11 year, employment contracts that are based on the school term, service credit
12 under KRS 161.500, and funding under KRS 157.350.

13 (2) (a) Beginning with the 2018-2019 school year, and each year thereafter, the local
14 board of education, upon recommendation of the local school district
15 superintendent, shall annually appoint a school district calendar committee to
16 review, develop, and recommend school calendar options.

17 (b) The school district calendar committee, after seeking feedback from school
18 district employees, parents, and community members, shall recommend
19 school calendar options to the local school district superintendent for
20 presentation to the local board of education. The committee's
21 recommendations shall comply with state laws and regulations and consider
22 the economic impact of the school calendar on the community and the state.

23 (c) Prior to adopting a school calendar, the local board of education shall hear for
24 discussion the school district calendar committee's recommendations and the
25 recommendation of the superintendent at a meeting of the local board of
26 education.

27 (d) During a subsequent meeting of the local board of education, the local board

1 shall adopt a school calendar for the upcoming school year that establishes the
2 opening and closing dates of the school term, beginning and ending dates of
3 each school month, student attendance days, and days on which schools shall
4 be dismissed. The local board may schedule days for breaks in the school
5 calendar that shall not be counted as a part of the minimum school term.

6 (e) For local board of education meetings described in paragraphs (c) and (d) of
7 this subsection, if the meeting is a regular meeting, notice shall be given to
8 media outlets that have requests on file to be notified of special meetings
9 stating the date of the regular meeting and that one (1) of the items to be
10 considered in the regular meeting will be the school calendar. The notice shall
11 be sent at least twenty-four (24) hours before the regular meeting. This
12 requirement shall not be deemed to make any requirements or limitations
13 relating to special meetings applicable to the regular meeting.

14 (f) Beginning with the 2018-2019 school year, and each year thereafter, a local
15 school board of education that adopts a school calendar with the first student
16 attendance day in the school term starting no earlier than the Monday closest
17 to August 26 may use a variable student instructional year. Districts may set
18 the length of individual student attendance days in a variable student
19 instructional schedule, but no student attendance day shall contain more than
20 seven (7) hours of instructional time unless the district submitted and received
21 approval from the commissioner of education for an innovative alternative
22 calendar.

23 (3) (a) Each local board of education shall use four (4) days of the minimum school
24 term for professional development and collegial planning activities for the
25 professional staff without the presence of students pursuant to the
26 requirements of KRS 156.095. At the discretion of the superintendent, one (1)
27 day of professional development may be used for district-wide activities and

1 for training that is mandated by federal or state law. The use of three (3) days
2 shall be planned by each school council, except that the district is encouraged
3 to provide technical assistance and leadership to school councils to maximize
4 existing resources and to encourage shared planning.

5 (b) At least one (1) hour of self-study review of seizure disorder materials shall be
6 required for all principals, guidance counselors, and teachers hired after July
7 1, 2019.

8 (c) 1. A local board may approve a school's flexible professional development
9 plan that permits teachers or other certified personnel within a school to
10 participate in professional development activities outside the days
11 scheduled in the school calendar or the regularly scheduled hours in the
12 school work day and receive credit towards the four (4) day professional
13 development requirement within the minimum one hundred eighty-five
14 (185) days that a teacher shall be employed.

15 2. A flexible schedule option shall be reflected in the school's professional
16 development component within the school improvement plan and
17 approved by the local board. Credit for approved professional
18 development activities may be accumulated in periods of time other than
19 full day segments.

20 3. No teacher or administrator shall be permitted to count participation in a
21 professional development activity under the flexible schedule option
22 unless the activity is related to the teacher's classroom assignment and
23 content area, or the administrator's job requirements, or is required by
24 the school improvement plan, or is tied to the teacher's or the
25 administrator's individual growth plan. The supervisor shall give prior
26 approval and shall monitor compliance with the requirements of this
27 paragraph. In the case of teachers, a professional development

1 committee or the school council by council policy may be responsible
2 for reviewing requests for approval.

3 (d) The local board of each school district may use up to a maximum of four (4)
4 days of the minimum school term for holidays; provided, however, any
5 holiday which occurs on Saturday may be observed on the preceding Friday.

6 (e) Each local board may use two (2) days for planning activities without the
7 presence of students.

