26 *(2) The normal contribution rate shall be determined by the entry age normal cost*

4 Actuarial Standards Board shall be used in all cost projections.

13 (b) A local government's funds in the hands of its treasurer or a depository shall

17 against which final judgment has been rendered for a claim that is not fully
18 covered by insurance may make a motion to the Circuit Court to enter an order
19 for the payment of money damages, in whole or in part, through a periodic
20 payment schedule for a period of time not to exceed ten (10) years.

21 (b) A court entering an order in response to a motion made by a local government
22 under paragraph (a) of this subsection shall consider the ability of the local
23 government to pay the judgment without a substantial disruption to the
24 essential public services provided by the local government. The court shall
25 consider the following factors in evaluating the motion and in setting a
26 periodic payment schedule:

27 1. The funds available in the local government's current fiscal year and

- 1 other funds available to the local government to pay the damages in the
2 remainder of the local government's fiscal year during which the final
3 judgment was entered;
- 4 2. The total revenues reasonably expected to be collected by the local
5 government in subsequent fiscal years based upon the historical
6 collections in previous fiscal years;
- 7 3. The total expenses of the local government in subsequent years for the
8 costs associated with the provision of essential public services, the
9 payment of debt service for the existing obligations of the local
10 government, and any other expenses reasonably necessary for the
11 efficient administration of the local government, including personnel,
12 operation, and maintenance costs associated with existing infrastructure,
13 and new costs which may be reasonably anticipated for the local
14 government; and
- 15 4. If the award for damages is an amount that exceeds twenty-five percent
16 (25%) of the total revenues collected by the local government in the
17 immediately preceding fiscal year, the court may also consider any
18 revenue or debt financing options that are reasonably available to the
19 local government that could be employed to help satisfy the judgment.
- 20 (c) An order entered by the court establishing a periodic payment schedule shall
21 specify the total amount awarded, the amount of each payment, the interval
22 between payments, and the number of payments to be paid under the order.
- 23 (d) Any judgment paid pursuant to the periodic payment schedule established
24 under this subsection shall bear interest accruing from the date final judgment
25 is entered at one-half (1/2) the interest rate provided by KRS 360.040.
- 26 (e) Upon petition to the court, the court may modify a periodic payment schedule
27 established in this subsection for good cause shown by the local government.

1 The modification may include changes to the amount of payments, the number
2 of payments, and the period of payments, but in no case shall an adjustment
3 pursuant to this paragraph alter the total amount of damages to be paid,
4 exclusive of interest, in the original order.

5 (7) Subject to the provisions of subsection (6) of this section, a court may enter an order
6 providing for the attachment, execution, garnishment, or seizure by other legal
7 process of public property, including moneys, of a local government only upon a
8 finding that:

9 (a) The local government has failed to comply with an order, modified order, or
10 judgment entered by the court as provided by subsection (6) of this section or
11 KRS 65.2004;

12 (b) After a period of twenty-four (24) months, the local government did not
13 petition the court to enter an order for the payment of money damages, in
14 whole or in part, through a periodic payment schedule as provided by
15 subsection (6) of this section or KRS 65.2004 and has not paid in full the total
16 damages awarded under the judgment; or

17 (c) The judgment for damages was not of the type that permitted the court to enter
18 an award of periodic damages, and the local government has failed to pay the
19 damages due in full after the passage of twenty-four (24) months from the
20 entry of a final judgment.

21 (8) (a) Any order providing for the attachment, execution, garnishment, or seizure by
22 other legal process of public property, including moneys, of a local
23 government shall not impair the ability of the local government to continue to
24 provide essential services to the public, including the payment of key
25 personnel needed for the provision of those services and those employees
26 necessary for the collection of revenues on behalf of the local government.

27 (b) In making a determination as to the appropriate extent of an order under this

1 subsection, a court shall consider but shall not be limited to the factors
2 provided in subsection (6)(b) of this section.

3 (9) Nothing in this section shall:

4 (a) Bar the pursuit of any other remedies that exist to enforce a judgment under
5 state law; or

6 (b) Prohibit a local government and a judgment creditor from entering into an
7 agreement for the payment of damages under terms and conditions that differ
8 from the remedies and process established under this section.

- 2 1. Any position whose principal duties involve active law enforcement,
3 including the positions of probation and parole officer and
4 Commonwealth detective, active fire suppression or prevention, or other
5 positions, including, but not limited to, pilots of the Transportation
6 Cabinet and paramedics and emergency medical technicians, with duties
7 that require frequent exposure to a high degree of danger or peril and
8 also require a high degree of physical conditioning;
- 9 2. Positions in the Department of Corrections in state correctional
10 institutions and the Kentucky Correctional Psychiatric Center with
11 duties that regularly and routinely require face-to-face contact with
12 inmates; and
- 13 3. Positions of employees who elect coverage under KRS 196.167(3)(b)2.
14 and who continue to provide educational services and support to inmates
15 as a Department of Corrections employee.

16 (b) "Hazardous position" for employees who begin participating in the County
17 Employees Retirement System on or after September 1, 2008, means police
18 officers and firefighters as defined in KRS 61.315(1), paramedics, correctional
19 officers with duties that routinely and regularly require face-to-face contact
20 with inmates, and emergency medical technicians if:

- 21 1. The employee's duties require frequent exposure to a high degree of
22 danger or peril and a high degree of physical conditioning; and
- 23 2. The employee's duties are not primarily clerical or administrative.

24 (c) The effective date of participation under hazardous duty coverage for
25 positions in the Department of Alcoholic Beverage Control shall be April 1,
26 1998. The employer and employee contributions shall be paid by the employer
27 and forwarded to the retirement system for the period not previously reported.

1 (2) (a) Each employer may request of the board hazardous duty coverage for those
2 positions as defined in subsection (1) of this section. Upon request, each
3 employer shall certify to the system, in the manner prescribed by the board,
4 the names of all employees working in a hazardous position as defined in
5 subsection (1) of this section for which coverage is requested. The
6 certification of the employer shall bear the approval of the agent or agency
7 responsible for the budget of the department or county indicating that the
8 required employer contributions have been provided for in the budget of the
9 employing department or county. The system shall determine whether the
10 employees whose names have been certified by the employer are working in
11 positions meeting the definition of a hazardous position as provided by
12 subsection (1) of this section. This process shall not be required for employees
13 who elect coverage under KRS 196.167(3)(b)2.

14 (b) Each employer desiring to provide hazardous duty coverage to employees who
15 begin participating in the County Employees Retirement System on or after
16 September 1, 2008, may request that the board approve hazardous duty
17 coverage for those positions that meet the criteria set forth in subsection (1)(b)
18 of this section. Each employer shall certify to the system, in the manner
19 prescribed by the board, the names of all employees working in a hazardous
20 position as defined in subsection (1)(b) of this section for which coverage is
21 requested and a job description for each position or employee. The
22 certification of the employer shall bear the approval of the agent or agency
23 responsible for the budget of the department or county indicating that the
24 required employer contributions have been provided for in the budget of the
25 employing department or county. Each employer shall also certify, under
26 penalty of perjury in accordance with KRS Chapter 523, that each employee's
27 actual job duties are accurately reflected in the job description provided to the

1 system. The system shall determine whether the employees whose names have
2 been certified by the employer are working in positions meeting the definition
3 of a hazardous position as defined in subsection (1)(b) of this section. The
4 board shall have the authority to remove any employee from hazardous duty
5 coverage if the board determines the employee is not working in a hazardous
6 duty position or if the employee is classified in a hazardous duty position but
7 has individual job duties that do not meet the definition of a hazardous duty
8 position or are not accurately reflected in the job descriptions filed by the
9 employer with the system.

10 (3) (a) An employee who elects coverage under KRS 196.167(3)(b)2., and an
11 employee participating in the Kentucky Employees Retirement System who is
12 determined by the system to be working in a hazardous position in accordance
13 with subsection (2) of this section, shall contribute, for each pay period for
14 which he receives compensation, eight percent (8%) of his creditable
15 compensation. An employee participating in the County Employees
16 Retirement System who is determined by the system to be working in a
17 hazardous duty position in accordance with subsection (2) of this section shall
18 contribute, for each pay period for which he receives compensation, eight
19 percent (8%) of his creditable compensation.

20 (b) Each employer shall pay employer contributions based on the creditable
21 compensation of the employees determined by the system to be working in a
22 hazardous position at the employer contribution rate as determined by the
23 board. The rate shall be determined by actuarial methods consistent with the
24 provisions of KRS 61.565 or Section 8, as applicable.

25 (c) If the employer participated in the system prior to electing hazardous duty
26 coverage, the employer may pay to the system the cost of converting the
27 nonhazardous service to hazardous service from the date of participation to

1 the date the payment is made, or the employer may establish a payment
2 schedule for payment of the cost of the hazardous service above that which
3 would be funded within the existing employer contribution rate. The employer
4 may extend the payment schedule to a maximum of thirty (30) years.
5 Payments made by the employer under this subsection shall be deposited to
6 the retirement allowance account of the proper retirement system and these
7 funds shall not be considered accumulated contributions of the individual
8 members. If the employer elects not to make the additional payment, the
9 employee may pay the cost of converting the service and provide payment for
10 the cost as provided by KRS 61.552(14). Payments made by the employee
11 under this subsection shall not be picked up, as described in KRS 61.560(4),
12 by the employer. If neither the employer nor employee makes the payment, the
13 service prior to hazardous coverage shall remain nonhazardous. The
14 provisions of this paragraph shall not apply to members who begin
15 participating in the systems administered by Kentucky Retirement Systems or
16 County Employees Retirement System on or after January 1, 2014.

