(3) Development and implementation of treatment plans for committed and probated children that:

(a) Take into consideration the severity of the current offense and the child's assessed risk and needs as identified by a validated risk and needs assessment;

3. A provision that if a child has reached the maximum time allowed in out-of-home placement, as specified in subparagraphs 1. and 2. of this paragraph and further out-of-home placement is determined to be necessary for completion of treatment, the child may be held for an additional period only upon approval of the Administrative Transfer Request Committee, or another appropriate entity within the department as designated by the commissioner of the department after review of the facts and circumstances warranting the need for continued out-of-home placement. If the commissioner approves continued out-of-home placement, the maximum time the placement may be continued is the maximum originally allowed under subparagraphs 1. and 2. of this paragraph and the total period of commitment shall not exceed that permitted under KRS 635.060;

(4) Development and implementation of professional development programs for department staff who interact with or who are responsible for the treatment, supervision, or placement of children, that includes training on juvenile justice research relating to effectiveness of juvenile justice interventions, impacts of out-of-home placement, alternatives to incarceration, use of graduated sanctions, case

to address specific issues such as domestic violence, trauma, implicit bias, cultural
competence, and family engagement;

(5) Development of procedures for measuring the outcomes of each treatment and
intervention program and practice to demonstrate that the program or practice has a
documented evidence base and has been evaluated for effectiveness in reducing
recidivism for the children it serves, including:
(a) A process for reviewing the objective criteria for evidence-based programs
and practices established by the agency providing the program;

adjudication of a new public offense or conviction of a crime within three (3) years
of release from an out-of-home placement or release from commitment, and
collaboration with the Department of Corrections and the Administrative Office of
the Courts to obtain adult conviction and incarceration information to enable
collection of recidivism data;

(7) Development of procedures to track the pre-adjudication and post-adjudication
admissions beginning no later than August 1, 2014; and

(8) Development of procedures to ensure maximum utilization of available federal
funding resources which may be available to the agency.

As used in this section, "evidence-based practices," "graduated sanction," "out-of-home
placement," and "risk and needs assessment" have the same meanings as in KRS 600.020.
(1) If any person files a complaint alleging that a child, except a child alleged to be neglected, abused, dependent or mentally ill who is subject to the jurisdiction of the court, may be within the purview of KRS Chapters 600 to 645, the court-designated worker shall make a preliminary determination as to whether the complaint is complete. In any case where the court-designated worker finds that the complaint is incomplete, the court-designated worker shall return the complaint without delay to the person or agency originating the complaint or having knowledge of the facts, or to the appropriate law enforcement agency having investigative jurisdiction of the offense, and request additional information in order to complete the complaint. The complainant shall promptly furnish the additional information requested. If the child is less than twelve (12) years of age, the court-designated worker shall take no action on the complaint and shall refer the child to the family accountability, intervention, and response team.

(2) (a) Upon receipt of a complaint which appears to be complete and which alleges that a child has committed a public offense, the court-designated worker shall refer the complaint to the county attorney for review pursuant to KRS 635.010.

(b) If after review the county attorney elects to proceed, the court-designated worker shall conduct a preliminary intake inquiry to recommend whether the interests of the child or the public require that further action be taken or whether, in the interest of justice, the complaint can be resolved informally without the filing of a petition;

(3) Upon receipt of a complaint that appears to be complete and that alleges that the child has committed a status offense, the court-designated worker shall conduct a preliminary intake inquiry to determine whether the interests of the child or the public require that further action be taken pursuant to subsection (6)(a) of this section:
(4) Prior to conducting a preliminary intake inquiry, the court-designated worker shall notify the child and the child's parent, guardian, or other person exercising custodial control or supervision of the child in writing:

(a) Of their opportunity to be present at the preliminary intake inquiry;

(b) That they may have counsel present during the preliminary intake inquiry as well as the formal conference thereafter;

(c) 1. That all information supplied by the child to a court-designated worker during any process prior to the filing of the petition shall be deemed confidential and shall not be subject to subpoena or to disclosure without the written consent of the child.

