- (3) Notwithstanding any other provision under KRS Chapter 67C, all debts, liabilities, bonds, franchises, and other obligations, including statutorily mandated obligations, of any city dissolved under this section shall continue in force and effect as obligations of the consolidated local government and the consolidated local government shall succeed to all rights and entitlements thereunder upon the dissolution of all incorporated cities as provided in this section. All conflicts in the provisions of the contracts, bonds, franchises, or other obligations shall be resolved in a manner that does not impair the rights of any parties.**
- (4) All assets of any city dissolved under this section are transferred to the consolidated local government.**

➔Section 10. KRS 67C.145 is amended to read as follows:

The territory of a consolidated local government may, as permitted by Section 172A of the Constitution of Kentucky, be divided into service districts. Each service district shall constitute a separate tax district within which the consolidated local government may, upon receipt of a petition signed by a majority of the registered voters in the district as of the last general election, levy and collect taxes in accordance with the kind, type, and character of the services provided by the consolidated local government in each of these service districts. A consolidated local government may abolish or alter service districts, but any expansion of the boundaries of a service district shall require a petition signed by a majority of the registered voters, as of the last election, in the new territory to be included in the service district. Notwithstanding the foregoing provision, a consolidated local government may not create or change the boundaries of a service district if that change would adversely affect the powers or functions of any ~~city,~~ existing taxing district, fire protection district, water district, or any other special taxing or service district of any kind which was in existence on the date the consolidated local government became effective unless such entity consents by resolution adopted by its governing body."; and
