27            **forty percent (40%) of the total money invested;**

1        (c) No local government or political subdivision shall purchase any investment  
2                    authorized by subsection (1) of this section on a margin basis or through the  
3                    use of any similar leveraging technique; and

4        (d) At the time the investment is made, no more than five percent (5%) of the  
5                    total amount of money invested by the local governments or political  
6                    subdivisions shall be invested in any one (1) issuer unless:

7                    1. The issuer is the United States government or an agency or  
8                    instrumentality of the United States government, or an entity which  
9                    has its obligations guaranteed by either the United States government  
10                    or an entity, agency, or instrumentality of the United States  
11                    government;

12                    2. The money is invested in a certificate of deposit or other interest-  
13                    bearing accounts as authorized by subsection (1)(d) and (e) of this  
14                    section;

15                    3. The money is invested in bonds or certificates of indebtedness of this  
16                    state and its agencies and instrumentalities as authorized in  
17                    subsection (1)(h) of this section; or

18                    4. The money is invested in securities issued by a state or local  
19                    government, or any instrumentality or agency thereof, in the United  
20                    States as authorized in subsection (1)(i) of this section.

21        (3) The governing body of every local government or political subdivision that invests  
22                    or reinvests money subject to its control or jurisdiction according to the provisions  
23                    of subsection (1) of this section shall by January 1, 1995, adopt a written investment  
24                    policy that shall govern the investment of funds by the local government or political  
25                    subdivision. The written investment policy shall include but shall not be limited to  
26                    the following:

27                    (a) A designation of the officer or officers of the local government or political

- 1 subdivision who are authorized to invest and oversee the investment of funds;
- 2 (b) A list of the permitted types of investments;
- 3 (c) Procedures designed to secure the local government's or political subdivision's
- 4 financial interest in the investments;
- 5 (d) Standards for written agreements pursuant to which investments are to be
- 6 made;
- 7 (e) Procedures for monitoring, control, deposit, and retention of investments and
- 8 collateral;
- 9 (f) Standards for the diversification of investments, including diversification with
- 10 respect to the types of investments and firms with whom the local government
- 11 or political subdivision transacts business;
- 12 (g) Standards for the qualification of investment agents which transact business
- 13 with the local government, such as criteria covering creditworthiness,
- 14 experience, capitalization, size, and any other factors that make a firm capable
- 15 and qualified to transact business with the local government or political
- 16 subdivision; and
- 17 (h) Requirements for periodic reporting to the governing body on the status of
- 18 invested funds.
- 19 (4) Sheriffs, county clerks, and jailers, who for the purposes of this section shall be
- 20 known as county officials, may invest and reinvest money subject to their control
- 21 and jurisdiction, including tax dollars subject to the provisions of KRS Chapter 134
- 22 and 160.510, as permitted by this section.
- 23 (5) The provisions of this section are not intended to impair the power of a county
- 24 official, city, county, urban-county, charter county, school district, or other local
- 25 governmental unit or political subdivision to hold funds in deposit accounts with
- 26 banking institutions as otherwise authorized by law.
- 27 (6) The governing body or county official may delegate the investment authority

1 provided by this section to the treasurer or other financial officer or officers charged  
2 with custody of the funds of the local government, and the officer or officers shall  
3 thereafter assume full responsibility for all investment transactions until the  
4 delegation of authority terminates or is revoked.

5 (7) All county officials shall report the earnings of any investments at the time of their  
6 annual reports and settlements with the fiscal courts for excess income of their  
7 offices.

8 (8) The state local debt officer is authorized and directed to assist county officials and  
9 local governments, except school districts, in investing funds that are temporarily in  
10 excess of operating needs by:

11 (a) Explaining investment opportunities to county officials and local governments  
12 through publication and other appropriate means; and

13 (b) Providing technical assistance in investment of idle funds to county officials  
14 and local governments that request that assistance.

