AN ACT relating to school safety and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.441 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

1. "Intervention services" means any preventive, developmental, corrective, supportive services or treatment provided to a student who is at risk of school failure, is at risk of participation in violent behavior or juvenile crime, or has been expelled from the school district. Services may include, but are not limited to, screening to identify students at risk for emotional disabilities and antisocial behavior; direct instruction in academic, social, problem solving, and conflict resolution skills; alternative educational programs; psychological services; identification and assessment of abilities; counseling services; medical services; day treatment; family services; work and community service programs;

2. "Kentucky State Police school resource officer" or "KSPSRO" means a Kentucky State Police officer, CVE R Class, or Trooper R Class, as defined in KRS 16.010, who is employed by a school district as a school resource officer, as defined in this section, through a contract as secondary employment for the officer;

3. "School activities" means official school functions held on school property, including student attendance days as defined in KRS 158.070, athletic events, and graduation;

4. "School property" means any public school building, public school vehicle, public school campus, grounds, recreational area, or athletic field in the charge of the school district;

5. "School resource officer" or "SRO" means an officer whose primary job function is to work with youth at a school site as described in Section 3 of this Act, who has specialized training to work with youth at a school site pursuant to Section 3 of this Act, and who is:
(a) 1. A sworn law enforcement officer; or
2. A special law enforcement officer appointed pursuant to KRS 61.902;

and

(b) Employed:

1. Through a contract between a local law enforcement agency and a school district;
2. Through a contract as secondary employment for an officer, as defined in KRS 16.010, between the Department of Kentucky State Police and a school district; or
3. Directly by a local board of education;

(6) "School safety" means a program of prevention that protects students and staff from substance abuse, violence, bullying, theft, the sale or use of illegal substances, exposure to weapons and threats on school grounds, and injury from severe weather, fire, and natural disasters; and

(7) "School security" means procedures followed and measures taken to ensure the security of school buildings, classrooms, and other school facilities and properties.

Section 2. KRS 158.4412 is amended to read as follows:

(1) Beginning with the 2019-2020 school year, each local school district superintendent shall appoint an individual to serve as the district's school safety coordinator and primary point of contact for public school safety and security functions.

(2) The district's school safety coordinator shall:

(a) Complete the school safety coordinator training program developed by the Center for School Safety within six (6) months of his or her date of appointment;

(b) Designate a school safety and security threat assessment team at each school of the district consisting of two (2) or more staff members in accordance with
policies and procedures adopted by the local board of education to identify
and respond to students exhibiting behavior that indicates a potential threat to
school safety or security. Members of a threat assessment team may include
school administrators, school counselors, school resource officers, school-

based mental health services providers, teachers, and other school personnel;

(c) Provide training to school principals within the district on procedures for
completion of the school security risk assessment required pursuant to KRS
158.4410;

(d) Review all school security risk assessments completed within the district and
prescribe recommendations as needed in consultation with the state school
security marshal;

(e) Advise the local school district superintendent by July 1, 2021, and annually
thereafter of completion of required security risk assessments;

(f) Formulate recommended policies and procedures, which shall be excluded
from the application of KRS 61.870 to 61.884, for an all-hazards approach
including conducting emergency response drills for hostage, active shooter,
and building lockdown situations in consultation and coordination with
appropriate public safety agencies to include but not be limited to fire, police,
and emergency medical services for review and adoption as part of the school
emergency plan required by KRS 158.162. The recommended policies shall
encourage the involvement of students, as appropriate, in the development of
the school's emergency plan; and

(g) Ensure each school campus is toured at least once per school year, in
consultation and coordination with appropriate public safety agencies, to
review policies and procedures and provide recommendations related to
school safety and security.

(3) The school district, school safety coordinator, and any school employees
participating in the activities of a school safety and security threat assessment team, acting in good faith upon reasonable cause in the identification of students pursuant to subsection (2)(b) of this section shall be immune from any civil or criminal liability that might otherwise be incurred or imposed from:

(a) Identifying the student and implementing a response pursuant to policies and procedures adopted under subsection (2)(b) of this section; or

(b) Participating in any judicial proceeding that results from the identification.

Section 3. KRS 158.4414 is amended to read as follows:

(1) Local boards of education, school district superintendents, administrators of state controlled facilities, and local and state law enforcement agencies shall cooperate to assign one (1) or more certified school resource officers to serve each campus where one (1) or more school buildings are used to deliver instruction to students on a continuous basis, as funds and qualified personnel become available.

