6 ➔Section 14. KRS 154.22-040 is amended to read as follows:

7 (1) Each year, the authority shall, under its Rural Economic Development Assistance
8 Program, on the basis of the final unemployment figures calculated by the
9 Department of Workforce Investment in the Education and Workforce Development
10 Cabinet, determine which counties have had a countywide rate of unemployment
11 exceeding the statewide unemployment rate of the Commonwealth in the most
12 recent five (5) consecutive calendar years, or which have had an average
13 countywide rate of unemployment exceeding the statewide unemployment rate of
14 the Commonwealth by two hundred percent (200%) in the most recent calendar
15 year, and shall certify those counties as qualified counties. A county not certified on
16 the basis of final unemployment figures may also be certified as a qualified county
17 if the authority determines the county is one (1) of the sixty (60) most distressed
18 counties in the Commonwealth based on the following criteria with equal weight
19 given to each criterion:

20 (a) The average countywide rate of unemployment in the most recent three (3)
21 consecutive calendar years, on the basis of final unemployment figures
22 calculated by the Department of Workforce Investment in the Education and
23 Workforce Development Cabinet;

24 (b) In each county the percentage of adults twenty-five (25) years of age and older
25 who have attained at least a high school education or equivalent, on the basis
26 of the most recent data available from the United States Department of
27 Commerce, Bureau of the Census; and

1 (c) Road quality, as quantified by the access within a county to roads ranked in
2 descending order from best quality to worst quality as follows: two (2) or
3 more interstate highways, one (1) interstate highway, a state four (4) lane
4 parkway, four (4) lane principal arterial access to an interstate highway, state
5 two (2) lane parkway and none of the preceding road types, as certified by the
6 Kentucky Transportation Cabinet to the authority.

7 If the authority determines that a county which has previously been certified as a
8 qualified county no longer meets the criteria of this subsection, the authority shall
9 decertify that county. The authority shall not provide inducements for any facilities
10 in that county and an approved company shall not be eligible for the inducements
11 offered by KRS 154.22-010 to 154.22-070 unless the tax incentive agreements
12 required herein are entered into by all parties prior to July 1 of the year following
13 the calendar year in which the authority decertified that county. In addition, the
14 authority shall certify coal-producing counties, not otherwise certified as qualified
15 counties in this subsection, for economic development projects involving the new
16 construction of electric generation facilities. A coal-producing county shall mean a
17 county in the Commonwealth of Kentucky that has produced coal upon which the
18 tax imposed under KRS 143.020 was paid at any time. For economic development
19 projects undertaken in a regional industrial park, as defined in KRS 42.4588, or in
20 an industrial park created pursuant to an interlocal agreement in which revenues are
21 shared as provided in KRS 65.210 to 65.300~~[KRS 65.245]~~, where the physical
22 boundaries of the industrial park lie within two (2) or more counties of which at
23 least one (1) of the counties is a qualified county under this section, an eligible
24 company undertaking an economic development project within the physical
25 boundaries of the industrial park may be approved for the inducements under KRS
26 154.22-010 to 154.22-080.

27 (2) The authority shall establish the procedures and standards for the determination and

1 approval of eligible companies and their economic development projects by the
2 promulgation of administrative regulations in accordance with KRS Chapter 13A.
3 The criteria for approval of eligible companies and economic development projects
4 shall include but not be limited to the creditworthiness of eligible companies; the
5 number of new jobs to be provided by an economic development project to
6 residents of the Commonwealth; and the likelihood of the economic success of the
7 economic development project.

8 (3) The economic development project shall involve a minimum investment of one
9 hundred thousand dollars (\$100,000) by the eligible company and shall result in the
10 creation by the eligible company, within two (2) years from the date of the final
11 approval authorizing the economic development project, of a minimum of fifteen
12 (15) new full-time jobs at the site of the economic development project for
13 Kentucky residents to be employed by the eligible company and to be held by
14 persons subject to the personal income tax of the Commonwealth. The authority
15 may extend this two (2) year period upon the written application of an eligible
16 company requesting an extension.

17 (4) (a) Within six (6) months after the activation date, the approved company shall
18 compensate a minimum of ninety percent (90%) of its full-time employees
19 whose jobs were created with base hourly wages equal to either:

- 20 1. Seventy-five percent (75%) of the average hourly wage for the
21 Commonwealth; or
- 22 2. Seventy-five percent (75%) of the average hourly wage for the county in
23 which the project is to be undertaken.

24 (b) If the base hourly wage calculated in paragraph (a)1. or 2. of this subsection is
25 less than one hundred fifty percent (150%) of the federal minimum wage, then
26 the base hourly wage shall be one hundred fifty percent (150%) of the federal
27 minimum wage. However, for projects receiving preliminary approval of the

1 authority prior to July 1, 2008, the base hourly wage shall be one hundred fifty
2 percent (150%) of the federal minimum wage existing on January 1, 2007. In
3 addition to the applicable base hourly wage calculated above, the eligible
4 company shall provide employee benefits equal to at least fifteen percent
5 (15%) of the applicable base hourly wage; however, if the eligible company
6 does not provide employee benefits equal to at least fifteen percent (15%) of
7 the applicable base hourly wage, the eligible company may qualify under this
8 section if it provides the employees hired by the eligible company as a result
9 of the economic development project total hourly compensation equal to or
10 greater than one hundred fifteen percent (115%) of the applicable base hourly
11 wage through increased hourly wages combined with employee benefits.

12 (c) The requirements of this subsection shall not apply to eligible companies
13 which are nonprofit corporations established under KRS 273.163 to 273.387
14 and whose employees are handicapped and sheltered workshop workers
15 employed at less than the established minimum wage as authorized by KRS
16 337.295.

17 For an eligible company, within a regional industrial park which lies within two (2)
18 or more counties, the calculation of the wage and benefit requirement shall be
19 determined by averaging the average county hourly wage for all counties within the
20 regional industrial park.

21 (5) No economic development project which will result in the replacement of
22 agribusiness, manufacturing, or electric generation facilities existing in the state
23 shall be approved by the authority; however, the authority may approve an
24 economic development project that:

25 (a) Rehabilitates an agribusiness, manufacturing, or electric generation facility:

26 1. Which has not been in operation for a period of ninety (90) or more
27 consecutive days;

- 1 2. For which the current occupant of the facility has published a notice of
2 closure so long as the eligible company intending to acquire the facility
3 is not an affiliate of the current occupant; or
- 4 3. The title to which is vested in other than the eligible company or an
5 affiliate of the eligible company and that is sold or transferred pursuant
6 to a foreclosure ordered by a court of competent jurisdiction or an order
7 of a bankruptcy court of competent jurisdiction;
- 8 (b) Replaces an agribusiness, manufacturing, or electric generation facility
9 existing in the Commonwealth:
- 10 1. The title to which shall have been taken under the exercise of the power
11 of eminent domain, or the title to which shall be the subject of a
12 nonappealable judgment granting the authority to exercise the power of
13 eminent domain, in either event to the extent that normal operations
14 cannot be resumed at the facility within twelve (12) months; or
- 15 2. Which has been damaged or destroyed by fire or other casualty to the
16 extent that normal operations cannot be resumed at the facility within
17 twelve (12) months; or
- 18 (c) Replaces an existing agribusiness, manufacturing, or electric generation
19 facility located in the same qualified county, and the existing agribusiness,
20 manufacturing, or electric generation facility to be replaced cannot be
21 expanded due to the unavailability of real estate at or adjacent to the
22 agribusiness, manufacturing, or electric generation facility to be replaced. Any
23 economic development project satisfying the requirements of this subsection
24 shall only be eligible for inducements to the extent of the expansion, and no
25 inducements shall be available for the equivalent of the agribusiness,
26 manufacturing, or electric generation facility to be replaced. No economic
27 development project otherwise satisfying the requirements of this subsection

1 shall be approved by the authority which results in a lease abandonment or
2 lease termination by the approved company without the consent of the lessor.

3 (6) With respect to each eligible company making an application to the authority for
4 inducements, and with respect to the economic development project described in the
5 application, the authority shall request materials and make inquiries of the applicant
6 as necessary or appropriate. Upon review of the application and completion of
7 initial inquiries, the authority may, by resolution, give its preliminary approval by
8 designating an eligible company as a preliminarily approved company and
9 authorizing the undertaking of the economic development project. After preliminary
10 approval, the authority may by final approval designate an eligible company to be
11 an approved company.

12 ➔Section 15. KRS 154.32-050 is amended to read as follows:

13 (1) The authority shall identify and certify or decertify enhanced incentive counties on
14 an annual basis as provided in this section.

15 (2) Each fiscal year, the authority shall:

16 (a) Obtain from the Department of Workforce Investment in the Education and
17 Workforce Development Cabinet, the final unemployment figures for the prior
18 calendar year for each county and for the Commonwealth as a whole;

25 calendar year; and

26 (c) Certify the counties identified in paragraph (b) of this subsection as enhanced
27 incentive counties.

- 1 (3) A county not certified under subsection (2) of this section may also be certified by
2 the authority as an enhanced incentive county if the authority determines the county
3 is one (1) of the sixty (60) most distressed counties in the Commonwealth based on
4 the following criteria with equal weight given to each criterion:
- 5 (a) The average countywide rate of unemployment in the most recent three (3)
6 consecutive calendar years, using the information obtained under subsection
7 (2)(a) of this section;
- 8 (b) The percentage of adults twenty-five (25) years of age and older who have
9 attained at least a high school education or equivalent, on the basis of the most
10 recent data available from the United States Department of Commerce,
11 Bureau of the Census; and
- 12 (c) The quality of the roads in the county. Quality of roads shall be determined by
13 the access within a county to roads, ranked in descending order from best
14 quality to worst quality, as certified to the authority by the Kentucky
15 Transportation Cabinet as follows:
- 16 1. Two (2) or more interstate highways;
- 17 2. One (1) interstate highway;
- 18 3. A state four (4) lane parkway;
- 19 4. A four (4) lane principal arterial access to an interstate highway;
- 20 5. A state two (2) lane parkway; and
- 21 6. None of the preceding road types.
- 22 (4) (a) If the authority determines that an enhanced incentive county no longer meets
23 the criteria to be certified as an enhanced incentive county under this section,
24 the authority shall decertify that county.
- 25 (b) Any economic development project located in an enhanced incentive county
26 that was decertified by the authority after May 1, 2009, shall have until July 1
27 of the third year following the fiscal year in which the county was decertified

1 to obtain final approval from the authority.

2 (5) (a) As used in this subsection, "industrial park" means a regional industrial park
3 as defined in KRS 42.4588, or an industrial park created pursuant to an
4 interlocal agreement in which revenues are shared as provided in KRS 65.210
5 to 65.300~~[KRS 65.245]~~.

6 (b) An economic development project undertaken in an industrial park that is
7 located in two (2) or more counties, one (1) of which is an enhanced incentive

2 continue to be entitled to all rights and benefits thereunder as if he had remained as
3 an employee of the city, county, or special district, until the joint or cooperative
4 action has provided a pension plan to which such employee is eligible and such
5 employee has elected, in writing, to participate therein. Until such election, the joint
6 or cooperative action shall deduct from the remuneration of such employee the
7 amount which such employee is or may be required to pay in accordance with the
