5 ARTICLE I

6 PURPOSE

7 Whereas, states license psychologists, in order to protect the public through verification
8 of education, training and experience and ensure accountability for professional
9 practice; and

10 Whereas, this compact is intended to regulate the day-to-day practice of telepsychology
11 (i.e. the provision of psychological services using telecommunication technologies) by
12 psychologists across state boundaries in the performance of their psychological
13 practice as assigned by an appropriate authority; and

14 Whereas, this compact is intended to regulate the temporary in-person, face-to-face
15 practice of psychology by psychologists across state boundaries for thirty (30) days
16 within a calendar year in the performance of their psychological practice as assigned
17 by an appropriate authority;

18 Whereas, this compact is intended to authorize state psychology regulatory authorities
19 to afford legal recognition, in a manner consistent with the terms of the compact, to
20 psychologists licensed in another state;

21 Whereas, this compact recognizes that states have a vested interest in protecting the
22 public's health and safety through their licensing and regulation of psychologists and
23 that such state regulation will best protect public health and safety;

24 Whereas, this compact does not apply when a psychologist is licensed in both the home
25 and receiving states; and

26 Whereas, this compact does not apply to permanent in-person, face-to-face practice, it
27 does allow for authorization of temporary psychological practice.

1 Consistent with these principles, this compact is designed to achieve the following
2 purposes and objectives:

- 3 1. Increase public access to professional psychological services by allowing for
4 telepsychological practice across state lines as well as temporary in-person,
5 face-to-face services into a state which the psychologist is not licensed to
6 practice psychology;
- 7 2. Enhance the states' ability to protect the public's health and safety,
8 especially client/patient safety;
- 9 3. Encourage the cooperation of compact states in the areas of psychology
10 licensure and regulation;
- 11 4. Facilitate the exchange of information between compact states regarding
12 psychologist licensure, adverse actions, and disciplinary history;
- 13 5. Promote compliance with the laws governing psychological practice in each
14 compact state; and
- 15 6. Invest all compact states with the authority to hold licensed psychologists
16 accountable through the mutual recognition of compact state licenses.

8 authorization to practice.

9 ARTICLE VI

10 CONDITIONS OF TELEPSYCHOLOGY PRACTICE IN A RECEIVING STATE

11 A. A psychologist may practice in a receiving state under the authority to practice
12 interjurisdictional telepsychology only in the performance of the scope of practice
13 for psychology as assigned by an appropriate state psychology regulatory
14 authority, as defined in the rules of the commission, and under the following
15 circumstances:

- 16 1. The psychologist initiates a client/patient contact in a home state via
17 telecommunications technologies with a client/patient in a receiving state;
- 18 2. Other conditions regarding telepsychology as determined by rules
19 promulgated by the commission.

20 ARTICLE VII

21 ADVERSE ACTIONS

22 A. A home state shall have the power to impose adverse action against a
23 psychologist's license issued by the home state. A distant state shall have the
24 power to take adverse action on a psychologist's temporary authorization to
25 practice within that distant state.

26 B. A receiving state may take adverse action on a psychologist's authority to practice
27 interjurisdictional telepsychology within that receiving state. A home state may

1 take adverse action against a psychologist based on an adverse action taken by a
2 distant state regarding temporary in-person, face-to-face practice.

3 C. If a home state takes adverse action against a psychologist's license, that
4 psychologist's authority to practice interjurisdictional telepsychology is
5 terminated and the E.Passport is revoked. Furthermore, that psychologist's
6 temporary authorization to practice is terminated and the IPC is revoked.

7 1. All home state disciplinary orders which impose adverse action shall be
8 reported to the commission in accordance with the rules promulgated by the
9 commission. A compact state shall report adverse actions in accordance
10 with the rules of the commission.

11 2. In the event discipline is reported on a psychologist, the psychologist will
12 not be eligible for telepsychology or temporary in-person, face-to-face

15 the commission.

16 D. A home state's psychology regulatory authority shall investigate and take
17 appropriate action with respect to reported inappropriate conduct engaged in by a
18 licensee which occurred in a receiving state as it would if such conduct had
19 occurred by a licensee within the home state. In such cases, the home state's law
20 shall control in determining any adverse action against a psychologist's license.