8 (f) Each local board may close schools for the number of days deemed necessary
9 for:

10 1. National or state emergency or mourning when proclaimed by the
11 President of the United States or the Governor of the Commonwealth of
12 Kentucky;

13 2. Local emergency which would endanger the health or safety of children;
14 and

15 3. Mourning when so designated by the local board of education and
16 approved by the Kentucky Board of Education upon recommendation of
17 the commissioner of education.

18 (4) (a) The Kentucky Board of Education, upon recommendation of the
19 commissioner of education, shall adopt administrative regulations governing
20 the use of student attendance days as a result of a local emergency, as
21 described in subsection (3)(f)2. of this section, and regulations setting forth
22 the guidelines and procedures to be observed for the approval of waivers from
23 the requirements of a student instructional year in subsection (1)(f) of this
24 section for districts that wish to adopt innovative instructional calendars, or
25 for circumstances that would create extreme hardship.

26 (b) If a local board of education amends its school calendar after its adoption due
27 to an emergency, it may lengthen or shorten any remaining student attendance

1 days by thirty (30) minutes or more, as it deems necessary, provided the
2 amended calendar complies with the requirements of a student instructional
3 year in subsection (1)(f) of this section or a variable student instructional year
4 in subsection (1)(h) of this section. No student attendance day shall contain
5 more than seven (7) hours of instructional time unless the district submitted
6 and received approval from the commissioner of education for an innovative
7 alternative calendar.

- 8 (5) (a) 1. In setting the school calendar, school may be closed for two (2)
9 consecutive days for the purpose of permitting professional school
10 employees to attend statewide professional meetings.
- 11 2. These two (2) days for statewide professional meetings may be
12 scheduled to begin with the first Thursday after Easter, or upon request
13 of the statewide professional education association having the largest
14 paid membership, the commissioner of education may designate
15 alternate dates.
- 16 3. If schools are scheduled to operate during days designated for the
17 statewide professional meeting, the school district shall permit
18 employees who are delegates to attend as compensated professional
19 leave time and shall employ substitute teachers in their absence.
- 20 4. The commissioner of education shall designate one (1) additional day
21 during the school year when schools may be closed to permit
22 professional school employees to participate in regional or district
23 professional meetings.
- 24 5. These three (3) days so designated for attendance at professional
25 meetings may be counted as a part of the minimum school term.
- 26 (b) 1. If any school in a district is used as a polling place, the school district
27 shall be closed on the day of the election, and those days may be used

- 1 for professional development activities, professional meetings, or
2 parent-teacher conferences.
- 3 2. A district may be open on the day of an election if no school in the
4 district is used as a polling place.
- 5 (c) All schools shall be closed on the third Monday of January in observance of
6 the birthday of Martin Luther King, Jr. Districts may:
- 7 1. Designate the day as one (1) of the four (4) holidays permitted under
8 subsection (3)(d) of this section; or
- 9 2. Not include the day in the minimum school term specified in subsection
10 (1) of this section.
- 11 (6) (a) The Kentucky Board of Education, or the organization or agency designated
12 by the board to manage interscholastic athletics, shall be encouraged to
13 schedule athletic competitions outside the regularly scheduled student
14 attendance day.
- 15 (b) Beginning with the 2009-2010 school year, any member of a school-
16 sponsored interscholastic athletic team who competes in a regional
17 tournament or state tournament sanctioned by the Kentucky Board of
18 Education, or the organization or agency designated by the board to manage
19 interscholastic athletics, and occurring on a regularly scheduled student
20 attendance day may be counted present at school on the date or dates of the
21 competition, as determined by local board policy, for a maximum of two (2)
22 days per student per year. The student shall be expected to complete any
23 assignments missed on the date or dates of the competition.
- 24 (c) The school attendance record of any student for whom paragraph (b) of this
25 subsection applies shall indicate that the student was in attendance on the date
26 or dates of competition.
- 27 (7) Students applying for excused absence for attendance at the Kentucky State Fair

1 shall be granted one (1) day of excused absence.

