1 *applicator*;

- 2 (31) "Weed" means any plant which grows where not wanted; and
- 3 (32) "Wildlife" means all living things that are neither human, domesticated, nor, as
- 4 defined in this chapter, pests, including but not limited to mammals, birds, and
- 5 aquatic life.
- Section 2. KRS 217B.050 is amended to read as follows:
- 7 The department shall administer and enforce the provisions of this chapter and (1) 8 promulgate administrative regulations to carry out the provisions of this chapter and 9 in the administrative regulations may prescribe methods to be used in the storage of 10 fertilizers, and the storage and application of pesticides. Where the department finds 11 that the administrative regulations are necessary to carry out the purpose and intent 12 of this chapter, the administrative regulations may relate to the time, place, manner, 13 and method of storage and application of [the]pesticides and [storage of]fertilizers, 14 may restrict or prohibit use of pesticides in designated areas during specified 15 periods of time, and shall encompass all reasonable factors which the department 16 deems necessary to prevent damage or injury by drift or misapplication to:
- 17 (a) Plants, including forage plants, on adjacent or nearby lands;
- 18 (b) Wildlife in the adjoining or nearby areas;
- 19 (c) Fish and other aquatic life in waters in reasonable proximity to the area to be 20 treated; and
- 21 (d) Pollinating insects, animals, or persons.
- 22 (2) In promulgating the administrative regulations, the department shall give 23 consideration to pertinent research findings and recommendations of other agencies 24 of this state and of the federal government.
- 25 (3) The department may by administrative regulation adopt a list of "restricted use 26 pesticides" for the state or for designated areas within the state if it finds that the 27 characteristics of the pesticides require restricting their use to prevent injury on

lands other than the land to which they are applied, or to persons, animals, crops, or pests or vegetation other than the pests or vegetation which they are intended to destroy. For the purpose of uniformity of requirements between the states and the federal government, the department may adopt the list of "restricted use pesticides" as established by the Environmental Protection Agency or other federal or state agencies.

- The department may establish additional classifications of applicator or operator (4) 8 licenses as required for conformance with the Federal Environmental Pesticide 9 Control Act of 1972. The classifications may include private farmer applicators, 10 commercial establishment applicators, and government employee applicators not specifically mentioned in this chapter. The administrative regulations may specify 12 licensing conditions, procedures, and fees not to exceed those fees specified for 13 other licensees under this chapter].
- 14 (5) In addition to the fees authorized in subsection (4) of this section, the department 15 may, by administrative regulation, establish fees for carrying out the provisions 16 required or authorized by this chapter, but shall not establish fees exceeding those 17 specified under this chapter.
 - → Section 3. KRS 217B.060 is amended to read as follows:
- 19 (1) The department may classify licenses to be issued under this chapter. The 20 classifications may include but not be limited to ornamental or agricultural pesticide 21 applicators, or right-of-way pesticide applicators. Separate classifications may be 22 specified as to ground, aerial, or manual methods used by any licensee to apply 23 pesticides. Each classification shall be subject to separate testing procedures and 24 requirements.
- 25 Application for a license shall be made in writing to the department on a designated (2) 26 form obtained from the department. Each application for a license shall contain 27 information regarding the applicant's qualifications and proposed operations, and

- (b) If the applicant is a receiver, trustee, firm, partnership, association, corporation, or other organized group of persons whether or not incorporated, the full name of the receiver or trustee, the full name of each member of the firm or partnership, or the names of the officers of the association, corporation, or group;
- 9 (c) The principal business address of the applicant in the state and elsewhere;
 - (d) The name and address of a person, who may be the Secretary of State, whose domicile is in the state, and who is authorized to receive and accept services of summons and legal notice of all kinds for the applicant; *and*
- 13 (e) [The model, make, horsepower, and size of any equipment used by the applicant to apply pesticides; and
- 15 (f)—Any other necessary information prescribed by the department.
- 16 (3) The department shall require an applicant for a license to show upon examination
 17 that the applicant possesses adequate knowledge concerning the proper use and
 18 application of pesticides in the classifications he or she has applied for. The
 19 applicant shall also demonstrate a knowledge of the proper use of and calibration of
 20 the various equipment that he or she may have applied for a license to operate,
 21 including any pressurized, hand-sized devices. The examination shall require a
 22 working knowledge of:
 - (a) The proper use of the equipment;
- 24 (b) The hazards that may be involved in applying pesticides, including:
- 25 1. The effect of drift of the pesticides on adjacent and nearby lands and other nontarget organisms;
- 27 2. The proper meteorological conditions for the application of pesticides

the calendar year of issue unless it has been revoked or suspended prior to that by
the department for cause, or the financial security required under KRS 217B.130 is
not dated to expire at an earlier date, in which case the license shall be dated to
expire upon the expiration date of the financial security.

- Section 4. KRS 217B.070 is amended to read as follows:
- No person shall engage in the business of applying pesticides to the lands of another within this state at any time without a pesticide operator's license issued by the department. The department shall require an annual fee of *one hundred dollars*(\$100)[twenty five dollars (\$25)] for each pesticide operator's license issued.
- 10 (2) No license shall be issued unless the applicant holds a valid certification within this category.
- 12 (3) No license shall be issued unless the applicant is registered as a dealer or is 13 employed by a person who is registered as a dealer.

(1) Except as provided in KRS 217B.090, it shall be unlawful for any person to act as an employee of a pesticide operator or dealer and apply pesticides [manually, or as the applicator directly in charge of any equipment which is licensed or should be licensed under the provisions of this chapter for the application of any pesticide,]without having obtained an applicator's license from the department. An applicator's license shall be in addition to any other license or permit required by law[for the operation or use of any equipment]. Any person applying for an applicator's license shall file an application on a form prescribed by the department on or before January 1 of each year. Application for a license to apply pesticides shall be accompanied by a license fee of twenty-five dollars (\$25)[ten dollars (\$10)]. The provisions of this section shall not apply to any individual who has passed the examination provided for in KRS 217B.060(3), and is a licensed pesticide operator. If the department finds the applicant qualified to apply pesticides

in the classifications he has applied for after examinations as provided for in KRS 217B.060(3), and if the applicant applying for a license to engage in aerial applications of pesticides has met all of the requirements of the Federal Aviation Agency and the Transportation Cabinet to operate the equipment described in the application, the department shall issue a pesticide applicator license limited to the classifications for which he is qualified which shall expire at the end of the calendar year of issue unless it has been revoked or suspended prior to that by the department for cause as provided for in KRS 217B.120.

- 9 (2) No license shall be issued unless the applicant holds a valid certification within this category.
- 11 (3) No license shall be issued unless the applicant is employed or supervised by a 12 person who holds a valid operator's license.
- → Section 6. KRS 217B.090 is amended to read as follows:

(1)

- It shall be unlawful for any person to act as a noncommercial applicator without having obtained a noncommercial applicator license from the department. Any person applying for a noncommercial applicator's license shall file an application on a form prescribed by the department on or before January 1 of each year. The provisions of this section shall not apply to any individual who is a licensed pesticide operator or applicator. If the department finds the applicant qualified to apply pesticides, the department shall issue a *noncommercial*[limited] license *for*[without] a fee *of ten dollars* (\$10) to a noncommercial applicator, which shall be valid only when the individual is applying pesticides on land owned, occupied, or managed by his or her employer. The noncommercial applicator license shall expire at the end of the calendar year of issue unless it has been revoked or suspended prior to that by the department for cause as provided for in KRS 217B.120.
- (2) Employers of noncommercial applicators shall be subject to legal recourse by any

1 person damaged by the application of any pesticide, and the action may be brought

- 2 in the county where the damage or some part of the damage occurred.
- 3 (3) No license shall be issued unless the applicant holds a valid certification within this category.
- 5 (4) A *noncommercial*[limited] license cannot be upgraded without retesting.
- 6 (5) The department shall issue noncommercial applicator licenses to qualifying
- 7 prison inmates and other incarcerated persons who are or will be engaged in the
- 8 application of pesticides under the direction of the Department of Corrections.
- 9 <u>Fees for these persons shall be waived by the department.</u>
- Section 7. KRS 217B.105 is amended to read as follows:
- 11 (1) No person shall act in the capacity of a dealer, or shall engage or offer to engage in
- the business of, advertise as, or assume to act as a dealer without having registered
- as a dealer with the department.
- 14 (2) Application for a dealer registration shall be in the form and shall contain the
- information prescribed by the department. Each application shall be accompanied
- by a fee of seventy-five dollars (\$75)[fifty dollars (\$50)]. All registrations issued
- under this section shall expire on December 31 of the year for which they are
- issued. The registration for a dealer may be renewed annually upon application to
- the department, accompanied by a fee of <u>seventy-five dollars</u> (\$75)[fifty dollars
- 20 (\$50)] for each registration, on or before the first day of January of the calendar year
- for which the registration is issued.
- 22 (3) No person shall be registered as a dealer without proof of financial responsibility as
- 23 required by KRS 217B.130.
- 24 (4) A dealer shall register each branch office location.
- 25 (5) Application for a branch office registration shall be in the form and shall contain the
- 26 information prescribed by the department. Each application shall be accompanied
- by a fee of <u>fifty dollars (\$50)</u>[twenty-five dollars (\$25)]. All registrations issued

under this section shall expire on December 31. The registration for a branch office may be renewed annually upon application to the department, accompanied by a fee of <u>fifty dollars (\$50)</u>[twenty five dollars (\$25)] for each registration, on or before the first of January of the calendar year for which the registration is issued. No branch office registration may be issued unless the applicant is registered as a dealer.

- (6) The department shall issue to each applicant who satisfies the requirements of this section a registration which entitles the applicant to conduct the business described in the application for the calendar year for which the registration is issued, unless the registration is sooner revoked or suspended.
- (7) The department shall promulgate administrative regulations requiring dealers to maintain records with respect to their operations as it determines are necessary for the effective enforcement of this chapter. The records shall include, but not be limited to, brands and amounts of restricted use pesticides sold, and the buyer's name, address, use of the pesticide, and certification number. Records required under this section shall extend to financial data, sales data, shipment data, and personnel data. The records are to be retained for a period of two (2) years from the time of sale. For the purposes of enforcing the provisions of this chapter, any dealer shall, upon request of the department, furnish or permit the department at all reasonable times to have access to, and to copy, records as required by this section.
- → Section 8. KRS 217B.120 is amended to read as follows:
- The department may assess civil penalties as provided by KRS 217B.193, or may suspend, revoke, delay issuing, or modify the provision of any license or registration issued under this chapter, if it finds that the applicant or holder has committed any of the following acts, each of which is declared to be a violation of this chapter:
- 26 (1) [Made false or fraudulent claims through any media, misrepresenting the effect of materials or methods to be utilized;