(2) Local boards of education utilizing a school resource officer employed by a law enforcement agency or the Department of Kentucky State Police shall enter into a memorandum of understanding with the law enforcement agency or the Department of Kentucky State Police that specifically states the purpose of the school resource officer program and clearly defines the roles and expectations of each party involved in the program. The memorandum shall provide that the school resource officer shall not be responsible for school discipline matters that are the responsibility of school administrators or school employees.

(3) Local boards of education utilizing a school resource officer employed directly by the local board of education shall adopt policies and procedures that specifically state the purpose of the school resource officer program and clearly define the roles and expectations of school resource officers and other school employees.

(4) In accordance with KRS 61.926, 527.020, and 527.070, as applicable, each school
resource officer shall be armed with a firearm, notwithstanding any provision of
local board policy, local school council policy, or memorandum of agreement.

(5) On or before January 1, 2020, the Kentucky Law Enforcement Council, in
collaboration with the Center for School Safety, shall promulgate administrative
regulations in accordance with KRS Chapter 13A to establish three (3) levels of
training for certification of school resource officers first employed as a school
resource officer on or after March 11, 2019: School Resource Officer Training I
(SRO I), School Resource Officer Training II (SRO II), and School Resource
Officer Training III (SRO III). Each level shall consist of forty (40) hours of
training, with SRO I to be completed within one (1) year of the date of the officer's
employment and SRO II and SRO III within the subsequent two (2) years.

(6)(5) Course curriculum for school resource officers employed on or after March
11, 2019, shall include but not be limited to:
(a) Foundations of school-based law enforcement;
(b) Threat assessment and response;
(c) Youth drug use and abuse;
(d) Social media and cyber security;
(e) School resource officers as teachers and mentors;
(f) Youth mental health awareness;
(g) Diversity and bias awareness training;
(h) Trauma-informed action;
(i) Understanding students with special needs; and
(j) De-escalation strategies.

(7)(6) Effective January 1, 2020, all school resource officers with active school
resource officer certification status shall successfully complete forty (40) hours of
annual in-service training that has been certified or recognized by the Kentucky Law
Enforcement Council for school resource officers.
In the event of extenuating circumstances beyond the control of an officer that prevent the officer from completing the in-service training within one (1) year, the commissioner of the Department of Criminal Justice Training or a designee may grant the officer an extension of time, not to exceed one hundred eighty (180) days, in which to complete the training.

Any school resource officer who fails to successfully complete training requirements within the specified time periods, including any approved time extensions, shall lose his or her school resource officer certification and shall no longer serve in the capacity of a school resource officer in a school.

When a school resource officer is deficient in required training, the commissioner of the Department of Criminal Justice Training or his or her designee shall notify the council, which shall notify the officer and the officer's employing agency.

A school resource officer who has lost school resource officer certification due solely to the officer's failure to meet the training requirements of this section may regain certification status as a school resource officer and may resume service in the capacity of a school resource officer in a school setting upon successful completion of the training deficiency.

No later than November 1 of each year, the local school district superintendent shall report to the Center for School Safety the number and placement of school resource officers in the district. The report shall include the source of funding and method of employment for each position.

Section 4. KRS 158.4416 is amended to read as follows:

For purposes of this section:

"School counselor" means an individual who holds a valid school counselor certificate issued in accordance with the administrative regulations of the Education Professional Standards Board;
(b) "School-based mental health services provider" means a licensed or certified school counselor, school psychologist, school social worker, or other qualified mental health professional as defined in KRS 202A.011; and

(c) "Trauma-informed approach" means incorporating principles of trauma awareness and trauma-informed practices, as recommended by the federal Substance Abuse and Mental Health Services Administration, in a school in order to foster a safe, stable, and understanding learning environment for all students and staff and ensuring that all students are known well by at least one (1) adult in the school setting.

(2) The General Assembly recognizes that all schools must provide a place for students to feel safe and supported to learn throughout the school day, and that any trauma a student may have experienced can have a significant impact on the ability of a student to learn. The General Assembly directs all public schools to adopt a trauma-informed approach to education in order to better recognize, understand, and address the learning needs of students impacted by trauma and to foster a learning environment where all students, including those who have been traumatized, can be safe, successful, and known well by at least one (1) adult in the school setting.

