

HOUSE OF REPRESENTATIVES

KENTUCKY GENERAL ASSEMBLY AMENDMENT FORM  
2020 REGULAR SESSION  
**Unofficial Document**

Amend printed copy of **HB 136**

On page 160, between lines 8 and 9, by inserting the following:

"➔Section 70. KRS 216B.402 is amended to read as follows:

(1) When a person is admitted to a hospital emergency department or hospital emergency room for treatment of a drug overdose:

(a)~~[(1)]~~ The person shall be informed of available substance use disorder treatment services known to the hospital that are provided by that hospital, other local hospitals, the local community mental health center, and any other local treatment programs licensed pursuant to KRS 222.231;

(b)~~[(2)]~~ The hospital may obtain permission from the person when stabilized, or the person's legal representative, to contact any available substance use disorder treatment programs offered by that hospital, other local hospitals, the local community mental health center, or any other local treatment programs licensed pursuant to KRS 222.231, on behalf of the person to connect him or her to treatment; and

(c)~~[(3)]~~ The local community mental health center may provide an on-call service in the hospital emergency department or hospital emergency room for the person who was treated for a drug overdose to provide information about services and connect the person to substance use disorder treatment, as funds are available. These services, when provided on the grounds of a hospital, shall be coordinated with appropriate

hospital staff.

- (2) When a person, who is a registered qualified patient or a visiting qualified patient as defined in Section 1 of this Act, is admitted to a hospital emergency department or a hospital emergency room for treatment of cannabinoid hyperemesis syndrome, the hospital shall notify the Department for Public Health within forty-eight (48) hours. Notification shall include the registered qualified patient's or a visiting qualified patient's name and registry identification card number, if available. The Department for Public Health shall record all cases of cannabinoid hyperemesis syndrome in electronic monitoring system described in Section 28 of this Act.**"; and

Renumber subsequent sections accordingly.
