1 it shall be as a new member, except that any teacher who withdraws by claiming his  
2 deposits may repay the system the amount withdrawn plus interest and reestablish  
3 his service credit as provided in subsection (3) of this section.

4 (3) Effective July 1, 1988, and thereafter, an active contributing member of the  
5 retirement system with contributing service equal to one (1) year may regain service  
6 credit by depositing in the teachers' savings fund the amount withdrawn with

11 Teachers' Retirement System.

12 (4) Effective July 1, 1974, any active contributing member with at least two (2) years of  
13 contributing service credit who declined membership as provided in Acts 1938 (1st  
14 Ex. Sess.), Ch. 1, paragraph 29, may secure service credit for prior service, and for  
15 any subsequent service prior to date of membership, by depositing in the teachers'  
16 savings fund contributions for each year of subsequent service prior to date of  
17 membership, with interest at the rate of eight percent (8%) compounded annually to

26 when a member is convicted, in any state or federal court of competent  
27 jurisdiction, of a felony related to his employment as provided in

1           subparagraphs 1. and 2. of this paragraph.

- 2           1.   Notwithstanding any provision of law to the contrary, a **person whose**  
3           **membership begins**~~[member hired]~~ on or after August 1, 2000, who is  
4           convicted, in any state or federal court of competent jurisdiction, of a  
5           felony related to his employment shall forfeit rights and benefits earned  
6           under the retirement system, except for the return of his accumulated  
7           contributions and interest credited on those contributions.
- 8           2.   The payment of retirement benefits ordered forfeited shall be stayed  
9           pending any appeal of the conviction. If the conviction is reversed on

20          employer with a view to his **or her** retirement, except as provided by KRS 161.235,  
21          or to contributions made to the medical insurance fund. **A member who is**  
22          **withdrawing from service prior to retirement eligibility shall be entitled to a**  
23          **refund following sixty (60) days after his or her last day of employment.** If the  
24          member is eligible for an immediate service retirement allowance as provided in  
25          KRS 161.600, no withdrawal and refund shall be permitted, unless the allowance  
26          would prohibit the member from qualifying for Social Security benefits or the  
27          member elects to withdraw part or all of his service for the purpose of obtaining

1        service credit in another retirement plan. Requests for refund of contributions by the  
2        member must be filed on forms prescribed by the Teachers' Retirement System and  
3        the employer shall be financially responsible for all information that is certified on  
4        the prescribed form. A member may not withdraw any part of his or her

8        retirement, the board of trustees shall pay to the estate of the deceased member,  
9        unless a beneficiary was otherwise applicably designated by the deceased member,

16       the County Employees Retirement System, the State Police Retirement System, or

24       accruing from the death of the member.

25       (b) A contingent beneficiary may be designated in addition to the primary  
26       beneficiary or cobeneficiaries. The member may name more than one (1)

2        the estate become the beneficiary by default, shall remain in effect until  
3        changed by the member on forms prescribed by the ~~the Kentucky~~ Teachers'  
4        Retirement System, except in the event of subsequent marriage or divorce.  
5        Subsequent marriage by the member shall void the primary beneficiary and  
6        any cobeneficiary designation, even that of a trust, and the spouse of the  
7        member at death shall be considered as the primary beneficiary, unless the  
8        member subsequent to marriage designates another beneficiary. **An individual**  
9        **who is married prior to becoming a member of the retirement system and**  
10       **remains married at the time of becoming a member shall have his or her**  
11       **spouse considered the primary beneficiary, unless the member designates**  
12       **another beneficiary.** A final divorce decree shall terminate an ex-spouse's  
13       status as either primary beneficiary, cobeneficiary, or contingent beneficiary,  
14       unless subsequent to divorce the member redesignates the former spouse as  
15       primary beneficiary, cobeneficiary, or contingent beneficiary.
- 16       **(d)** To the extent permitted by the Internal Revenue Code, a trust may be  
17       designated as beneficiary for receipt of a member's accumulated account  
18       balance in the retirement system as provided under KRS 161.470(7). A final  
19       divorce decree shall not terminate the designation of a trust as beneficiary  
20       regardless of who is designated as beneficiary of the trust.
- 21       **(e)** In the event that a member fails to designate a beneficiary, or all designated  
22       beneficiaries predecease the member, the member's estate shall be deemed to

24       **death, in which case the spouse shall be deemed the beneficiary.**
- 25       **(f)** Members may designate as beneficiaries only presently identifiable and  
26       existing individuals, or trusts where otherwise permitted, without contingency  
27       instructions, on forms prescribed by the retirement system.

1 **(2)** The provisions of this section shall be retroactive as they relate to election of  
 2 beneficiaries by members still in active status on the effective date of this section.  
 3 The provisions of this section shall not apply to any account from which a member  
 4 is drawing a retirement allowance or to the life insurance benefit available under  
 5 KRS 161.655.

 21 less than **the required number of days for a full year of service credit**[one hundred  
 22 **eighty (180) days**], the member may purchase credit according to administrative  
 23 regulations established by the board of trustees. In no case shall more than one (1)

 25 who complete their employment contract prior to the close of a fiscal year and elect  
 26 to retire prior to the close of a fiscal year shall have their service credit reduced by

2 (2) Members who are employed and paid for less than the number of days required in  
3 their normal employment year shall be entitled to pro rata service credit for the  
4 fractional service. Such credit shall be based upon the number of days employed  
5 and the number of days in the member's annual employment agreement or normal  
6 employment year.

7 (3) Service credit may not exceed the ratio between the school or fiscal year and the  
8 number of months or fraction of a month the member is employed during that year.