2 (8) Schools shall provide continuing education for those students who are determined
3 to need additional time to achieve the outcomes defined in KRS 158.6451, and
4 schools shall not be limited to the minimum school term in providing this
5 education. Continuing education time may include extended days, extended weeks,
6 or extended years. A local board of education may adopt a policy requiring its
7 students to participate in continuing education. The local policy shall set out the
8 conditions under which attendance will be required and any exceptions which are
9 provided. The Kentucky Board of Education shall promulgate administrative
10 regulations establishing criteria for the allotment of grants to local school districts
11 and shall include criteria by which the commissioner of education may approve a
12 district's request for a waiver to use an alternative service delivery option, including
13 providing services during the student attendance day on a limited basis. These
14 grants shall be allotted to school districts to provide instructional programs for
15 pupils who are identified as needing additional time to achieve the outcomes
16 defined in KRS 158.6451. A school district that has a school operating a model
17 early reading program under KRS 158.792 may use a portion of its grant money as
18 part of the matching funds to provide individualized or small group reading
19 instruction to qualified students outside of the regular classroom during the student
20 attendance day.

21 (9) (a) Notwithstanding any other statute, each school term shall include no less than
22 the equivalent of the student instructional year in subsection (1)(f) of this
23 section, or a variable student instructional year in subsection (1)(h) of this
24 section, except that the commissioner of education may grant up to the
25 equivalent of ten (10) student attendance days for school districts that have a
26 nontraditional instruction plan approved by the commissioner of education on
27 days when the school district is closed for health or safety reasons. The

1 district's plan shall indicate how the nontraditional instruction process shall be
2 a continuation of learning that is occurring on regular student attendance days.
3 Instructional delivery methods, including the use of technology, shall be
4 clearly delineated in the plan. Average daily attendance for purposes of
5 Support Education Excellence in Kentucky program funding during the
6 student attendance days granted shall be calculated in compliance with
7 administrative regulations promulgated by the Kentucky Board of Education.

8 **(b) When the Governor declares a state of emergency pursuant to KRS 39A.100**
9 **due to a public health emergency, a school district that has a nontraditional**
10 **instruction plan approved by the commissioner of education may request**
11 **approval for additional student attendance days under an emergency**
12 **nontraditional instruction plan for when the district is closed due to the**
13 **public health emergency. The total number of nontraditional instruction**
14 **days approved for the district under this subsection due to the public health**
15 **emergency shall not exceed the equivalent of twenty (20) student attendance**
16 **days.**

17 **(c) Nontraditional instruction days utilized by a school district due to weather**
18 **conditions under paragraph (a) of this subsection shall not be included in**
19 **the total number of days available to the district for a public health**
20 **emergency under this subsection.**

21 (10) By December 31, 2018, the Kentucky Board of Education shall promulgate
22 administrative regulations to be effective beginning with the 2019-2020 school year
23 to prescribe the conditions and procedures for districts to be approved for the
24 nontraditional instruction program. Administrative regulations promulgated by the
25 board under this section shall specify:

26 (a) The application, plan review, approval, and amendment process;

27 (b) Reporting requirements for districts approved for the program, which may

- 1 include but are not limited to examples of student work, lesson plans, teacher
2 work logs, and student and teacher participation on nontraditional instruction
3 days. Documentation to support the use of nontraditional instruction days
4 shall include clear evidence of learning continuation;
- 5 (c) Timelines for initial approval as a nontraditional instruction district, length of
6 approval, the renewal process, and ongoing evaluative procedures required of
7 the district;
- 8 (d) Reporting and oversight responsibilities of the district and the Kentucky
9 Department of Education, including the documentation required to show clear
10 evidence of learning continuation during nontraditional instruction days; and
- 11 (e) Other components deemed necessary to implement this section.
- 12 (11) Notwithstanding the provisions of KRS 158.060(3) and the provisions of subsection
13 (2) of this section, a school district shall arrange bus schedules so that all buses
14 arrive in sufficient time to provide breakfast prior to the beginning of the student
15 attendance day. In the event of an unforeseen bus delay, the administrator of a
16 school that participates in the Federal School Breakfast Program may authorize up
17 to fifteen (15) minutes of the student attendance day if necessary to provide the
18 opportunity for children to eat breakfast not to exceed eight (8) times during the
19 school year within a school building.
- 20 (12) Notwithstanding any other statute to the contrary, the following provisions shall
21 apply to a school district that misses student attendance days due to emergencies,
22 including weather-related emergencies:
- 23 (a) A certified school employee shall be considered to have fulfilled the minimum
24 one hundred eighty-five (185) day contract with a school district under KRS
25 157.350 and shall be given credit for the purpose of calculating service credit
26 for retirement under KRS 161.500 for certified school personnel if:
- 27 1. State and local requirements under this section are met regarding the

1 equivalent of the number and length of student attendance days, teacher
2 professional days, professional development days, holidays, and days for
3 planning activities without the presence of students; and

4 2. The provisions of the district's school calendar to make up student
5 attendance days missed due to any emergency, as approved by the
6 Kentucky Department of Education when required, including but not
7 limited to a provision for additional instructional time per day, are met.

