14 assessments. Nothing in this section precludes teachers from using ongoing teacher-
15 developed formative processes.

16 (9) Each school that enrolls primary students shall use diagnostic assessments and
17 prompts that measure readiness in reading and mathematics for its primary students
18 as determined by the school to be developmentally appropriate. The schools may

17 reportable to a postsecondary institution for admissions and placement
18 purposes.

19 (12) Kentucky teachers shall have a significant role in the design of the assessments,
20 except for the college admissions exams described in subsection (5)(b)5. of this