(3) (a) Beginning July 1, 2021, or as funds and qualified personnel become available:

1. Each school district and each public charter school shall employ at least one (1) school counselor in each school with the goal of having one (1) school counselor for every two hundred fifty (250) students and the school counselor spending sixty percent (60%) or more of his or her time providing counseling and related services directly to students; and

2. It shall be the goal that each school district and each public charter school shall provide at least one (1) school counselor or school-based
mental health services provider who is employed by the school district
for every two hundred fifty (250) students, including but not limited to
the school counselor required in subparagraph 1. of this paragraph.

(b) A school counselor or school-based mental health services provider at each
school shall facilitate the creation of a trauma-informed team to identify and
assist students whose learning, behavior, and relationships have been
impacted by trauma. The trauma-informed team may consist of school
administrators, school counselors, school-based mental health services
providers, family resource and youth services coordinators, school nurses, and
any other school or district personnel.

(c) Each school counselor or school-based mental health services provider
providing services pursuant to this section, and the trauma-informed team
members described in paragraph (b) of this subsection, shall provide training,
guidance, and assistance to other administrators, teachers, and staff on:

1. Recognizing symptoms of trauma in students;
2. Utilizing interventions and strategies to support the learning needs of
   those students; and
3. Implementing a plan for a trauma-informed approach as described in
   subsection (5) of this section.

(d) 1. School districts may employ or contract for the services of school-based
mental health services providers to assist with the development and
implementation of a trauma-informed approach and the development of
a trauma-informed team pursuant to this subsection and to enhance or
expand student mental health support services as funds and qualified
personnel become available.
2. School-based mental health services providers may provide services
   through a collaboration between two (2) or more school districts or
between school districts and educational cooperatives or any other public or private entities, including but not limited to local or regional mental health day treatment programs.

(e) No later than November 1, 2019, and each subsequent year, the local school district superintendent shall report to the department the number and placement of school counselors in the district. The report shall include the source of funding for each position, as well as a summary of the job duties and work undertaken by each counselor and the approximate percent of time devoted to each duty over the course of the year.

(4) On or before July 1, 2020, the Department of Education shall make available a toolkit that includes guidance, strategies, behavioral interventions, practices, and techniques to assist school districts and public charter schools in developing a trauma-informed approach in schools.

(5) On or before July 1, 2021, each local board of education and board of a public charter school shall develop a plan for implementing a trauma-informed approach in its schools. The plan shall include but not be limited to strategies for:

(a) Enhancing trauma awareness throughout the school community;

(b) Conducting an assessment of the school climate, including but not limited to inclusiveness and respect for diversity;

(c) Developing trauma-informed discipline policies;

(d) Collaborating with the Department of Kentucky State Police, the local sheriff, and the local chief of police to create procedures for notification of trauma-exposed students [student involved trauma]; and

(e) Providing services and programs designed to reduce the negative impact of trauma, support critical learning, and foster a positive and safe school environment for every student.

Section 5. KRS 16.128 is amended to read as follows:
(1) The Department of Kentucky State Police is encouraged to receive training on issues pertaining to school and student safety and shall be invited to meet annually with local superintendents to discuss emergency response plans and emergency response concerns.

(2) The Department of Kentucky State Police is encouraged to collaborate with local school districts on policies and procedures for communicating to the school district any instances of trauma-exposed students [student-involved trauma].

Section 6. KRS 61.315 is amended to read as follows:

(1) As used in this section:

(a) "Police officer" means every paid police officer, sheriff, or deputy sheriff, corrections employee with the power of a peace officer pursuant to KRS 196.037, any metropolitan or urban-county correctional officer with the power of a peace officer pursuant to KRS 446.010, any jailer or deputy jailer, any auxiliary police officer appointed pursuant to KRS 95.445, any police officer of a public institution of postsecondary education appointed pursuant to KRS 164.950, any school resource officer as defined in Section 1 of this Act, or any citation or safety officer appointed pursuant to KRS 83A.087 and 83A.088, elected to office, or employed by any county, airport board created pursuant to KRS Chapter 183, city, local board of education, or by the state;

(b) "Firefighter" means every paid firefighter or volunteer firefighter who is employed by or volunteers his or her services to the state, airport board created pursuant to KRS Chapter 183, any county, city, fire district, or any other organized fire department recognized, pursuant to KRS 95A.262, as a fire department operated and maintained on a nonprofit basis in the interest of the health and safety of the inhabitants of the Commonwealth and shall include qualified civilian firefighters employed at Kentucky-based military installations; and
(c) "Emergency medical services personnel" means any paid or volunteer emergency medical services personnel who is certified or licensed pursuant to KRS Chapter 311A and who is employed directly by, or volunteering directly for, any:

1. County;
2. City;
3. Fire protection district created under KRS 75.010 to 75.260; or
4. Emergency ambulance service district created under KRS 108.080 to 108.180;

...
($80,000) if there are no surviving children, which sum shall be paid by the State Treasurer from the general fund of the State Treasury. If there are surviving children and a surviving spouse, the payment shall be apportioned equally among the surviving children and the spouse. If there is no surviving spouse, the payment shall be made to the surviving children, eighteen (18) or more years of age. For surviving children less than eighteen (18) years of age, the State Treasurer shall:

(a) Pay thirty-five thousand dollars ($35,000) to the surviving children; and

(b) Hold forty-five thousand dollars ($45,000) in trust divided into equal accounts at appropriate interest rates for each surviving child until the child reaches the age of eighteen (18) years.

If a child dies before reaching the age of eighteen (18) years, his or her account shall be paid to his or her estate. If there are no surviving children, the payment shall be made to any parents of the deceased.

(3) The Commission on Fire Protection Personnel Standards and Education shall be authorized to promulgate administrative regulations establishing criteria and procedures applicable to the administration of this section as it pertains to both paid and volunteer firefighters, including but not limited to defining when a firefighter has died in line of duty. Administrative hearings promulgated by administrative regulation under authority of this subsection shall be conducted in accordance with KRS Chapter 13B.

(4) The Justice and Public Safety Cabinet may promulgate administrative regulations establishing criteria and procedures applicable to the administration of this section as it pertains to police officers, any metropolitan or urban-county correctional officers with the power of a peace officer pursuant to KRS 446.010, any school resource officer as defined in Section 1 of this Act, or any jailers or deputy jailers, including but not limited to defining when one has died in line of duty. Administrative hearings promulgated by administrative regulation under authority
of this subsection shall be conducted in accordance with KRS Chapter 13B.

(5) The Department of Corrections shall promulgate administrative regulations establishing the criteria and procedures applicable to the administration of this section as it pertains to correctional employees, including but not limited to defining which employees qualify for coverage and which circumstances constitute death in the line of duty.

(6) The Kentucky Board of Emergency Medical Services shall promulgate administrative regulations establishing the criteria and procedures applicable to the administration of this section as it pertains to emergency medical services personnel, including but not limited to which employees or volunteers qualify for coverage and which circumstances constitute death in the line of duty.

(7) The Department of Military Affairs shall promulgate administrative regulations establishing the criteria and procedures applicable to the administration of this section as it pertains to National Guard or Reserve component members, including but not limited to defining which National Guard or Reserve component members qualify for coverage and which circumstances constitute death in the line of duty.

(8) The estate of anyone whose spouse or surviving children would be eligible for benefits under subsection (2) of this section, and the estate of any regular member of the United States Armed Forces who names Kentucky as home of record for military purposes whose death occurs as a direct result of an act in the line of duty, shall be exempt from all probate fees, including but not limited to those established by the Supreme Court of Kentucky pursuant to KRS 23A.200 and 24A.170, or imposed under KRS 24A.185, 64.012, and 172.180.

(9) The benefits payable under this section shall be in addition to any benefits now or hereafter prescribed under any police, sheriff, firefighter's, volunteer firefighter's, emergency medical services personnel, or National Guard or Reserve retirement or benefit fund established by the federal government or by any state, county, or any
municipality.

(10) Any funds appropriated for the purpose of paying the death benefits described in subsection (2) of this section shall be allotted to a self-insuring account. These funds shall not be used for the purpose of purchasing insurance.

(11) (a) For the purposes of this section, if a firefighter dies as a result of cancer, the death shall be a direct result of an act in the line of duty if the firefighter:

1. Was a firefighter for at least five (5) consecutive years;
2. Developed one (1) or more of the cancers listed in paragraph (b) of this subsection which caused the firefighter's death within ten (10) years of separation from service as a firefighter;
3. Did not use tobacco products for a period of ten (10) years prior to the diagnosis of cancer;
4. Was under the age of sixty-five (65) at the time of death;
5. Was not diagnosed with any cancer prior to employment as a firefighter; and
6. Was exposed while in the course of firefighting to a known carcinogen as defined by the International Agency for Research on Cancer or the National Toxicology Program, and the carcinogen is reasonably associated with one (1) or more of the cancers listed in paragraph (b) of this subsection.