21 E. A distant state's psychology regulatory authority shall investigate and take
22 appropriate action with respect to reported inappropriate conduct engaged in by a
23 psychologist practicing under temporary authorization practice which occurred
24 in that distant state as it would if such conduct had occurred by a licensee within
25 the home state. In such cases, distant state's law shall control in determining any
26 adverse action against a psychologist's temporary authorization to practice.

27 F. Nothing in this compact shall override a compact state's decision that a

1 psychologist's participation in an alternative program may be used in lieu of
2 adverse action and that such participation shall remain non-public if required by
3 the compact state's law. Compact states must require psychologists who enter any
4 alternative programs to not provide telepsychology services under the authority to
5 practice interjurisdictional telepsychology or provide temporary psychological
6 services under the temporary authorization to practice in any other compact state
7 during the term of the alternative program.

8 G. No other judicial or administrative remedies shall be available to a psychologist
9 in the event a compact state imposes an adverse action pursuant to subsection C,
10 above.

20 evidence from another compact state shall be enforced in the latter state by
21 any court of competent jurisdiction, according to that court's practice and

22 procedure in considering subpoenas issued in its own proceedings. The
23 issuing state psychology regulatory authority shall pay any witness fees,

24 travel expenses, mileage and other fees required by the service statutes of
25 the state where the witnesses and/or evidence are located; and

The home state psychology regulatory authority shall promptly report the conclusions of such investigations to the commission. Once an investigation has been completed, and pending the outcome of said investigation, the psychologist may change his/her home state licensure. - B. Notwithstanding any other provision of state law to the contrary, a compact state shall submit a uniform data set to the coordinated database on all licensees as required by the rules of the commission, including:
 - 1. Identifying information;
 - 2. Licensure data;

- 1 3. Significant investigatory information;
- 2 4. Adverse actions against a psychologist’s license;
- 3 5. An indicator that a psychologist’s authority to practice interjurisdictional
- 4 telepsychology and/or temporary authorization to practice is revoked;
- 5 6. Non-confidential information related to alternative program participation
- 6 information;
- 7 7. Any denial of application for licensure, and the reasons for such denial;
- 8 and
- 9 8. Other information which may facilitate the administration of this compact,
- 10 as determined by the rules of the commission.
- 11 C. The coordinated database administrator shall promptly notify all compact states
- 12 of any adverse action taken against, or significant investigative information on,
- 13 any licensee in a compact state.
- 14 D. Compact states reporting information to the coordinated database may designate
- 15 information that may not be shared with the public without the express
- 16 permission of the compact state reporting the information.
- 17 E. Any information submitted to the coordinated database that is subsequently
- 18 required to be expunged by the law of the compact state reporting the information
- 19 shall be removed from the coordinated database.

 10 or alleged act, error or omission did not result from the intentional or
 11 willful or wanton misconduct of that person.

12 ARTICLE XI

13 RULEMAKING

14 A. The commission shall exercise its rulemaking powers pursuant to the criteria set
 15 forth in this article and the rules adopted thereunder. Rules and amendments
 16 shall become binding as of the date specified in each rule or amendment.

17 B. If a majority of the legislatures of the compact states rejects a rule, by enactment
 18 of a statute or resolution in the same manner used to adopt the compact, then
 19 such rule shall have no further force and effect in any compact state.

20 C. Rules or amendments to the rules shall be adopted at a regular or special meeting
 21 of the commission.

22 D. Prior to promulgation and adoption of a final rule or rules by the commission,
 23 and at least sixty (60) days in advance of the meeting at which the rule will be
 24 considered and voted upon, the commission shall file a notice of proposed
 25 rulemaking:

26 1. On the Web site of the commission; and

27 2. On the Web site of each compact state's psychology regulatory authority or

1 the publication in which each state would otherwise publish proposed rules.

2 E. The notice of proposed rulemaking shall include:

3 1. The proposed time, date, and location of the meeting in which the rule will
4 be considered and voted upon;

5 2. The text of the proposed rule or amendment and the reason for the
6 proposed rule;

7 3. A request for comments on the proposed rule from any interested person;
8 and

9 4. The manner in which interested persons may submit notice to the
10 commission of their intention to attend the public hearing and any written
11 comments.

12 F. Prior to adoption of a proposed rule, the commission shall allow persons to
13 submit written data, facts, opinions and arguments, which shall be made
14 available to the public.

