 4           Retirement System as provided by KRS 61.597 for any future service to the  
 5           General Assembly.

6           (3) For purposes of this section, "nonhazardous" means the level of benefits  
 7           applicable to employees of the Kentucky Employees Retirement System who do  
 8           not qualify for hazardous duty coverage under KRS 61.592.

9           ➔Section 2. KRS 6.500 is amended to read as follows:

10          There hereby is created a retirement plan for the members of the General Assembly  
 11          (hereinafter "legislators") who take office prior to July 1, 2020. Each legislator in office  
 12          on July 1, 1980, and each legislator thereafter taking office prior to July 1, 2020, may  
 13          acquire membership in the plan in accordance with the provisions of KRS 6.505.

14          ➔Section 3. KRS 6.505 is repealed, reenacted, and amended to read as follows:

15          (1) (a) Each legislator in office on July 1, 1980, may within thirty (30) days after that  
 16          date, and any legislator ~~thereafter~~ taking office prior to July 1, 2020, may  
 17          within thirty (30) days after the date thereof, elect to make monthly  
 18          contributions to the Legislators' Retirement Plan, in an amount equal to five  
 19          percent (5%) of his monthly creditable compensation, as defined in KRS  
 20          61.510(13), or the amount specified by paragraph (d) of this subsection. The  
 21          election shall be effective to establish membership in the plan as of July 1,  
 22          1980, or as of the date from which the thirty (30) day period is measured, as  
 23          the case may be. Provided, however, that any legislator who was in office on  
 24          July 1, 1980, and who is in office at the time he makes the election may, after  
 25          the expiration of the thirty (30) day period and until May 1, 1982, make the  
 26          election, in which event he shall pay to the Legislators' Retirement Plan, for  
 27          the months between July 1, 1980, and the date of his election such sum as,

1 when added to any member's contribution by him that is transferred from  
2 another retirement system under KRS 6.535, will equal the member's  
3 contribution required by this section. If the member makes his election after  
4 February 1, 1981, he shall in addition pay to the plan interest on the foregoing  
5 sum, at six percent (6%) per annum, calculated as if the sum consisted of  
6 equal monthly payments, one (1) of which was due at the end of each month  
7 between July 1, 1980, and the date the election was made. The election shall  
8 be addressed to and filed with the secretary of the Finance and Administration  
9 Cabinet and shall constitute an authorization to the secretary to thereafter  
10 cause to be deducted from the member's monthly creditable compensation an  
11 amount equal to five percent (5%) thereof, as a voluntarily elected  
12 contribution by the member towards the funding of the Legislators' Retirement  
13 Plan.

14 (b) 1. For a member who begins participating in the Legislators' Retirement  
15 Plan prior to January 1, 2014, the election shall operate to create an  
16 inviolable contract between such member and the Commonwealth,  
17 guaranteeing to and vesting in the member the rights and benefits  
18 provided for under KRS 6.515 to 6.530, except that the General  
19 Assembly reserves the right to amend, reduce, or suspend any legislative  
20 changes to the provisions of KRS 6.500 to 6.577 that become effective  
21 on or after July 1, 2020~~[2018]~~.

22 2. a. For members who begin participating in the Legislators'  
23 Retirement Plan on or after January 1, 2014, the General Assembly  
24 reserves the right to amend, suspend, or reduce the benefits and  
25 rights provided under KRS 6.500 to 6.577 if, in its judgment, the  
26 welfare of the Commonwealth so demands, except that the amount  
27 of benefits the member has accrued at the time of amendment,

1 suspension, or reduction shall not be affected.

2 b. For purposes of this subparagraph, the amount of benefits the  
3 member has accrued at the time of amendment, suspension, or  
4 reduction shall be limited to the accumulated account balance the  
5 member has accrued at the time of amendment, suspension, or  
6 reduction.

7 c. The provisions of this subsection shall not be construed to limit the  
8 General Assembly's authority to change any other benefit or right  
9 specified by KRS 6.500 to 6.577, for members who begin  
10 participating in the Legislators' Retirement Plan on or after January  
11 1, 2014, except the benefits specified by subparagraph 2.b. of this  
12 paragraph.