17 (4) The normal retirement age, retirement allowance, hybrid cash balance plans, other
18 benefits, eligibility requirements, rights, and responsibilities of a member in a
19 hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and
20 the responsibilities, rights, and requirements of his employer shall be as prescribed
21 for a member and employer participating in the State Police Retirement System as
22 provided for by KRS 16.505 to 16.652.

23 (5) Any person employed in a hazardous position after July 1, 1972, shall be required to
24 undergo a thorough medical examination by a licensed physician, and a copy of the
25 medical report of the physician shall be retained on file by the employee's
26 department or county and made available to the system upon request.

27 (6) If doubt exists regarding the benefits payable to a hazardous position employee

1 under this section, the board shall determine the benefits payable under KRS 61.510
2 to 61.705, or 78.510 to 78.852, or 16.505 to 16.652.

3 ➔Section 25. KRS 61.637 is amended to read as follows:

4 (1) A retired member who is receiving monthly retirement payments under any of the
5 provisions of KRS 61.510 to 61.705 and 78.510 to 78.852 and who is reemployed
6 as an employee by a participating agency prior to August 1, 1998, shall have his
7 retirement payments suspended for the duration of reemployment. Monthly
8 payments shall not be suspended for a retired member who is reemployed if he
9 anticipates that he will receive less than the maximum permissible earnings as
10 provided by the Federal Social Security Act in compensation as a result of
11 reemployment during the calendar year. The payments shall be suspended at the
12 beginning of the month in which the reemployment occurs.

13 (2) Employer and employee contributions shall be made as provided in KRS 61.510 to
14 61.705 and 78.510 to 78.852 on the compensation paid during reemployment,
15 except where monthly payments were not suspended as provided in subsection (1)
16 of this section or would not increase the retired member's last monthly retirement
17 allowance by at least one dollar (\$1), and the member shall be credited with
18 additional service credit.

19 (3) In the month following the termination of reemployment, retirement allowance
20 payments shall be reinstated under the plan under which the member was receiving
21 payments prior to reemployment.

22 (4) (a) Notwithstanding the provisions of this section, the payments suspended in
23 accordance with subsection (1) of this section shall be paid retroactively to the
24 retired member, or his estate, if he does not receive more than the maximum
25 permissible earnings as provided by the Federal Social Security Act in
26 compensation from participating agencies during any calendar year of
27 reemployment.

1 (b) If the retired member is paid suspended payments retroactively in accordance
2 with this section, employee contributions deducted during his period of
3 reemployment, if any, shall be refunded to the retired employee, and no
4 service credit shall be earned for the period of reemployment.

5 (c) If the retired member is not eligible to be paid suspended payments for his
6 period of reemployment as an employee, his retirement allowance shall be
7 recomputed under the plan under which the member was receiving payments
8 prior to reemployment as follows:

9 1. The retired member's final compensation shall be recomputed using
10 creditable compensation for his period of reemployment; however, the
11 final compensation resulting from the recalculation shall not be less than
12 that of the member when his retirement allowance was last determined;

13 2. If the retired member initially retired on or subsequent to his normal
14 retirement date, his retirement allowance shall be recomputed by using
15 the formula in KRS 61.595(1);

16 3. If the retired member initially retired prior to his normal retirement date,
17 his retirement allowance shall be recomputed using the formula in KRS
18 61.595(2), except that the member's age used in computing benefits shall
19 be his age at the time of his initial retirement increased by the number of
20 months of service credit earned for service performed during
21 reemployment;

22 4. The retirement allowance payments resulting from the recomputation
23 under this subsection shall be payable in the month following the
24 termination of reemployment in lieu of payments under subparagraph 3.
25 The member shall not receive less in benefits as a result of the
26 recomputation than he was receiving prior to reemployment or would
27 receive as determined under KRS 61.691; and

1 5. Any retired member who was reemployed prior to March 26, 1974, shall
2 begin making contributions to the system in accordance with the
3 provisions of this section on the first day of the month following March
4 26, 1974.

5 (5) A retired member, or his estate, shall pay to the retirement fund the total amount of
6 payments which are not suspended in accordance with subsection (1) of this section
7 if the member received more than the maximum permissible earnings as provided
8 by the Federal Social Security Act in compensation from participating agencies
9 during any calendar year of reemployment, except the retired member or his estate
10 may repay the lesser of the total amount of payments which were not suspended or
11 fifty cents (\$0.50) of each dollar earned over the maximum permissible earnings
12 during reemployment if under age sixty-five (65), or one dollar (\$1) for every three
13 dollars (\$3) earned if over age sixty-five (65).

14 (6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a
15 retired member who has been ordered reinstated by the Personnel Board under
16 authority of KRS 18A.095.

17 (b) A retired member who has been ordered reinstated by the Personnel Board
18 under authority of KRS 18A.095 or by court order or by order of the Human
19 Rights Commission and accepts employment by an agency participating in the
20 Kentucky Employees Retirement System or County Employees Retirement
21 System shall void his retirement by reimbursing the system in the full amount
22 of his retirement allowance payments received.

23 (7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this
24 section shall no longer apply to a retired member who is reemployed in a
25 position covered by the same retirement system from which the member
26 retired. Reemployed retired members shall be treated as new members upon
27 reemployment. Any retired member whose reemployment date preceded

1 August 1, 1998, who does not elect, within sixty (60) days of notification by
2 the retirement systems, to remain under the provisions of subsections (1) to
3 (4) of this section shall be deemed to have elected to participate under this
4 subsection.

5 (b) A retired member whose disability retirement was discontinued pursuant to
6 KRS 61.615 and who is reemployed in one (1) of the systems administered by
7 the Kentucky Retirement Systems or County Employees Retirement System
8 prior to his or her normal retirement date shall have his or her accounts
9 combined upon termination for determining eligibility for benefits. If the
10 member is eligible for retirement, the member's service and creditable
11 compensation earned as a result of his or her reemployment shall be used in
12 the calculation of benefits, except that the member's final compensation shall
13 not be less than the final compensation last used in determining his or her
14 retirement allowance. The member shall not change beneficiary or payment
15 option designations. This provision shall apply to members reemployed on or
16 after August 1, 1998.

17 (8) If a retired member accepts employment or begins serving as a volunteer with an
18 employer participating in the systems administered by Kentucky Retirement
19 Systems or County Employees Retirement System within twelve (12) months of his
20 or her retirement date, the retired member shall notify the retirement system and the
21 participating employer shall submit the information required or requested by the
22 systems to confirm the individual's employment or volunteer status. The retired
23 member shall not be required to notify the retirement systems regarding any
24 employment or volunteer service with a participating agency that is accepted after
25 twelve (12) months following his or her retirement date.

26 (9) If the retired member is under a contract to provide services as an independent
27 contractor or leased employee to an employer participating in the systems

1 administered by Kentucky Retirement Systems or County Employees Retirement
2 System within twelve (12) months of his or her retirement date, the member shall
3 submit a copy of that contract to the retirement system, and the retirement system
4 shall determine if the member is an independent contractor or leased employee for
5 purposes of retirement benefits. The retired member and the participating employer
6 shall submit the information required or requested by the systems to confirm the
7 individual's status as an independent contractor or leased employee. The retired
8 member shall not be required to notify the retirement systems regarding any services
9 entered into as an independent contractor or leased employee with a participating
10 agency that the employee enters into after twelve (12) months following his or her
11 retirement date.

12 (10) If a member is receiving a retirement allowance, or has filed the forms required for
13 a retirement allowance, and is employed within one (1) month of the member's
14 initial retirement date in a position that is required to participate in the same
15 retirement system from which the member retired, the member's retirement shall be
16 voided and the member shall repay to the retirement system all benefits received.
17 The member shall contribute to the member account established for him prior to his
18 voided retirement. The retirement allowance for which the member shall be eligible
19 upon retirement shall be determined by total service and creditable compensation.

20 (11) (a) If a member of the Kentucky Employees Retirement System retires from a
21 department which participates in more than one (1) retirement system and is
22 reemployed within one (1) month of his initial retirement date by the same
23 department in a position participating in another retirement system, the retired
24 member's retirement allowance shall be suspended for the first month of his
25 retirement and the member shall repay to the retirement system all benefits
26 received for the month.

27 (b) A retired member of the County Employees Retirement System who after

1 initial retirement is hired by the county from which the member retired shall
2 be considered to have been hired by the same employer.

3 (12) (a) If a hazardous member who retired prior to age fifty-five (55), or a
4 nonhazardous member who retired prior to age sixty-five (65), is reemployed
5 within six (6) months of the member's termination by the same employer, the
6 member shall obtain from his previous and current employers a copy of the
7 job description established by the employers for the position and a statement
8 of the duties performed by the member for the position from which he retired
9 and for the position in which he has been reemployed.

10 (b) The job descriptions and statements of duties shall be filed with the retirement
11 office.

