky gross
profits, reduced by an amount equal to twenty-two thousand five hundred
dollars ($22,500) multiplied by a fraction, the numerator of which is six
million dollars ($6,000,000) less the amount of the corporation's or limited
liability pass-through entity's Kentucky gross profits, and the denominator
of which is three million dollars ($3,000,000), but in no case shall the
result be less than one hundred seventy-five dollars ($175);[zero];

c. If the corporation's or limited liability pass-through entity's gross profits
from all sources are equal to or greater than six million dollars
($6,000,000), the limited liability entity tax shall be seventy-five cents
($0.75) per one hundred dollars ($100) of all of the corporation’s or limited liability pass-through entity’s Kentucky gross profits.

In determining eligibility for the reductions contained in this paragraph, a member of a combined group shall consider the combined gross receipts and the combined gross profits from all sources of the entire combined group, including eliminating entries for transactions among the group.

(c) A credit shall be allowed against the tax imposed under paragraph (a) of this subsection for the current year to a corporation or limited liability pass-through entity that owns an interest in a limited liability pass-through entity. The credit shall be the proportionate share of tax calculated under this subsection by the lower-level pass-through entity, as determined after the amount of tax calculated by the pass-through entity has been reduced by the minimum tax of one hundred seventy-five dollars ($175). The credit shall apply across multiple layers of a multi-layered pass-through entity structure. The credit at each layer shall include the credit from each lower layer, after reduction for the minimum tax of one hundred seventy-five dollars ($175) at each layer.

(d) The department may promulgate administrative regulations to establish a method for calculating the cost of goods sold attributable to Kentucky.

(3) A nonrefundable credit based on the tax calculated under subsection (2) of this section shall be allowed against the tax imposed by KRS 141.020 or 141.040. The credit amount shall be determined as follows:

(a) The credit allowed a corporation subject to the tax imposed by KRS 141.040 shall be equal to the amount of tax calculated under subsection (2) of this section for the current year after subtraction of any credits identified in KRS 141.0205, reduced by the minimum tax of one hundred seventy-five dollars ($175), plus any credit determined in paragraph (b) of this subsection for tax paid by wholly or partially owned limited liability pass-through entities. The amount of credit allowed to a
corporation based on the amount of tax paid under subsection (2) of this section for the current year shall be applied to the income tax due from the corporation's activities in this state. Any remaining credit from the corporation shall be disallowed.

(b) The credit allowed members, shareholders, or partners of a limited liability pass-through entity shall be the members', shareholders', or partners' proportionate share of the tax calculated under subsection (2) of this section for the current year after subtraction of any credits identified in KRS 141.0205, as determined after the amount of tax paid has been reduced by the minimum tax of one hundred seventy-five dollars ($175). The credit allowed to members, shareholders, or partners of a limited liability pass-through entity shall be applied to income tax assessed on income from the limited liability pass-through entity. Any remaining credit from the limited liability pass-through entity shall be disallowed.

(4) Each taxpayer subject to the tax imposed in this section shall file a return, on forms prepared by the department, on or before the fifteenth day of the fourth month following the close of the taxpayer's taxable year. Any tax remaining due after making the payments required under Section 42 of this Act [in KRS 141.042] shall be paid by the original due date of the return.

(5) The department shall prescribe forms and promulgate administrative regulations as needed to administer the provisions of this section.

where extensions of time have been granted, paragraphs (a), (b), and (c) of this
subsection shall not apply, and there shall be paid at the time of such filing all
installments of estimated tax which would have been payable on or before such time
if the declaration had been filed within the time prescribed in KRS 141.042, and the
remaining installments shall be paid at the times at which, and in the amounts in
which, they would have been payable if the declaration had been so filed.

or nonpayment of tax for any previous taxable year;

(b) No refund shall be made of any estimated tax paid unless a complete return is filed as
required by this chapter.
(4) At the election of the taxpayer, any installment of the estimated tax may be paid prior to the date prescribed for its payment.

2. For purposes of subparagraph 1. of this paragraph, Kentucky receipts shall be determined by multiplying total receipts for the taxable year from each separate investment company for which the services are performed by a fraction. The numerator of the fraction shall be the average of the number of shares owned by the investment company's shareholders domiciled in this state at the beginning of and at the end of the investment company's taxable year, and the denominator of the fraction shall be the average of the number of the shares owned by the investment company shareholders everywhere at the beginning of and at the end of the investment company's taxable year; and

In the case of an individual who is abroad, the extension shall not be granted for more than one (1) year.

filing its income tax return, provided the corporation, on or before the date prescribed for
payment of the tax, requests the extension and pays the amount properly estimated as its
tax.

(3) If the time for filing a return is extended, the taxpayer shall pay, as part of the tax, an
amount equal to the tax interest rate as defined in KRS 131.010(6) on the tax shown due on

member serves in an area designated as a combat zone by presidential proclamation.

(b) The extension referred to in paragraph (a) of this subsection shall expire twelve (12) months after the service.

(c) No penalty shall accrue by reason of the extension.

Section 47. KRS 141.201 is amended to read as follows:

(1) This section shall apply to taxable years beginning on or after January 1, 2019.

(2) As used in this section:

(a) "Affiliated group" means affiliated group as defined in Section 1504(a) of the Internal Revenue Code and related regulations;

(b) "Consolidated return" means a Kentucky corporation income tax return filed by members of an affiliated group in accordance with this section. The determinations and computations required by this chapter shall be made in accordance with Section 1502 of the Internal Revenue Code and related regulations, except as required by differences between this chapter and the Internal Revenue Code. Corporations exempt from taxation under KRS 141.040 shall not be included in the return;

(c) "Separate return" means a Kentucky corporation income tax return in which only the transactions and activities of a single corporation are considered in making all determinations and computations necessary to calculate taxable net income, tax due, and credits allowed in accordance with this chapter;

(d) "Corporation" means "corporation" as defined in Section 7701(a)(3) of the Internal Revenue Code; and

(e) "Election period" means the forty-eight (48) month period provided for in subsection (4)(d) of this section.

(3) Every corporation doing business in this state, except those exempt from taxation under KRS 141.040, shall, for each taxable year:

(a) 1. File a combined report, if the corporation is a member of unitary business group
as provided in KRS 141.202; or

2. Make an election to file a consolidated return with all members of the affiliated
group as provided in this section; or

(b) File a separate return, if paragraph (a) of this subsection does not apply.

(4) (a) An affiliated group, whether or not filing a federal consolidated return, may elect to
file a consolidated return which includes all members of the affiliated group.

(b) An affiliated group electing to file a consolidated return under paragraph (a) of this
subsection shall be treated for all purposes as a single corporation under this chapter.
All transactions between corporations included in the consolidated return shall be
eliminated in computing net income as provided in KRS 141.039(2), and determining
the apportionment fraction in accordance with KRS 141.120.

(c) Any election made in accordance with paragraph (a) of this subsection shall be made
on a form prescribed by the department and shall be submitted to the department on
or before the due date of the return, including extensions, for the first taxable year for
which the election is made.