13 3. The provisions of this paragraph shall not be construed to limit the  
14 General Assembly's authority to amend, reduce, or suspend the benefits  
15 and rights of members of the Legislators' Retirement Plan as provided by  
16 KRS 6.500 to 6.577 that the General Assembly had the authority to  
17 amend, reduce, or suspend, prior to July 1, 2013.

18 (c) An election once made under this section either to participate or not to  
19 participate in the Legislators' Retirement Plan, shall be considered to apply to  
20 all future service as a legislator except as provided by Section 1 of this  
21 Act~~[KRS 21.374 or 21.385(3)]~~, whether in the same or a different office as a  
22 legislator, and whether or not it is in successive terms.

23 (d) Notwithstanding the provisions of this subsection:

24 1. A legislator who becomes a member of the Legislators' Retirement Plan  
25 on or after September 1, 2008, but prior to January 1, 2014, shall make  
26 monthly contributions to the Legislators' Retirement Plan in an amount  
27 equal to six percent (6%) of his monthly creditable compensation, as

1 defined in KRS 61.510(13);

2 2. A legislator who becomes a member of the Legislators' Retirement Plan  
3 on or after January 1, 2014, shall make monthly contributions to the  
4 Legislators' Retirement Plan in an amount equal to six percent (6%) of  
5 his or her monthly creditable compensation, as defined in KRS  
6 61.510(13), of which:

7 a. Five percent (5%) of his or her monthly creditable compensation,  
8 as defined in KRS 61.510(13), shall be used to provide funding for  
9 benefits provided under KRS 21.402; and

10 b. One percent (1%) of his or her monthly creditable compensation,  
11 as defined in KRS 61.510(13), shall be used exclusively to help  
12 fund retiree health benefits as provided by KRS 6.577 and shall not  
13 be refunded to the member if the member withdraws his or her  
14 accumulated account balance as provided by KRS 21.460. The  
15 amounts deducted under this subdivision shall be credited to an  
16 account established pursuant to 26 U.S.C. sec. 401(h), within the  
17 fund established by KRS 6.530.

18 (2) A legislator entitled to elect membership in the retirement system who failed to  
19 elect membership within thirty (30) days after taking office may elect membership  
20 not later than August 31, 2005. An election, upon being made pursuant to this  
21 section, shall operate to create an inviolable contract between the member entitled  
22 to elect membership under this subsection and the Commonwealth, guaranteeing to  
23 and vesting in the member the rights and benefits provided for under the terms and  
24 conditions of KRS 6.500 to 6.577, except that the General Assembly reserves the  
25 right to amend, reduce, or suspend any legislative changes to the provisions of KRS  
26 6.500 to 6.577 that become effective on or after July 1, 2020~~[2018]~~.

27 (3) When any legislator makes a delayed election of membership in the Legislators'

1 Retirement Plan under subsection (2) of this section, his active membership in the  
2 Kentucky Employees Retirement System shall terminate, as of the date his  
3 membership in the Legislators' Retirement Plan becomes effective, and any credit in  
4 the Kentucky Employees Retirement System, earned for service as a legislator,  
5 which he then has or which he subsequently regains while being an active member  
6 of the Legislators' Retirement Plan, shall be transferred to and counted as service  
7 credit in the Legislators' Retirement Plan, and shall no longer constitute credit in the  
8 Kentucky Employees Retirement System, except for the purpose of validating any  
9 other credit in that system if the member pays the difference, if any, between the  
10 amount transferred from the Kentucky Employees Retirement System and the  
11 actuarial value of the transferred service. However, any credit he then has in the  
12 Kentucky Employees Retirement System, earned for service in any capacity other  
13 than a legislator, shall not be affected. No person may attain credit in more than one  
14 (1) of the retirement plans or systems mentioned in this section for the same period  
15 of service. When credit is transferred from the Kentucky Employees Retirement  
16 System to the Legislators' Retirement Plan, the Kentucky Employees Retirement  
17 System shall transfer to the Legislators' Retirement Fund an amount equal to the  
18 employee's and employer's contributions attributable to that credit, together with  
19 interest on the contributions from the date made to the date of transfer at the  
20 actuarially assumed interest rate of the Kentucky Employees Retirement System in  
21 effect at the time the contributions were made, compounded annually at that same  
22 interest rate.