2. Information may be shared between treatment providers, the court-designated worker, and the family accountability, intervention, and response team to enable the court-designated worker to facilitate services and facilitate compliance with the diversion agreement; and

(d) That the child has the right to deny the allegation and demand a formal court hearing;

(5) The preliminary intake inquiry shall include the administration of an evidence-based screening tool and, if appropriate and available, a validated risk and needs assessment, in order to identify whether the child and his or her family are in need of services and the level of intervention needed;

(6) Upon the completion of the preliminary intake inquiry, the court-designated worker may:

(a) If the complaint alleges a status offense, determine that no further action be taken subject to review by the family accountability, intervention, and response team;

(b) If the complaint alleges a public offense, refer the complaint to the county attorney;
(c) Refer a public offense complaint for informal adjustment; or

(d) Based upon the results of the preliminary intake inquiry, other information obtained, and a determination that the interests of the child and the public would be better served, and with the written approval of the county attorney for a public offense complaint, if necessary, conduct a formal conference and enter into a diversion agreement;

(7) Upon receiving written approval of the county attorney, if necessary, to divert a public offense complaint, and prior to conducting a formal conference, the court-designated worker shall advise in writing the complainant, the victim if any, and the law enforcement agency having investigative jurisdiction of the offense:

(a) Of the recommendation and the reasons therefor and that the complainant, victim, or law enforcement agency may submit within ten (10) days from receipt of such notice a complaint to the county attorney for special review; or

(b) In the case of a misdemeanor diverted pursuant to KRS 635.010(4), of the fact that the child was statutorily entitled to divert the case;

(8) A formal conference shall include the child and his or her parent, guardian, or other person exercising custodial control or supervision. The formal conference shall be used to:

(a) Present information obtained at the preliminary intake inquiry; and

(b) Develop a diversion agreement that shall require that the child regularly attend school, shall not exceed six (6) months in duration, and may include:

1. Referral of the child, and family if appropriate, to a public or private entity or person for the provision of identified services to address the complaint or assessed needs;

2. Referral of the child, and family if appropriate, to a community service program within the limitations provided under KRS 635.080(2);

3. Restitution, limited to the actual pecuniary loss suffered by the victim, if
the child has the means or ability to make restitution;

4. Notification that the court-designated worker may apply graduated sanctions for failure to comply with the diversion agreement;

5. Any other program or effort which reasonably benefits the community and the child; and

6. A plan for monitoring the child's progress and completion of the agreement;

(9) (a) If a child successfully completes a diversion agreement, the underlying complaint shall be dismissed and further action related to that complaint shall be prohibited.

(b) If a child fails to appear for a preliminary intake inquiry, declines to enter into a diversion agreement, or fails to complete a diversion agreement, then:

1. For a public offense complaint, the matter shall be referred to the county attorney for formal court action and, if a petition is filed, the child may request that the court dismiss the complaint based upon his or her substantial compliance with the terms of the diversion agreement; and

2. For a status offense complaint, the court-designated worker shall refer the matter to the family accountability, intervention, and response team for review and further action;

(10) If a complaint is referred to the court, the complaint and findings of the court-designated worker's preliminary intake inquiry shall be submitted to the court for the court to determine whether process should issue; and

(11) At any stage in the proceedings described in this section, the court or the county attorney may review any decision of the court-designated worker. The court upon its own motion or upon written request of the county attorney may refer any complaint for a formal hearing.

Section 20. KRS 605.035 is amended to read as follows:
(1) There is hereby created in each judicial district a family accountability, intervention, and response team that shall develop enhanced case management plans and opportunities for services for children referred to the team. The family accountability, intervention, and response team shall consist of not more than fifteen (15) persons.

(2) The membership of the team shall include the following representatives as appointed by their agencies or organizations:

(a) A court-designated worker in that judicial circuit or district;

(b) One (1) or more members, one (1) of whom shall be a representative of the community mental health center, of the regional interagency council specified in KRS 200.509(1)(a) to (d) and (g), or corresponding members of the local interagency council if one exists;

(3) A court-designated worker from within the judicial circuit or district shall lead the team and be responsible for convening and staffing the team.

(4) The team shall adopt a case management approach and process for reviewing:

(a) Referrals from the court-designated worker involving cases in which a child has failed to appear for a preliminary intake inquiry, declined to enter into a
diversion agreement, or failed to complete the terms of the agreement, or if the child is less than twelve (12) years of age; and

(b) Status offense cases if the court-designated worker, after reviewing the complaint, has determined that no further action is necessary.