(d) Any election to file a consolidated return pursuant to paragraph (a) of this subsection
shall be binding on both the department and the affiliated group for a period
beginning with the first month of the first taxable year for which the election is made
and ending with the conclusion of the taxable year in which the forty-eighth
sixth} consecutive calendar month expires.

(e) For each taxable year for which an affiliated group has made an election provided in
paragraph (a) of this subsection, the consolidated return shall include all corporations
which are members of the affiliated group.

(5) Each corporation included as part of an affiliated group filing a consolidated return shall be
jointly and severally liable for the income tax liability computed on the consolidated return,
except that any corporation which was not a member of the affiliated group for the entire
taxable year shall be jointly and severally liable only for that portion of the Kentucky
consolidated income tax liability attributable to that portion of the year that the corporation
was a member of the affiliated group.

(6) Every corporation return or report required by this chapter shall be executed by one (1) of
the following officers of the corporation: the president, vice president, secretary, treasurer,
assistant secretary, assistant treasurer, or chief accounting officer. The department may
require a further or supplemental report of further information and data necessary for
computation of the tax.

(7) In the case of a corporation doing business in this state that carries on transactions with
stockholders or with other corporations related by stock ownership, by interlocking
directorates, or by some other method, the department shall require information necessary
to make possible accurate assessment of the income derived by the corporation from
sources within this state. To make possible this assessment, the department may require the
corporation to file supplementary returns showing information respecting the business of
any or all individuals and corporations related by one (1) or more of these methods to the
corporation. The department may require the return to show in detail the record of
transactions between the corporation and any or all other related corporations or
individuals.

Section 48. KRS 141.202 is amended to read as follows:

(1) This section shall apply to taxable years beginning on or after January 1, 2019.

(2) As used in this section:

(a) "Combined group" means the group of all corporations whose income and
apportionment factors are required to be taken into account as provided in subsection
(3) of this section in determining the taxpayer's share of the net income or loss
apportionable to this state. A combined group shall include only corporations, the
voting stock of which is more than fifty percent (50%) owned, directly or indirectly,
by a common owner or owners;

(b) "Corporation" has the same meaning as in KRS 141.010, including an organization of
any kind treated as a corporation for tax purposes under KRS 141.040, wherever located, which if it were doing business in this state would be a taxpayer, and the business conducted by a pass-through entity which is directly or indirectly held by a corporation shall be considered the business of the corporation to the extent of the corporation's distributive share of the pass-through entity income, inclusive of guaranteed payments;

(c) "Doing business in a tax haven" means being engaged in activity sufficient for that tax haven jurisdiction to impose a tax under United States constitutional standards;

(d) "Tax haven" means a jurisdiction that, during the taxable year has no or nominal effective tax on the relevant income and:

- Has laws or practices that prevent effective exchange of information for tax purposes with other governments on taxpayers benefitting from the tax regime;

- Has a tax regime which lacks transparency. A tax regime lacks transparency if the details of legislative, legal, or administrative provisions are not open and apparent or are not consistently applied among similarly situated taxpayers, or if the information needed by tax authorities to determine a taxpayer's correct tax liability, such as accounting records and underlying documentation, is not adequately available;

- Facilitates the establishment of foreign-owned entities without the need for a local substantive presence or prohibits these entities from having any commercial impact on the local economy;

- Explicitly or implicitly excludes the jurisdiction's resident taxpayers from taking advantage of the tax regime's benefits or prohibits enterprises that benefit from the regime from operating in the jurisdiction's domestic market; or

- Has created a tax regime which is favorable for tax avoidance, based upon
an overall assessment of relevant factors, including whether the
jurisdiction has a significant untaxed offshore financial or other services
sector relative to its overall economy.

2. "Tax haven" does not include a jurisdiction that has entered into a
comprehensive income tax treaty with the United States, which the Secretary
of the Treasury has determined is satisfactory for purposes of Section
1(h)(11)(C)(i)(II) of the Internal Revenue Code;

(e) "Taxpayer" means any corporation subject to the tax imposed under this chapter;

(f) "Unitary business" means a single economic enterprise that is made up either of
separate parts of a single corporation or of a commonly controlled group of
corporations that are sufficiently interdependent, integrated, and interrelated through
their activities so as to provide a synergy and mutual benefit that produces a sharing
or exchange of value among them and a significant flow of value to the separate parts.
For purposes of this section, the term "unitary business" shall be broadly construed, to
the extent permitted by the United States Constitution; and

(g) "United States" means the fifty (50) states of the United States, the District of
Columbia, and United States' territories and possessions.

(3) (a) Except as provided in KRS 141.201, a taxpayer engaged in a unitary business with
one (1) or more other corporations shall file a combined report which includes the
income, determined under subsection (5) of this section, and the apportionment
fraction, determined under KRS 141.120 and paragraph (d) of this subsection, of all
corporations that are members of the unitary business, and any other information as
required by the department. The combined report shall be filed on a waters-edge
basis under subsection (8) of this section.

(b) The department may, by administrative regulation, require that the combined report
include the income and associated apportionment factors of any corporations that are
not included as provided by paragraph (a) of this subsection, but that are members of
a unitary business, in order to reflect proper apportionment of income of the entire
unitary businesses. Authority to require combination by administrative regulation
under this paragraph includes authority to require combination of corporations that
are not, or would not be combined, if the corporation were doing business in this
state.

(c) In addition, if the department determines that the reported income or loss of a
taxpayer engaged in a unitary business with any corporation not included as provided
by paragraph (a) of this subsection represents an avoidance or evasion of tax by the
taxpayer, the department may, on a case-by-case basis, require all or any part of the
income and associated apportionment factors of the corporation be included in the
taxpayer's combined report.

(d) With respect to the inclusion of associated apportionment factors as provided in
paragraph (a) of this subsection, the department may require the inclusion of any one
(1) or more additional factors which will fairly represent the taxpayer's business
activity in this state, or the employment of any other method to effectuate a proper
reflection of the total amount of income subject to apportionment and an equitable
allocation and apportionment of the taxpayer's income.

(e) A unitary business shall consider the combined gross receipts and combined
income from all sources of all members under subsection (8) of this section,
including eliminating entries for transactions among the members under
subsection (8)(e) of this section.

(f) Notwithstanding paragraphs (a) to (e) of this subsection, a consolidated return
may be filed as provided in KRS 141.201 if the taxpayer makes an election according
to KRS 141.201.

(4) The use of a combined report does not disregard the separate identities of the taxpayer
members of the combined group. Each taxpayer member is responsible for tax based on its
taxable income or loss apportioned or allocated to this state, which shall include, in
addition to the other types of income, the taxpayer member's share of apportionable income
of the combined group, where apportionable income of the combined group is calculated as
a summation of the individual net incomes of all members of the combined group. A
member's net income is determined by removing all but apportionable income, expense,
and loss from that member's total income as provided in subsection (5) of this section.