8 (b) Additional time worked by a classified school employee shall be considered as
9 equivalent time to be applied toward the employee's contract and calculation
10 of service credit for classified employees under KRS 78.615 if:

11 1. The employee works for a school district with a school calendar
12 approved by the Kentucky Department of Education that contains a
13 provision that additional instructional time per day shall be used to make
14 up full days missed due to an emergency;

15 2. The employee's contract requires a minimum six (6) hour work day; and

16 3. The employee's job responsibilities and work day are extended when the
17 instructional time is extended for the purposes of making up time.

18 (c) Classified employees who are regularly scheduled to work less than six (6)
19 hours per day and who do not have additional work responsibilities as a result
20 of lengthened student attendance days shall be excluded from the provisions
21 of this subsection. These employees may be assigned additional work
22 responsibilities to make up service credit under KRS 78.615 that would be
23 lost due to lengthened student attendance days.

24 ➔Section 2. Notwithstanding any other statute or administrative regulation to the
25 contrary, a school district that does not have a nontraditional instruction plan approved by
26 the commissioner of education for the 2019-2020 school year may submit a plan for the
27 2019-2020 school year for up to 20 nontraditional instructional days due to a public

1 health emergency in accordance with requirements established by the Kentucky
2 Department of Education. The plan and number of days shall be subject to approval of the
3 commissioner of education.

4 ➔Section 3. (1) Notwithstanding any other statute or administrative
5 regulation to the contrary, for the 2019-2020 school year, students shall receive a
6 minimum of 1,062 instructional hours, less the amount of instructional time waived as
7 provided in this section and any waiver provided in accordance with KRS 158.070(3)(f),
8 in effect on the effective date of this Act, and 702 KAR 7:140.

9 (2) A school district may reach 1,062 instructional hours by adding time to the
10 day. A day shall not exceed seven hours of instructional time, unless the district
11 submitted and received approval from the commissioner of education for an innovative
12 alternative calendar. A school district shall not schedule any instructional days on
13 Saturdays. A local board of education may submit a plan to the Department of Education
14 demonstrating how 1,062 instructional hours will be completed, and the plan shall be
15 approved.

16 (3) If a school district desires to complete 1,062 instructional hours by June 12,
17 2020, but is unable to under its current school calendar, the district shall request
18 assistance from the commissioner of education by May 1, 2020, to determine a plan for
19 maximizing instructional time to complete 1,062 instructional hours by June 12, 2020. If,
20 after providing planning assistance to the school district, the commissioner of education
21 determines the school district has maximized instructional time but cannot complete
22 1,062 hours by June 12, 2020, the commissioner shall waive the remaining instructional
23 hours required.

24 (4) A school district may schedule graduation ceremonies before the final
25 instructional day.

26 (5) Notwithstanding any other statute or administrative regulation to the contrary,
27 for the 2019-2020 school year, school district certified and classified personnel shall

1 complete all contract days by participating in instructional activities or professional
2 development or by being assigned additional work responsibilities.

3 (6) Notwithstanding any other statute or administrative regulation to the contrary,
4 for the 2019-2020 school year, a district may be open on the day of a primary election if
5 no school in the district is used as a polling place.

6 (7) The Kentucky Department of Education shall make a report to the Interim
7 Joint Committee on Education by October 30, 2020, on how school districts completed
8 the 1,062 instructional hours.

9 ➔Section 4. Whereas the provisions of this Act apply to the 2019-2020 school
10 year and school districts need to implement the provisions before the 2019-2020 school
11 year expires, an emergency is declared to exist, and this Act takes effect upon its passage
12 and approval by the Governor or upon its otherwise becoming a law.