23 (4) The state shall, solely for the purpose of compliance with Section 414(h) of the  
24 United States Internal Revenue Code, pick up the employee contributions required  
25 by this section for all compensation earned after August 1, 1982, and the  
26 contributions so picked up shall be treated as employer contributions in determining  
27 tax treatment under the United States Internal Revenue Code and KRS 141.010. The

1       picked-up employee contribution shall satisfy all obligations to the retirement  
2       system satisfied prior to August 1, 1982, by the employee contribution, and the  
3       picked-up employee contribution shall be in lieu of an employee contribution. The  
4       state shall pay these picked-up employee contributions from the same source of  
5       funds which is used to pay earnings to the employee. The employee shall have no  
6       option to receive the contributed amounts directly instead of having them paid by  
7       the employer to the system. Employee contributions picked up after August 1, 1982,  
8       shall be treated for all purposes of KRS 6.500 to 6.535 in the same manner and to  
9       the same extent as employee contributions made prior to August 1, 1982.

10   (5) When any legislator elects membership in the Legislators' Retirement Plan in  
11       accordance with this section, his active membership in the Kentucky Employees  
12       Retirement System, State Police Retirement System, County Employees Retirement  
13       System, or Teachers' Retirement System shall terminate, as of the date his  
14       membership in the Legislators' Retirement Plan becomes effective, and any credit in  
15       such other system or systems, earned for service as a legislator, which he then has or  
16       which he subsequently regains while being an active member of the Legislators'  
17       Retirement Plan, shall be transferred to and counted as service credit in the  
18       Legislators' Retirement Plan, and shall no longer constitute credit in such other  
19       retirement system except for the purpose of validating any other credit in that  
20       system. However, any credit he then has in such other retirement system, earned for  
21       service in any capacity other than a legislator, shall not be affected. No person may  
22       attain credit in more than one (1) of the retirement plans or systems mentioned in  
23       this section, for the same period of service.

24   (6) A member of the Legislators' Retirement Plan who would be entitled, under KRS  
25       61.552, to repurchase credit in the Kentucky Employees Retirement System, for  
26       previous service as a legislator, which credit had been lost by refund of  
27       contributions, may pay the amount required by KRS 61.552 directly to the

1       Legislators' Retirement Plan and thereby obtain credit in that plan for such service,  
2       rather than making payment to the Kentucky Employees Retirement System for  
3       credit which would be transferred to the Legislators' Retirement Plan. In such event,  
4       the Kentucky Employees Retirement System shall transfer to the Legislators'  
5       Retirement Plan an amount equal to the employer's contributions that originally  
6       were made to the Kentucky Employees Retirement System for the regained service  
7       credit, with interest as provided in KRS 6.535. Six (6) months' current service shall  
8       be required in the Legislators' Retirement Plan in order for the repurchased credit to  
9       remain in force, the same as provided in KRS 61.552. Service purchased under this  
10      subsection on or after January 1, 2014, shall not be used to determine the member's  
11      participation date in the Legislators' Retirement Plan.

12      ➔Section 4. KRS 6.520 is repealed, reenacted, and amended to read as follows:

13      (1) A member of the Legislators' Retirement Plan who retires on or after his normal  
14      retirement date shall receive a service retirement allowance, payable monthly during  
15      his lifetime, in an amount per month equal to three and fifty one-hundredths percent  
16      (3.50%) of his final compensation multiplied by the number of years of his service,  
17      but in no event to exceed one hundred percent (100%) of final compensation. For  
18      this purpose, "final compensation" means the average monthly creditable  
19      compensation as determined in KRS 61.510(13) of the member for services as a  
20      legislator for the three (3) years during which the member had the highest creditable  
21      legislative compensation.