9 (4) No service credit shall be granted in the Teachers' Retirement System for service

10          by a public institution or governmental agency. This service when added to

26 (6) Effective January 1, 2019, this section does not apply to individuals who become  
27 members on or after January 1, 2019.

1           ➔Section 9. KRS 161.520 is amended to read as follows:

2       Upon the death of an active contributing member or upon the death of a member retired  
3       for disability, except as provided in KRS 161.661(6), the survivors of the deceased  
4       member in the following named order, may elect to receive a survivor's benefit payable as  
5       follows:

6       (1) Where there is a surviving widow or widower who is named as the primary  
7       beneficiary of the member's retirement account, the benefit shall be:

8           (a) One hundred eighty dollars (\$180) per month with no restriction on other  
9           income;

10          (b) Two hundred forty dollars (\$240) per month when the surviving widow or  
11          widower's total income from all sources does not exceed six thousand six  
12          hundred dollars (\$6,600) per year or five hundred fifty dollars (\$550) per  
13          month; or

14          (c) If the deceased member has a minimum of ten (10) years of service credit with  
15          the Teachers' Retirement System, the surviving widow or widower may apply  
16          for an annuity actuarially equivalent to the annuity that would have been paid  
17          to the deceased member when eligibility conditions were met. Eligibility for  
18          payments would begin at the time the age of the deceased member would have  
19          met the requirements of KRS 161.235(6) or 161.600(1), as applicable. In  
20          exercising this right, the surviving widow or widower shall be entitled to  
21          receive an annuity for life~~[, except as provided in subsection (6) of this~~  
22          ~~section].~~ This subsection applies to surviving spouses of members who die on  
23          or after July 1, 1978. A surviving widow or widower of a member who dies

25          paragraphs (a) and (b) of this subsection until they begin receiving payments  
26          under this provision.

27                ***This subsection shall not apply if a surviving widow or widower of a deceased***

4 (2) (a) Where there are surviving unmarried children under age eighteen (18) or  
5 under age nineteen (19) if a full-time student in high school, the benefit shall

7 hundred forty dollars (\$340) per month in the case of two (2) children, four  
8 hundred dollars (\$400) per month in the case of three (3) children, and four  
9 hundred forty dollars (\$440) per month in the case of four (4) or more  
10 children. Benefits under this subsection shall apply in addition to benefits  
11 which may be payable under subsections (1) and (3) of this section.

12 (b) Notwithstanding any provision of law to the contrary, the surviving spouse  
13 may elect to receive a lump-sum refund of the member's accumulated account  
14 balance in lieu of the survivorship benefits payable under this subsection and  
15 subsection (1) of this section only if the surviving spouse is designated as the  
16 primary beneficiary and:

17 1. Is a biological or adoptive parent of all children eligible for a benefit

24 as the primary beneficiary must sign a waiver on forms prescribed by the  
25 retirement system of his or her rights and the member's children's rights to the  
26 survivorship benefits payable under this subsection and subsection (1) of this  
27 section. The surviving spouse shall not waive the survivorship benefits

1 available under this subsection or subsections (1) and (6) of this section if any  
2 of the member's children have attained age eighteen (18) or older unless all of  
3 those children consent in writing on forms prescribed by the retirement system  
4 to waive their survivorship benefits available under this subsection;

5 (3) (a) Where the survivor is a child age eighteen (18) or older whose mental or  
6 physical condition is sufficient to cause his dependency on the deceased  
7 member at the time of the member's death, the benefit shall be two hundred  
8 dollars (\$200) per month, payable for the life of the child or until the time as  
9 the mental or physical condition creating the dependency no longer exists or  
10 the child marries. The mental or physical condition of the adult child shall be  
11 revealed by a competent examination by a licensed physician and shall be  
12 approved by a majority of a medical review committee as defined in KRS  
13 161.661(14). Benefits under this subsection shall apply in addition to benefits  
14 which may be payable under subsections (1) and (2) of this section.

15 (b) Notwithstanding any provision of law to the contrary, the surviving spouse  
16 shall not elect to receive a lump-sum refund of the member's accumulated  
17 account balance in lieu of the survivorship benefits payable under this  
18 subsection and subsection (1) of this section unless:

- 19 1. The surviving spouse is designated as the primary beneficiary;
- 20 2. The surviving spouse has been appointed by the court as guardian,  
21 conservator, or other fiduciary with sufficient general or specific  
22 authority to waive the survivorship benefits available under this  
23 subsection for any child or children age eighteen (18) or older who have  
24 been adjudicated incompetent to make decisions on their own behalf by  
25 a court of law; and
- 26 3. Any child or children age eighteen (18) or older who are mentally  
27 competent to make decisions on their own behalf as attested to by two

1 (2) physicians' statements consent in writing on forms prescribed by the  
2 retirement system to waive their survivorship benefits available under  
3 this subsection.

4 (c) If eligible to elect a lump-sum refund of the member's accumulated account  
5 balance, the surviving spouse shall sign a waiver on forms prescribed by the  
6 retirement system of his or her rights and the member's children's rights to the  
7 survivorship benefits payable under this subsection and subsections (1) and  
8 (2) of this section;

9 (4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over,  
10 the benefit shall be two hundred dollars (\$200) per month for one (1) parent or two  
11 hundred ninety dollars (\$290) per month for two (2) parents. Dependency of a  
12 parent shall be established as of the date of the death of the member;

13 (5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be  
14 one hundred sixty five dollars (\$165) per month. In order to qualify the brother or  
15 sister must have been a resident of the deceased member's household for at least one  
16 (1) full year prior to the member's death or must have been receiving care in a  
17 hospital, nursing home, or other institution at the member's expense for same  
18 period;