(5) (a) Each taxpayer member is responsible for tax based on its taxable income or loss
apportioned or allocated to this state, which shall include:

1. Its share of any income apportionable to this state of each of the combined
groups of which it is a member, determined under subsection (6) of this section;

2. Its share of any income apportionable to this state of a distinct business activity
conducted within and without the state wholly by the taxpayer member,
determined under KRS 141.120;

3. Its income from a business conducted wholly by the taxpayer member entirely
within the state;

4. Its income sourced to this state from the sale or exchange of capital or assets,
and from involuntary conversions, as determined under subsection (8)(k) of this
section;

5. Its nonapportionable income or loss allocable to this state, determined under
KRS 141.120;

6. Its income or loss allocated or apportioned in an earlier year, required to be
taken into account as state source income during the income year, other than a
net operating loss; and

7. Its net operating loss carryover. If the taxable income computed pursuant to this
subsection results in a loss for a taxpayer member of the combined group, that
taxpayer member has a Kentucky net operating loss, subject to the net operating
loss limitations and carry forward provisions of KRS 141.011. The net
operating loss is applied as a deduction in a subsequent year only if that
taxpayer has Kentucky source positive net income, whether or not the taxpayer
is or was a member of a combined reporting group in the subsequent year.

(b) No tax credit or post-apportionment deduction earned by one (1) member of the
group, but not fully used by or allowed to that member, may be used in whole or in
part by another member of the group or applied in whole or in part against the total
income of the combined group.

(c) A post-apportionment deduction carried over into a subsequent year as to the member
that incurred it, and available as a deduction to that member in a subsequent year, will
be considered in the computation of the income of that member in the subsequent
year, regardless of the composition of that income as apportioned, allocated, or
wholly within this state.

(6) The taxpayer's share of the business income apportionable to this state of each combined
group of which it is a member shall be the product of:

(a) The apportionable income of the combined group, determined under subsection (7) of
this section; and

(b) The taxpayer member's apportionment fraction, determined under KRS 141.120,
including in the sales factor numerator the taxpayer's sales associated with the
combined group's unitary business in this state, and including in the denominator the
sales of all members of the combined group, including the taxpayer, which sales are
associated with the combined group's unitary business wherever located. The sales of
a pass-through entity shall be included in the determination of the partner's
apportionment percentage in proportion to a ratio, the numerator of which is the
amount of the partner's distributive share of the pass-through entity's unitary income
included in the income of the combined group as provided in subsection (8) of this
section and the denominator of which is the amount of pass-through entity's total
unitary income.

(7) The apportionable income of a combined group is determined as follows:
(a) The total income of the combined group is the sum of the income of each member of
the combined group determined under federal income tax laws, as adjusted for state
purposes, as if the member were not consolidated for federal purposes; and
(b) From the total income of the combined group determined under subsection (8) of this
section, subtract any income and add any expense or loss, other than the
apportionable income, expense, or loss of the combined group.

(8) To determine the total income of the combined group, taxpayer members shall take into
account all or a portion of the income and apportionment factor of only the following
members otherwise included in the combined group as provided in subsection (3) of this
section:
(a) The entire income and apportionment percentage of any member incorporated in the
United States or formed under the laws of any state, the District of Columbia, or any
territory or possession of the United States that earns less than eighty percent (80%)
of its income from sources outside of the United States, the District of Columbia, or
any territory or possession of the United States;
(b) Any member that earns more than twenty percent (20%) of its income, directly or
indirectly, from intangible property or service related activities that are deductible
against the apportionable income of other members of the combined group, to the
extent of that income and the apportionment factor related to that income;
(c) The entire income and apportionment factor of any member that is doing business in a
tax haven. If the member's business activity within a tax haven is entirely outside the
scope of the laws, provisions, and practices that cause the jurisdiction to meet the
definition established in subsection (2)(d) of this section, the activity of the member
shall be treated as not having been conducted in a tax haven;
(d) If a unitary business includes income from a pass-through entity, the income to be
included in the total income of the combined group shall be the member of the
combined group's direct and indirect distributive share of the pass-through entity's
unitary income;

(e) Income from an intercompany transaction between members of the same combined
group shall be deferred in a manner similar to 26 C.F.R. 1.1502-13. Upon the
 occurrence of any of the following events, deferred income resulting from an
intercompany transaction between members of a combined group shall be restored to
the income of the seller, and shall be apportionable income earned immediately
before the event:

1. The object of a deferred intercompany transaction is:
   
   a. Resold by the buyer to an entity that is not a member of the combined
group;
   
   b. Resold by the buyer to an entity that is a member of the combined group
      for use outside the unitary business in which the buyer and seller are
      engaged; or
   
   c. Converted by the buyer to a use outside the unitary business in which the
      buyer and seller are engaged; or

2. The buyer and seller are no longer members of the same combined group,
   regardless of whether the members remain unitary;

(f) A charitable expense incurred by a member of a combined group shall, to the extent
allowable as a deduction provided by Section 170 of the Internal Revenue Code, be
subtracted first from the apportionable income of the combined group, subject to the
income limitations of that section applied to the entire apportionable income of the
group, and any remaining amount shall then be treated as a nonapportionable expense
allocable to the member that incurred the expense, subject to the income limitations
of that section applied to the nonapportionable income of that specific member. Any
charitable deduction disallowed under this paragraph, but allowed as a carryover
deduction in a subsequent year, shall be treated as originally incurred in the
subsequent year by the same member, and this paragraph shall apply in the
subsequent year in determining the allowable deduction in that year;

(g) Gain or loss from the sale or exchange of capital assets, property described by Section 1231(a)(3) of the Internal Revenue Code, and property subject to an involuntary conversion shall be removed from the total separate net income of each member of a combined group and shall be apportioned and allocated as follows:

1. For each class of gain or loss, including short-term capital, long-term capital, Internal Revenue Code Section 1231, and involuntary conversions, all members' gain and loss for the class shall be combined, without netting between the classes, and each class of net gain or loss separately apportioned to each member using the member's apportionment percentage determined under subsection (6) of this section;

2. Each taxpayer member shall then net its apportioned business gain or loss for all classes, including any apportioned gain and loss from other combined groups, against the taxpayer member's nonapportionable gain and loss for all classes allocated to this state, using the rules of Sections 1231 and 1222 of the Internal Revenue Code, without regard to any of the taxpayer member's gains or losses from the sale or exchange of capital assets, Internal Revenue Code Section 1231 property, and involuntary conversions which are nonapportionable items allocated to another state;

3. Any resulting state source income or loss, if the loss is not subject to the limitations of Section 1211 of the Internal Revenue Code, of a taxpayer member produced by the application of subparagraphs 1. and 2. of this paragraph shall then be applied to all other state source income or loss of that member; and

4. Any resulting state source loss of a member that is subject to the limitations of Section 1211 of the Internal Revenue Code shall be carried forward by that member, and shall be treated as state source short-term capital loss incurred by that member for the year for which the carryover applies; and
(h) Any expense of one (1) member of the unitary group which is directly or indirectly attributable to the nonapportionable or exempt income of another member of the unitary group shall be allocated to that other member as corresponding nonapportionable or exempt expense, as appropriate.

(9) (a) As a filing convenience, and without changing the respective liability of the group members, members of a combined reporting group shall annually designate one (1) taxpayer member of the combined group to file a single return in the form and manner prescribed by the department, in lieu of filing their own respective returns.

(b) The taxpayer member designated to file the single return shall consent to act as surety with respect to the tax liability of all other taxpayers properly included in the combined report, and shall agree to act as agent on behalf of those taxpayers for the taxable year for matters relating to the combined report. If for any reason the surety is unwilling or unable to perform its responsibilities, tax liability may be assessed against the taxpayer members.

Section 49. KRS 141.206 is amended to read as follows:

(1) Every pass-through entity doing business in this state shall, on or before the fifteenth day of the fourth month following the close of its annual accounting period, file a copy of its federal tax return with the form prescribed and furnished by the department.

(2) Pass-through entities shall determine net income in the same manner as in the case of an individual under KRS 141.010 and the adjustment required under Sections 703(a) and 1363(b) of the Internal Revenue Code. Computation of net income under this section and the computation of the partner's, member's, or shareholder's distributive share shall be computed as nearly as practicable identical with those required for federal income tax purposes except to the extent required by differences between this chapter and the federal income tax law and regulations.

(3) Individuals, estates, trusts, or corporations doing business in this state as a partner, member, or shareholder in a pass-through entity shall be liable for income tax only in their
individual, fiduciary, or corporate capacities, and no income tax shall be assessed against
the net income of any pass-through entity, except as required for S corporations by KRS
141.040.

(4) (a) Every pass-through entity required to file a return under subsection (1) of this section,
except publicly traded partnerships as described in subsection (6)(a) of this section, shall
withhold Kentucky income tax on the distributive share, whether distributed or undistributed, of each:
1. Nonresident individual partner, member, or shareholder; and
2. Corporate partner or member that is doing business in Kentucky only through
   its ownership interest in a pass-through entity.

(b) Withholding shall be at the maximum rate provided in KRS 141.020 or 141.040.

(5) (a) Effective for taxable years beginning after December 31, 2018, every pass-
through entity required to withhold Kentucky income tax as provided by subsection
(4) of this section shall pay estimated tax for the taxable year if:
1. For a nonresident individual partner, member, or shareholder, the estimated tax
   liability can reasonably be expected to exceed five hundred dollars ($500); or
2. For a corporate partner or member that is doing business in Kentucky only
   through its ownership interest in a pass-through entity, the estimated tax liability
   can reasonably be expected to exceed five thousand dollars ($5,000).

(b) The payment of estimated tax shall contain the information and shall be filed as provided in KRS 141.207.

(6) (a) If a pass-through entity demonstrates to the department that a partner, member, or
shareholder has filed an appropriate tax return for the prior year with the department,
then the pass-through entity shall not be required to withhold on that partner,
member, or shareholder for the current year unless the exemption from withholding
has been revoked pursuant to paragraph (b) of this subsection.
(b) An exemption from withholding shall be considered revoked if the partner, member, or shareholder does not file and pay all taxes due in a timely manner. An exemption so revoked shall be reinstated only with permission of the department. If a partner, member, or shareholder who has been exempted from withholding does not file a return or pay the tax due, the department may require the pass-through entity to pay to the department the amount that should have been withheld, up to the amount of the partner's, member's, or shareholder's ownership interest in the entity. The pass-through entity shall be entitled to recover a payment made pursuant to this paragraph from the partner, member, or shareholder on whose behalf the payment was made.

(7) In determining the tax under this chapter, a resident individual, estate, or trust that is a partner, member, or shareholder in a pass-through entity shall take into account the partner's, member's, or shareholder's total distributive share of the pass-through entity's items of income, loss, deduction, and credit.

(8) In determining the tax under this chapter, a nonresident individual, estate, or trust that is a partner, member, or shareholder in a pass-through entity required to file a return under subsection (1) of this section shall take into account:

   (a) 1. If the pass-through entity is doing business only in this state, the partner's, member's, or shareholder's total distributive share of the pass-through entity's items of income, loss, and deduction; or
   
       2. If the pass-through entity is doing business both within and without this state, the partner's, member's, or shareholder's distributive share of the pass-through entity's items of income, loss, and deduction multiplied by the apportionment fraction of the pass-through entity as prescribed in subsection (11) of this section; and

   (b) The partner's, member's, or shareholder's total distributive share of credits of the pass-through entity.

(9) A corporation that is subject to tax under KRS 141.040 and is a partner or member in a
pass-through entity shall take into account the corporation's distributive share of the pass-through entity's items of income, loss, and deduction and:

(a) 1. For taxable years beginning on or after January 1, 2007, but prior to January 1, 2018, shall include the proportionate share of the sales, property, and payroll of the limited liability pass-through entity or general partnership in computing its own apportionment factor; and

2. For taxable years beginning on or after January 1, 2018, shall include the proportionate share of the sales of the limited liability pass-through entity or general partnership in computing its own apportionment factor; and

(b) Credits from the partnership.

(10) (a) If a pass-through entity is doing business both within and without this state, the pass-through entity shall compute and furnish to each partner, member, or shareholder the numerator and denominator of each factor of the apportionment fraction determined in accordance with subsection (11) of this section.

(b) For purposes of determining an apportionment fraction under paragraph (a) of this subsection, if the pass-through entity is:

1. Doing business both within and without this state; and

2. A partner or member in another pass-through entity;

then the pass-through entity shall be deemed to own the pro rata share of the property owned or leased by the other pass-through entity, and shall also include its pro rata share of the other pass-through entity's payroll and sales.

(c) The phrases "a partner or member in another pass-through entity" and "doing business both within and without this state" shall extend to each level of multiple-tiered pass-through entities.

(d) The attribution to the pass-through entity of the pro rata share of property, payroll and sales from its role as a partner or member in another pass-through entity will also apply when determining the pass-through entity's ultimate apportionment factor for
property, payroll and sales as required under subsection (11) of this section.

(11) (a) For taxable years beginning prior to January 1, 2018, a pass-through entity doing business within and without the state shall compute an apportionment fraction, the numerator of which is the property factor, representing twenty-five percent (25%) of the fraction, plus the payroll factor, representing twenty-five percent (25%) of the fraction, plus the sales factor, representing fifty percent (50%) of the fraction, with each factor determined in the same manner as provided in KRS 141.901, and the denominator of which is four (4), reduced by the number of factors, if any, having no denominator, provided that if the sales factor has no denominator, then the denominator shall be reduced by two (2).

(b) For taxable years beginning on or after January 1, 2018, a pass-through entity doing business within and without the state shall compute an apportionment fraction as provided in KRS 141.120.

(12) Resident individuals, estates, or trusts that are partners in a partnership, members of a limited liability company electing partnership tax treatment for federal income tax purposes, owners of single member limited liability companies, or shareholders in an S corporation which does not do business in this state are subject to tax under KRS 141.020 on federal net income, gain, deduction, or loss passed through the partnership, limited liability company, or S corporation.

(13) An S corporation election made in accordance with Section 1362 of the Internal Revenue Code for federal tax purposes is a binding election for Kentucky tax purposes.

(14) (a) Nonresident individuals shall not be taxable on investment income distributed by a qualified investment partnership. For purposes of this subsection, a "qualified investment partnership" means a pass-through entity that, during the taxable year, holds only investments that produce income that would not be taxable to a nonresident individual if held or owned individually.

(b) A qualified investment partnership shall be subject to all other provisions relating to a
pass-through entity under this section and shall not be subject to the tax imposed
under KRS 141.040 or 141.0401.

(15) (a) 1. A pass-through entity may file a composite income tax return on behalf of
electing nonresident individual partners, members, or shareholders.

2. The pass-through entity shall report and pay on the composite income tax return
income tax at the highest marginal rate provided in this chapter on any portion
of the partners', members', or shareholders' pro rata or distributive shares of
income of the pass-through entity from doing business in this state or deriving
income from sources within this state. Payments made pursuant to subsection
(5) of this section shall be credited against any tax due.

3. The pass-through entity filing a composite return shall still make estimated tax
payments if required to do so by subsection (5) of this section, and shall remain
subject to any penalty under Sections 42 and 52 of this Act for any underpayment of estimated tax
determined under Section 42 or 52 of this Act for any installment not paid on
time.

4. The partners', members', or shareholders' pro rata or distributive share of income
shall include all items of income or deduction used to compute adjusted gross
income on the Kentucky return that is passed through to the partner, member, or
shareholder by the pass-through entity, including but not limited to interest,
dividend, capital gains and losses, guaranteed payments, and rents.

(b) A nonresident individual partner, member, or shareholder whose only source of
income within this state is distributive share income from one (1) or more pass-
through entities may elect to be included in a composite return filed pursuant to this
section.

(c) A nonresident individual partner, member, or shareholder that has been included in a
composite return may file an individual income tax return and shall receive credit for
tax paid on the partner's behalf by the pass-through entity.

(d) A pass-through entity shall deliver to the department a return upon a form prescribed by the department showing the total amounts paid or credited to its electing nonresident individual partners, members, or shareholders, the amount paid in accordance with this subsection, and any other information the department may require. A pass-through entity shall furnish to its nonresident partner, member, or shareholder annually, but not later than the fifteenth day of the fourth month after the end of its taxable year, a record of the amount of tax paid on behalf of the partner, member, or shareholder on a form prescribed by the department.

Section 50. KRS 141.207 is amended to read as follows:

(b) If the claim for refund or credit relates directly to adjustments resulting from a federal audit, the taxpayer shall file a claim for refund or credit within the time provided for in this subsection or six (6) months from the conclusion of the federal audit, whichever is later.

(c) If the claim for refund or credit relates to an overpayment attributable to a net operating loss carryback or capital loss carryback, resulting from a loss which occurs in a taxable year beginning after December 31, 1993, the claim for refund or credit shall be filed within the times prescribed in this subsection for the taxable year of the net operating loss or capital loss which results in the carryback.

For the purposes of this subsection and subsection (3) of this section, a return filed before the last day prescribed by law for filing the return shall be considered as filed on the last day.

(d) The tax interest rate identified under KRS 131.183 shall be used to determine the

after September 15 of the taxable year any increase in the estimated tax by reasons thereof
shall be paid at the time of making such amendment.

the date prescribed for its payment.

(4) Payment of the estimated tax, or any installment thereof, shall be considered payment on

(2) An approved company shall determine the income tax credit as provided in this section.

(3) An approved company which is an individual sole proprietorship subject to tax under KRS 141.020 or a corporation or pass-through entity treated as a corporation for federal income tax purposes subject to tax under KRS 141.040(1) shall:

(a) 1. Compute the tax due at the applicable tax rates as provided by KRS 141.020 or 141.040 on net income as defined by KRS 141.010[45] or taxable net income
as defined by KRS 141.010[(14)], including income from the jobs retention project;

2. Compute the limited liability entity tax imposed under KRS 141.0401, including Kentucky gross profits or Kentucky gross receipts from the jobs retention project; and

3. Add the amounts computed under subparagraphs 1. and 2. of this paragraph and, if applicable, subtract the credit permitted by KRS 141.0401(3) from that sum. The resulting amount shall be the net tax for purposes of this paragraph.

(b) 1. Compute the tax due at the applicable tax rates as provided by KRS 141.020 or 141.040 on net income as defined by KRS 141.010[(14)] or taxable net income as defined by KRS 141.010[(14)], excluding net income attributable to the jobs retention project;

(c) The tax credit shall be the amount by which the net tax computed under paragraph (a)3. of this subsection exceeds the tax computed under paragraph (b)3. of this subsection; however, the credit shall not exceed the limits set forth in KRS 154.25-030.

Any estimated tax payment made pursuant to this paragraph shall be in satisfaction of the tax liability of the partners, members, shareholders, or beneficiaries of the pass-through entity or trust, and shall be paid on behalf of the partners, members, shareholders, or beneficiaries.

(c) The tax credit or estimated payment shall not exceed the limits set forth in KRS 154.25-030.

(6) (a) Net income attributable to the project for the purposes of subsections (3), (4), and (5) of this section shall be determined under the separate accounting method reflecting only the gross income, deductions, expenses, gains, and losses allowed under KRS Chapter 141 directly attributable to the facility and overhead expenses apportioned to the facility; and

(b) Kentucky gross receipts or Kentucky gross profits attributable to the project for
purposes of subsection (3) of this section shall be determined under the separate
accounting method reflecting only the Kentucky gross receipts or Kentucky gross
profits directly attributable to the facility.

(7) If an approved company can show to the satisfaction of the Department of Revenue that the
nature of the operations and activities of the approved company are such that it is not
practical to use the separate accounting method to determine the net income, Kentucky
gross receipts, or Kentucky gross profits from the facility at which the jobs retention project
is located, the approved company shall determine net income, Kentucky gross receipts, or
Kentucky gross profits from the jobs retention project using an alternative method
approved by the Department of Revenue.

(8) The Department of Revenue may promulgate administrative regulations and require the
filing of forms designed by the Department of Revenue to reflect the intent of this section
and KRS 154.25-010 to 154.25-050 and the allowable income tax credit which an approved
company may retain under this section and KRS 154.25-010 to 154.25-050.

(d) One hundred percent (100%) of the ad valorem taxes timely paid, for taxable years beginning on or after January 1, 2021.

(3) If the taxpayer is a pass-through entity, the taxpayer may apply the credit against the limited liability entity tax imposed by KRS 141.0401, and shall pass the credit through to its members, partners, or shareholders in the same proportion as the distributive share of income or loss is passed through.

(4) No later than October 1, 2019, and annually thereafter, the department shall report to the Interim Joint Committee on Appropriations and Revenue:

(a) The name of each taxpayer taking the credit permitted by subsection (1) of this section;

(2) An approved company shall compute the income tax credit as provided in this section.