22      (2) A member shall have rights, with respect to retirement before reaching normal  
23      retirement date in the Legislators' Retirement Plan, identical in terms with those  
24      rights provided in KRS 21.400(2) and (3) in the Judicial Retirement Plan for  
25      members of that plan, except that the reduction in a legislators' service retirement  
26      allowance for early retirement shall be at the rate of five percent (5%) of the  
27      allowance for each year that retirement precedes the normal retirement date.

1 (3) Subsections (1) and (2) of this section to the contrary notwithstanding, each  
2 legislator in office on July 1, 1982, that is a member of the Legislators' Retirement  
3 Plan, who retires on or after his normal retirement date, shall receive a service  
4 retirement allowance, payable monthly, on a formula equal to that of a justice or  
5 judge of the Court of Justice with an equivalent service entrance date, but in no  
6 event less than that specified in subsection (1) of this section, of his final  
7 compensation multiplied by the number of years of his service, but in no event to  
8 exceed one hundred percent (100%) of his final compensation. For this purpose,  
9 "final compensation" means the average monthly creditable compensation as  
10 determined in KRS 61.510(13) of the three (3) years during which the member had  
11 the highest creditable legislative compensation.

12 (4) Notwithstanding any other provision of KRS 6.500 to 6.577 or 21.345 to 21.580 to  
13 the contrary, a member of the Legislators' Retirement Plan with a service entrance  
14 date after July 1, 1982 but prior to January 1, 2014, who retires on or after his  
15 normal retirement date, shall receive a service retirement allowance, payable  
16 monthly during his lifetime, in an amount per month equal to:

17 (a) Two and seventy-five one-hundredths percent (2.75%) of his final  
18 compensation multiplied by the number of years of his service accrued prior to  
19 July 1, 2020~~January 1, 2019~~; and

20 (b) One and ninety-seven one-hundredths percent (1.97%) of his or her final  
21 compensation multiplied by the number of years of his or her service accrued  
22 on or after July 1, 2020~~January 1, 2019~~.

23 In no event shall the benefit provided by this subsection exceed one hundred percent  
24 (100%) of final compensation. For this purpose, "final compensation" means the  
25 average monthly creditable compensation as determined in KRS 61.510(13) of the  
26 member for services as a legislator for the three (3) years during which the member  
27 had the highest creditable legislative compensation.

1 (5) Subsections (1) to (4) of this section shall not apply to members who begin  
2 participating in the Legislators' Retirement Plan on or after January 1, 2014.

3 ➔Section 5. KRS 6.525 is repealed, reenacted, and amended to read as follows:

4 The Legislators' Retirement Plan shall be governed by KRS 21.560 and by provisions  
5 identical in terms with those provided in KRS 21.345(1), 21.345(3) to (6), 21.357,  
6 21.360(1), 21.370 to 21.410, ~~21.374,~~ 21.420, 21.425, 21.450, 21.460, 21.470, ~~21.480,~~  
7 21.525, 21.540, and 61.552 for the Judicial Retirement Plan, except that:

8 (1) Five (5) years of service as a legislator will be sufficient for vesting; and

9 (2) (a) A member of the Legislators' Retirement Plan may combine his service credit  
10 with his service credit in the Teachers' Retirement System, Kentucky  
11 Employees Retirement System, County Employees Retirement System, and  
12 State Police Retirement System at the time of his retirement, according to the  
13 procedure of KRS 61.680(2)(a), except that the salary used to determine final  
14 compensation, if applicable, shall be based on the creditable compensation in  
15 KRS 61.510(13) for service while a member of the General Assembly whether  
16 or not a member of the Legislators' Retirement Plan.