19 (6) The benefit to a child as defined in subsection (2) of this section shall terminate  
20 upon the attainment of age eighteen (18) or upon reaching age nineteen (19), if a  
21 full-time student in high school, or upon marriage, except that benefits shall  
22 continue until the attainment of age twenty-three (23) for an unmarried child who is  
23 a full-time student in a recognized educational program beyond the high school  
24 level. The benefit to a ~~widow, widower,~~ dependent parent~~,~~ or dependent brother  
25 or sister or dependent child age eighteen (18) or older shall terminate upon  
26 marriage, or upon termination of the condition creating the dependency;

27 (7) The board of trustees shall be the sole judge of eligibility or dependency of any

1 beneficiary, and may require formal application or information relating to eligibility  
2 or dependency, including proof of annual income satisfactory to the board. The  
3 board of trustees may subpoena records and individuals whenever it deems this  
4 action necessary;

5 (8) No payment of benefits shall be made unless the board of trustees authorizes the  
6 payment. The board shall promulgate administrative regulations for the  
7 administration of the provisions in this section and in every case the decision of the  
8 board of trustees shall be final as to eligibility, dependency, or disability, and the  
9 amount of benefits payable;

10 (9) In the event that there are no eligible survivors as defined in subsections (1) to (5)  
11 of this section, or in the event that the surviving spouse elects not to receive  
12 survivorship benefits on his or her own behalf or on behalf of any of the member's  
13 children as permitted under subsections (2) and (3) of this section, the board of  
14 trustees shall pay to the estate or the designated beneficiaries of the deceased  
15 member a refund of his accumulated account balance as provided in KRS  
16 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this  
17 section and KRS 161.661 shall amount to a sum less than the member's  
18 accumulated account balance at the time of death, the board of trustees shall pay to  
19 the estate or designated beneficiaries of the deceased member the balance of the  
20 accumulated account balance;

21 (10) Any person who is receiving benefits and becomes disqualified from receiving  
22 those benefits under this section shall immediately notify the Teachers' Retirement  
23 System of this disqualification in writing and shall return all benefits paid after the  
24 date of disqualification. Failure to comply with these provisions shall create an  
25 indebtedness of that person to the Teachers' Retirement System. Interest at the rate  
26 of eight percent (8%) per annum shall be charged if the debt is not repaid within  
27 sixty (60) days after the date of disqualification. Failure to repay this debt creates a

1       lien in favor of the Teachers' Retirement System upon all property of the person  
2       who improperly receives benefits and does not repay those benefits; and

3       (11) Benefits under subsections (2) and (3) of this section shall apply to a child who is a  
4       legally adopted survivor at the time of the death of the member. This provision shall  
5       be retroactive to include a child who was born after January 1, 1990, and is a legally  
6       adopted survivor of a member whose death occurred prior to July 15, 2008.

7       ➔Section 10. KRS 161.540 is amended to read as follows:

8       (1) (a) Effective January 1, 2019, each individual who is a contributing nonuniversity  
9       member, shall contribute to the retirement system twelve and eight hundred  
10       fifty-five thousandths percent (12.855%) of annual compensation, of which:

11       1. Nine and one hundred five thousandths percent (9.105%) of annual  
12       compensation shall be used to fund pension benefits; and

13       2. Three and three-quarters percent (3.75%) of annual compensation shall  
14       be used to fund retiree health benefits.

15       (b) Effective January 1, 2019, each individual who is a contributing university  
16       member, shall contribute to the retirement system ten and four-tenths percent  
17       (10.4%) of annual compensation, of which:

18       1. Seven and six hundred twenty-five thousandths percent (7.625%) of  
19       annual compensation shall be used to fund pension benefits; and

20       2. Two and seven hundred seventy-five thousandths percent (2.775%) of  
21       annual compensation shall be used to fund retiree health benefits.

22       (c) When the medical insurance fund established under KRS 161.420(5) achieves  
23       a sufficient prefunded status as determined by the retirement system's actuary,  
24       the board of trustees shall recommend to the General Assembly that the  
25       contributions required under paragraph (a)2. or (b)2. of this subsection shall,  
26       in an actuarially accountable manner, be either decreased, suspended, or  
27       eliminated.

1 (d) Payments authorized by statute that are made to retiring members, who  
 2 became members of the system before July 1, 2008, for not more than sixty  
 3 (60) days of unused accrued annual leave shall, subject to KRS 161.220(10),  
 4 be considered as part of the member's annual compensation, and shall be used  
 5 only for the member's final year of active service. Notwithstanding the  
 6 provisions of this subsection or any other statute to the contrary, for  
 7 retirement calculation purposes, members may only be credited for payment  
 8 of annual leave under the following conditions:

- 9 1. Payment by an employer for annual leave shall be equally available to  
 10 all members serving under contracts requiring the same number of  
 11 worked days and greater; and  
 12 2. At least two (2) members of the employer shall receive payment for  
 13 annual leave.