(3) An approved company which is an individual sole proprietorship subject to tax under KRS 141.020 or a corporation or pass-through entity treated as a corporation for federal income tax purposes subject to tax under KRS 141.040(1) shall:

(a) 1. Compute the tax due at the applicable tax rates as provided by KRS 141.020 or 141.040 on net income as defined by KRS 141.010(14) or taxable net income as defined by KRS 141.010(14), including income from the eligible project;

2. Compute the limited liability entity tax imposed under KRS 141.0401,
including Kentucky gross profits or Kentucky gross receipts from the eligible project; and

(b) 1. Compute the tax due at the applicable tax rates as provided by KRS 141.020 or 141.040 on net income as defined by KRS 141.010(4) or taxable net income as defined by KRS 141.010(14), excluding net income attributable to the eligible project;

(c) The tax credit shall be the amount by which the net tax computed under paragraph (a)3. of this subsection exceeds the tax computed under paragraph (b)3. of this subsection; however, the credit shall not exceed the limits set forth in KRS 154.27-020.

(4) (a) Notwithstanding any other provisions of this chapter, an approved company which is a pass-through entity not subject to the tax imposed by KRS 141.040 or trust not subject to the tax imposed by KRS 141.040 shall be subject to income tax on the net income attributable to an eligible project at the rates provided in KRS 141.020(2).

(b) The amount of the tax credit shall be determined as provided in subsection (3) of this section. Upon the annual election of the approved company, in lieu of the tax credit, an amount shall be applied as an estimated tax payment equal to the tax computed in this section. the tax liability of partners, members, shareholders, or beneficiaries shall not be
treated as taxable income subject to Kentucky income tax by the partner, member,
shareholder, or beneficiary.

(5) Notwithstanding any other provisions of this chapter, the net income subject to tax, tax
credit, and estimated tax payment determined under subsection (4) of this section shall be
excluded in determining each partner's, member's, shareholder's, or beneficiary's
distributive share of net income or credit of a pass-through entity or trust.

(6) (a) Net income attributable to the project for the purposes of subsections (3), (4), and (5)
of this section shall be determined under the separate accounting method reflecting
only the gross income, deductions, expenses, gains, and losses allowed under this
chapter directly attributable to the facility and overhead expenses apportioned to the
facility; and

(b) Kentucky gross receipts or Kentucky gross profits attributable to the project for
purposes of subsection (3) of this section shall be determined under the separate
accounting method reflecting only the Kentucky gross receipts or Kentucky gross
profits directly attributable to the facility.

(7) If an approved company can show to the satisfaction of the department that the nature of
the operations and activities of the approved company are such that it is not practical to use
the separate accounting method to determine the net income, Kentucky gross receipts, or
Kentucky gross profits from the facility at which the eligible project is located, the
approved company shall determine net income, Kentucky gross receipts, or Kentucky gross
profits from the eligible project using an alternative method approved by the department.

(8) The department may promulgate administrative regulations and require the filing of forms
designed by the department to reflect the intent of this section and KRS 154.27-080 and the

Section 57. KRS 141.428 is amended to read as follows:

(1) As used in this section:

(a) "Clean coal facility" means an electric generation facility beginning commercial
operation on or after January 1, 2005, at a cost greater than one hundred fifty million
dollars ($150,000,000) that is located in the Commonwealth of Kentucky and is
certified by the Energy and Environment Cabinet as reducing emissions of pollutants
released during generation of electricity through the use of clean coal equipment and
 technologies;

(b) "Clean coal equipment" means equipment purchased and installed for commercial use
in a clean coal facility to aid in reducing the level of pollutants released during the
generation of electricity from eligible coal;

(c) "Clean coal technologies" means technologies incorporated for use within a clean
coal facility to lower emissions of pollutants released during the generation of
electricity from eligible coal;

(d) "Eligible coal" means coal that is subject to the tax imposed under KRS 143.020;

(e) "Ton" means a unit of weight equivalent to two thousand (2,000) pounds; and

(f) "Taxpayer" means taxpayer as defined in KRS 131.010(4).

(2) Effective for tax years ending on or after December 31, 2006, a nonrefundable,
nontransferable credit shall be allowed for:
(a) Any electric power company subject to tax under KRS 136.120 and certified as a clean coal facility or any taxpayer that owns or operates a clean coal facility and purchases eligible coal that is used by the taxpayer in a certified clean coal facility; or

(b) A parent company of an entity identified in paragraph (a) of this subsection if the subsidiary is wholly owned.

(3) (a) The credit may be taken against the taxes imposed by:

1. KRS 136.070;
2. KRS 136.120; or
3. KRS 141.020 or 141.040, and 141.0401.

(b) The credit shall not be carried forward and must be used on the tax return filed for the period during which the eligible coal was purchased. The Energy and Environment Cabinet must approve and certify use of the clean coal equipment and technologies within a clean coal facility before any taxpayer may claim the credit.

(c) The credit allowed under paragraph (a) of this subsection shall be applied both to the income tax imposed under KRS 141.020 or 141.040 and to the limited liability entity tax imposed under KRS 141.0401, with the ordering of credits as provided in KRS 141.0205.

(4) The amount of the allowable credit shall be two dollars ($2) per ton of eligible coal purchased that is used to generate electric power at a certified clean coal facility, except that no credit shall be allowed if the eligible coal has been used to generate a credit under KRS 141.0405 for the taxpayer, a parent, or a subsidiary.

(5) Each taxpayer eligible for the credit provided under subsection (2) of this section shall file a clean coal incentive credit claim on forms prescribed by the department of Revenue. At the time of filing for the credit, the taxpayer shall submit an electronic report verifying the tons of coal subject to the tax imposed by KRS 143.020 purchased for each year in which the credit is claimed. The department of Revenue shall determine the amount of the approved credit and issue a credit certificate to the taxpayer.
(6) Corporations and pass-through entities subject to the tax imposed under KRS 141.040 or 141.0401 shall be eligible to apply, subject to the conditions imposed under this section, the approved credit against its liability for the taxes, in consecutive order as follows:

(a) The credit shall first be applied against both the tax imposed by KRS 141.0401 and the tax imposed by KRS 141.020 or 141.040, with the ordering of credits as provided in KRS 141.0205;

(b) The credit shall then be applied to the tax imposed by KRS 136.120.

The credit shall meet the entirety of the taxpayer's liability under the first tax listed in consecutive order before applying any remaining credit to the next tax listed. The taxpayer's total liability under each preceding tax must be fully met before the remaining credit can be applied to the subsequent tax listed in consecutive order.

(7) If the taxpayer is a pass-through entity not subject to tax under KRS 141.040, the amount of approved credit shall be applied against the tax imposed by KRS 141.0401 at the entity level, and shall also be distributed to each partner, member, or shareholder based on the partner's, member's, or shareholder's distributive share of the income of the pass-through entity. The credit shall be claimed in the same manner as specified in subsection (6) of this section. Each pass-through entity shall notify the department of Revenue electronically of all partners, members, or shareholders who may claim any amount of the approved credit. Failure to provide information to the department of Revenue in a manner prescribed by regulation may constitute the forfeiture of available credits to all partners, members, or shareholders associated with the pass-through entity.

(8) The taxpayer shall maintain all records associated with the credit for a period of five (5) years. Acceptable verification of eligible coal purchased shall include invoices that indicate the tons of eligible coal purchased from a Kentucky supplier of coal and proof of remittance for that purchase.

(9) The department of Revenue shall develop the forms required under this section, specifying the procedure for claiming the credit, and applying the credit against the
taxpayer’s liability in the order provided under subsections (6) and (7) of this section.

(10) The Office of Energy Policy within the Energy and Environment Cabinet and the department[—of Revenue] shall promulgate administrative regulations necessary to administer this section.

(11) This section shall be known as the Kentucky Clean Coal Incentive Act.

Except for the addition to tax required when an underpayment of estimated tax occurs under Sections 42 and 52 of this Act, any tax imposed by this chapter, whether assessed by the department, or the taxpayer, or any installment or portion of the tax is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the tax, interest upon the unpaid amount at the tax interest rate as defined in KRS 131.010(6) from the date prescribed for its payment until payment is actually made to the department. Interest shall be assessed, collected, and paid in the same manner as if it were a deficiency.

(1) Any individual, fiduciary, corporation, employer, or other person who violates any of the provisions of this chapter shall be subject to the uniform civil penalties imposed pursuant to KRS 131.180.

(2) Any individual required by KRS 141.300 to file a declaration of estimated tax and required by KRS 141.305 to pay the declaration of estimated tax shall be subject to a penalty as provided in KRS 131.180 for any declaration underpayment or any late payment. Underpayment, for purposes of this subsection, is determined by subtracting declaration credits allowed by KRS 141.070, declaration installment payments actually made, and credit for tax withheld as allowed by KRS 141.350 from seventy percent (70%) of the total income tax liability computed by the taxpayer as shown on the return filed for the tax year. This subsection shall not apply to the tax year in which the death of the taxpayer occurs, nor in the case of a farmer exercising an election under subsection (5) of KRS 141.305, nor in the case of any person having a tax liability of five hundred dollars ($500) or less.
(3) Any corporation or limited liability pass-through entity required by KRS 141.042 to file a declaration of estimated tax and required to pay the declaration of estimated tax by the installment method prescribed by subsection (1) of KRS 141.044 shall be subject to a penalty as provided in KRS 131.180 for any declaration underpayment or any installment not paid on time. Declaration underpayment, for purposes of this subsection, is determined by subtracting five thousand dollars ($5,000) and declaration payments actually made from seventy percent (70%) of the total tax liability due under KRS 141.040 and computed by the taxpayer on the return filed for the tax year. For taxable years beginning on or after January 1, 2006, the penalty imposed by this subsection shall not apply if estimated payments made under subsection (1) of KRS 141.044 are equal to the amount of tax due under KRS 141.040 for the previous taxable year, and the amount of tax due under KRS 141.040 for the previous year was equal to or less than twenty-five thousand dollars ($25,000).

(4) Every tax imposed by this chapter, and all increases, interest, and penalties thereon, shall become, from the time it is due and payable, a personal debt to the state from the taxpayer or other person liable therefor.

(3)(5) In addition to the penalties herein prescribed, any taxpayer or employer, who willfully fails to make a return or willfully makes a false return, or who willfully fails to pay taxes owing or collected, with intent to evade payment of the tax or amount collected, or any part thereof, shall be guilty of a Class D felony.

(4)(6) Any person who willfully aids or assists in, or procures, counsels, or advises the preparation or presentation under, or in connection with any matter arising under this chapter of a return, affidavit, claim, or other document, which is fraudulent or is false as to any material matter, whether or not the falsity or fraud is with the knowledge or consent of the person authorized or required to present such return, affidavit, claim, or document, shall be guilty of a Class D felony.

(5)(7) A return for the purpose of this section shall mean and include any return, declaration,
or form prescribed by the department and required to be filed with the department by the
provisions of this chapter, or by the rules and regulations of the department or by written
request for information to the taxpayer by the department.

Insofar as possible, any investment made in a Kentucky small business under the provisions of KRS 154.20-250 to 154.20-284 shall be used by that business to leverage additional capital investments from other sources.

Section 63. KRS 154.20-258 is amended to read as follows:

1. An investor shall be entitled to a nonrefundable credit equal to forty percent (40%) of the investor's proportional ownership share of all qualified investments made by its investment fund and verified by the authority. The aggregate tax credit available to any investor shall not exceed forty percent (40%) of the cash contribution made by the investor to its investment fund. The credit may be applied against:

   (a) Both the income tax imposed by KRS 141.020 or 141.040, and the limited liability entity tax imposed by KRS 141.0401, with the ordering of the credits as provided in KRS 141.0205;

   (d) The taxes on financial institutions imposed by KRS 136.300, 136.310, and 136.505.

2. The tax credit amount that may be claimed by an investor in any tax year shall not exceed fifty percent (50%) of the initial aggregate credit amount approved by the authority for the investment fund which would be proportionally available to the investor. An investor may
first claim the credit granted in subsection (1) of this section in the year following the year in which the credit is granted.

(3) If the credit amount that may be claimed in any tax year, as determined under subsections (1) and (2) of this section, exceeds the investor's combined tax liabilities against which the credit may be claimed for that year, the investor may carry the excess tax credit forward until the tax credit is used, but the carry-forward of any excess tax credit shall not increase the fifty percent (50%) limitation established by subsection (2) of this section. Any tax credits not used within fifteen (15) years of the approval by the authority of the aggregate tax credit amount available to the investor shall be lost.

(4) The tax credits allowed by this section shall not apply to any liability an investor may have for interest, penalties, past due taxes, or any other additions to the investor's tax liability. The holder of the tax credit shall assume any and all liabilities and responsibilities of the credit.

(5) The tax credits allowed by this section are not transferable, except that:

through to the investor's successor.

(c) If an individual investor dies, the tax credits shall pass to the investor's estate or beneficiaries in a manner consistent with the transfer of ownership of the investor's interest in the investment fund.

(6) The tax credit amount that may be claimed by an investor shall reflect only the investor's participation in qualified investments properly reported to the authority by the investment fund manager. No tax credit authorized by this section shall become effective until the Department of Revenue receives notification from the authority that includes:

(a) A statement that a qualified investment has been made that is in compliance with KRS 154.20-250 to 154.20-284 and all applicable regulations; and

(b) A list of each investor in the investment fund that owns a portion of the small business in which a qualified investment has been made by virtue of an investment in the investment fund, and each investor's amount of credit granted to the investor for each qualified investment.

The authority shall, within sixty (60) days of approval of credits, notify the Department of Revenue of the information required pursuant to this subsection and notify each investor of the amount of credits granted to that investor, and the year the credits may first be claimed.

(7) After the date on which investors in an investment fund have cumulatively received an amount of credits equal to the amount of credits allocated to the investment fund by the authority, no investor shall receive additional credits by virtue of its investment in that investment fund unless the investment fund's allocation of credits is increased by the authority pursuant to an amended application.

(8) The maximum amount of credits to be authorized by the authority shall be three million dollars ($3,000,000) for each of fiscal years 2002-03 and 2003-04.