17 (b) 1. For members contributing on or after June 20, 2005 but prior to January  
18 1, 2014, who have service credit in the State Police Retirement System,  
19 Kentucky Employees Retirement System, County Employees Retirement  
20 System, or Teachers' Retirement System prior to July 1, 2020~~January 1,~~  
21 ~~2019~~: Upon retirement, a member's accounts under the Legislators'  
22 Retirement Plan, State Police Retirement System, Kentucky Employees  
23 Retirement System, County Employees Retirement System, and  
24 Teachers' Retirement System shall be consolidated for the purpose of  
25 determining eligibility and amount of benefits as provided in KRS  
26 61.680(2)(a) and in the same manner as for the other retirement systems  
27 using the highest salary regardless of the system in which it was earned,

1           except that any salary earned in the State Police Retirement System,  
2           Kentucky Employees Retirement System, County Employees Retirement  
3           System, or Kentucky Teachers' Retirement System on or after July 1,  
4           2020~~January 1, 2019~~, shall not be used to determine benefits in the  
5           Legislators' Retirement Plan.

6           2. The consolidation of accounts as provided by this paragraph shall not  
7           apply to accounts in the State Police Retirement System, the Kentucky  
8           Employees Retirement System, the County Employees Retirement  
9           System, and the Teachers' Retirement System, from which the member  
10          is receiving a retirement benefit.

11          3. For purposes of this paragraph, "retirement" means the month in which  
12          the member elects to begin receiving benefits or benefits become  
13          payable due to the member's death.

14          (c) A member who has an account in the Legislators' Retirement Plan and the  
15          Judicial Retirement Plan may combine his service in both plans for purposes  
16          of determining:

17           1. Eligibility and the amount of benefits; and

18           2. Final compensation, provided the member began participating in the  
19           Legislators' Retirement Plan prior to January 1, 2014, and except that  
20           any salary earned in the Judicial Retirement Plan on or after July 1,  
21           2020~~January 1, 2019~~, shall not be used to determine final  
22           compensation in the Legislators' Retirement Plan.

23          (d) A member who began participating in the Legislators' Retirement Plan prior to  
24          January 1, 2014, may retire at the completion of twenty-seven (27) or more  
25          years of combined service credit, so long as at least fifteen (15) years of such  
26          credit were earned after January 1, 1960, and there shall be no reduction in the  
27          retirement allowance because of retirement before the age of sixty-five (65).

1 (e) For the purposes of this section, any reference in the KRS sections listed  
2 above to the Judicial Retirement Plan shall also be read as a reference to the  
3 Legislators' Retirement Plan, and any reference to the Legislators' Retirement  
4 Plan shall also be read as a reference to the Judicial Retirement Plan.

5 (3) Any other statute to the contrary notwithstanding, a member of any state-  
6 administered retirement system who has ceased to qualify for membership but  
7 subsequently returns to a qualified status, shall, for the purposes of determining the  
8 date of entry into the state-administered retirement system for the subsequent period  
9 or periods of service, be deemed to have never left the retirement system.

10 ➔Section 6. KRS 21.402 is repealed, reenacted, and amended to read as follows:

11 (1) A member of the Legislators' Retirement Plan or the Judicial Retirement Plan,  
12 whose participation in the Legislators' Retirement Plan or the Judicial Retirement

14 provided by this section in lieu of the retirement benefits provided under KRS 6.520  
15 and 21.400. The retirement benefit provided by this section shall be known as the

5           member does not have three (3) complete fiscal years that each contain twelve  
6           (12) months of service credit, then one (1) or more additional fiscal years,  
7           which may contain less than twelve (12) months of service credit, shall be  
8           added until the number of months in the final compensation calculation is at  
9           least thirty-six (36) months.

15 for service retirement in each respective system. The computation of benefits  
16 shall be based on the applicable formula in each system and service credit in  
17 each system, except that total service in all systems, unless prohibited by KRS

24 Judicial Retirement Plan as is needed to satisfy the final compensation  
25 requirement applicable in the respective retirement systems.

26 (b) Paragraph (a) of this subsection shall be waived if the member fails to  
27 simultaneously retire from all state-administered retirement systems in which

1           the member has an account or fails to retire from any other systems not

4           Kentucky Retirement Systems.

5 (8) Each retirement system from which the member retires shall pay a retirement  
6           allowance upon receipt of required forms and documents, except that no retirement
