The department, within its discretion, may allow a manufacturer to file the report for periods other than monthly.

(b) The reports shall identify:

2. The quantities of tobacco products and vapor products shipped, by type
of product and brand; and

(2) Each licensed distributor and each licensed retail distributor shall keep in each
licensed place of business complete and accurate records for that place of business,
including:

(2) (a) An excise tax is hereby imposed upon every distributor for the privilege of

1. Upon snuff at the rate of nineteen cents ($0.19) per each one and one-

If the container, pouch, or package on which the tax is levied contains
more than sixteen (16) ounces by net weight, the rate that shall be
applied to the unit shall equal the sum of sixty-five cents ($0.65) plus
nineteen cents ($0.19) for each increment of four (4) ounces or portion thereof exceeding sixteen (16) ounces sold;[and]

3. Upon tobacco products sold, at the rate of fifteen percent (15%) of the actual price for which the distributor sells tobacco products, except snuff and chewing tobacco, within the Commonwealth;

4. Upon closed vapor cartridges, one dollar and fifty cents ($1.50) per cartridge; and

5. Upon open vaping systems, fifteen percent (15%) of the actual price the distributor sells open vaping systems.

(b) The net weight posted by the manufacturer on the container, pouch, or package or on the manufacturer's invoice shall be used to calculate the tax due on snuff or chewing tobacco.

(c) 1. A retailer located in this state shall not purchase tobacco products for resale to consumers from any person within or outside this state unless that person is a distributor licensed under KRS 138.195(7)(a) or the retailer applies for and is granted a retail distributor's license under KRS 138.195(7)(b) for the privilege of purchasing untax-paid tobacco products and remitting the tax as provided in this paragraph.

2. A licensed retail distributor of tobacco products shall be subject to the excise tax as follows:

a. On purchases of untax-paid snuff, at the same rate levied by paragraph (a)1. of this subsection;

b. On purchases of untax-paid chewing tobacco, at the same rates levied by paragraph (a)2. of this subsection; [and]

c. On purchases of untax-paid tobacco products, except snuff and chewing tobacco, fifteen percent (15%) of the total purchase price as invoiced by the retail distributor's supplier;
d. On purchases of untax-paid closed vapor cartridges, at the same
rate levied by paragraph (a) of this subsection; and

e. On purchases of untax-paid open vaping systems, fifteen percent
(15%) of the total purchase price as invoiced by the retail
distributor's supplier.

(d) 1. The licensed distributor that first possesses tobacco products or vapor
products for sale to a retailer in this state or for sale to a person who is
not licensed under KRS 138.195(7) shall be the distributor liable for the
tax imposed by this subsection except as provided in subparagraph 2. of
this paragraph.

2. A distributor licensed under KRS 138.195(7)(a) may sell tobacco
products or vapor products to another distributor licensed under KRS
138.195(7)(a) without payment of the excise tax. In such case, the
purchasing licensed distributor shall be the distributor liable for the tax.

3. A licensed distributor or licensed retail distributor shall:
   a. Identify and display the distributor's or retail distributor's license
      number on the invoice to the retailer; and
   b. Identify and display the excise tax separately on the invoice to the
      retailer. If the excise tax is included as part of the product's sales
      price, the licensed distributor or licensed retail distributor shall list
      the total excise tax in summary form by tax type with invoice
      totals.

4. It shall be presumed that the excise tax has not been paid if the licensed
distributor or licensed retail distributor does not comply with
subparagraph 3. of this paragraph.

(e) No tax shall be imposed on tobacco products or vapor products under this
subsection that are not within the taxing power of this state under the
Commerce Clause of the United States Constitution.

(3) (a) The taxes imposed by subsections (1) and (2) of this section:

1. Shall not apply to reference\[ tobacco\] products; and

2. Shall be paid only once, regardless of the number of times the cigarettes or tobacco products may be sold.

(b) The taxes imposed by subsection (1)(a) and (b) and subsection (2) of this section shall be reduced by:

1. Fifty percent (50%) on any product as to which a modified risk tobacco product order is issued under 21 U.S.C. sec. 387k(g)(1); or

2. Twenty-five percent (25%) for any product as to which a modified risk tobacco product order is issued under 21 U.S.C. sec. 387k(g)(2).

(4) A reference\[ tobacco\] product shall carry a marking labeling the contents as a research cigarette, research vapor product, or a research tobacco product to be used only for tobacco-health research and experimental purposes and shall not be offered for sale, sold, or distributed to consumers.

(5) The department may prescribe forms and promulgate administrative regulations to execute and administer the provisions of this section.

(6) The General Assembly recognizes that increasing taxes on tobacco products should reduce consumption, and therefore result in healthier lifestyles for Kentuckians. The relative taxes on tobacco products proposed in this section reflect the growing data from scientific studies suggesting that although smokeless tobacco poses some risks, those health risks are significantly less than the risks posed by other forms of tobacco products. Moreover, the General Assembly acknowledges that some in the public health community recognize that tobacco harm reduction should be a complementary public health strategy regarding tobacco products. Taxing tobacco products according to relative risk is a rational tax policy and may well serve the public health goal of reducing smoking-related mortality and morbidity and
lowering health care costs associated with tobacco-related disease.

(7) Any person subject to the taxes imposed under subsections (1) and (2) of this section that:

(a) Files an application related to a modified risk tobacco product shall report to the department that an application has been filed within thirty (30) days of that filing; and

(b) Receives an order authorizing the marketing of a modified risk tobacco product shall report to the department that an authorizing order has been received.

(8) Upon receipt of the information required by subsection (7)(b) of this section, the department shall reduce the tax imposed on the modified risk tobacco product as required by subsection (3)(b) of this section on the first day of the calendar month following the expiration of forty-five (45) days following receipt of the information required by subsection (7)(b) of this section.

Section 5. KRS 138.143 is amended to read as follows:

(1) (a) Every retailer, sub-jobber, resident wholesaler, nonresident wholesaler, and unclassified acquirer shall:

(a) Take a physical inventory of all cigarettes in packages bearing Kentucky tax stamps, and all unaffixed Kentucky cigarette tax stamps possessed by them or in their control at 11:59 p.m. on June 30, 2018. Inventory of cigarettes in vending machines may be accomplished by:

purchase price the amount per unit paid as reflected on the most recent
invoice received prior to August 1, 2020[April 1, 2009,
for the same category of other tobacco product.

c. To prevent double taxation, if the invoice used by the retailer or
sub-jobber to determine the purchase price of the other tobacco
product does not separately state the tax paid by the wholesaler,
the retailer or sub-jobber may reduce the amount paid per unit by
seven and one half percent (7.5%).

(a) The taxes imposed by this section may be paid in three (3) installments.
The first installment, in an amount equal to at least one-third (1/3) of the total
amount due, shall be remitted with the return provided by the department on
or before August 10, 2020[July 10, 2018]. The second installment, in an
amount that brings the total amount paid to at least two-thirds (2/3) of the total
amount due, shall be remitted on or before September 10, 2020[August 10,
2018]. The third installment, in an amount equal to the remaining balance,
shall be remitted on or before October 10, 2020[September 10, 2018].