15 G. The commission shall grant an opportunity for a public hearing before it adopts a
16 rule or amendment if a hearing is requested by:

17 1. At least twenty-five (25) persons who submit comments independently of
18 each other;

19 2. A governmental subdivision or agency; or

20 3. A duly appointed person in an association that has having at least twenty-
21 five (25) members.

22 H. If a hearing is held on the proposed rule or amendment, the commission shall
23 publish the place, time, and date of the scheduled public hearing.

24 1. All persons wishing to be heard at the hearing shall notify the executive
25 director of the commission or other designated member in writing of their
26 desire to appear and testify at the hearing not less than five (5) business
27 days before the scheduled date of the hearing.

- 1 2. Hearings shall be conducted in a manner providing each person who
2 wishes to comment a fair and reasonable opportunity to comment orally or
3 in writing.
- 4 3. No transcript of the hearing is required, unless a written request for a
5 transcript is made, in which case the person requesting the transcript shall
6 bear the cost of producing the transcript. A recording may be made in lieu
7 of a transcript under the same terms and conditions as a transcript. This
8 subsection shall not preclude the commission from making a transcript or
9 recording of the hearing if it so chooses.
- 10 4. Nothing in this section shall be construed as requiring a separate hearing
11 on each rule. Rules may be grouped for the convenience of the commission
12 at hearings required by this section.
- 13 I. Following the scheduled hearing date, or by the close of business on the
14 scheduled hearing date if the hearing was not held, the commission shall
15 consider all written and oral comments received.
- 16 J. The commission shall, by majority vote of all members, take final action on the
17 proposed rule and shall determine the effective date of the rule, if any, based on
18 the rulemaking record and the full text of the rule.
- 19 K. If no written notice of intent to attend the public hearing by interested parties is
20 received, the commission may proceed with promulgation of the proposed rule
21 without a public hearing.
- 22 L. Upon determination that an emergency exists, the commission may consider and
23 adopt an emergency rule without prior notice, opportunity for comment, or
24 hearing, provided that the usual rulemaking procedures provided in the compact
25 and in this section shall be retroactively applied to the rule as soon as reasonably
26 possible, in no event later than ninety (90) days after the effective date of the rule.
27 For the purposes of this provision, an emergency rule is one that must be adopted

1 immediately in order to:

2 1. Meet an imminent threat to public health, safety, or welfare;

3 2. Prevent a loss of commission or compact state funds;

4 3. Meet a deadline for the promulgation of an administrative rule that is
 5 established by federal law or rule; or

6 4. Protect public health and safety.

7 M. The commission or an authorized committee of the commission may direct
 8 revisions to a previously adopted rule or amendment for purposes of correcting
 9 typographical errors, errors in format, errors in consistency, or grammatical
 10 errors. Public notice of any revisions shall be posted on the Web site of the
 11 commission. The revision shall be subject to challenge by any person for a period
 12 of thirty (30) days after posting. The revision may be challenged only on grounds
 13 that the revision results in a material change to a rule. A challenge shall be made
 14 in writing, and delivered to the chair of the commission prior to the end of the
 15 notice period. If no challenge is made, the revision will take effect without further
 16 action. If the revision is challenged, the revision may not take effect without the
 17 approval of the commission.

18 ARTICLE XII

19 OVERSIGHT, DISPUTE RESOLUTION AND ENFORCEMENT

20 A. Oversight

21 1. The executive, legislative and judicial branches of state government in each
 22 compact state shall enforce this compact and take all actions necessary and
 23 appropriate to effectuate the compact's purposes and intent. The provisions
 24 of this compact and the rules promulgated hereunder shall have standing as
 25 statutory law.

26 2. All courts shall take judicial notice of the compact and the rules in any
 27 judicial or administrative proceeding in a compact state pertaining to the

1 subject matter of this compact which may affect the powers, responsibilities
2 or actions of the commission.

3 3. The commission shall be entitled to receive service of process in any such
4 proceeding, and shall have standing to intervene in such a proceeding for
5 all purposes. Failure to provide service of process to the commission shall
6 render a judgment or order void as to the commission, this compact or
7 promulgated rules.

8 B. Default, technical assistance, and termination

9 1. If the commission determines that a compact state has defaulted in the
10 performance of its obligations or responsibilities under this compact or the
11 promulgated rules, the commission shall:

12 a. Provide written notice to the defaulting state and other compact states
13 of the nature of the default, the proposed means of remedying the
14 default and/or any other action to be taken by the commission; and

15 b. Provide remedial training and specific technical assistance regarding
16 the default.