14 (e) The contribution of members shall not exceed ~~the~~<sup>[these]</sup> applicable  
 15 percentages on annual compensation as set forth in this section or as where  
 16 otherwise limited by statute. When a member retires, if it is determined that  
 17 he or she has made contributions on a salary in excess of the amount to be  
 18 included for the purpose of calculating his or her final average salary, any  
 19 excess contribution shall be refunded in lump sum to the member's employer  
 20 for distribution to the member~~[to him in a lump sum at the time of the~~  
 21 ~~payment of his first retirement allowance. In the event a member is awarded a~~  
 22 ~~court ordered back salary payment the employer shall deduct and remit the~~  
 23 ~~member contribution on the salary payment, plus interest to be paid by the~~  
 24 ~~employer, to the retirement system unless otherwise specified by the court~~  
 25 ~~order].~~

26 (2) Each public board, institution, or agency listed in KRS 161.220(4) shall, solely for  
 27 the purpose of compliance with Section 414(h) of the United States Internal

1 Revenue Code, pick up the member contributions required by this section for all  
2 compensation earned after August 1, 1982, and the contributions so picked up shall  
3 be treated as employer contributions in determining tax treatment under the United  
4 States Internal Revenue Code and KRS 141.010. The picked-up member  
5 contribution shall satisfy all obligations to the retirement system satisfied prior to  
6 August 1, 1982, by the member contribution, and the picked-up member  
7 contribution shall be in lieu of a member contribution. Each employer shall pay  
8 these picked-up member contributions from the same source of funds which is used  
9 to pay earnings to the member. The member shall have no option to receive the  
10 contributed amounts directly instead of having them paid by the employer to the  
11 system. Member contributions picked-up after August 1, 1982, shall be treated for  
12 all purposes of KRS 161.220 to 161.714 in the same manner and to the same extent  
13 as member contributions made prior to August 1, 1982.

14 ➔Section 11. KRS 161.545 is amended to read as follows:

- 15 (1) (a) Members may make contributions and receive service credit for substitute,  
16 part-time, or any service other than regular full-time teaching as provided in  
17 the administrative regulations of the board of trustees if contributions were not  
18 otherwise made as a result of the service. This paragraph does not apply to  
19 members who retired on or after January 1, 2019, and are reemployed on or  
20 after January 1, 2019.
- 21 (b) Members placed on leave of absence during a period of full-time employment  
22 as defined in KRS 161.220(21) may make contributions and receive service

24 next succeeding the year in which the leave was effective as provided in  
25 administrative regulations promulgated by the board of trustees. Contributions  
26 permitted after August 1, 1982, shall not be picked-up pursuant to KRS  
27 161.540(2).

- 1 (2) Active contributing members of the Teachers' Retirement System, or former  
2 members who are currently participating in a state-administered retirement system,  
3 who were granted leaves of absence during a period of full-time employment as  
4 defined in KRS 161.220(21) since July 1, 1964, for reasons of health as defined  
5 under the Federal Family Medical Leave Act of 1993, 29 U.S.C. secs. 2601 et seq.,  
6 child rearing, or to improve their educational qualifications, and did not purchase  
7 the leave of absence as provided in subsection (1) of this section may obtain credit

9 board of trustees and under the following conditions:
- 10 (a) The leave of absence shall be verified by a copy of the board of education  
11 minutes which granted the leave of absence or by other documentation that

13 retirement system to reasonably establish that a leave of absence was granted;  
14 and
- 15 (b) The member shall contribute the required percentage based on the salary  
16 received for the year immediately preceding the leave of absence plus interest  
17 at the rate of eight percent (8%) compounded annually from the beginning of  
18 the school year following the year of the leave of absence, and by depositing  
19 the appropriate contributions in the state accumulation fund and medical  
20 insurance fund~~[an amount equal to this total]~~.
- 21 (c) The member shall receive credit for no more than two (2) years under the  
22 provisions of this subsection.
- 23 (3) Sabbatical leaves of absence granted by any one (1) of the five (5) universities  
24 identified in subsection KRS 161.220(4)(b) for which the university employee is  
25 provided full pay at the rate he or she was provided as a full-time employee  
26 immediately preceding the sabbatical leave shall be deemed as full-time  
27 employment provided for the university and employee and employer contributions

1 shall be made in accordance with KRS 161.550 and Section 10 of this Act.

2 ~~(4)~~ Contributions permitted under this section after August 1, 1982, shall not be picked-

7 January 1, 2019, shall be purchasable only at the full actuarial cost; and

8 (b) Shall not apply to individuals who become members on or after January 1,  
9 2019.

10 ➔Section 12. KRS 161.553 is amended to read as follows:

12 by annual appropriations from the state on an actuarial amortized basis over the  
13 lifetime of the annuitants. The schedules in paragraphs (a) ~~and~~~~(b)~~~~and (c)~~ of  
14 this subsection are the annual appropriations which shall be made by the state for  
15 benefit improvements approved in the respective fiscal years or biennia~~bienniums~~

3   (1) **(a)** Each agency, **school district, and institution** employing members of the  
 4           retirement system shall deduct from the compensation of each member for  
 5           each payroll period subsequent to the date the individual became a member,

 26           fiscal year. The retirement system may impose a penalty on the employer not  
 27           to exceed one thousand dollars (\$1,000) when the employer does not meet the

1 August 1 reporting date. However, the retirement system may waive the  
2 penalty for good cause.

3 (d) The deductions described by paragraph (a) of this subsection shall be made  
4 notwithstanding the fact that the salary as a result may be less than the  
5 minimum compensation provided by law. Every member shall be deemed to  
6 consent and agree to the deductions, and the deductions shall be considered as  
7 having been paid to the member. After August 1, 1982, member contributions  
8 shall be picked up by the agency pursuant to KRS 161.540(2).

9 (2) If an employer fails to deduct the correct retirement contribution from a member's  
10 compensation, the member may make the contribution that should have been  
11 deducted by the employer and receive retirement credit for the payment. For  
12 correction of omitted member contributions that occur more than one (1) year after  
13 the year in which the error was made, the employer shall be responsible for paying  
14 interest to the retirement system at a rate of eight percent (8%) from the end of the  
15 year in which the service was performed to the date of payment.

16 ➔Section 14. KRS 161.597 is amended to read as follows:

17 (1) A member in active contributing status may purchase any service credit which the  
18 member is authorized to purchase by making installment payments in lieu of a  
19 lump-sum payment.