(b) This section shall apply to the following cancers:

1. Bladder cancer;
2. Brain cancer;
3. Colon cancer;
4. Non-Hodgkin's lymphoma;
5. Kidney cancer;
6. Liver cancer;
7. Lymphatic or haematopoietic cancer;
8. Prostate cancer;
9. Testicular cancer;
10. Skin cancer;
11. Cervical cancer; and

c) 1. The provisions of this subsection creating an entitlement to the line of
duty death benefits shall apply exclusively to this section and shall not be interpreted or otherwise construed to create either an express or implied presumption of work-relatedness for any type of claim filed pursuant to KRS Chapter 342.

2. This paragraph is intended to provide clarification regarding the sole and exclusive application of this subsection to only the benefits available under this section and shall not be used as a bar or other type of limitation to impair or alter the rights and ability of a claimant to prove work-relatedness under KRS Chapter 342 or other laws.

Section 7. KRS 61.902 is amended to read as follows:

(1) The secretary of the Justice and Public Safety Cabinet may commission special law enforcement officers, for such time as he or she deems necessary, to protect and to enforce the law on public property.

(2) Notwithstanding subsection (1) of this section, in the case of a special law enforcement officer employed as a school resource officer, the commission shall be for four (4) years, provided the officer continues to meet all statutory and regulatory requirements.

(3) Upon application of a unit or agency of state, county, city or metropolitan government, the secretary may appoint those persons recommended by the unit or agency who satisfy the requirements of KRS 61.900 to 61.930.
Section 8. KRS 70.062 is amended to read as follows:

(1) The sheriff in each county is encouraged to receive training on issues pertaining to school and student safety, and shall be invited to meet annually with local school superintendents to discuss emergency response plans and emergency response concerns.

(2) The sheriff in each county is encouraged to collaborate with the local school district on policies and procedures for communicating to the school district any instances of trauma-exposed students

Section 9. KRS 95.970 is amended to read as follows:

(1) The chief of police in each city is encouraged to receive training on issues pertaining to school and student safety and shall be invited to meet annually with local superintendents to discuss emergency response plans and emergency response concerns.

(2) The chief of police in each city is encouraged to collaborate with the local school district on policies and procedures for communicating to the school district any instances of trauma-exposed students

Section 10. KRS 156.095 is amended to read as follows:

(1) The Kentucky Department of Education shall establish, direct, and maintain a statewide program of professional development to improve instruction in the public schools.

(2) Each local school district superintendent shall appoint a certified school employee to fulfill the role and responsibilities of a professional development coordinator who shall disseminate professional development information to schools and personnel. Upon request by a school council or any employees of the district, the coordinator shall provide technical assistance to the council or the personnel that may include assisting with needs assessments, analyzing school data, planning and evaluation assistance, organizing districtwide programs requested by school councils or groups
of teachers, or other coordination activities.

(a) The manner of appointment, qualifications, and other duties of the professional development coordinator shall be established by Kentucky Board of Education through promulgation of administrative regulations.

(b) The local district professional development coordinator shall participate in the Kentucky Department of Education annual training program for local school district professional development coordinators. The training program may include, but not be limited to, the demonstration of various approaches to needs assessment and planning; strategies for implementing long-term, school-based professional development; strategies for strengthening teachers' roles in the planning, development, and evaluation of professional development; and demonstrations of model professional development programs. The training shall include information about teacher learning opportunities relating to the core content standards. The Kentucky Department of Education shall regularly collect and distribute this information.

(3) The Kentucky Department of Education shall provide or facilitate optional, professional development programs for certified personnel throughout the Commonwealth that are based on the statewide needs of teachers, administrators, and other education personnel. Programs may include classified staff and parents when appropriate. Programs offered or facilitated by the department shall be at locations and times convenient to local school personnel and shall be made accessible through the use of technology when appropriate. They shall include programs that: address the goals for Kentucky schools as stated in KRS 158.6451, including reducing the achievement gaps as determined by an equity analysis of the disaggregated student performance data from the state assessment program developed under KRS 158.6453; engage educators in effective learning processes and foster collegiality and collaboration; and provide support for staff to incorporate
newly acquired skills into their work through practicing the skills, gathering
information about the results, and reflecting on their efforts. Professional
development programs shall be made available to teachers based on their needs
which shall include but not be limited to the following areas:

(a) Strategies to reduce the achievement gaps among various groups of students
and to provide continuous progress;

(b) Curriculum content and methods of instruction for each content area,
including differentiated instruction;

(c) School-based decision making;

(d) Assessment literacy;

(e) Integration of performance-based student assessment into daily classroom
instruction;

(f) Nongraded primary programs;

(g) Research-based instructional practices;

(h) Instructional uses of technology;

(i) Curriculum design to serve the needs of students with diverse learning styles
and skills and of students of diverse cultures;

(j) Instruction in reading, including phonics, phonemic awareness,
comprehension, fluency, and vocabulary;

(k) Educational leadership; and

(l) Strategies to incorporate character education throughout the curriculum.

(4) The department shall assist school personnel in assessing the impact of professional
development on their instructional practices and student learning.

(5) The department shall assist districts and school councils with the development of
long-term school and district improvement plans that include multiple strategies for
professional development based on the assessment of needs at the school level.

(a) Professional development strategies may include, but are not limited to,
participation in subject matter academies, teacher networks, training institutes, workshops, seminars, and study groups; collegial planning; action research; mentoring programs; appropriate university courses; and other forms of professional development.

(b) In planning the use of the four (4) days for professional development under KRS 158.070, school councils and districts shall give priority to programs that increase teachers' understanding of curriculum content and methods of instruction appropriate for each content area based on individual school plans. The district may use up to one (1) day to provide district-wide training and training that is mandated by state or federal law. Only those employees identified in the mandate or affected by the mandate shall be required to attend the training.

(c) State funds allocated for professional development shall be used to support professional development initiatives that are consistent with local school improvement and professional development plans and teachers' individual growth plans. The funds may be used throughout the year for all staff, including classified and certified staff and parents on school councils or committees. A portion of the funds allocated to each school council under KRS 160.345 may be used to prepare or enhance the teachers' knowledge and teaching practices related to the content and subject matter that are required for their specific classroom assignments.

(6) (a) By August 1, 2010, the Kentucky Cabinet for Health and Family Services shall post on its Web page suicide prevention awareness information, to include recognizing the warning signs of a suicide crisis. The Web page shall include information related to suicide prevention training opportunities offered by the cabinet or an agency recognized by the cabinet as a training provider.
(b) By September 15 of each year, every public school shall provide suicide prevention awareness information in person, by live streaming, or via a video recording to all students in grades six (6) through twelve (12). The information may be obtained from the Cabinet for Health and Family Services or from a commercially developed suicide prevention training program.

(c) 1. Beginning with the 2018-2019 school year, and every other year thereafter, a minimum of one (1) hour of high-quality suicide prevention training, including the recognition of signs and symptoms of possible mental illness, shall be required for all school district employees with job duties requiring direct contact with students in grades six (6) through twelve (12). The training shall be provided either in person, by live streaming, or via a video recording and may be included in the four (4) days of professional development under KRS 158.070.

2. When a staff member subject to the training under subparagraph 1. of this paragraph is initially hired during a school year in which the training is not required, the local district shall provide suicide prevention materials to the staff member for review.

(d) The requirements of paragraphs (b) and (c) of this subsection shall apply to public charter schools as a health and safety requirement under KRS 160.1592(1).

(7) (a) By November 1, 2019, and November 1 of each year thereafter, a minimum of one (1) hour of training on how to respond to an active shooter situation shall be required for all school district employees with job duties requiring direct contact with students. The training shall be provided either in person, by live streaming, or via a video recording prepared by the Kentucky Department of Criminal Justice Training in collaboration with the Kentucky Law Enforcement Council, the Kentucky
Department of Education, and the Center for School Safety and may be included in the four (4) days of professional development under KRS 158.070.

(b) When a staff member subject to the training requirements of this subsection is initially hired after the training has been provided for the school year, the local district shall provide materials on how to respond to an active shooter situation.

(c) The requirements of this subsection shall also apply to public charter schools as a health and safety requirement under KRS 160.1592(1).

(8) (a) The Kentucky Department of Education shall develop and maintain a list of approved comprehensive evidence-informed trainings on child abuse and neglect prevention, recognition, and reporting that encompass child physical, sexual, and emotional abuse and neglect.

(b) The trainings shall be Web-based or in-person and cover, at a minimum, the following topics:

1. Recognizing child physical, sexual, and emotional abuse and neglect;
2. Reporting suspected child abuse and neglect in Kentucky as required by KRS 620.030 and the appropriate documentation;
3. Responding to the child; and
4. Understanding the response of child protective services.