17 2. If a state in default fails to remedy the default, the defaulting state may be
18 terminated from the compact upon an affirmative vote of a majority of the
19 compact states, and all rights, privileges and benefits conferred by this
20 compact shall be terminated on the effective date of termination. A remedy
21 of the default does not relieve the offending state of obligations or liabilities
22 incurred during the period of default.

23 3. Termination of membership in the compact shall be imposed only after all
24 other means of securing compliance have been exhausted. Notice of intent
25 to suspend or terminate shall be submitted by the commission to the
26 Governor, the majority and minority leaders of the defaulting state's
27 legislature, and each of the compact states.

1 4. A compact state which has been terminated is responsible for all
2 assessments, obligations and liabilities incurred through the effective date
3 of termination, including obligations which extend beyond the effective date
4 of termination.

5 5. The commission shall not bear any costs incurred by the state which is
6 found to be in default or which has been terminated from the compact,
7 unless agreed upon in writing between the commission and the defaulting
8 state.

9 6. The defaulting state may appeal the action of the commission by petitioning
10 the United States District Court for the state of Georgia or the federal
11 district where the compact has its principal offices. The prevailing member
12 shall be awarded all costs of such litigation, including reasonable attorney's
13 fees.

14 C. Dispute resolution

15 1. Upon request by a compact state, the commission shall attempt to resolve
16 disputes related to the compact which arise among compact states and
17 between compact and non-compact states.

18 2. The commission shall promulgate a rule providing for both mediation and
19 binding dispute resolution for disputes that arise before the commission.

20 D. Enforcement

21 1. The commission, in the reasonable exercise of its discretion, shall enforce
22 the provisions and rules of this compact.

23 2. By majority vote, the commission may initiate legal action in the United
24 States District Court for the State of Georgia or the federal district where
25 the compact has its principal offices against a compact state in default to
26 enforce compliance with the provisions of the compact and its promulgated
27 rules and bylaws. The relief sought may include both injunctive relief and

1 damages. In the event judicial enforcement is necessary, the prevailing
 2 member shall be awarded all costs of such litigation, including reasonable
 3 attorney's fees.

4 3. The remedies herein shall not be the exclusive remedies of the commission.
 5 The commission may pursue any other remedies available under federal or
 6 state law.

7 ARTICLE XIII

8 DATE OF IMPLEMENTATION OF THE PSYCHOLOGY
 9 INTERJURISDICTIONAL COMPACT COMMISSION AND ASSOCIATED RULES,
 10 WITHDRAWAL, AND AMENDMENTS

11 A. The compact shall come into effect on the date on which the compact is enacted
 12 into law in the seventh compact state. The provisions which become effective at
 13 that time shall be limited to the powers granted to the commission relating to
 14 assembly and the promulgation of rules. Thereafter, the commission shall meet
 15 and exercise rulemaking powers necessary to the implementation and
 16 administration of the compact.

17 B. Any state which joins the compact subsequent to the commission's initial
 18 adoption of the rules shall be subject to the rules as they exist on the date on
 19 which the compact becomes law in that state. Any rule which has been previously
 20 adopted by the commission shall have the full force and effect of law on the day
 21 the compact becomes law in that state.

22 C. Any compact state may withdraw from this compact by enacting a statute
 23 repealing the same.

24 1. A compact state's withdrawal shall not take effect until six (6) months after
 25 enactment of the repealing statute.

26 2. Withdrawal shall not affect the continuing requirement of the withdrawing
 27 state's psychology regulatory authority to comply with the investigative and

1 adverse action reporting requirements of this Act prior to the effective date
2 of withdrawal.

3 D. Nothing contained in this compact shall be construed to invalidate or prevent any
4 psychology licensure agreement or other cooperative arrangement between a
5 compact state and a non-compact state which does not conflict with the
6 provisions of this compact.

7 E. This compact may be amended by the compact states. No amendment to this
8 compact shall become effective and binding upon any compact state until it is
9 enacted into the law of all compact states.

10 ARTICLE XIV

11 CONSTRUCTION AND SEVERABILITY

12 This compact shall be liberally construed so as to effectuate the purposes thereof. If
13 this compact shall be held contrary to the constitution of any state member thereto, the
14 compact shall remain in full force and effect as to the remaining compact states.