20 (2) To initiate an installment payment plan, a member shall make a written request to  
21 the retirement system for an estimate to purchase service credit by making  
22 installment payments.

23 (3) To qualify for installment payments, the total cost of the service purchase, including  
24 any chargeable interest, shall exceed one thousand dollars (\$1,000).

25 (4) Installment payments shall be at least fifty dollars (\$50) per month and shall be  
26 made for a period of time which is not less than twelve (12) months nor more than  
27 sixty (60) months. Interest at eight percent (8%) per annum, unless the board

1 specifies in an administrative regulation a different interest rate, shall be charged on  
 2 all installment payment purchases of service credit that are purchasable at less than  
 3 full actuarial cost. **Interest shall be assigned to the guarantee fund.**

4 (5) Installment payments shall be made on a monthly basis by~~[payroll deduction or]~~  
 5 electronic fund transfer~~[and forwarded separately to the Teachers' Retirement~~  
 6 ~~System on forms or by computer format not later than fifteen (15) days following~~  
 7 ~~the end of each month]~~. The payments shall be considered accumulated  
 8 contributions and shall not be picked up as provided in KRS 161.560, except that  
 9 subject to approval by the Internal Revenue Service and only as permitted by the  
 10 Internal Revenue Code, installment payments~~[by payroll deduction]~~ shall be made  
 11 on a tax-deferred basis.

12 (6) A member may elect to terminate **electronic fund transfers**~~[payroll deductions]~~ at  
 13 any time and purchase the remaining service credit by lump-sum payment. A  
 14 member on a leave of absence may **continue to** make~~[personal]~~ installment  
 15 payments. Termination of employment in a covered position shall terminate  
 16 installment payments. If the member is later employed by a different employer in a  
 17 covered position, the member may request a new estimate and reinstate installment  
 18 payments. A member that misses two (2) consecutive installment payments shall be  
 19 in default. A member in default shall receive **a refund of all prior installment**  
 20 **payments and the member's** service credit **shall be reduced accordingly**~~[on a pro~~  
 21 ~~rata basis for the total amount of contributions made by installment payments]~~. A  
 22 member in default may not reinstate installment payments for twelve (12) months  
 23 from the date the member was in default.

24 (7) If a member dies before completing scheduled installment payments, the named  
 25 beneficiary of the member's retirement account may pay the remaining balance due  
 26 by a lump-sum payment within thirty (30) days of the death of the member.

27 ➔Section 15. KRS 161.614 is amended to read as follows:

1 A court order awarding additional back salary to or reinstating a member as a result of  
2 employment in a position covered by the ~~the Kentucky~~ Teachers' Retirement System shall  
3 entitle the member to additional salary or service credit, or both, under the following  
4 circumstances:

5 (1) Members shall make contributions to the ~~the Kentucky~~ Teachers' Retirement System  
6 at the rate set forth in KRS 161.540 and members' employers shall make  
7 contributions at the rate set forth in KRS 161.550, with interest accruing on all  
8 contributions at the rate of eight percent (8%) per annum from the end of each fiscal  
9 year that back salary or the reinstatement was ordered. Contributions, plus interest,  
10 shall be made for each year that back salary or reinstatement was ordered. No  
11 service or salary credit shall be credited to a member's account unless full  
12 contributions are paid to the ~~the Kentucky~~ Teachers' Retirement System;

13 (2) The member may have court-ordered back salary credited to his or her account only  
14 to the extent that the member actually received payment for the back salary and only  
15 to the extent that the court-ordered back salary is within the salary scale that was  
16 available to the member in the covered position for the years that the back salary  
17 was awarded. Court-ordered back salary can be credited to the member's account  
18 only as permitted under KRS 161.220(9) and (10). The member may have court-  
19 ordered service credited to his or her account only after the retirement system has  
20 received the contributions and interest on the full compensation that would  
21 normally be earned in the position that is the subject of the litigation;

22 (3) The member's employer ordered to pay back salary or to reinstate the member by a  
23 court of competent jurisdiction shall provide the retirement system with a  
24 breakdown of the back salary awarded to the member on a year-by-year basis;

25 (4) The calculations of the contributions and interest required to be paid for court-  
26 ordered back salary or reinstatement shall be provided by the retirement system to  
27 the member or the member's employer at the member's or employer's request.

1 Requests for these calculations shall be made with at least two (2) weeks of advance  
2 notice to the retirement system to provide these calculations. The retirement system  
3 will calculate accrued interest as of the last day of the month during which payment  
4 of the full contributions are made;

5 (5) For purposes of this section, a settlement agreement that provides back salary or  
6 reinstatement, and is adopted by order or judgment of a court of competent  
7 jurisdiction or is referenced in an order dismissing the action as settled shall have  
8 the same effect as a court order adjudicating the matter. Orders entered by a  
9 government board or agency as a result of litigation conducted on an administrative  
10 hearing level and legally binding arbitration and mediation awards shall be  
11 considered as court orders for the purposes of this section; and

12 (6) Under no circumstances shall a member be entitled to service credit as a result of  
13 court-ordered reinstatement that is in violation of the provisions of KRS 161.500.