The authority may enter into, with any approved company, a tax incentive agreement with respect to its economic development project, upon adoption of a resolution authorizing the tax incentive
agreement. Subject to the inclusion of the mandatory provisions set forth below, the terms and
provisions of each tax incentive agreement shall be determined by negotiations between the
authority and the approved company.

(1) The tax incentive agreement shall set forth the maximum amount of inducements available
to the approved company for recovery of the approved costs authorized by the authority and
expended by the approved company.

(2) The approved company shall expend the authorized approved costs for the economic
development project within three (3) years of the date of the final approval by the authority.

(3) The approved company shall provide the authority with documentation as to the
expenditures for approved costs in a manner acceptable to the authority.

(4) (a) The term of the tax incentive agreement shall commence upon the activation date and
shall terminate upon the earlier of the full receipt of the maximum amount of
inducements by the approved company or fifteen (15) years after the activation date
unless paragraph (b) of this subsection applies.

(b) 1. An approved company may request an extension of the fifteen (15) year term as
provided in this paragraph. The extension may be granted by the authority for
up to ten (10) years under the following conditions:

a. The approved company commits to an additional investment or the
creation of additional jobs at the approved economic development project;

b. The approved company consolidates operations, facilities, or services
currently located in another state to the Kentucky facility;

c. At the time the extension is granted, the approved company has used less
than sixty percent (60%) of the inducements awarded under the tax
incentive agreement; and

d. The authority shall not increase the maximum amount of incentives
established by the existing tax incentive agreement.

2. If the authority approves the extension, the tax incentive agreement shall be
amended as necessary to extend the term, and to incorporate any additional
requirements established by the authority as required by this paragraph.

(5) The tax incentive agreement shall include the activation date. To implement the activation

comppany does not satisfy the minimum investment and minimum employment
requirements of KRS 154.22-040(3) by the activation date, the approved company shall not
be entitled to receive inducements pursuant to this subchapter until the approved company
satisfies the requirements; however, the fifteen (15) year period for the term of the tax
incentive agreement shall begin from the activation date. Notwithstanding the previous
sentence, if the approved company does not satisfy the minimum investment and minimum
employment requirements of KRS 154.22-040(3) within two (2) years from the date of final
approval of the tax incentive agreement, then the approved company shall be ineligible to
receive inducements under this subchapter unless an extension is approved by the authority.

(6) The tax agreement shall also state that if the total number of new full-time employees at the
site of the economic development project who are residents of the Commonwealth and
subject to the Kentucky income tax is less than fifteen (15) at any time after activation, the
authorized inducements shall be suspended for a period of up to one (1) year. If the
company does not have at least fifteen (15) new full-time employees at the site who are
residents of the Commonwealth and subject to Kentucky income tax within one (1) year
from the date of the initial suspension, the inducements may be terminated at the discretion
of the authority.

040(4) and provide documentation in connection with hourly wages paid to its full-time
employees hired as a result of the economic development project in a manner acceptable to

(a) A one hundred percent (100%) credit against the Kentucky income tax and the limited liability entity tax imposed under KRS 141.0401 that would otherwise be owed in the approved company's fiscal year, as determined under KRS 141.347, to the Commonwealth by the approved company on the income, Kentucky gross receipts, or Kentucky gross profits of the approved company generated by or arising from the economic development project. The ordering of the credits shall be as provided in KRS 141.0205; and

(b) The aggregate assessments withheld by the approved company in each year.

(9) The credit allowed the approved company shall be applied against both the income tax imposed by KRS 141.020 or 141.040, and the limited liability entity tax imposed by KRS 141.0401, with credit ordering as provided in KRS 141.0205, for the fiscal year for which the tax return of the approved company is filed. The total inducements may not exceed the authorized cumulative approved costs paid by the approved company in the period commencing with the date of final approval.

(10) The approved company shall not be required to pay estimated tax payments under Section 42 of this Act [as prescribed in KRS 141.042] on the Kentucky taxable income, Kentucky gross receipts or Kentucky gross profits generated by or arising from the economic development project.

(11) The tax incentive agreement may be assigned by the approved company only upon the prior written consent of the authority following the adoption of a resolution by the authority to that effect.

(12) The tax incentive agreement shall provide that if an approved company fails to comply with its obligations under the tax incentive agreement then the authority shall have the right, at its option, to:

(a) Suspend the tax credits and assessments available to the approved company;
(b) Pursue any remedy provided under the tax incentive agreement, including termination thereof; and

(c) Pursue any other remedy at law to which it may be entitled.

(13) All remedies provided in subsection (12) of this section shall be deemed to be cumulative.

(3) The approved company shall provide the authority with documentation as to the expenditures for approved costs in a manner acceptable to the authority.

(4) The term of the tax incentive agreement shall commence upon the activation date and will terminate upon the earlier of the full receipt of the maximum amount of inducements by the approved company or ten (10) years after the activation date.

(5) The tax incentive agreement shall include the activation date, which shall be a date selected by the approved company within two (2) years of the date of final approval by the authority of the tax incentive agreement. If the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.23-025 by the activation date, the approved company shall not be entitled to receive inducements pursuant to this subchapter until the approved company satisfies the requirements; however, the ten (10)
year period for the term of the tax incentive agreement shall begin from the activation date.

Notwithstanding the previous sentence, if the approved company does not satisfy the minimum investment and minimum employment requirements of KRS 154.23-025 within two (2) years from the date of final approval of the tax incentive agreement, then the approved company shall be ineligible to receive inducements under this subchapter unless an extension is approved by the authority.

(6) The approved company shall comply with the hourly wage criteria set forth in KRS 154.23-025(4) and provide documentation in connection with hourly wages paid to its full-time employees hired as a result of the economic development project in a manner acceptable to the authority.

(7) The approved company may be permitted the following inducements during the term of the tax incentive agreement:

(a) A one hundred percent (100%) credit against the Kentucky income tax and the limited liability entity tax imposed under KRS 141.0401 that would otherwise be owed in the approved company's fiscal year, as determined under KRS 141.401, to the Commonwealth by the approved company on the income, Kentucky gross profits, or Kentucky gross receipts of the approved company generated by or arising from the economic development project. The ordering of the credits shall be as provided in KRS 141.0205; and

(b) The aggregate assessments withheld by the approved company each year.

(8) The total inducements may not exceed authorized cumulative approved costs paid by the approved company in the three (3) year period commencing with and after the date of final approval.

(9) The tax credited to the approved company shall be credited for the fiscal year for which the tax return of the approved company is filed. The approved company shall not be required to pay estimated income tax payments under Section 42 of this Act [as prescribed in KRS 141.042] on the Kentucky taxable income, Kentucky gross receipts or Kentucky gross receipts.

(12) The tax incentive agreement shall provide that if an approved company fails to comply with its obligations under the tax incentive agreement then the authority shall have the right, at its option, to:

(a) Suspend the tax credits and assessments available to the approved company, pursuant to subsection (11) of this section;

(b) Pursue any remedy provided under the tax incentive agreement, including termination thereof; and

(c) Pursue any other remedy at law to which it may be entitled.