(c) The trainings shall include a questionnaire or other basic assessment tool upon completion to document basic knowledge of training components.

(d) Each local board of education shall adopt one (1) or more trainings from the list approved by the Department of Education to be implemented by schools.

(e) All current school administrators, certified personnel, office staff, instructional assistants, and coaches and extracurricular sponsors who are employed by the school district shall complete the implemented training or trainings by January 31, 2017, and then every two (2) years after.
(f) All school administrators, certified personnel, office staff, instructional assistants, and coaches and extracurricular sponsors who are employed by the school district hired after January 31, 2017, shall complete the implemented training or trainings within ninety (90) days of being hired and then every two (2) years after.

(g) Every public school shall prominently display the statewide child abuse hotline number administered by the Cabinet for Health and Family Services, and the National Human Trafficking Reporting Hotline number administered by the United States Department for Health and Human Services.

(9) The Department of Education shall establish an electronic consumer bulletin board that posts information regarding professional development providers and programs as a service to school district central office personnel, school councils, teachers, and administrators. Participation on the electronic consumer bulletin board shall be voluntary for professional development providers or vendors, but shall include all programs sponsored by the department. Participants shall provide the following information: program title; name of provider or vendor; qualifications of the presenters or instructors; objectives of the program; program length; services provided, including follow-up support; costs for participation and costs of materials; names of previous users of the program, addresses, and telephone numbers; and arrangements required. Posting information on the bulletin board by the department shall not be viewed as an endorsement of the quality of any specific provider or program.

(10) The Department of Education shall provide training to address the characteristics and instructional needs of students at risk of school failure and most likely to drop out of school. The training shall be developed to meet the specific needs of all certified and classified personnel depending on their relationship with these students. The training for instructional personnel shall be designed to provide and
enhance skills of personnel to:

(a) Identify at-risk students early in elementary schools as well as at-risk and potential dropouts in the middle and high schools;

(b) Plan specific instructional strategies to teach at-risk students;

(c) Improve the academic achievement of students at risk of school failure by providing individualized and extra instructional support to increase expectations for targeted students;

(d) Involve parents as partners in ways to help their children and to improve their children's academic progress; and

(e) Significantly reduce the dropout rate of all students.

(11) The department shall establish teacher academies to the extent funding is available in cooperation with postsecondary education institutions for elementary, middle school, and high school faculty in core disciplines, utilizing facilities and faculty from universities and colleges, local school districts, and other appropriate agencies throughout the state. Priority for participation shall be given to those teachers who are teaching core discipline courses for which they do not have a major or minor or the equivalent. Participation of teachers shall be voluntary.

(12) The department shall annually provide to the oversight council established in KRS 15A.063, the information received from local schools pursuant to KRS 158.449.

Section 11. KRS 158.162 is amended to read as follows:

(1) As used in this section:

(a) "Emergency management response plan" or "emergency plan" means a written document to prevent, mitigate, prepare for, respond to, and recover from emergencies; and

(b) "First responders" means local fire, police, and emergency medical personnel.

(2) (a) Each local board of education shall require the school council or, if none exists, the principal in each public school building in its jurisdiction to adopt
an emergency plan to include procedures to be followed in case of fire, severe
weather, or earthquake, or if a building lockdown as defined in KRS 158.164
is required.

(b) Following adoption, the emergency plan, along with a diagram of the facility,
shall be provided to appropriate first responders.

(c) The emergency plan shall be reviewed following the end of each school year
by the school council, the principal, and first responders and shall be revised
as needed.

(d) The principal shall discuss the emergency plan with all school staff prior to
the first instructional day of each school year and shall document the time and
date of any discussion.

(e) The emergency plan and diagram of the facility shall be excluded from the
application of KRS 61.870 to 61.884.