14 ➔Section 16. KRS 161.620 is amended to read as follows:

15 (1) The retirement allowance, in the form of a life annuity with refundable balance, of a  
16 member retiring for service shall be calculated as follows:

17 (a) For retirements effective July 1, 1998, and thereafter, except as otherwise  
18 provided by this section, the annual allowance for each year of service shall be  
19 two percent (2%) of the final average salary for service performed prior to  
20 July 1, 1983, and two and one-half percent (2.5%) of the final average salary  
21 for service performed after July 1, 1983, for all nonuniversity members. The  
22 annual retirement allowance for each year of service performed by members  
23 of the Teachers' Retirement System who are university members shall be two  
24 percent (2%) of the final average salary. Actuarial discounts due to age or  
25 service credit at retirement may be applied as provided in this section;

26 (b) For individuals who become nonuniversity members of the Teachers'  
27 Retirement System on or after July 1, 2002, and before July 1, 2008, who

1 upon retirement have earned less than ten (10) full years of service credit, the  
2 retirement allowance shall be two percent (2%) of the member's final average  
3 salary for each year of service. For individuals who become nonuniversity  
4 members of the Teachers' Retirement System on or after July 1, 2002, and  
5 before July 1, 2008, and who upon retirement have earned at least ten (10) full  
6 years of service credit, the annual allowance for each year of service shall be  
7 two and one-half percent (2.5%) of the member's final average salary;

- 8 (c) The board of trustees may approve for members who initially retire on or after  
9 July 1, 2004, and who become nonuniversity members before July 1, 2008, a  
10 retirement allowance of three percent (3%) of the member's final average  
11 salary for each year or partial year of service credit earned in excess of thirty  
12 (30) years.

13 This three percent (3%) factor shall be in lieu of the two and one-half percent  
14 (2.5%) factor provided for in paragraph (b) of this subsection for every year or  
15 fraction of a year of service in excess of thirty (30) years. Upon approval of  
16 this three percent (3%) retirement factor, the board of trustees may establish  
17 conditions of eligibility regarding the type of service credit that will qualify  
18 for meeting the requirements of this subsection. This subsection is optional  
19 with the board of trustees and shall not be subject to KRS 161.714;

- 20 (d) For individuals who become nonuniversity members of the Teachers'  
21 Retirement System on or after July 1, 2008, the retirement allowance shall be:
- 22 1. a. One and seven-tenths percent (1.7%) of the member's final average  
23 salary for each year of service if the member has earned ten (10) or  
24 less years of service at retirement;
  - 25 b. Two percent (2%) of the member's final average salary for each  
26 year of service if the member has earned greater than ten (10) but  
27 no more than twenty (20) years of service at retirement;

- 1           c. Two and three-tenths percent (2.3%) of the member's final average  
2           salary for each year of service if the member has earned greater  
3           than twenty (20) but no more than twenty-six (26) years of service  
4           at retirement; or
- 5           d. Two and one-half percent (2.5%) of the member's final average  
6           salary for each year of service if the member has earned greater  
7           than twenty-six (26) but no more than thirty (30) years of service at  
8           retirement; and
- 9           2. Three percent (3%) of the member's final average salary for each year ***or***  
10           ***partial year*** of service earned in excess of thirty (30) years of service at  
11           retirement subject to the same terms and conditions as set forth in  
12           paragraph (c)2. of this subsection;
- 13       (e) For individuals who become university members of the Teachers' Retirement  
14       System on or after July 1, 2008, the retirement allowance shall be:
- 15           1. One and one-half percent (1.5%) of the member's final average salary for  
16           each year of service if the member has earned ten (10) or less years of  
17           service at retirement;
- 18           2. One and seven-tenths percent (1.7%) of the member's final average  
19           salary for each year of service if the member has earned greater than ten  
20           (10) but no more than twenty (20) years of service at retirement;
- 21           3. One and eighty-five hundredths percent (1.85%) of the member's final  
22           average salary for each year of service if the member has earned greater  
23           than twenty (20) but less than twenty-seven (27) years of service at  
24           retirement; or
- 25           4. Two percent (2%) of the member's final average salary for each year of  
26           service if the member has earned twenty-seven (27) or more years of  
27           service at retirement; and

- 1 (f) The retirement allowance of a member at retirement, as measured on a life  
2 annuity, shall not exceed the member's last yearly salary or the member's final  
3 average salary, whichever is the greater amount. For purposes of this section,  
4 "yearly salary" means the compensation earned by a member during the most  
5 recent period of contributing service, either consecutive or nonconsecutive,  
6 preceding the member's effective retirement date and shall be subject to the  
7 provisions of KRS 161.220(9) and (10).
- 8 (2) Effective July 1, 2002, and annually on July 1 thereafter, the retirement allowance  
9 of each retired member and of each beneficiary of a retirement option shall be  
10 increased in the amount of one and one-half percent (1.5%), provided the retired  
11 member had been retired for at least the full twelve (12) months immediately  
12 preceding the date that the increase is effective. In the event that the retired member  
13 had been retired for less than the full twelve (12) months immediately preceding the  
14 date that the increase is effective, then the increase shall be reduced on a pro rata  
15 basis by each month that the retired member had not been retired for the full twelve  
16 (12) months immediately preceding the effective date of the increase.
- 17 (3) Any member qualifying for retirement under a life annuity with refundable balance  
18 shall be entitled to receive an annual allowance amounting to not less than four  
19 hundred dollars (\$400) effective July 1, 2002, and not less than four hundred forty  
20 dollars (\$440) effective July 1, 2003, multiplied by the service credit years of the  
21 member. These minimums shall apply to the retired members receiving annuity  
22 payments and to those members retiring on or subsequent to the effective dates  
23 listed in this subsection, except the following:
- 24 (a) Individuals who become members of the Kentucky Teachers' Retirement  
25 System on or after July 1, 2008; or
- 26 (b) Members whose retirement allowance payment is reduced below the  
27 minimum allowance as a result of its division in a qualified domestic relations

1 order or any other provision permitted under KRS 161.700.

2 (4) The minimum retirement allowance provided in this section shall apply in the case  
3 of members retired or retiring under an option other than a life annuity with  
4 refundable balance in the same proportion to the benefits of the member and his  
5 beneficiary or beneficiaries as provided in the duly-adopted option tables at the time  
6 of the member's retirement.