12 (13) If the retirement system determines that the retired member has been employed in a
13 position with the same principal duties as the position from which the member
14 retired:

15 (a) The member's retirement allowance shall be suspended during the period that
16 begins on the month in which the member is reemployed and ends six (6)
17 months after the member's termination;

18 (b) The retired member shall repay to the retirement system all benefits paid from
19 systems administered by Kentucky Retirement Systems or County Employees
20 Retirement System under reciprocity, including medical insurance benefits,
21 that the member received after reemployment began;

22 (c) Upon termination, or subsequent to expiration of the six (6) month period
23 from the date of termination, the retired member's retirement allowance based
24 on his initial retirement account shall no longer be suspended and the member
25 shall receive the amount to which he is entitled, including an increase as
26 provided by KRS 61.691;

27 (d) Except as provided in subsection (7) of this section, if the position in which a

1 retired member is employed after initial retirement is a regular full-time
2 position, the retired member shall contribute to a second member account
3 established for him in the retirement system. Service credit gained after the
4 member's date of reemployment shall be credited to the second member
5 account; and

6 (e) Upon termination, the retired member shall be entitled to benefits payable
7 from his second retirement account.

8 (14) (a) If the retirement system determines that the retired member has not been
9 reemployed in a position with the same principal duties as the position from
10 which he retired, the retired member shall continue to receive his retirement
11 allowance.

12 (b) If the position is a regular full-time position, the member shall contribute to a
13 second member account in the retirement system.

14 (15) (a) If a retired member is reemployed at least one (1) month after initial
15 retirement in a different position, or at least six (6) months after initial
16 retirement in the same position, and prior to normal retirement age, the retired
17 member shall contribute to a second member account in the retirement system
18 and continue to receive a retirement allowance from the first member account.

19 (b) Service credit gained after reemployment shall be credited to the second
20 member account. Upon termination, the retired member shall be entitled to
21 benefits payable from the second member account.

22 (16) A retired member who is reemployed and contributing to a second member account
23 shall not be eligible to purchase service credit under any of the provisions of KRS
24 16.505 to 16.652, 61.510 to 61.705, or 78.510 to 78.852 which he was eligible to
25 purchase prior to his initial retirement.

26 (17) Notwithstanding any provision of subsections (1) to (7)(a) and (10) to (15) of this
27 section, the following shall apply to retired members who are reemployed by an

1 agency participating in one (1) of the systems administered by Kentucky Retirement
2 Systems *or County Employees Retirement System* on or after September 1, 2008:

3 (a) Except as provided by paragraphs (c) and (d) of this subsection, if a member is
4 receiving a retirement allowance from one (1) of the systems administered by
5 Kentucky Retirement Systems *or County Employees Retirement System*, or
6 has filed the forms required to receive a retirement allowance from one (1) of
7 the systems administered by Kentucky Retirement Systems *or County*
8 *Employees Retirement System*, and is employed in a regular full-time
9 position required to participate in one (1) of the systems administered by
10 Kentucky Retirement Systems *or County Employees Retirement System* or is
11 employed in a position that is not considered regular full-time with an agency
12 participating in one (1) of the systems administered by Kentucky Retirement
13 Systems *or County Employees Retirement System* within three (3) months
14 following the member's initial retirement date, the member's retirement shall
15 be voided, and the member shall repay to the retirement system all benefits
16 received, including any health insurance benefits. If the member is returning
17 to work in a regular full-time position required to participate in one (1) of the
18 systems administered by Kentucky Retirement Systems:

- 19 1. The member shall contribute to a member account established for him or
20 her in one (1) of the systems administered by Kentucky Retirement
21 Systems *or County Employees Retirement System*, and employer
22 contributions shall be paid on behalf of the member by the participating
23 employer; and
- 24 2. Upon subsequent retirement, the member shall be eligible for a
25 retirement allowance based upon total service and creditable
26 compensation, including any additional service or creditable
27 compensation earned after his or her initial retirement was voided;

1 (b) Except as provided by paragraphs (c) and (d) of this subsection, if a member is
2 receiving a retirement allowance from one (1) of the systems administered by
3 Kentucky Retirement Systems or County Employees Retirement System and
4 is employed in a regular full-time position required to participate in one (1) of
5 the systems administered by Kentucky Retirement Systems or County
6 Employees Retirement System after a three (3) month period following the
7 member's initial retirement date, the member may continue to receive his or
8 her retirement allowance during the period of reemployment subject to the
9 following provisions:

- 10 1. If a member is reemployed by a participating agency within twelve (12)
11 months of the member's retirement date, the participating agency shall
12 certify in writing on a form prescribed by the board that no prearranged
13 agreement existed between the employee and agency prior to the
14 employee's retirement for the employee to return to work with the
15 participating agency. If an elected official is reelected to a new term of
16 office in the same position and has retired from the elected office within
17 twelve (12) months prior to taking the new term of office, he or she shall
18 be deemed by the system as having a prearranged agreement under the
19 provisions of this subparagraph and shall have his or her retirement
20 voided. If the participating agency fails to complete the certification, the
21 member's retirement shall be voided and the provisions of paragraph (a)
22 of this subsection shall apply to the member and the employer.
23 Employment that is accepted by the retired member after twelve (12)
24 months following the member's retirement date shall not constitute a
25 prearranged agreement under this paragraph;
- 26 2. Notwithstanding any other provision of KRS Chapter 16, 61, or 78 to
27 the contrary, the member shall not contribute to the systems and shall

1 not earn any additional benefits for any work performed during the
2 period of reemployment;

3 3. Except as provided by KRS 70.291 to 70.293, 95.022, and 164.952 and
4 except for any retiree employed as a school resource officer as defined
5 by KRS 158.441, the employer shall pay employer contributions as
6 specified by Section 8 of this Act, KRS 61.565, and KRS 61.702, as
7 applicable, on all creditable compensation earned by the employee
8 during the period of reemployment. The additional contributions paid
9 shall be used to reduce the unfunded actuarial liability of the systems;
10 and

11 4. Except as provided by KRS 70.291 to 70.293, 95.022, and 164.952 and
12 except for any retiree employed as a school resource officer as defined
13 by KRS 158.441, the employer shall be required to reimburse the
14 systems for the cost of the health insurance premium paid by the systems
15 to provide coverage for the retiree, not to exceed the cost of the single
16 premium. Effective July 1, 2015, local school boards shall not be
17 required to pay the reimbursement required by this subparagraph for
18 retirees employed by the board for eighty (80) days or less during the
19 fiscal year;

20 (c) If a member is receiving a retirement allowance from the State Police
21 Retirement System or from hazardous duty retirement coverage with the
22 Kentucky Employees Retirement System or the County Employees Retirement
23 System, or has filed the forms required to receive a retirement allowance from
24 the State Police Retirement System or from hazardous duty retirement
25 coverage with the Kentucky Employees Retirement System or the County
26 Employees Retirement System, and is employed in a regular full-time position
27 required to participate in the State Police Retirement System or in a hazardous

1 duty position with the Kentucky Employees Retirement System or the County
2 Employees Retirement System within one (1) month following the member's
3 initial retirement date, the member's retirement shall be voided, and the
4 member shall repay to the retirement system all benefits received, including
5 any health insurance benefits. If the member is returning to work in a regular
6 full-time position required to participate in one (1) of the systems
7 administered by Kentucky Retirement Systems or County Employees
8 Retirement System:

- 9 1. The member shall contribute to a member account established for him or
10 her in one (1) of the systems administered by Kentucky Retirement
11 Systems or County Employees Retirement System, and employer
12 contributions shall be paid on behalf of the member by the participating
13 employer; and
 - 14 2. Upon subsequent retirement, the member shall be eligible for a
15 retirement allowance based upon total service and creditable
16 compensation, including any additional service or creditable
17 compensation earned after his or her initial retirement was voided;
- 18 (d) If a member is receiving a retirement allowance from the State Police
19 Retirement System or from hazardous duty retirement coverage with the
20 Kentucky Employees Retirement System or the County Employees Retirement
21 System and is employed in a regular full-time position required to participate
22 in the State Police Retirement System or in a hazardous duty position with the
23 Kentucky Employees Retirement System or the County Employees Retirement
24 System after a one (1) month period following the member's initial retirement
25 date, the member may continue to receive his or her retirement allowance
26 during the period of reemployment subject to the following provisions:
- 27 1. If a member is reemployed by a participating agency within twelve (12)

1 months of the member's retirement date, the participating agency shall
2 certify in writing on a form prescribed by the board that no prearranged
3 agreement existed between the employee and agency prior to the
4 employee's retirement for the employee to return to work with the
5 participating agency. If an elected official is reelected to a new term of
6 office in the same position and has retired from the elected office within
7 twelve (12) months prior to taking the new term of office, he or she shall
8 be deemed by the system as having a prearranged agreement under the
9 provisions of this subparagraph and shall have his or her retirement
10 voided. If the participating agency fails to complete the certification, the
11 member's retirement shall be voided and the provisions of paragraph (c)
12 of this subsection shall apply to the member and the employer.
13 Employment that is accepted by the retired member after twelve (12)
14 months following the member's retirement date shall not constitute a
15 prearranged agreement under this paragraph;

16 2. Notwithstanding any other provision of KRS Chapter 16, 61, or 78 to
17 the contrary, the member shall not contribute to the systems and shall
18 not earn any additional benefits for any work performed during the
19 period of reemployment;

20 3. Except as provided by KRS 70.291 to 70.293, 95.022, and 164.952 and
21 except for any retiree employed as a school resource officer as defined
22 by KRS 158.441, the employer shall pay employer contributions as
23 specified by Section 8 of this Act, KRS 61.565, and KRS 61.702, as
24 applicable, on all creditable compensation earned by the employee
25 during the period of reemployment. The additional contributions paid
26 shall be used to reduce the unfunded actuarial liability of the systems;