15 (9) (a) The state local debt officer may create an investment pool for local  
16 governments, except school districts, and county officials; and counties and  
17 county officials and cities may associate to create an investment pool. If  
18 counties and county officials and cities create a pool, each group may select a  
19 manager to administer their pool and invest the assets. Each county and each  
20 county official and each city may invest in a pool created pursuant to this  
21 subsection. Investments shall be limited to those investment instruments  
22 permitted by this section. The funds of each local government and county  
23 official shall be properly accounted for, and earnings and charges shall be  
24 assigned to each participant in a uniform manner according to the amount  
25 invested. Charges to any local government or county official shall not exceed  
26 one percent (1%) annually on the principal amount invested, and charges on  
27 investments of less than a year's duration shall be prorated. Any investment

1 pool created pursuant to this subsection shall be audited each year by an  
2 independent certified public accountant, or by the Auditor of Public Accounts.  
3 A copy of the audit report shall be provided to each local government or  
4 county official participating in the pool. In the case of an audit by an  
5 independent certified public accountant, a copy of the audit report shall be  
6 provided to the Auditor of Public Accounts, and to the state local debt officer.  
7 The Auditor of Public Accounts may review the report of the independent  
8 certified public accountant. After preliminary review, should discrepancies be  
9 found, the Auditor of Public Accounts may make his or her own investigative  
10 report or audit to verify the findings of the independent certified public  
11 accountant's report.

12 (b) If the state local debt officer creates an investment pool, he or she shall  
13 establish an account in the Treasury for the pool. He or she shall also establish  
14 a separate trust and agency account for the purpose of covering management  
15 costs, and he or she shall deposit management charges in this account. The  
16 state local debt officer may promulgate administrative regulations, pursuant to  
17 KRS Chapter 13A, governing the operation of the investment pool, including  
18 but not limited to provisions on minimum allowable investments and  
19 investment periods, and method and timing of investments, withdrawals,  
20 payment of earnings, and assignment of charges.

21 (c) Before investing in an investment pool created pursuant to this subsection, a  
22 local government or county official shall allow any savings and loan  
23 association or bank in the county, as described in subsection (1)(d) of this  
24 section, to bid for the deposits, but the local government or county official  
25 shall not be required to seek bids more often than once in each six (6) month  
26 period.

27 (10) (a) With the approval of the Kentucky Board of Education, local boards of

1 education, or any of them that desire to do so, may associate to create an  
2 investment pool. Each local school board which associates itself with other  
3 local school boards for the purpose of creating the investment pool may invest  
4 its funds in the pool so created and so managed. Investments shall be limited  
5 to those investment instruments permitted by this section. The funds of each  
6 local school board shall be properly accounted for, and earnings and charges  
7 shall be assigned to each participant in a uniform manner according to the  
8 amount invested. Charges to any local school board shall not exceed one  
9 percent (1%) annually on the principal amount invested, and charges on  
10 investments of less than a year's duration shall be prorated. Any investment  
11 pool created pursuant to this subsection shall be audited each year by an  
12 independent certified public accountant, or by the Auditor of Public Accounts.  
13 A copy of the audit report shall be provided to each local school board  
14 participating in the pool. In the case of an audit by an independent certified  
15 public accountant, a copy of the audit report shall be provided to the Auditor  
16 of Public Accounts, and to the Kentucky Board of Education. The Auditor of  
17 Public Accounts may review the report of the independent certified public  
18 accountant. After preliminary review, should discrepancies be found, the  
19 Auditor of Public Accounts may make his or her own investigative report or  
20 audit to verify the findings of the independent certified public accountant's  
21 report.

- 22 (b) The Kentucky Board of Education may promulgate administrative regulations  
23 governing the operation of the investment pool including but not limited to  
24 provisions on minimum allowable investments and investment periods, and  
25 methods and timing of investments, withdrawals, payment of earnings, and  
26 assignment of charges.

27 **(11) As used in this section, "competent rating agency" means a rating agency**

1 certified or approved by a national entity that engages in such a process. The  
2 certification or approval process shall include but not necessarily be limited to the  
3 following elements the subject rating agency must possess:

4 (a) A requirement for the rating agency to register and provide an annual  
5 updated filing;

6 (b) Record retention requirements;

7 (c) Financial reporting requirements;

8 (d) Policies for the prevention of misuse of material nonpublic information;

9 (e) Policies addressing management of conflicts of interest, including  
10 prohibited conflicts;

11 (f) Prohibited acts practices;

12 (g) Disclosure requirements;

13 (h) Any policies, practices, and internal controls required by the national entity;

14 and

15 (i) Standards of training, experience, and competence for credit analysts.