7 (5) Effective July 1, 2008, the monthly allowance of each retired member and each  
8 recipient of a retirement option of the retired member may be increased in an  
9 amount not to exceed three and one-half percent (3.5%) of the monthly allowance in  
10 effect the previous month, provided the retired member had been retired for at least  
11 the full twelve (12) months immediately preceding the date that the increase is  
12 effective. In the event that the retired member had been retired for less than the full  
13 twelve (12) months immediately preceding the date that the increase is effective,  
14 then the increase shall be reduced on a pro rata basis by each month that the retired  
15 member had not been retired for the full twelve (12) months immediately preceding  
16 the effective date of the increase. The level of increase provided for in this  
17 subsection shall be determined by the funding provided in the 2008-2010 biennium  
18 budget appropriation.

19 (6) Effective July 1, 2009, the monthly allowance of each retired member and each  
20 recipient of a retirement option of the retired member may be increased in an  
21 amount not to exceed seven-tenths of one percent (0.7%) of the monthly allowance  
22 in effect the previous month, provided the retired member had been retired for at  
23 least the full twelve (12) months immediately preceding the date that the increase is  
24 effective. In the event that the retired member had been retired for less than the full  
25 twelve (12) months immediately preceding the date that the increase is effective,  
26 then the increase shall be reduced on a pro rata basis by each month that the retired  
27 member had not been retired for the full twelve (12) months immediately preceding

1 the effective date of the increase. The level of increase provided for in this  
2 subsection shall be determined by the funding provided in the 2008-2010 biennium  
3 budget appropriation.

4 (7) Effective July 1, 1990, monthly payments of two hundred dollars (\$200) shall be  
5 payable for the benefit of an adult child of a member retired for service when the  
6 child's mental or physical condition is sufficient to cause dependency on the  
7 member at the time of retirement. Eligibility for this payment shall continue for the  
8 life of the child or until the time the mental or physical condition creating the  
9 dependency no longer exists or the child marries. Benefits under this subsection  
10 shall apply to legally adopted survivors provided the proceedings for the adoption  
11 were initiated at least one (1) year prior to the death of the member. The board of  
12 trustees shall be the sole judge of eligibility or dependency and may require formal  
13 application or information relating thereto.

14 (8) Members of the Teachers' Retirement System shall be subject to the annuity income  
15 limitations imposed by Section 415 of the Internal Revenue Service Code.

16 (9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the  
17 Internal Revenue Code shall not be used in determining a member's retirement  
18 annuity. The limitation on compensation for eligible members shall not be less than  
19 the amount which was allowed to be taken into account by the retirement system in  
20 effect on July 1, 1993. For this purpose, an eligible member is an individual who  
21 was a member of the retirement system before the first plan year beginning after  
22 December 31, 1995.

23 (10) Effective January 1, 2019, subsections (1) to (7) of this section do not apply to  
24 individuals who become members of the Teachers' Retirement System on or after  
25 January 1, 2019.

26 ➔Section 17. KRS 161.630 is amended to read as follows:

27 (1) (a) An individual who became a member prior to January 1, 2019, upon

1 retirement, shall receive a retirement allowance in the form of a life annuity,  
2 with refundable balance, as provided in KRS 161.620, unless an election is  
3 made before the effective date of retirement to receive actuarially equivalent  
4 benefits under options which the board of trustees approves.

5 (b) An individual who is participating in the hybrid cash balance plan as provided  
6 by KRS 161.235 may, before the effective date of retirement, elect to receive  
7 his or her accumulated account balance annuitized into a monthly payment  
8 under one (1) of the actuarial equivalent payment options approved by the  
9 board of trustees.

10 (c) No option shall provide for a benefit with an actuarial value at the age of  
11 retirement greater than that provided in KRS 161.235(7)(a) or 161.620, as  
12 applicable. This section does not apply to disability allowances as provided in  
13 KRS 161.661(1).

14 (2) The retirement option chosen by a retiree at the time of service retirement shall  
15 remain in force unless the retiree became a member prior to January 1, 2019, and  
16 elects to make a change under the following conditions:

17 (a) A divorce, annulment, or marriage dissolution following retirement shall, at  
18 the election of the retiree, cancel any optional plan selected at retirement that  
19 provides *indefinitely* continuing benefits to a spousal beneficiary and return  
20 the retiree to a single lifetime benefit equivalent as determined by the board;  
21 or

22 (b) Following marriage or remarriage, or the death of the designated beneficiary, a  
23 retiree may elect a new optional plan of payment based on the actuarial  
24 equivalent of a single lifetime benefit at the time of the election, as determined  
25 by the board. The plan shall become effective the first of the month following  
26 receipt of an application on a form approved by the board.

27 (3) Except as otherwise provided in this section, a beneficiary designation shall not be

1 changed after the effective date of retirement except for retirees who elect the life  
 2 annuity with refundable balance or the predetermined years certain and life  
 3 thereafter option. A member may remove a beneficiary at any time, but shall not  
 4 designate a substitute beneficiary. If a member elects to remove a beneficiary, the  
 5 member's retirement allowance shall not change regardless of the retirement option  
 6 selected by the member, even if the removed beneficiary predeceases the member.

7 (4) A member who experiences a qualifying event under subsection (2) of this section  
 8 and who elects a new optional plan of payment shall make that election within sixty  
 9 (60) days of the qualifying event.

10 ➔Section 18. KRS 161.643 is amended to read as follows:

11 **(1)** Each school district, **institution**, and agency employing annuitants of the retirement  
 12 system shall **have on file at the retirement system's office an annual summary**  
 13 **report**~~maintain a record~~ of the days employed and the compensation paid to each

 19 **filing**~~reporting~~ date or fails to provide the information required for employment of  
 20 annuitants of the retirement system. **However, the retirement system may waive the**

22 **(3)** **The retirement system may promulgate administrative regulations in accordance**  
 23 **with KRS Chapter 13A to require employers to report more frequently than on an**  
 24 **annual basis.**

25 ➔Section 19. KRS 161.650 is amended to read as follows:

26 (1) In the case of death of a member who has retired by reason of service or disability,  
 27 any portion of the member's accumulated contributions, including member

1 contributions to the state accumulation fund and regular interest to the date of  
2 retirement, that has not, and will not be paid as an allowance or benefit shall be paid  
3 to the member's beneficiary in such manner as the board of trustees elects.

4 (2) (a) The member may designate a primary beneficiary or two (2) or more  
5 cobeneficiaries to receive any remaining accumulated member contributions  
6 payable under this section.

7 (b) A contingent beneficiary may be designated in addition to the primary  
8 beneficiary or the cobeneficiaries. The member may designate two (2) or more  
9 contingent beneficiaries.

10 (c) To the extent permitted by the Internal Revenue Code, a trust may be  
11 designated as beneficiary for receipt of any remaining funds of the member's  
12 accumulated contributions.

13 (d) Members may designate as beneficiaries only presently identifiable and  
14 existing individuals, or trusts where otherwise permitted, without contingency  
15 instructions, on forms prescribed by the retirement system. Cobeneficiaries  
16 shall be composed of a single class of individuals, or trusts where permitted,  
17 who will share in equal proportions in any payment that may become available  
18 under this section.

19 (e) 1. Any beneficiary designation made by the member shall remain in effect  
20 until changed by the member on forms prescribed by the retirement  
21 system, except in the event of subsequent marriage or divorce.

22 2. Subsequent marriage by the member shall void the primary  
23 beneficiary and any cobeneficiary designation, even that of a trust,  
24 and the spouse of the member at death shall be considered as the  
25 primary beneficiary, unless the member subsequent to marriage  
26 designates another beneficiary. An individual who is married prior to  
27 becoming a retired member of the retirement system and remains

 4                   *subsection (1) of this section.*

5           3. A final divorce decree shall terminate the beneficiary status of an ex-  
 6           spouse unless, subsequent to divorce, the member redesignates the  
 7           former spouse as a beneficiary. A final divorce decree shall not  
 8           terminate the designation of a trust as beneficiary regardless of who is  
 9           designated as beneficiary of the trust.

10          (f) In the event that the member fails to designate a beneficiary or all designated  
 11          beneficiaries predecease the member, any remaining accumulated member

 13          *married at the time of his or her death, in which case any remaining*  
 14          *contributions shall be payable to his or her spouse.*

18          (a) Provide a life insurance benefit in a minimum amount of five thousand dollars  
 19          (\$5,000) for its members who are retired for service or disability. This life  
 20          insurance benefit shall be payable upon the death of a member retired for  
 21          service or disability to the member's estate or to a party designated by the  
 22          member on a form prescribed by the retirement system; and

23          (b) Provide a life insurance benefit in a minimum amount of two thousand dollars  
 24          (\$2,000) for its active contributing members. This life insurance benefit shall  
 25          be payable upon the death of an active contributing member to the member's  
 26          estate or to a party designated by the member on a form prescribed by the  
 27          retirement system.

- 1 (2) (a) The member may name one (1) primary and one (1) contingent beneficiary for

4 insurance benefit.
- 5 (b) Members may designate as beneficiaries only presently identifiable and  
6 existing individuals, or trusts where otherwise permitted, without contingency  
7 instructions, on forms prescribed by the retirement system.
- 8 (c) In the event that a member fails to designate a beneficiary, or all designated  
9 beneficiaries predecease the member, the member's estate shall be deemed to  
10 be the beneficiary, *unless the member is married at the time of his or her*  
11 *death, in which case the spouse shall be deemed the beneficiary.*
- 12 (d) 1. Any beneficiary designation made by the member, including the estate  
13 should the estate become the beneficiary by default, shall remain in  
14 effect until changed by the member on forms prescribed by the  
15 retirement system, except in the event of subsequent marriage or  
16 divorce.
- 17 2. A valid marriage license shall terminate any previously designated  
18 beneficiary, even that of a trust, and establish the spouse as beneficiary

20 redesignates someone other than the new spouse as the beneficiary.
- 21 3. *An individual who is married prior to becoming an active member or a*  
22 *retired member of the retirement system and remains married at the*

24 *shall have his or her spouse considered the primary beneficiary,*  
25 *unless the member designates another beneficiary.*
- 26 4. A final divorce decree shall terminate the beneficiary status of an ex-  
27 spouse unless, subsequent to divorce, the member redesignates the

1 former spouse as a beneficiary. A final divorce decree shall not  
 2 terminate the designation of a trust as beneficiary regardless of who is  
 3 designated as beneficiary of the trust.

 11 reciprocal provisions of KRS 61.680(2)(a) shall not apply to the coverage and  
 12 payment of proceeds by the life insurance benefit under this section.

13 (4) Suit or civil action shall not be required for the collection of the proceeds of the life  
 14 insurance benefit provided for by this section, but nothing in this section shall  
 15 prevent the maintenance of suit or civil action against the beneficiary or legal  
 16 representative receiving the proceeds of the life insurance benefit.

17 (5) Upon the death of a member of the Teachers' Retirement System, the life insurance  
 18 provided pursuant to subsection (1) of this section may be assigned by the