(5) After reviewing the actions taken by the court-designated worker, including referrals made for the child and his or her family, efforts to address barriers to successful completion, and whether other appropriate services are available to address the needs of the child and his or her family, the team may:

(a) Refer the case back to the court-designated worker to take further action as recommended by the team;

(b) For a child under twelve (12) years of age, refer the case to the cabinet for assessment and services; or

(c) Advise the court-designated worker to refer the case to the county attorney if the team has no further recommendations to offer.

Section 21. KRS 610.105 is amended to read as follows:

(1) Upon the court's motion or the motion of any party, following notice to the county attorney, an informal adjustment may be made at any time during the proceedings and with the victim and with those persons specified in KRS 610.070 having prior notification of the motion.

(2) An informal adjustment does not require adjudication of the case. If an adjudication has occurred, the court shall dismiss the case following successful completion under subsection (3) of this section.

(3) If the court orders an informal adjustment, the order may include any of the following:

(a) Referral of the case to a program designed to hold the child accountable, to secure services as appropriate for the best interests of the child, and to provide redress for the child's behavior. If the child does not
successfully complete the terms of the program[d]iversion, the case shall not be dismissed as a result [of the diversion] but shall be returned to court; or

(b) Placement of the child on community supervision or monitoring by the court under the informal adjustment with additional conditions as determined appropriate by the court for a period not to exceed six (6) months.

Section 22. KRS 635.010 is amended to read as follows:

(1) The county attorney shall cause a review to be made of each complaint alleging that a public offense has been committed. The purpose of this review shall be to determine from the available evidence whether there are reasonable grounds to believe that the alleged facts would constitute a public offense. The county attorney may elect not to proceed with the complaint, regardless of whether reasonable grounds exist, and dismiss the complaint.

(2) The county attorney, upon receipt of a request for special review, shall consider the facts presented by the complainant and by the court-designated worker who made the recommendation that no petition be filed, before the county attorney makes a final decision as to whether a public offense petition shall [or shall not] be filed.

(3) In all cases in which the child is alleged to have committed a public offense and is not detained, the court-designated worker shall submit his written recommendation to the county attorney or designee within twenty (20) days, exclusive of weekends and holidays, from the date the child was taken into custody or the complaint was filed. In cases where the child is detained, the court-designated worker's report shall be submitted within seventy-two (72) hours of the time the child is ordered detained.

(4) The county attorney shall[may] not file a petition if the complaint is a misdemeanor or a Class D felony and the child who is the subject of the diversion agreement has no prior adjudications and no prior diversions. A youth who is detained pursuant to Section 44 of this Act shall be offered a diversion agreement if the complaint is a
misdeemeanor or a Class D felony and the child who is the subject of the diversion agreement has no prior adjudications and no prior diversions.

(5) If a public offense petition is filed, it shall be verified by information and belief and contain the information listed in KRS 610.020.

(6) If a child who is before the court is eligible for mandatory diversion pursuant to subsection (4) of this section, the court shall dismiss the petition and return the complaint to the court-designated worker for diversion.

Section 23. KRS 635.060 is amended to read as follows:

If in its decree the juvenile court finds that the child comes within the purview of this chapter, the court, at the dispositional hearing, may impose any combination of the following, except that the court shall, if a validated risk and needs assessment tool is available, consider the validated risk and needs assessment submitted to the court and parties by the Department of Juvenile Justice or other agency before imposing any disposition:

(1) Order the child or his parents, guardian, or person exercising custodial control to make restitution or reparation to any injured person to the extent, in the sum and upon the conditions as the court determines. However, no parent, guardian, or person exercising custodial control shall be ordered to make restitution or reparation unless the court has provided notice of the hearing, provided opportunity to be heard, and made a finding that the person's failure to exercise reasonable control or supervision was a substantial factor in the child's delinquency;

(2) (a) Place the child:

1. Under parental supervision in the child's own home or in a suitable home or boarding home, upon the conditions that the court shall determine, or

2. On probation under conditions that the court shall determine.

(b) 1. At the time the child is placed on probation, the court shall explain to
the child the sanctions which may be imposed if the court's conditions
are violated, and shall include notice of those sanctions as part of its
written order of probation. A child placed on probation shall be subject
to the visitation and supervision of a probation officer or an employee of
the Department of Juvenile Justice.

