5. The postsecondary education institution shall pay the full actuarial cost of the benefits accrued by its current and former employees in the system through the effective cessation date. For any benefits accrued after the effective cessation date for its active employees electing to retain coverage in the system as provided by subsection (4)(b) of this section, the institution shall only be required to pay the normal cost as provided by KRS 61.565 and 61.702 for any future service accruals;

6. The full actuarial cost:

2 b. Shall be charged interest over the life of the installment period,  
3 at a rate of five and one quarter percent (5.25%) per annum for  
4 pension costs and at a rate of six and one-quarter percent  
5 (6.25%) per annum for retiree health costs;

6 (4) For a postsecondary education institution as provided by this section:

7 (a) Any employee hired on or after the effective date of this Act shall not,  
8 regardless of his or her membership date in the systems administered by the  
9 Kentucky Retirement Systems, be eligible to participate in the Kentucky  
10 Employees Retirement System for the duration of his or her employment  
11 with that institution;

12 (b) Any employee hired prior to the effective date of this Act, if the  
13 postsecondary institution has voluntarily ceased participation, may, on or  
14 before the institution's effective cessation date, make a one (1) time  
15 irrevocable election to continue making employee contributions and  
16 accruing benefits in the system after the institution's effective cessation  
17 date. The election shall be applicable for the duration of his or her  
18 employment with that postsecondary education institution;

19 (c) Any employee hired prior to the effective date of this Act, who does not  
20 make an election as provided by paragraph (b) of this subsection, if the  
21 postsecondary institution has voluntarily ceased participation, shall accrue  
22 benefits through the institution's effective cessation date but shall not  
23 accrue any additional benefits in the Kentucky Employees Retirement  
24 System, including earning years of service credit through the ceased  
25 institution, after the institution's effective cessation date for as long as they  
26 remain employed by that institution. The day after the institution's effective  
27 cessation date, each employee described by this paragraph shall be

1 considered an inactive member with respect to his or her employment with  
2 the institution that ceased participation and, subject to the provisions and  
3 limitations of KRS 61.510 to 61.705, shall:

4 1. Retain his or her accounts with the Kentucky Employees Retirement  
5 System and have those accounts credited with interest in accordance  
6 with KRS 61.510 to 61.705;

12 (3)(a)4. meets the qualification requirements under 26 U.S.C. sec.  
13 401(a) and is capable of accepting trustee to trustee transfers of both  
14 pre-tax and post-tax contributions, be eligible to seek to transfer his or  
15 her accumulated account balance to the employer's qualified  
16 alternative retirement program within sixty (60) days of the  
17 institution's effective cessation date. An employee's decision to  
18 transfer his or her accumulated account balance within sixty (60) days  
19 of the institution's effective cessation date is an irrevocable waiver of  
20 the right to obtain service credits in the system for the time worked for  
21 the institution ceasing participation. The employer's cost for ceasing  
22 participation shall be reduced accordingly for any employee's  
23 transferring to the alternative retirement program; and

24 4. Be eligible to take a refund of his or her accumulated account balance  
25 in accordance with KRS 61.625 or any other available distribution if  
26 eligible;

27 (d) The rights of recipients and the vested rights of active members or inactive

1 members accrued as of the postsecondary education institution's effective  
 2 cessation date shall not be impaired or reduced in any manner as a result of  
 3 the postsecondary education institution ceasing participation in the system;

4 (5) For purposes of this section, the full actuarial cost shall be determined by the  
 5 Kentucky Retirement Systems' consulting actuary separately for the pension fund  
 6 and the insurance fund using the assumptions and methodology established in  
 7 the 2019 actuarial valuation. For purposes of determining the full actuarial cost,  
 8 the assumed rate of return and discount rate used to calculate the cost shall be  
 9 the lesser of the assumed rate of return utilized in the system's 2019 actuarial  
 10 valuation or the yield on a thirty (30) year United States Treasury bond as of the  
 11 employer's effective cessation date, but shall in no case be lower than three  
 12 percent (3%);

13 (6) The Kentucky Retirement Systems shall promulgate administrative regulations  
 14 pursuant to KRS Chapter 13A to administer this section; and

15 (7) Any postsecondary education institution who voluntarily ceases participation as  
 16 provided in this section shall hold the Commonwealth harmless from damages,  
 17 attorney's fees, and costs from legal claims for any cause of action brought by  
 18 any inactive member after the departing institution's effective cessation date.

1 and need not be consecutive. If the number of months of service credit during  
2 the three (3) year period is less than twenty-four (24), one (1) or more

8 used to determine final compensation must contain twelve (12) months of  
9 service credit. If the member does not have five (5) complete fiscal years that  
10 each contain twelve (12) months of service credit, then one (1) or more  
11 additional fiscal years, which may contain less than twelve (12) months of  
12 service credit, shall be added until the number of months in the final  
13 compensation calculation is at least sixty (60) months; or

15 prior to January 1, 2014, who is employed in a hazardous position as provided  
16 in KRS 61.592, or for a member who begins participating prior to September

18 who retires on or after January 1, 2019, the creditable compensation of the  
19 member during the three (3) complete fiscal years he was paid at the highest

21 final compensation must contain twelve (12) months of service credit. If the  
22 member does not have three (3) complete fiscal years that each contain twelve  
23 (12) months of service credit, then one (1) or more additional fiscal years,  
24 which may contain less than twelve (12) months of service credit, shall be  
25 added until the number of months in the final compensation calculation is at  
26 least thirty-six (36) months;

27 (15) "Final rate of pay" means the actual rate upon which earnings of an employee were

1 calculated during the twelve (12) month period immediately preceding the

3 after August 1, 1982, pursuant to KRS 61.560(4). The rate shall be certified to the  
4 system by the employer and the following equivalents shall be used to convert the  
5 rate to an annual rate: two thousand eighty (2,080) hours for eight (8) hour  
6 workdays, nineteen hundred fifty (1,950) hours for seven and one-half (7-1/2) hour

14 (10) years to the age of the member, unless the member has chosen the Social  
15 Security adjustment option as provided for in KRS 61.635(8), in which case the  
16 member's actual age shall be used. For members who began participating in the