(3) Each local board of education shall require the school council or, if none exists, the
principal in each public school building to:

(a) Establish primary and secondary evacuation routes for all rooms located
within the school and shall post the routes in each room by any doorway used
for evacuation;

(b) Identify the best available severe weather safe zones, in consultation with
local and state safety officials and informed by guiding principles set forth by
the National Weather Service and the Federal Emergency Management
Agency, and post the location of safe zones in each room of the school;

(c) Develop practices for students to follow during an earthquake; and

(d) Develop and adhere to practices to control the access to each school building.
Practices shall include but not be limited to:

1. Controlling outside access to exterior doors during the school day;

2. Controlling the main entrance of the school with electronically locking
doors, a camera, and an intercom system;

3. Controlling access to individual classrooms;

4. Requiring classroom doors to be equipped with hardware that allows the door to be locked from the outside but opened from the inside;

5. Requiring classroom doors to remain closed and locked during instructional time, except:

a. In instances in which only one (1) student and one (1) adult are in the classroom; or

b. When approved in writing by the state school security marshal;

6. Requiring classroom doors with windows to be equipped with material to quickly cover the window during a building lockdown;

7. Requiring all visitors to report to the front office of the building, provide valid identification, and state the purpose of the visit; and

8. Providing a visitor's badge to be visibly displayed on a visitor's outer garment.

(4) All schools shall be in compliance with the provisions of subsection (3)(d) of this section as soon as practicable but no later than July 1, 2022.

(5) Each local board of education shall require the principal in each public school building in its jurisdiction to conduct, at a minimum, emergency response drills to include one (1) severe weather drill, one (1) earthquake drill, and one (1) lockdown drill within the first thirty (30) instructional days of each school year and again during the month of January. Required fire drills shall be conducted according to administrative regulations promulgated by the Department of Housing, Buildings and Construction. Whenever possible, first responders shall be invited to observe emergency response drills.

(6) No later than November 1 of each school year, a local district superintendent shall send verification to the Kentucky Department of Education that all schools within
the district are in compliance with the requirements of this section.

(7) A district with a school not in compliance with the requirements of subsection (3)(d) of this section by July 1, 2022, shall not be eligible for approval by the Kentucky Department of Education for new building construction or expansion in the 2022-2023 school year and any subsequent year without verification of compliance, except for facility improvements that specifically address the school safety and security requirements of this section, or when deemed necessary in essential cases, for the protection of student or staff health and safety, or to comply with other legal requirements or orders.

Section 12. KRS 508.078 is amended to read as follows:

(1) A person is guilty of terroristic threatening in the second degree when, other than as provided in KRS 508.075, he or she intentionally:

(a) With respect to any scheduled, publicly advertised event open to the public, any place of worship, or any school function, threatens to commit any act likely to result in death or serious physical injury to any person at a scheduled, publicly advertised event open to the public, any person at a place of worship, or any student group, teacher, volunteer worker, or employee of a public or private elementary or secondary school, vocational school, or institution of postsecondary education, or to any other person reasonably expected to lawfully be on school property or at a school-sanctioned activity, if the threat is related to their employment by a school, or work or attendance at school, or a school function. A threat directed at a person or persons at a scheduled, publicly advertised event open to the public, place of worship, or school does not need to identify a specific person or persons or school in order for a violation of this section to occur;

(b) Makes false statements by any means, including by electronic communication, indicating that an act likely to result in death or serious physical injury is
occurring or will occur for the purpose of:

1. Causing evacuation of a school building, school property, or school-sanctioned activity;
2. Causing cancellation of school classes or school-sanctioned activity; or
3. Creating fear of death or serious physical injury[serious bodily harm] among students, parents, or school personnel;

(c) Makes false statements that he or she has placed a weapon of mass destruction at any location other than one specified in KRS 508.075; or

(d) Without lawful authority places a counterfeit weapon of mass destruction at any location other than one specified in KRS 508.075.

(2) A counterfeit weapon of mass destruction is placed with lawful authority if it is placed as part of an official training exercise by a public servant, as defined in KRS 522.010.

(3) A person is not guilty of commission of an offense under this section if he or she, innocently and believing the information to be true, communicates a threat made by another person to school personnel, a peace officer, a law enforcement agency, a public agency involved in emergency response, or a public safety answering point and identifies the person from whom the threat was communicated, if known.

(4) Except as provided in subsection (5) of this section, terroristic threatening in the second degree is a Class D felony.

(5) Terroristic threatening in the second degree is a Class C felony when, in addition to violating subsection (1) of this section, the person intentionally engages in substantial conduct required to prepare for or carry out the threatened act, including but not limited to gathering weapons, ammunition, body armor, vehicles, or materials required to manufacture a weapon of mass destruction.

Section 13. Whereas school safety continues to be a top priority for the General Assembly, an emergency is declared to exist, and this Act takes effect upon its passage
and approval by the Governor or upon its otherwise becoming a law.