27 4. Except as provided by KRS 70.291 to 70.293, 95.022, and 164.952 and

1 except for any retiree employed as a school resource officer as defined
2 by KRS 158.441, the employer shall be required to reimburse the
3 systems for the cost of the health insurance premium paid by the systems

3 entered and duly recorded in the records of the governing body of the county
4 or school board. In cases where general purpose county government does not
5 participate, but the sheriff and his employees or the county clerk and his
6 employees do, the sheriff or the clerk shall retain the order in his office. The
7 authority to issue and properly record such order of participation being hereby
8 granted, permits such county to participate in the system. The effective date of
9 such participation shall be fixed in the order.
- 10 (b) Notwithstanding any statute to the contrary, after April 9, 2002, the systems
11 shall deny the request for participation of any agency which does not have an
12 irrevocable contract with the state Personnel Cabinet for health insurance
13 coverage under KRS 18A.225 to 18A.229 for its active employees, except
14 that:
- 15 1. County governments entering the system between April 9, 2002, and
16 July 1, 2003, under this section shall be excluded from this requirement;

 - 18 2. Agencies entering the system on or after April 9, 2002, which were
19 established by a merger or an interlocal agreement to provide public
20 services shall be excluded from this requirement if all agencies entering
21 into the merger or interlocal agreement had an initial participation date
22 with the system prior to April 9, 2002.
- 23 (2) Once a county or school board participates, it shall thereafter continue to
24 participate, except as provided in KRS 78.535.
- 25 (3) (a) Concurrent with the adoption of the appropriate resolution to participate in the
26 system, a county may elect the alternate participation plan which will require
27 the county to purchase on behalf of each employee electing coverage, at the

1 time the county elected to participate in the system as provided under
2 subsection (1)(b) and (c) of Section 35 of this Act~~[KRS 78.540(2)]~~, current
3 service credit for employment in regular full-time positions between July 1,
4 1958, and the participation date of the county. Cities which participate in the
5 system pursuant to subsection (6) of this section, KRS 79.080, 90.400, 90.410,
6 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 shall be required to
7 purchase on behalf of each employee electing coverage only as much service
8 credit as the employee has accumulated in the city-administered plan, up to
9 the participation date of the city. Accumulated service shall include service for
10 which an employee received a refund pursuant to KRS 95.620 or 95.866, if
11 such refund has been repaid. If the employee has not yet repaid the refund, he
12 may make payment to the system by any method acceptable to the system, and
13 the requirement of five (5) years of continuous reemployment prior to
14 repayment of refunds shall not apply. Upon the employee's repayment, the city
15 shall purchase the associated service credit for the employee. Cost of such
16 service credit over and above that which would be funded within the existing
17 employer contribution rate shall be determined by the board's consulting
18 actuary. The expense of such actuarial service shall be paid by the county;

- 19 (b) The county shall establish a payment schedule subject to approval by the
20 board for payment of the cost of such service over and above that which
21 would be funded within the existing employer contribution rate. The
22 maximum period allowed in a payment schedule shall be thirty (30) years,
23 with interest at the rate actuarially assumed by the board. A shorter period is
24 desirable and the board may approve any payment schedule provided it is not
25 longer than a thirty (30) year period, except that cities which participate in the
26 system pursuant to subsection (6) of this section, KRS 79.080, 90.400, 90.410,
27 95.520, 95.621, 95.761, 95.768, 95.852, or 96.180 may, at their option, extend

1 the payment schedule to a maximum of thirty (30) years, may choose to make
2 level payments at the interest rate actuarially assumed by the board over the
3 life of the payment schedule chosen, and may retain employer contributions
4 and the earnings thereon attributable to employees electing coverage;

5 (c) A city entering the system under the alternate participation plan, may, by
6 ordinance, levy a special property tax to pay for current service credit
7 purchased for the period between July 1, 1958, and the participation date of
8 the city. The special tax shall be to pay, within a period of no more than
9 fifteen (15) years, for the cost of such service credit over that which would be
10 funded within the existing employer contribution rate, as determined by the
11 board's consulting actuary. The reason for levying the special tax and the
12 disposition of the proceeds shall be part of the ordinance levying the tax. The
13 special tax shall be rescinded when the unfunded prior service liability has
14 been amortized, and shall not be subject to the provisions of KRS 132.017 or
15 132.027. In addition, the city may maintain any tax, the proceeds of which had
16 been devoted to funding pension obligations under the locally administered
17 plan prior to participation in the system, for the purpose of funding current
18 service costs incurred after the date of participation. The city may increase the
19 tax to pay current service costs which exceed the local pension system costs to
20 which the tax had been devoted, but the city shall not collect from the tax
21 more revenues than are necessary to pay current service costs incurred after
22 the date of participation. The city may continue the tax so long as it
23 participates in the system, and the tax shall not be subject to the provisions of
24 KRS 132.017 or 132.027. The city shall not collect either tax authorized by
25 this paragraph if its participation has been terminated pursuant to Section 34
26 of this Act~~[KRS 61.522]~~;

27 (d) The county may at a later date purchase current service credit from July 1,

1 1958, to the participation date of the county by alternate participation plan for
2 those employees who rejected membership in the system at the time the
3 county first participated. In addition, the employer shall pay the employer
4 contributions on the creditable compensation of the employees who later elect
5 membership from the participation date of the county to the date the member
6 elects participation. The employee shall pay the employee contributions on his
7 creditable compensation from the participation date of the county to the date
8 he elects membership plus interest at the current actuarial rate compounded
9 annually on the employee and employer contributions. Cost of the service
10 credit over and above that which would be funded within the existing
11 employer contribution rate shall be determined by the board's consulting
12 actuary. The expense of the actuarial service shall be paid by the county. The
13 county shall pay the cost of the service by lump sum or by adding it to the
14 existing payment schedule established under paragraph (b) of this subsection;

15 (e) A county which did not participate by alternate participation may, until July 1,
16 1991, purchase current service credit for those employees who rejected
17 membership in the system at the time the county first participated. The
18 employer shall pay the employer contributions on the creditable compensation
19 of the employees who later elect membership from the participation date of
20 the county to the date the member elects participation. The employee shall pay
21 the employee contributions on his creditable compensation from the
22 participation date of the county to the date he elects membership plus interest
23 at the current actuarial rate compounded annually on the employee and
24 employer contributions. The county shall pay the cost of the service credit by
25 lump sum or by establishing a payment schedule under paragraph (b) of this
26 subsection; and

27 (f) A county which participated in the system but did not elect the alternate

1 participation plan may at a later date elect the alternate participation plan. In
2 this case, the county shall purchase on behalf of each employee participating
3 in the system current service credit for employment in regular full-time
4 positions between July 1, 1958, or a later date selected by the county
5 government, and the participation date of the county. The county shall also
6 purchase, for employees who decide to participate when the county elects the
7 alternate participation plan, current service credit for employment in regular
8 full-time positions between July 1, 1958, or the later date selected by the
9 county government, and the participation date of the county. In addition, the
10 county shall pay the employer contributions on the creditable compensation of
11 the employees who later elect membership from the participation date of the
12 county to the date the member elects participation. The employee shall pay the
13 employee contributions on his creditable compensation from the participation
14 date of the county to the date he elects membership plus interest at the current
15 actuarial rate compounded annually on the employee and employer
16 contributions. Cost of the service credit over that which would be funded
17 within the existing employer contribution rate shall be determined by the
18 board's consulting actuary. The expense of the actuarial service shall be paid
19 by the county. The county shall pay the cost of the service by lump sum or by
20 a payment schedule established under paragraph (b) of this subsection.

21 (g) Notwithstanding any other provision of the Kentucky Revised Statutes to the
22 contrary, this subsection shall not apply to members who begin participating
23 in the system on or after January 1, 2014, and no county that elects to
24 participate in the system on or after January 1, 2014, shall be eligible to
25 participate under the alternate participation plan.

26 (4) Every school board not participating on June 21, 1974, shall enact a resolution of
27 participation no later than July 1, 1976.

1 (5) The order of the governing body of a county, as provided for in subsection (1) of
2 this section, may exclude from participation in the system hospitals and any other
3 semi-independent agency. Each such excluded agency shall be identified in the
4 order authorizing participation and such excluded agency may participate in the
5 system as a separate agency.

6 (6) (a) After August 1, 1988, except as permitted by KRS 65.156, no local
7 government retirement system shall be created pursuant to KRS 70.580 to
8 70.598 and any local government retirement systems created pursuant to KRS
9 79.080, 90.400, 90.410, 95.768, and KRS Chapter 96 shall be closed to new
10 members. New employees who would have been granted membership in such
11 retirement systems shall instead be granted membership in the County
12 Employees Retirement System. Employees who would have been granted
13 membership in retirement systems created pursuant to KRS 95.768, or any
14 other policemen or firefighters who would have been granted membership in
15 retirement systems created pursuant to KRS 79.080, 90.400, or 90.410, or any
16 such policemen or firefighter members employed on or prior to August 1,
17 1988, who transfer to the County Employees Retirement System, shall be
18 certified by their employers as working in hazardous positions. Each city
19 participating in the County Employees Retirement System pursuant to this
20 subsection shall execute the appropriate order authorizing such participation,
21 shall select the alternate participation plan as described in subsection (3) of
22 this section, and shall pay for the actuarial services necessary to determine the
23 additional costs of alternate participation. Cities which closed their local
24 pension systems to new members and participated in the system prior to July
25 15, 1988, whose employees at the time of transition were given the option to
26 join the system shall not be required to offer said employees a second option
27 to join the system.

1 (b) Notwithstanding any statute to the contrary, after April 9, 2002, the
 2 system~~systems~~ shall deny the request for participation of any agency which
 3 does not have an irrevocable contract with the state Personnel Cabinet for
 4 health insurance coverage under KRS 18A.225 to 18A.229 for its active
 5 employees, except that agencies entering the system on or after April 9, 2002,
 6 which were established by a merger or an interlocal agreement to provide
 7 public services shall be excluded from this requirement if all agencies entering
 8 into the merger or interlocal agreement had an initial participation date with
 9 the system prior to April 9, 2002.

10 (7) Any city which closed a police and firefighter pension plan to new members
 11 between January 1, 1988, and July 15, 1988, and participated in the system under
 12 the alternate participation plan shall, if its police and firefighters were not covered
 13 by Social Security, or any city which operates a pension under KRS 90.400 or
 14 90.410, shall be required to certify that its police and firefighters are working in
 15 hazardous positions, and shall offer its police and firefighters in service at the time
 16 of entry a second option to participate under hazardous duty coverage if they were
 17 not offered hazardous duty coverage at the time of their first option. The provisions
 18 of subsection (3)(b) of this section notwithstanding, a city affected by this
 19 subsection may, at its option, extend its payment schedule to the County Employees
 20 Retirement System for alternate participation to thirty (30) years at the rate
 21 actuarially assumed by the board.

22 ➔Section 34. KRS 78.535 is amended to read as follows:

23 **Notwithstanding any other provision of KRS 78.510 to 78.852 to the contrary:**

24 **(1) For purposes of this section:**

25 **(a) "Active member" means a member who is participating in the system;**

26 **(b) "Employer" means the governing body of a county as defined by KRS**
 27 **78.510;**

1 (c) "Employer's effective cessation date" means the last day of the system's
2 plan year in the year in which the employer has elected to cease
3 participation in the system, provided the employer has met the requirements
4 of this section and has given the system sufficient notice as provided by
5 administrative regulations promulgated by the system; and

6 (d) "Inactive member" means a member who is not participating with the
7 system.

8 (2) Any employer participating in the County Employees Retirement System on July
9 1, 2015, may:

10 (a) If the employer is a nonstock nonprofit corporation organized under KRS
11 Chapter 273, voluntarily cease participation in the system subject to the
12 requirements and restrictions of this section; or

13 (b) Be required to involuntarily cease participation in the system under the
14 provisions of this section if the board has determined the employer is no
15 longer qualified to participate in a governmental plan or has failed to
16 comply with the provisions of KRS 78.510 to 78.852.

17 (3) (a) If an employer desires to voluntarily cease participation in the County
18 Employees Retirement System as provided by subsection (2)(a) of this
19 section:

20 1. The employer shall adopt a resolution requesting to cease
21 participation in the system and shall submit the resolution to the
22 board for its approval;

23 2. The cessation of participation in the system shall apply to all
24 employees of the employer;

25 3. The employer shall pay for all administrative costs of an actuarial
26 study to be completed by the County Employees Retirement System
27 consulting actuary and for any other administrative costs for

1 discontinuing participation in the system as determined by the board
2 and as provided by this section;

3 4. The employer shall provide an alternative retirement program for
4 employees who will no longer be covered by the system, which may
5 include a voluntary defined contribution plan;

6 5. If the alternative retirement program established by the employer
7 meets the qualification requirements under 26 U.S.C. sec. 401(a) and
8 is capable of accepting trustee-to-trustee transfers of both pre-tax and
9 post-tax contributions, an employee of the employer ceasing
10 participation may seek to transfer his or her account balance to the
11 employer's qualified alternate retirement program within sixty (60)
12 days of the employer's effective cessation date. An employee's election
13 to transfer his or her account balance within sixty (60) days of the
14 employer's effective cessation date is an irrevocable waiver of the right
15 to obtain service credits in the system for the time worked for the
16 employer ceasing participation; and

17 6. The employer shall pay by lump sum to the system the full actuarial
18 cost of the benefits accrued by its current and former employees in the
19 system as determined separately for the pension fund and the
20 insurance fund by the actuarial study required by subparagraph 3. of
21 this paragraph. The full actuarial cost shall not include any employee
22 who seeks to transfer his or her account balance to the alternative
23 retirement program as provided by subparagraph 5. of this paragraph
24 within sixty (60) days of the employer's effective cessation date. The
25 actuarial cost shall be fixed, and the employer shall not be subject to
26 any increases or subsequent adjustments, once the lump sum is paid.

27 (b) If the board determines an employer must involuntarily cease participation

1 in the system as provided by subsection (2)(b) of this section:

2 1. The cessation of participation in the system shall apply to all
3 employees of the employer;

4 2. The employer shall pay for all administrative costs of an actuarial
5 study to be completed by the County Employees Retirement System
6 consulting actuary and for any other administrative costs for
7 discontinuing participation in the system as determined by the board
8 and as provided by this section; and

9 3. The employer shall pay by lump sum to the system the full actuarial
10 cost of the benefits accrued by its current and former employees in the
11 system as determined separately for the pension fund and the
12 insurance fund by the actuarial study required by subparagraph 2. of
13 this paragraph. The actuarial cost shall be fixed, and the employer
14 shall not be subject to any increases or subsequent adjustments, once
15 the lump sum is paid.

16 (4) Any employee hired on or after the employer's effective cessation date by an
17 employer who has ceased participation in the system as provided by this section
18 shall not, regardless of his or her membership date in the County Employees
19 Retirement System, be eligible to participate in the County Employees Retirement
20 System through the employer that ceased participation for the duration of his or
21 her employment with that employer.

22 (5) If an employer has ceased participation in the system as provided by this section:

23 (a) The rights of recipients and the vested rights of inactive members accrued
24 as of the employer's effective cessation date shall not be impaired or
25 reduced in any manner as a result of the employer ceasing participation in
26 the system; and

27 (b) Employees of the employer ceasing participation shall accrue benefits

1 through the employer's effective cessation date but shall not accrue any
2 additional benefits in the County Employees Retirement System, including
3 earning years of service credit through the ceased employer, after the
4 employer's effective cessation date for as long as they remain employed by
5 the employer. The day after the employer's effective cessation date, each
6 employee described by this paragraph shall be considered an inactive
7 member with respect to his or her employment with the employer that
8 ceased participation and, subject to the provisions and limitations of KRS
9 78.510 to 78.852, shall:

10 1. Retain his or her accounts with the County Employees Retirement
11 System and have those accounts credited with interest in accordance
12 with KRS 78.510 to 78.852;

13 2. Retain his or her vested rights in accordance with paragraph (a) of
14 this subsection; and

15 3. Be eligible to take a refund of his or her accumulated account balance
16 in accordance with KRS 61.625 or any other available distribution if
17 eligible.

18 (6) For purposes of this section, the full actuarial cost shall be determined by the
19 County Employees Retirement System consulting actuary separately for the
20 pension fund and the insurance fund using the assumptions and methodology
21 established by the system specifically for determining the full actuarial cost of
22 ceasing participation as of the employer's effective cessation date. For purposes
23 of determining the full actuarial cost, the assumed rate of return used to calculate
24 the cost shall be the lesser of the assumed rate of return utilized in the system's
25 most recent actuarial valuation or the yield on a thirty (30) year United States
26 treasury bond as of the employer's effective cessation date, but shall in no case be
27 lower than the assumed rate of return utilized in the system's most recent

1 actuarial valuation minus three and one-half percent (3.5%).

2 (7) The system shall promulgate administrative regulations pursuant to KRS Chapter
 3 13A to administer this section.

4 (8) Any employer who voluntarily ceases participation, or who is required to
 5 involuntarily cease participation as provided in this section, shall hold the
 6 Commonwealth harmless from damages, attorney's fees, and costs from legal
 7 claims for any cause of action brought by any member or retired member of the
 8 departing employer.

9 ~~[(1) If a participating county fails to fully comply with the provisions of KRS 78.510 to~~
 10 ~~78.852, the board may require the county to involuntarily cease participation in the~~
 11 ~~system as provided by KRS 61.522.]~~

12 (9)~~[(2)]~~ In lieu of cessation of participation of a county which fails to fully comply
 13 with the provisions of KRS 78.510 to 78.852, the board may file an action in the
 14 Franklin Circuit Court to collect money owed and to attach so much of the general
 15 fund of the delinquent county as is necessary to achieve full compliance with the
 16 provisions of KRS 78.625.

17 (10) The board may utilize the provisions of subsection (3)(b) or (4) of Section 38 of
 18 this Act to ensure employer compliance and payment of any amount payable by
 19 an employer under the provisions of this section.

20 ➔Section 35. KRS 78.540 is amended to read as follows:

21 Membership in the system shall consist of the following:

22 (1) (a) All persons who become employees of a participating county after the date the
 23 county first participates in the system, except that:

24 1. Mayors and members of city legislative bodies may decline prior to their
 25 participation in the system; and

26 2. City managers or other appointed local government executives who
 27 participate in a retirement system, other than Social Security, may

1 decline prior to their participation in the system;

2 ~~(b)~~~~(2)~~—~~(a)~~ All persons who are employees of a county on the date the county
3 first participates in the system, either in service or on authorized leave from
4 service, and who elect within thirty (30) days next following the county's
5 participation, or in the case of persons on authorized leave, within thirty (30)
6 days of their return to active service, to become members and thereby agree to
7 make contributions as provided in KRS 78.520 to 78.852;

8 ~~(c)~~~~(b)~~ All persons who are employees of a county who did not elect to
9 participate within thirty (30) days of the date the county first participated in
10 the system or within thirty (30) days of their return to active service and who
11 subsequently elect to participate the first day of a month after the county's date
12 of participation;

13 ~~(d)~~~~(3)~~ All persons who declined participation as provided by paragraph (a)~~in~~
14 ~~subsection (1)~~ of this subsection~~section~~ and who later elect to participate.
15 Persons who elect to participate under this paragraph~~subsection~~ may
16 purchase service credit for any prior years by paying a delayed contribution
17 payment, provided the person began participating in the system prior to
18 January 1, 2014. The service shall not be included in the member's total
19 service for purposes of determining benefits under KRS 61.702; and

20 ~~(e)~~~~(4)~~ All persons electing coverage in the system under KRS 78.530(3)(d).

21 ~~(2)~~~~(5)~~ The provisions of subsection~~subsections~~ (1)(a) to (1)(c) ~~and (2)~~ of this
22 section notwithstanding, cities which participate in the CERS and close existing
23 local pension systems to new, or all members pursuant to the provisions of KRS
24 78.530, 95.520, 95.621, or 95.852 shall not be required to provide membership in
25 the County Employees Retirement System to employees in any employee category
26 not covered by a city pension system at the date of participation.

27 ~~(3)~~~~(6)~~ Membership in the system shall not include:

1 (a) Persons who are not eligible to participate in the system as provided by
 2 Section 34 of this Act; or ~~[KRS 61.522 or those]~~

3 (b) Employees who are simultaneously participating in another state-administered
 4 defined benefit plan within Kentucky other than those administered by the
 5 Kentucky Retirement Systems or the County Employees Retirement System,
 6 except for employees who have ceased to contribute to one (1) of the state-
 7 administered retirement plans as provided in KRS 21.360.

8 (4) (a) The membership of any person in the system shall cease:

9 1. Upon withdrawal of his accumulated account balance at or any time
 10 after termination of employment, regardless of length of service;

11 2. Upon retirement;

12 3. Upon death;

13 4. For persons hired prior to August 1, 2000, upon termination of
 14 employment with prejudice, as defined by paragraph (b) of this
 15 subsection; or

16 5. For persons hired on or after August 1, 2000, upon conviction of a
 17 felony relating to the person's employment as provided in paragraph
 18 (c) of this subsection.

19 (b) For purposes of KRS 78.510 to 78.852, termination of employment with
 20 prejudice shall mean termination as the result of conviction of the member
 21 in a court of competent jurisdiction of embezzlement or larceny of public
 22 funds or property or malfeasance in office, or the forcing of a member to
 23 make restitution for any funds or property criminally taken by the member
 24 at the time of termination of employment.

25 (c) Notwithstanding any provision of law to the contrary, an employee hired on
 26 or after August 1, 2000, who participates in the system and who is
 27 convicted, in any state or federal court of competent jurisdiction, of a felony

1 related to his employment shall forfeit rights and benefits earned under the
2 system, except for the return of his accumulated contributions and interest
3 credited on those contributions. The payment of retirement benefits ordered
4 forfeited shall be stayed pending any appeal of the conviction. If the
5 conviction is reversed on final judgment, no retirement benefit shall be
6 forfeited. The employer shall notify the system when an employee is
7 convicted under the provisions of this subsection.

8 (d) When membership ceases, except in the case of retirement, the member
9 shall thereafter lose all right to any retirement allowance or benefits under
10 KRS 78.510 to 78.852 arising from service prior to the date of such
11 cessation of membership.

12 ➔Section 36. KRS 78.610 is amended to read as follows:

- 13 (1) Each employee shall, commencing on August 1, 1990, contribute, for each pay
14 period for which he receives compensation, five percent (5%) of his creditable
15 compensation.
- 16 (2) The agency reporting official of a participating county shall cause to be deducted
17 from the "creditable compensation" of each employee for each and every payroll
18 period subsequent to the date the county participated in the system the contribution
19 payable by the member as provided in KRS 78.510 to 78.852. The agency reporting
20 official shall promptly pay the deducted employee contributions to the system in
21 accordance with KRS 78.625.
- 22 (3) The deductions provided for in subsection (2) of this section shall be made
23 notwithstanding that the minimum compensation provided by law for any employee
24 shall be reduced thereby. Every employee shall be deemed to consent and agree to
25 the deductions made as provided in subsection (2) of this section; and payment of
26 salary or compensation less the deductions shall be a full and complete discharge of
27 all claims for services rendered by the person during the period covered by the

1 payment, except as to any benefits provided by KRS 78.510 to 78.852.

2 (4) Each employer shall, solely for the purpose of compliance with Section 414(h) of
3 the United States Internal Revenue Code, pick up the employee contributions
4 required by this section for all compensation earned after August 1, 1982, and the
5 contributions picked up shall be treated as employer contributions in determining
6 tax treatment under the United States Internal Revenue Code and KRS 141.010.
7 These contributions shall not be included as gross income of the employee until the
8 contributions are distributed or made available to the employee. The picked-up
9 employee contribution shall satisfy all obligations to the retirement system satisfied
10 prior to August 1, 1982, by the employee contribution, and the picked-up employee
11 contribution shall be in lieu of an employee contribution. Each employer shall pay
12 these picked-up employee contributions from the same source of funds which is
13 used to pay earnings to the employee. The employee shall have no option to receive
14 the contributed amounts directly instead of having them paid by the employer to the
15 system. Employee contributions picked up after August 1, 1982, shall be treated for
16 all purposes of KRS 78.510 to 78.852 in the same manner and to the same extent as
17 employee contributions made prior to August 1, 1982.

18 (5) The provisions of this section shall not apply to individuals who are not eligible for
19 membership as provided by Section 34 of this Act~~[KRS 61.522]~~.

20 ➔Section 37. KRS 78.615 is amended to read as follows:

21 (1) Employee contributions shall be deducted each payroll period from the creditable
22 compensation of each employee of an agency participating in the system while he is
23 classified as regular full-time as defined in KRS 78.510 unless the person did not
24 elect to become a member as provided by KRS 78.540~~[(2)]~~ or is not eligible to
25 participate in the system as provided by Section 34 of this Act~~[KRS 61.522]~~. After
26 August 1, 1982, employee contributions shall be picked up by the employer
27 pursuant to KRS 78.610(4).

1 (a) For employees who are not employed by a school board, service credit shall
2 be allowed for each month contributions are deducted or picked up during a
3 fiscal or calendar year, if the employee receives creditable compensation for
4 an average of one hundred (100) hours or more of work per month based on
5 the actual hours worked in a calendar or fiscal year. If the average number of
6 hours of work is less than one hundred (100) hours per month, the employee
7 shall be allowed credit only for those months he receives creditable
8 compensation for one hundred (100) hours of work.

9 (b) For noncertified employees of school boards, for service prior to July 1, 2000,
10 service credit shall be allowed for each month contributions are deducted or
11 picked up under the employee's employment contract during a school year
12 determined by dividing the actual number of contracted calendar days worked
13 by twenty (20) and rounded to the nearest whole month if the employee
14 receives creditable compensation for an average of eighty (80) or more hours
15 of work per month based on the employee's employment contract. The school
16 board shall certify the number of calendar days worked, the rate of pay, and
17 the hours in a work day for each employee monthly or annually. The employer
18 shall file at the retirement office the final monthly report or the annual report
19 for a fiscal year no later than twenty (20) days following the completion of the
20 fiscal year. The retirement system shall impose a penalty on the employer of
21 one thousand dollars (\$1,000) if the information is not submitted by the date
22 required with an additional two hundred and fifty dollars (\$250) for each
23 additional thirty (30) day period the information is reported late.

24 1. If the employee works fewer than the number of contracted calendar
25 days, the employee shall receive service credit determined by dividing
26 the actual number of contracted calendar days worked by twenty (20)
27 and rounded to the nearest whole month, provided that the number of

1 hours worked during the period averages eighty (80) or more hours.

2 2. If the employee works fewer than the number of contracted calendar
3 days and the average number of hours worked is less than eighty (80) per
4 month, then the employee shall receive service credit for each calendar
5 month in which he worked eighty (80) or more hours.

6 3. The retirement system shall refund contributions and service credit for
7 any period for which the employee is not given credit under this
8 subsection.

9 (c) For noncertified employees of school boards, for service on and after July 1,
10 2000, at the close of each fiscal year, the retirement system shall add service
11 credit to the account of each employee who made contributions to his or her
12 account during the year. Employees shall be entitled to a full year of service
13 credit if their total paid calendar days were not less than one hundred eighty
14 (180) calendar days for a regular school or fiscal year. In the event an
15 employee is paid for less than one hundred eighty (180) calendar days, the
16 employee may purchase credit according to administrative regulations
17 promulgated by the system. In no case shall more than one (1) year of service
18 be credited for all service performed in one (1) fiscal year. Employees who
19 complete their employment contract prior to the close of a fiscal year and elect
20 to retire prior to the close of a fiscal year shall have their service credit
21 reduced by eight percent (8%) for each calendar month that the retirement
22 becomes effective prior to July 1. Employees who are employed and paid for
23 less than the number of calendar days required in their normal employment
24 year shall be entitled to pro rata service credit for the fractional service. This
25 credit shall be based upon the number of calendar days employed and the
26 number of calendar days in the employee's annual employment agreement or
27 normal employment year. Service credit may not exceed the ratio between the

1 school or fiscal year and the number of months or fraction of a month the
2 employee is employed during that year.

3 (d) Notwithstanding paragraph (c) of this subsection, a noncertified employee of a
4 school board who retires between July 1, 2000, and August 1, 2001, may
5 choose to have service earned between July 1, 2000, and August 1, 2001,
6 credited as described in paragraph (b) of this subsection, if the employee or
7 retired member notifies the retirement system within one (1) year of his initial
8 retirement. The decision once made shall be irrevocable.

9 (2) Employee contributions shall not be deducted from the creditable compensation of
10 any employee or picked up by the employer while he is seasonal, emergency,
11 temporary, or part-time. No service credit shall be earned.

12 (3) Contributions shall not be made or picked up by the employer and no service credit
13 shall be earned by a member while on leave except:

14 (a) A member on military leave shall be entitled to service credit in accordance
15 with KRS 61.555; and

16 (b) A member on educational leave who meets the criteria established by the state
17 Personnel Cabinet for approved educational leave, who is receiving seventy-
18 five percent (75%) or more of full salary, shall receive service credit and shall
19 pay member contributions in accordance with KRS 78.610, and his employer
20 shall pay employer contributions or the contributions shall be picked up in
21 accordance with Section 8 of this Act~~[KRS 61.565]~~. If a tuition agreement is
22 broken by the member, the member and employer contributions paid or picked
23 up during the period of educational leave shall be refunded.

24 (4) The retirement office, upon detection, shall refund any erroneous employer and
25 employee contributions made to the retirement system and any interest credited in
26 accordance with KRS 78.640.

27 ➔Section 38. KRS 78.625 is amended to read as follows:

- 1 (1) *The employer shall prepare the reporting records necessary for the system to*
2 *administer the provisions of KRS 78.510 to 78.852 and, from time to time, shall*
3 *furnish the information the system may require in the discharge of its duties.*
4 *Upon employment of an employee, the employer shall inform him or her of his or*
5 *her duties and obligations in connection with the system as a condition of*
6 *employment.*
- 7 (2) The agency reporting official of the county shall file the following at the retirement
8 office on or before the tenth day of the month following the period being reported:
- 9 (a) The employee and employer contributions required under KRS 78.610,
10 *Section 8 of this Act*~~[61.565]~~, and *Section 28 of this Act*~~[61.702]~~;
- 11 (b) The employer contributions and reimbursements for retiree health insurance
12 premiums required under KRS 61.637; and
- 13 (c) A record of all contributions to the system on the forms prescribed by the
14 systems.
- 15 ~~(3)~~~~(2)~~ (a) If the agency reporting official fails to file at the retirement office all
16 contributions and reports on or before the tenth day of the month following
17 the period being reported, interest on the delinquent contributions at the
18 actuarial rate adopted by the board compounded annually, but not less than
19 one thousand dollars (\$1,000), may be added to the amount due the system.

8 ➔Section 42. KRS 95.290 is amended to read as follows:

9 (1) The city legislative body in cities of the first class may enact ordinances providing
10 for a system of pensions for retired and disabled members of the police and fire
11 divisions of the department of public safety and their dependents, may appropriate
12 funds for the purpose of paying such pensions, may allot and pay to the policemen's
13 pension fund or the firefighters' pension fund or either or both of them, all fines and
14 forfeitures imposed upon members of the respective divisions, and may provide for,
15 assess, and collect contributions from the members for the benefit of the fund.

16 (2) (a) There shall be a governing body of the policemen's pension fund, and a
17 governing body of the firefighters' pension fund. The governing bodies of the
18 respective funds shall hold title to all assets in their respective funds, and shall
19 have exclusive authority relating to investment of the assets of the funds,
20 including contracting with investment advisors or managers to perform
21 investment services as deemed necessary and prudent by the board. A majority
22 of the governing body of each fund shall be composed of persons receiving
23 pension benefits from the respective pension systems, and no more than one

4 body of a fund shall require only a simple majority of the votes cast at a
5 properly convened meeting of the governing body where a quorum is present,
6 with a quorum being a majority of the members of a governing body.

7 (b) If all liabilities to all individuals entitled to benefits from the policemen's
8 pension fund or firefighters' pension fund have been satisfied, the ordinances
9 establishing the fund may be repealed by the majority vote of the duly elected
10 members of the entire legislative body. If repealed, the governing body of the
11 policemen's or firefighters' pension fund shall, within sixty (60) days of repeal,
12 proceed with the liquidation of any residual assets of the fund. All residual
13 assets liquidated pursuant to this paragraph shall be distributed by the
14 governing body to the city's general fund provided the return of assets
15 complies with federal and state law governing the distribution of assets.
16 Within thirty (30) days following the distribution of residual assets, the
17 governing body of the fund shall as its last act file a complete report with the
18 legislative body of the city, for retention by the city clerk the same as for other
19 city records, of the actions taken to dissolve the fund and liquidate residual
20 assets of the fund.

21 (3) Any policemen's pension fund or any firefighters' pension fund established under
22 the provisions of this section shall be held or distributed for, and only for, any of the
23 following purposes of the respective fund as applicable:

- 24 (a) Paying pensions, and any bonus payments under applicable ordinances;

- 4 (d) Payment from the city to the County Employees Retirement System for future
- 5 pension contributions required pursuant to Sections 8 and 28 of this Act~~[KRS~~
- 6 ~~61.565]~~.

7 Pursuant to the terms of this section, if policemen of the city of the first class elect
 8 entry into the County Employees Retirement System and thereby create excess
 9 funds over those required to provide for the purposes set forth in paragraphs (a), (b),
 10 and (c) of this subsection, these excess funds shall be distributed to the city for use
 11 by the city for any other purpose it may elect, including, but not limited to, the
 12 establishment of a reserve for payment under paragraph (d) of this subsection. The
 13 governing board of the fund may annually expend for the necessary expenses
 14 connected with the fund, including but not limited to expenses for medical,
 15 actuarial, accounting, and legal services, the amount such governing board deems
 16 proper.

- 17 (e) Payment from the city to the County Employees Retirement System for future
- 18 pension contributions required pursuant to Sections 8 and 28 of this Act~~[KRS~~
- 19 ~~61.565]~~. Pursuant to the terms of this section, if firefighters of the city of the
- 20 first class elect entry into the County Employees Retirement System and
- 21 thereby create excess funds over those required to provide for the purposes set
- 22 forth in paragraphs (a), (b), and (c) of this subsection, these excess funds shall
- 23 be distributed according to the terms of an agreement negotiated between the
- 24 city and the union organization representing the firefighters. The city may use
- 25 its share of the distributed excess funds for any purpose it may elect,
- 26 including, but not limited to, the establishment of a reserve for payment under
- 27 paragraph (e) of this subsection.

- 1 (4) (a) The governing body of each pension fund shall insure that all of the assets in
2 the fund are distributed for the purposes in subsection (3) of this section, and
3 only for these purposes. If in any calendar year the assets in either fund exceed
4 those needed for the actuarial liability for payment of pension benefits and any
5 anticipated liabilities under subsection (3)(b) and (c) of this section, the
6 legislative body of the city establishing the pension system shall insure by
7 pension bonus ordinance that a portion of these excess funds be distributed in
8 an equitable manner to all eligible pension recipients. Nothing in this
9 subsection shall be construed to require any change to be made to any pension
10 ordinance as it exists on July 15, 1998.
- 11 (b) The governing board of either fund may annually expend for the necessary
12 expenses connected with the fund, including but not limited to expenses for
13 medical, actuarial, accounting, and legal or other professional services, the
14 amount such governing board deems proper.
- 15 (5) Any ordinance establishing a pension fund under this section shall make equitable
16 provision for the rights of persons having an interest in assets transferred to the fund
17 from any fund heretofore established by statute.
- 18 (6) To assure equal protection for the beneficiaries of either fund, any action taken by
19 the city executive or legislative body in cities of the first class that affects a
20 policemen's pension fund or a firefighters' pension fund established under this
21 section shall, to the maximum extent permitted by law, treat each fund in a uniform
22 manner and shall not cause any change to be made to the structure or operation of
23 either fund, whether through legislation, litigation, compromise, settlement, or
24 otherwise, unless any proposed change is offered to the other fund before it takes
25 effect. Nothing in this subsection shall be construed to require any change to be
26 made to any pension ordinance as it exists on July 15, 1998.
- 27 (7) The legislative body in a city of the first class shall issue the appropriate order,

1 pursuant to KRS 78.530(1), directing participation for policemen in the County
2 Employees Retirement System. All new employees who would have been granted
3 membership in the local policemen's pension system shall be members of the
4 County Employees Retirement System. All active members of the local policemen's
5 pension system at the time of transition to the County Employees Retirement
6 System may choose membership in the County Employees Retirement System or
7 may retain membership in the local system. The city shall elect the alternate
8 participation plan, pursuant to KRS 78.530(3), for policemen who transfer to the
9 County Employees Retirement System. Notwithstanding the provisions of KRS
10 78.530(3)(b), the city may, at its option, extend the payment period for the cost of
11 alternate participation to a maximum of twenty (20) years with the interest at the
12 rate actuarially assumed by the board. The city shall have the right to use assets in
13 the local pension fund, other than assets necessary to pay benefits to the remaining
14 active members of the local policemen's pension system and to retirees and their
15 survivors as determined by actuarial valuation, to assist in the payment of the
16 annual installment cost of alternate participation. All policemen who become
17 members of the County Employees Retirement System pursuant to this section shall
18 be granted hazardous duty coverage, and the city may, at its option, purchase
19 accumulated sick leave for each policeman upon retirement pursuant to KRS
20 78.616.

21 (8) The legislative body in a city of the first class may issue the appropriate order,
22 pursuant to KRS 78.530(1), directing participation for firefighters in the County
23 Employees Retirement System. In the event that the legislative body in a city of the
24 first class issues such an order, then all new employees who would have been
25 granted membership in the local firefighters' pension system shall be members of
26 the County Employees Retirement System. All active members of the local
27 firefighters' pension system at the time of transition to the County Employees

1 Retirement System may choose membership in the County Employees Retirement
2 System or may retain membership in the local system. The city shall elect the
3 alternate participation plan, pursuant to KRS 78.530(3), for firefighters who transfer
4 to the County Employees Retirement System. Notwithstanding the provisions of
5 KRS 78.530(3)(b), the city may, at its option, extend the payment period for the cost
6 of alternate participation to a maximum of twenty (20) years with the interest at the
7 rate actuarially assumed by the board. The city shall have the right to use assets in
8 the local firefighters' pension fund, other than assets necessary to pay benefits to the
9 remaining active members of the local firefighters' pension system and to retirees
10 and their survivors as determined by actuarial valuation, to assist in the payment of
11 the annual installment cost of alternate participation. After certification by the
12 County Employees Retirement System of eligibility for hazardous duty coverage,
13 each firefighter who becomes a member of the County Employees Retirement
14 System pursuant to this section shall be granted hazardous duty coverage.

15 (9) Notwithstanding the provisions of Sections 8 and 28 of this Act~~[KRS 61.565]~~,
16 which relate to the contributions required of participating employers, any city of the
17 first class participating in the County Employees Retirement System hazardous duty
18 pension plan which has in effect a collective bargaining agreement with a group of
19 employees who participate in said plan, shall have the right to enter into agreement
20 with its employees or with their respective collective bargaining representatives.
21 This agreement may include, but is not limited to, specifications of what portion of
22 the required employer contribution shall be borne by the participating employer and
23 what portion shall be borne by the participating employee. This provision in no way
24 modifies the employer's obligation to remit the contributions required by the County
25 Employees Retirement System pursuant to Sections 8 and 28 of this Act~~[KRS~~
26 ~~61.565]~~, whether such contributions are borne by the city or by its participating
27 employees.

1 (10) With regard to the employer participation or employer contributions pursuant to
2 Sections 8 and 28 of this Act~~[KRS 61.565]~~ as it relates to future pension
3 contribution requirements or as it relates to payback period or interest charge for
4 service liability cost under alternate participation, if any statute or any resolution of
5 the appropriate state board of trustees having authority over employer participation
6 or employer contribution grants any terms or conditions to any city of the home rule
7 class, or to any county, or to any urban-county government, which are more
8 favorable in terms of participation than terms or conditions granted to any city of
9 the first class, then said provisions for employer participation or contribution shall
10 be available to the city of the first class, at its option and effective upon adoption by

14 section, service available pursuant to 38 U.S.C. ch. 43 not otherwise
15 provided for in this section, or grandfathered service as defined in
16 paragraph (b) of this subsection;

17 2. Entering into an agreement to purchase service credit through an
18 installment purchase of service agreement with the systems as provided
19 by paragraph (c) of this subsection:

25 section, or grandfathered service as defined in paragraph (b) of this
26 subsection; or

27 3. Transferring funds to the systems through a direct trustee-to-trustee

1 transfer as permitted under the applicable sections of the Internal

3 a direct rollover as contemplated by and permitted under 26 U.S.C. sec.
4 401(a)(31) and any regulations or rulings issued thereunder, or through a
5 rollover of funds pursuant to and permitted under the rules specified in
6 26 U.S.C. secs. 402(c) and 408(d)(3). The Kentucky Retirement Systems
7 shall accept the transfer or rollover to the extent permitted under the
8 rules specified in the applicable provisions of the Internal Revenue Code
9 and any regulations and rulings issued thereunder.

10 (b) For purposes of this subsection, "grandfathered service" means service
11 purchases for which a member, whose membership date in the system is prior
12 to July 1, 1999, is eligible to purchase under KRS 16.505 to 16.652, 61.510 to
13 61.705, or 78.510 to 78.852, that were available for all members of the system
14 to purchase on August 5, 1997.

15 (c) 1. For service purchased under a before-tax or after-tax installment
16 purchase of service agreement as provided by paragraph (a)2. of this
17 subsection, the cost of the service shall be computed in the same manner
18 as for a lump-sum payment which shall be the principal, except that
19 interest compounded annually at the actuarial rate in effect at the time
20 the member elects to make the purchase shall be added for the period
21 that the installments are to be made.

22 2. Multiple service purchases may be combined under a single installment
23 agreement, except that no employee may make more than one (1)
24 installment purchase at the same time.

25 3. For after-tax installment purchase of service agreements, the employee
26 may elect to stop the installment payments by notifying the retirement
27 system; may have the installment purchase recalculated to add one (1) or

- 1 more additional service purchases; or may pay by lump sum the
2 remaining principal or a portion of the remaining principal.
- 3 4. Before-tax installment purchase of service agreements shall be
4 irrevocable, and the employee shall not be able to stop installment
5 payments or to pay off the remaining balance of the purchase of service
6 agreement, except upon termination of employment or death.
- 7 5. One (1) year of installment payments shall be made for each one
8 thousand dollars (\$1,000) or any part thereof of the total cost, except that
9 the total period allowed for installments shall not be less than one (1)
10 year and shall not exceed five (5) years.
- 11 6. The employee shall pay the installments by payroll deduction for after-
12 tax purchase of service agreements, and the employer shall pick up
13 installments for before-tax purchase of service agreements. Upon
14 notification by the retirement system, the employer shall report the
15 installment payments either monthly or semimonthly continuously over
16 each twelve (12) month period at the same time as, but separate from,
17 regular employee contributions on the forms or by the computer format
18 specified by the board.
- 19 7. The retirement system shall determine how much of the total cost
20 represents payment for one (1) month of the service to be purchased and
21 shall credit one (1) month of service to the member's account each time
22 this amount has been paid. The first service credited shall represent the
23 first calendar month of the service to be purchased and each succeeding
24 month of service credit shall represent the succeeding months of that
25 service.
- 26 8. If the employee utilizing an installment purchase of service agreement
27 dies, retires, does not continue employment in a position required to

1 participate in the retirement system, or elects to stop an after-tax
2 installment purchase of service agreement, the member, or in the case of
3 death, the beneficiary, shall have sixty (60) days to pay the remaining
4 principal or a portion of the remaining principal of the installment
5 purchase of service agreement by lump sum, subject to the restrictions of
6 paragraph (a)1. of this subsection, or by transfer of funds under
7 paragraph (a)3. of this subsection, except that payment by the member
8 shall be filed with the system prior to the member's effective retirement
9 date. If the member or beneficiary does not pay the remaining cost, the
10 retirement system shall refund to the member or the beneficiary the
11 payment, payments, or portion of a payment that does not represent a
12 full month of service purchased, except as provided by subsection (22)
13 of this section.

14 9. If the employer does not report installment payments on an employee for
15 sixty (60) days for an after-tax installment purchase of service
16 agreement, except in the case of employees on military leave or sick
17 leave without pay, the installment purchase shall cease and the
18 retirement system shall refund to the employee the payment, payments,
19 or portion of a payment that does not represent a full month of service
20 purchased.

21 10. Installment payments of employees on military leave or sick leave
22 without pay shall be suspended during the period of leave and shall
23 resume without recalculation upon the employee's return from leave.

24 11. If payments have ceased under subparagraph 8. or 9. of this paragraph
25 and the member later becomes a participating employee in one (1) of the
26 three (3) systems administered by Kentucky Retirement Systems, the
27 employee may complete the adjusted original installment purchase by

1 lump sum or installment payments, subject to the restrictions of this
2 subsection. If the employee elects to renew the installment purchase, the
3 cost of the remaining service shall be recalculated in accordance with
4 paragraph (a) of this subsection.

5 (d) Except as provided by paragraph (a)2.a. of this subsection, the cost of
6 purchasing service shall not be picked up, as described in KRS 16.545(4),
7 61.560(4), or 78.610(4), by the employer.

8 (e) The cost of purchasing service credit under any provision of this section,
9 except as provided by subsections (1) and (20) of this section, shall be
10 determined by the delayed contribution method as provided by KRS 61.5525.

11 (f) Member payments, including interest, properly received pursuant to this
12 subsection shall be deposited to the member's account and considered as
13 accumulated contributions of the individual member.

17 (60) months of service credit in systems administered by Kentucky Retirement

19 service credit for up to ten (10) years service in a regular full-time position that was
20 credited to a state or local government-administered public defined benefit plan in
21 another state other than a defined benefit plan for teachers. The employee shall
22 provide proof that he is not eligible for a retirement benefit for the period of service

19 paying to the system the employee contributions plus interest at the actuarially