2. The conditions of probation shall include authorization for the use of
graduated sanctions prior to a court review for the imposition of a term
of detention. If the court has previously imposed graduated sanctions for
a violation of conditions of supervision by a child monitored by the
court, or makes a finding that the graduated sanctions have previously
been imposed for a child on probation, then the court may impose a
sanction of up to thirty (30) days' detention for a violation of the
conditions of supervision or probation. A court may not impose
detention prior to use of graduated sanctions unless there is clear and
convincing evidence that there are no graduated sanctions available that
are appropriate for the child and the child is an immediate threat to
himself or others. Except where commitment has been probated
pursuant to subsection (5) of this section, a child may not be committed
or recommitted to the Department of Juvenile Justice for a violation of a
condition of probation.

(c) A child placed on probation or supervision with court monitoring shall remain
subject to the jurisdiction of the court as follows, except that if a person is
placed on probation after the person reaches the age of seventeen (17) years
and six (6) months, the probation shall be for a period not to exceed one (1)
year:

1. If the child was adjudicated for an offense that would be a violation if
committed by an adult, the period of probation or supervision shall not
exceed thirty (30) days, except that the court may order up to three (3) months of supervision if the court-ordered treatment includes a program that requires longer than thirty (30) days to complete;

2. If the child was adjudicated for an offense that would be a misdemeanor if committed by an adult, other than an offense for which a child has been declared a juvenile sex offender under KRS 635.510 or an offense involving the use of a firearm[deadly weapon], the period of probation or supervision shall not exceed six (6) months, except that the court may order up to twelve (12) months of supervision if the court-ordered substance abuse or mental health treatment includes a program that requires longer than six (6) months to complete;

3. If the child was adjudicated for an offense that would be a Class D felony if committed by an adult, other than an offense for which a child has been declared a juvenile sex offender under KRS 635.510 or an offense involving the use of a firearm[deadly weapon], the period of probation or supervision shall not exceed twelve (12) months; or

4. If the child was adjudicated for an offense that would be a felony offense if committed by an adult, other than a Class D felony offense, or for an offense involving the use of a firearm[deadly weapon], or for an offense in which the child has not been declared a sexual offender pursuant to KRS 635.510, the child may be placed on probation up to age eighteen (18);

(3) (a) If the child was adjudicated for an offense other than an offense that would be a violation if committed by an adult, order the child confined in an approved secure detention facility or detention program, as authorized by KRS Chapter 15A, as follows:

1. If the child is fourteen (14) years of age but less than sixteen (16) years
of age, the child may be confined for a period of time not to exceed forty-five (45) days; or

2. If the child is sixteen (16) years of age or older, the child may be confined for a period of time not to exceed ninety (90) days.

(b) The Department of Juvenile Justice shall pay for the confinement of children confined pursuant to this subsection in accordance with the statewide detention plan and administrative regulations implementing the plan;

(4) (a) Order the child to be committed or recommitted to the custody of the Department of Juvenile Justice, grant guardianship to a child-caring facility or a child-placing agency authorized to care for the child, or place the child under the custody and supervision of a suitable person if:

1. The child was adjudicated for an offense that would be a misdemeanor or Class D felony if committed by an adult and the child has at least three (3) prior separate adjudications which do not arise from the same course of conduct, excluding prior adjudications of offenses designated as a violation, or at least four (4) prior separate adjudications of violations, which do not arise from the same course of conduct; or

2. The child was adjudicated for an offense involving the use of a firearm [deadly weapon], an offense in which the child has been declared a juvenile sexual offender under KRS 635.510, or an offense that would be a felony offense if committed by an adult, other than a Class D felony.

(b) The commitment shall be for the following term, subject to KRS 635.070 and the power of the court to terminate the order and discharge the child prior thereto:

1. If the child was adjudicated for an offense that would be a misdemeanor if committed by an adult, other than an offense for which a child has
been declared a juvenile sex offender under KRS 635.510 or an offense involving the use of a firearm[diedly weapon], the child may be committed for a period not to exceed twelve (12) months, including all time spent in the treatment plan established pursuant to KRS 15A.0652;

2. further detained. At the hearing held pursuant to this subsection, the court shall
consider the nature of the offense, the child's background and history, and other
information relevant to the child's conduct or condition.
(3) If the court orders a child detained further, that detention shall be served as follows:
