determine that the provisional ballot or provisional absentee ballot is invalid and shall reject the provisional ballot or provisional absentee ballot.

Section 3. KRS 116.065 is amended to read as follows:

(2) If the petition submitted pursuant to subsection (1) of this section is approved by the State Board of Elections, the election shall be conducted according to the following provisions:

(a) One voting machine may be utilized for both precincts if the State Board of Elections certifies that separate ballots may be placed upon the voting machine to be used without endangering the integrity of the ballots or without violating any other election law. Otherwise, separate voting machines shall be used for each precinct. In the instance of a precinct which has a small number of voters such that the use of a separate voting machine would be cost-

(1) The challenge of an absentee ballot returned by mail shall be in writing and in the
hands of the county clerk before 8 a.m. on election day.

(2) The county board of elections shall count the absentee ballots returned by mail and
the votes cast on the voting machine in the county clerk's office or other place
designated by the county board of elections and approved by the State Board of
Elections. The board may appoint a central ballot counting board of not less than
three (3) members, who shall be qualified voters and no more than two-thirds (2/3)
of whom shall be members of the same political party, to count the ballots at the
direction of the county board of elections.

(3) Beginning at 8 a.m. on election day, the board shall meet at the county clerk's office
to count the absentee ballots returned by mail and the ballots cast on the voting
machine in the county clerk's office or other place designated by the county board of
elections and approved by the State Board of Elections. Candidates or their
representatives shall be permitted to be present. The county board of elections shall
authorize representatives of the news media to observe the counting of the ballots.
The board shall open the boxes containing absentee ballots returned by mail and
remove the envelopes one (1) at a time. As each envelope is removed, it shall be
examined to ascertain whether the outer envelope and the detachable flap are in
proper order and have been signed by the voter. A person having power of attorney
for the voter and who signs the detachable flap and outer envelope for the voter
shall complete the voter assistance form required by KRS 117.255. The signatures
of two (2) witnesses are required if the voter signs the form with the use of a mark
instead of the voter's signature. All unsigned mail-in absentee ballots shall be
rejected automatically. The chair of the county board of elections shall
compare the signatures on the outer envelope and the detachable flap with the
signature of the voter that appears on the registration card. If the outer envelope and
the detachable flap are found to be in order, the chair shall read aloud
the name of the voter. If the vote of the voter is not rejected on a challenge then
made as provided in subsection (4) of this section, the chair shall remove
the detachable flap and place the inner envelope unopened in a ballot box which has
been provided for the purpose.

(4) When the name of a voter who cast an absentee ballot by mail is read aloud by the
chair[chairman], the vote of the voter may be challenged by any board member or
by the written challenge provided in subsection (1) of this section and the challenge
may be determined and the vote accepted or rejected by the board as if the voter was
present and voting in person; but if the outer envelope and the detachable flap are
regular, and substantially comply with the provisions of this chapter, they shall be
considered as showing that the voter is prima facie entitled to vote. If the vote of a
voter is rejected pursuant to the challenge, the inner envelope shall not be opened,
but returned to the outer envelope upon which the chair[chairman] shall write on
the envelope the word "rejected."

(5) After the challenges have been made and all the blank inner envelopes have been
placed in a ballot box, the box shall be thoroughly shaken to redistribute the
absentee ballots in the box. The board shall open the ballot box, remove the
absentee ballots from the inner envelopes, and count the ballots.

(6) The board shall unlock any voting equipment used to cast ballots in the county
clerk's office or other place designated by the county board of elections, and
approved by the State Board of Elections, as provided for in KRS 117.086, and a
total of all ballots shall be made and recorded on the form provided by the State
Board of Elections.

(7) The county board of elections, the county clerk, and all individuals permitted to be
present for the counting of absentee ballots pursuant to subsection (2) of this section
shall not make public the absentee ballot results determined as provided in this
section until after 6 p.m. prevailing time.

(8) Subsections (1) to (7) of this section shall not apply to provisional absentee
ballots or provisional ballots cast under subsection (2)(c) of Section 8 of this Act.
Provisional absentee ballots and provisional ballots cast under subsection (2)(c)
of Section 8 of this Act shall be processed in accordance with Section 1 of this
Act.
Section 12. KRS 117.145 is amended to read as follows:

The provisional absentee ballot shall indicate that the ballot is a provisional absentee ballot. The provisional absentee ballot stubs and the paper absentee ballot stubs shall each be consecutively numbered, and the county board shall keep a record, by number, of all provisional absentee ballots and all paper absentee ballots used for any of the purposes listed in this subsection.

provisional voters.

(4) No later than the Friday preceding a special or regular election, the county clerk shall equip the voting machines with the necessary supplies for the purpose of write-in votes. The county clerk shall also attach a pencil or pen to the voting machine for write-in purposes.

Section 13. KRS 117.175 is amended to read as follows:

For provisional ballots and supplemental paper ballots, if they have been approved as provided in KRS 118.215, the instruction cards shall indicate the offices, candidates, and questions which will appear on the provisional ballots and supplemental paper ballots, and the instructions for marking and depositing the supplemental paper ballots, and instructions for filling out the provisional ballot and provisional voter affidavit described in Section 1 of this Act. The cards shall be examined and approved by the county board of elections at the time the machines are examined and approved. The cards shall be delivered to each election clerk by the county clerk at the time that other election supplies are delivered and the election clerk shall post the card at the polling place.

Section 14. KRS 117.187 is amended to read as follows:

Section 15. KRS 117.195 is amended to read as follows:

(1) At least one (1) hour prior to the opening of the polls, the county clerk shall deliver each machine, with the operating device and mechanism and the device covering the registering counters securely locked, to the clerk of the precinct in which it is to be used, and shall take a receipt indicating the distinguishing number of the machine. The clerk of the precinct shall cause the machine to be arranged in the voting place so that the front of the machine, on which appear the ballot labels and the operating devices, will not be visible, when being operated, to any person other than the voter.

(2) In polling places in which machines for multiple precincts are located, the county clerk shall post a sign near each machine identifying the precinct for which the machine has been designated.

(3) For provisional ballots, and supplemental paper ballots if approved as provided in KRS 118.215, the county clerk shall, at least one (1) hour prior to the opening of the polls, deliver:

Section 16. KRS 117.225 is amended to read as follows:

(1) Any person desiring to vote on election day shall give his or her name and address to the election clerk and shall provide proof of identification.

(2) If the voter's name is listed on the precinct list furnished by the State Board of Elections as provided in KRS 117.025, but the voter is unable to produce proof of identification, the voter may vote a provisional ballot under Section 1 of this Act as a provisional voter.

(3) A voter who votes in person at a precinct polling place that is located at a state licensed care facility where the voter resides is not required to provide proof of identification before voting in an election.

(4) If the voter's name is listed on the precinct list furnished by the State Board of Elections as provided in KRS 117.025, the voter provides proof of identification or is exempt pursuant to subsection (3) of this section, and if no challenge is made, then he or she shall sign his or her name on the precinct list in the space opposite his or her printed name. The voter's signature shall constitute
his verification that he is a properly registered and qualified voter. The voter shall then retire alone to cast his or her vote on the voting machine. The county board of elections may provide to each precinct the original registration form of each voter entitled to vote in that precinct. These forms shall be used to compare signatures in those precincts to which the forms are provided.

If supplemental paper ballots are used, as provided in KRS 118.215, after voting on the voting machine the voter shall take the supplemental paper ballot with the stub intact and retire alone to the voting booth provided for voting paper ballots. After voting the supplemental paper ballot, the voter shall remove the numbered stub, hand the stub to an election official and deposit the voted ballot in the locked supplemental paper ballot box in the presence of precinct election officials.

Section 17. KRS 117.227 is amended to read as follows:

Election officers shall confirm the identity of each voter by proof of identification as defined in Section 24 of this Act [personal acquaintance or by a document, such as a motor vehicle operator's license, Social Security card, any identification card that has been issued by the county and which has been approved in writing by the State Board of Elections, any identification card with picture and signature, any United States government issued identification card, any Kentucky state government issued identification card with picture, or credit card]. The election officer confirming the identity shall sign the precinct voter roster and list the method of proof of identification.

Section 18. KRS 117.245 is amended to read as follows:

(1) The fact that a person is registered constitutes only prima facie evidence of his right to vote and does not prevent the officers of any election from refusing to allow him to vote for cause.

(2) When the officers of an election disagree as to the qualifications of a voter or if his or her right to vote is disputed by a challenger other than for failure to provide proof of identification, the voter shall sign a written oath as to his or her
qualifications before he or she is permitted to vote. The oath shall be in such form as prescribed by the State Board of Elections and twenty (20) printed copies shall be included in the election supplies of each precinct.

(3) The subscribed oaths shall be returned to the county clerk who shall deliver them to the Commonwealth's attorney.

(4) The Commonwealth's attorney and county attorney shall investigate each of the oaths and cause to be summoned before the grand jury the witnesses they or either of them, deem proper, and the grand jury shall make a thorough investigation of all votes so cast, and return indictments against all persons illegally voting. The foreman of the grand jury shall return to the county clerk all of the oaths upon which no indictments are found. The county clerk shall safely keep them as a part of the records of his or her office, and shall produce any or all of them, when required, to any subsequent grand jury.

Section 19. KRS 117.255 is amended to read as follows:

(1) The voter shall be instructed by the officers of election, with the aid of the instruction cards and the model, in the use of the machine, if the voter so requests.

(2) Except for those voters who have been certified as requiring assistance on a permanent basis, no voter shall be permitted to receive any assistance in voting at the polls unless he or she makes and signs an oath that, because of blindness, other physical disability, or an inability to read English, he or she is unable to vote without assistance. The oath shall be upon a voter assistance form prescribed and furnished by the State Board of Elections. Any person assisting a voter shall complete the voter assistance form.

(3) Upon making and filing the oath with the precinct clerk, the voter requiring assistance shall retire to the voting machine or ballot completion area with the precinct judges, and one (1) of the judges shall, in the presence of the other judge and the voter, operate the machine or complete the ballot as the voter directs. A
voter requiring assistance in voting may, if he or she prefers, be assisted by a person of his or her own choice who is not an election officer, except that the voter's employer, an agent of the voter's employer, or an officer or agent of the voter's union shall not assist a voter.

(4) The precinct election clerk shall swear a person assisting a voter in voting to operate the voting machine or complete the ballot in accordance with the directions of the voter, and the person sworn shall enter the voting booth or ballot completion area and operate the machine or complete the ballot for the voter as the voter directs.

(5) A voter who requires voting assistance on a permanent basis because of blindness or other physical disability may apply to the county board of elections for certification. Application may be made when registering to vote or completing the voter assistance form by indicating that the reason for obtaining assistance is permanent. The county board of elections shall determine whether the applicant requires assistance on a permanent basis. The county board of elections shall notify the county clerk of persons certified as requiring permanent voting assistance and the county clerk shall enter the certification on the voter's registration record. The State Board of Elections shall indicate on the precinct roster of voters those voters who are certified to receive assistance permanently without signing the voter assistance form at the precinct.

(6) "Voting booth" or "ballot completion area" means an area in which a voter casts his or her vote or completes his or her ballot which is designed to insure the secrecy of the vote. No voter shall be assisted under this subsection unless the judges and the sheriff of election are satisfied of the truth of the facts stated in the oath. The voter shall state in his or her oath the specific reason that requires him or her to receive assistance.

(7) No voter shall be permitted to occupy the voting machine more than two (2) minutes if other voters are waiting to use it, except that those voters who because of
a disability need extra time to cast a ballot shall be given a reasonable amount of
time to vote.

(8) In primaries, before a voter is permitted to use the voting
machine, a judge of the election shall adjust the machine so that the voter will only
be able to vote for the persons for whom the voter is qualified to vote.

(9) If the machine is so constructed as to require adjustment after one (1) person has
voted before another person may vote, the judges of election shall adjust it after
each person has voted.

(10) The election officers shall constantly maintain a watch in order to prevent any
person from voting more than once.

(11) For voters voting as provisional voters, or if supplemental paper ballots have been
approved, the voter shall vote his or her provisional or supplemental ballot in privacy in a booth provided for that purpose by the county
clerk. If the voter spoils his or her ballot, the voter shall return the spoiled
paper ballot to an election official who shall stamp the ballot "Spoiled," initial and
place the spoiled ballot in an envelope provided for that purpose. The voter shall be
issued a second provisional or supplemental paper ballot. Upon completion of
voting, the voter shall remove the numbered stub from the ballot, hand the stub to
an election official and deposit the voted ballot in the appropriate locked ballot box
in the presence of precinct election officials.

(12) The election sheriff shall be responsible for reporting violations of this section.

Section 20. KRS 117.265 is amended to read as follows:

(1) A voter may, at any regular or special election, cast a write-in vote for any person
qualified as provided in subsection (2) or (3) of this section, whose name does not
appear upon the ballot label for any office, by writing the name of his or her choice
upon the appropriate device for the office being voted on provided on the voting
machine as required by KRS 117.125. Any candidate for city, county, urban-county,
consolidated local government, charter county government, or unified local
government office who is defeated in a partisan or nonpartisan primary shall be
ineligible as a candidate for the same office in the regular election. Any voter
utilizing a provisional ballot, a provisional absentee ballot, or an absentee ballot
for a regular or special election may write in a vote for any eligible person whose
name does not appear upon the ballot, by writing the name of his or her choice
under the office.

(2) Write-in votes shall be counted only for candidates for election to office who have
filed a declaration of intent to be a write-in candidate with the Secretary of State or
county clerk, depending on the office being sought, on or before the fourth Friday in
October preceding the date of the regular election and not later than the second
Friday before the date of a special election. In the case of a special election
administered under KRS 118.730, a declaration of intent to be a write-in candidate
shall be filed at least twenty-eight (28) days before the day of the election. The
declaration of intent shall be filed no earlier than the first Wednesday after the first
Monday in November of the year preceding the year the office will appear on the
ballot, and no later than 4 p.m. local time at the place of filing when filed on the last
date on which papers may be filed. The declaration of intent shall be on a form
prescribed and furnished by the Secretary of State.

(3) A person shall not be eligible as a write-in candidate:

(a) For more than one (1) office in a regular or special election; or

(b) If his or her name appears upon the ballot label for any office, except that the
candidate may file a notice of withdrawal prior to filing an intent to be a write-
in candidate for office when a vacancy in a different office occurs because of:

1. Death;

2. Disqualification to hold the office sought;

3. Severe disabling condition which arose after the nomination; or
4. The nomination of an unopposed candidate.

(4) Persons who wish to run for President and Vice-President shall file a declaration of intent to be a write-in candidate, along with a list of presidential electors pledged to those candidates, with the Secretary of State on or before the fourth Friday in October preceding the date of the regular election for those offices. The declaration of intent shall be filed no earlier than the first Wednesday after the first Monday in November of the year preceding the year the office will appear on the ballot, and no later than 4 p.m. local time at the place of filing when filed on the last date on which papers may be filed. Write-in votes cast for the candidates whose names appear on the ballot shall apply to the slate of pledged presidential electors, whose names shall not appear on the ballot.

(5) The county clerk shall provide to the precinct election officers certified lists of those persons who have filed declarations of intent as provided in subsections (2) and (3) of this section. Only write-in votes cast for qualified candidates shall be counted.

(6) Two (2) election officers of opposing parties shall upon the request of any voter instruct the voter on how to cast a write-in vote.

Section 21. KRS 117.275 is amended to read as follows:

(1) At the count of the votes in any precinct, any candidate or slate of candidates and any representatives to witness and check the count of the votes therein, who are authorized to be appointed as is provided in subsection (9) of this section, shall be admitted and be permitted to be present and witness the count.

(2) As soon as the polls are closed, and the last voter has voted, the judges shall immediately lock and seal the voting equipment so that the voting and counting mechanism will be prevented from operation, and they shall sign a certificate stating:

(a) That the voting equipment has been locked against voting and sealed;

(b) The number of voters, as shown on the public counters;
(c) The number registered on the protective or accumulative counter or device, if any; and

(d) The number or other designation of the voting equipment, which certificate shall be returned by the judges of election to the officials authorized by law to receive it. The judges shall compare the number of voters, as shown by the counter of the voting equipment, with the number of those who have voted as shown by the protective or accumulative counter or device, if any.

(3) Where voting equipment is used which does not print the candidates' names along with the total votes received on a general return sheet or record for that equipment, the procedure to be followed shall be as follows:

(a) The judges, in the presence of the representatives mentioned in subsection (1) of this section, if any, and of all other persons who may be lawfully within the polling place, shall give full view of all the counter numbers;

(b) The judges shall enter, in ink, the total votes cast for each candidate, and slate of candidates, and for and against each question on the return sheets; and

(c) Each precinct election officer shall sign the return sheets, and a copy of the return sheets shall be posted on the precinct door.

(4) Where voting equipment is used that prints the candidates' names along with the total votes received on a return sheet or record for that equipment, the precinct election officers shall sign the return sheets or record for the voting equipment, which shall be posted on the door of the precinct.

(5) If any officer shall decline to sign the return sheets, he or she shall state the reason in writing, and a copy thereof, signed by the officer, shall be enclosed with the return sheets.

(6) Each of the return sheets, if applicable, and the record of the voting equipment shall be enclosed in an envelope. One (1) copy of the return sheets, if applicable, one (1) copy of the record of the voting equipment, and the write-in roll, if any write-in
votes were cast in the precinct, shall be directed to the county board of elections of
the county in which the election is being held. One (1) copy of the return sheets or
record of the voting equipment shall be given to the county clerk of the county in
which the election is being held and to each of the local governing bodies of the two
(2) dominant political parties, but a local governing body of a dominant political
party may decline a copy of the precinct election return by filing a written
deciliation with the county board of elections prior to the election, and upon this
deciliation, a printed copy shall not be issued to the political party so declining. The
deciliation on file shall be effective for that election and any subsequent elections
until revoked by the local governing body of a dominant political party by filing a
written revocation with the county board of elections. The envelope shall have
endorsed thereon a certificate of the election officers, stating the number of the
machine, the precinct where it has been used, the number on the seal, and the
number on the protective or accumulative counter or device at the close of the polls.

(7) Following the tabulation of all votes cast in the election, including absentee votes,

provisional absentee votes, and write-in votes, the county board shall mail a copy of
the precinct-by-precinct summary of the tabulation sheets showing the results from
each precinct to the State Board of Elections and the county clerk shall mail or
deliver the precinct signature rosters from each precinct to the State Board of
Elections during the period established by KRS 117.355(3).

(8) As soon as possible after the completion of the count, the two (2) judges shall return
to the county board of elections the keys to the voting machine received and
receipted for by them, and the county clerk in which the precinct is located shall
have the voting machine properly boxed or securely covered and removed to a
proper and secure place of storage.

(9) In primaries, each candidate, slate of candidates, or group of candidates may
designate to the county board of elections a representative to witness and check the
vote count. In regular elections, the governing authority of each political party, each
candidate for member of board of education, nonpartisan candidate, independent
candidate, or independent ticket may designate a representative to the county board
of elections to witness and check the vote count. The county board of elections shall
authorize representatives of the news media to witness the vote count.

(10) **For all provisional ballots and** supplemental paper ballots, if they have been
approved, as provided in KRS 118.215, after the polls are closed, the two (2)
judges shall return to the county clerk's office the locked **provisional ballot box and
the supplemental paper** ballot box, all ballot stubs, spoiled ballots, and unvoted
ballots at the same time as the tabulation of votes from the voting machine is
delivered. The county clerk shall issue a receipt for the number of ballot stubs,
unvoted ballots, spoiled ballots, and the ballot **boxes**.

(11) The county board of elections, or its designee, shall count and tally the
**supplemental** paper ballots manually or with the use of tabulating equipment which
does not involve an additional voting system. The results of the vote tally shall be
certified by the county board of elections to the county clerk and to the Secretary of
State.

(12) **Following the period for verification of provisional ballots established in Section
2 of this Act, the county board of elections shall tabulate the provisional ballots
the board has found to be valid in the same manner as for supplemental paper
ballots. The results of the vote tally shall be certified by the county board of
elections to the county clerk and to the Secretary of State. The county board shall
mail a copy of the precinct-by-precinct summary of the valid provisional ballot
tabulation sheets showing the results from each precinct to the State Board of
Elections.**

(13) The county board of elections shall authorize the candidates, slates of
candidates, or their representatives, and representatives of the news media to be
present during the counting of the valid provisional ballots and the supplemental paper ballots.

Except as otherwise required in this chapter that certain records and papers relating to specified elections be retained for twenty-two (22) months, the county clerk shall retain the voted provisional ballots and the supplemental paper ballots for twenty-two (22) months and the unvoted provisional ballots and the supplemental paper ballots for sixty (60) days after each election day, after which time they shall be destroyed in a manner to render them unreadable by the county board of elections if no contest or recount action has been filed.

Section 22. KRS 117.305 is amended to read as follows:

(1) The canvass and returns provided for in KRS 117.275 shall constitute the official returns of the precinct, unless before 4 p.m. on the Tuesday following a primary or regular election, or before 4 p.m. on the day following a special election held for the purpose of filling a vacancy, the county clerk or county board of elections takes notice of a discrepancy in the tally of votes cast in any precinct or number of precincts, or a candidate makes a written request to the county board of elections in the case of a candidate who has filed with the county clerk, or the Secretary of State in the case of a candidate who has filed with the Secretary of State, to check and recanvass the voting machines, valid provisional ballots, valid provisional absentee ballots, and absentee ballots of any precinct or any number of precincts involving his or her race. After this time period has elapsed and notice is taken, the county board of elections shall assemble at 9 a.m. on the Thursday following the filing deadline to request a recanvass, and not sooner, and recheck and recanvass each machine and make a proper return thereof to the county clerk, and the canvass and return shall become the official returns for the election. In making the recanvass, the board shall make a record of the number of the seal upon the voting machine and, without unlocking the machine against voting, recanvass the vote cast
thereon. If, after a recanvass, it is found that the original canvass of the returns has been correctly made from the machine, and that there still remains a discrepancy unaccounted for, this discrepancy shall be noted. If, upon recanvass, it appears that the original canvass of the returns by the election officers was incorrect, the returns and all papers being prepared by the board shall be corrected accordingly. The county board of elections shall, immediately upon receipt of a request for a recanvass, notify each candidate for the office of the time and place of the recanvass. At the recanvass, each political party represented on the board may appoint a representative there to be its governing body, and also each candidate to be voted for may be present, either in person or by a representative or both. The county board of elections shall authorize representatives of the news media to observe the recanvass of the votes cast on the voting machine in each precinct. Nothing in this section shall prohibit an individual from requesting, in addition to a recanvass, a recount as authorized by KRS Chapter 120.

(2) The State Board of Elections shall prescribe and furnish forms to be used by county boards of election to report all recanvassed votes. The form shall include the following information:

(a) The name of the county in which the recanvass was conducted;
(b) The date of the report;
(c) The date of the election;
(d) The office for which the recanvass was conducted;
(e) The names of each candidate for the office being recanvassed; and
(f) The machine votes, absentee votes, valid and invalid provisional votes, valid and invalid provisional absentee votes, and vote totals for each candidate, as well as write-in votes cast in a regular or special election for candidates whose names did not appear on the ballot.

The report shall be signed by each member of the county board of elections.
(3) The county board of elections shall file its recanvass report as prescribed in administrative regulations promulgated by the State Board of Elections in conformity with KRS Chapter 13A.

(4) The State Board of Elections shall promulgate administrative regulations in accordance with KRS Chapter 13A to establish the proper procedures for conducting a recanvass for each type of voting system approved by the State Board of Elections and in use in Kentucky.

Section 23. KRS 117.365 is amended to read as follows:
