20 ➔SECTION 2. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO
 21 READ AS FOLLOWS:

22 (1) The cabinet, in consultation with the Division of Telehealth Services within the
 23 Office of Health Data and Analytics as established in Section 5 of this Act, shall:

24 (a) Provide guidance and direction to providers delivering health care services
 25 using telehealth or digital health;

26 (b) Promote access to health care services provided via telehealth or digital
 27 health;

- 1 (c) Maintain an online telehealth provider directory for consumer use; and
2 (d) No later than thirty (30) days after the effective date of this Act, promulgate
3 administrative regulations in accordance with KRS Chapter 13A to:
- 4 1. Establish a glossary of telehealth terminology to provide standard
5 definitions for all healthcare providers who deliver health care
6 services via telehealth, all state agencies authorized or required to
7 promulgate administrative regulations relating to telehealth, and all
8 payors;
 - 9 2. Establish minimum requirements for the proper use and security of
10 telehealth including requirements for confidentiality and data
11 integrity, privacy and security, informed consent, privileging and
12 credentialing, reimbursement, and technology;
 - 13 3. Establish minimum requirements to prevent waste, fraud, and abuse
14 related to telehealth; and
 - 15 4. Maintain the discretion of state agencies authorized or required to
16 promulgate administrative regulations relating to telehealth to
17 establish requirements to authorize, prohibit, or otherwise govern the
18 use of telehealth in accordance with the state agencies' respective
19 jurisdictions.
- 20 (2) In order to comply with the deadline for the promulgation of administrative
21 regulations established in subsection (1)(d) of this section, the cabinet may
22 promulgate emergency administrative regulations in accordance with KRS
23 13A.190.
- 24 (3) The cabinet, in consultation with the Department for Medicaid Services and any
25 managed care organization with whom the department contracts for the delivery
26 of Medicaid services, shall study the impact of telehealth on the health care
27 delivery system in Kentucky and shall submit an annual report to the Legislative

1 Research Commission no later than December 1 of each year. This report shall
 2 include analysis of:

3 (a) The economic impact of telehealth on the Medicaid budget, including any
 4 costs or savings as a result of decreased transportation expenditures and
 5 office or emergency room visits;

6 (b) The quality of care as a result of telehealth services;

7 (c) Reimbursement and delivery of telehealth among all managed care
 8 organizations with whom the department contracts for the delivery of
 9 Medicaid services; and

10 (d) Any other issues deemed relevant by the cabinet, including any issues or
 11 information deemed relevant by the Division of Telehealth Services
 12 pursuant to subsection (4) of Section 5 of this Act.

13 ➔SECTION 3. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO
 14 READ AS FOLLOWS:

15 If a state agency authorized or required to promulgate administrative regulations
 16 relating to telehealth chooses to promulgate an administrative regulation relating to
 17 telehealth, the state agency:

18 (1) Shall:

19 (a) Use terminology consistent with the glossary of telehealth terminology
 20 established by the cabinet pursuant to Section 2 of this Act; and

21 (b) Comply with the minimum requirements established by the cabinet
 22 pursuant to Section 2 of this Act;

23 (2) Shall not:

24 (a) Require a provider to be physically present with the recipient, unless the
 25 state agency or provider determines that it is medically necessary to perform
 26 those services in person;

27 (b) Require prior authorization, medical review, or administrative clearance for

- 1 telehealth that would not be required if a service were provided in person;
- 2 (c) Require a provider to be employed by another provider or agency in order to
- 3 provide telehealth services that would not be required if that service were
- 4 provided in person;
- 5 (d) Require demonstration that it is necessary to provide services to a patient
- 6 through telehealth;
- 7 (e) Restrict or deny coverage of telehealth based solely on the communication
- 8 technology or application used to deliver the telehealth services;
- 9 (f) Prohibit the delivery of telehealth services to a person located in Kentucky
- 10 by a provider who is a participant in a recognized interstate compact and
- 11 delivers telehealth services to a person in Kentucky under the standards and
- 12 provisions of that interstate compact;
- 13 (g) Prohibit an insurer or managed care organization from utilizing audits for
- 14 medical coding accuracy in the review of telehealth services specific to
- 15 audio-only encounters; or
- 16 (h) Require a provider to be part of a telehealth network; and
- 17 (3) May promulgate administrative regulations, which shall be no more restrictive
- 18 than administrative regulations for providers who deliver healthcare services in
- 19 person, to establish additional requirements relating to telehealth, including
- 20 requirements:
- 21 (a) For the proper use and security of telehealth;
- 22 (b) To address emergency situations, including but not limited to suicidal
- 23 ideations or plans; threats to self or others; evidence of dependency, neglect,
- 24 or abuse; or other life-threatening conditions;
- 25 (c) To prevent waste, fraud, and abuse of telehealth services, both in general
- 26 and specific to the provision of telehealth services delivered via audio-only
- 27 encounters; or

1 *(d) That a telehealth provider be licensed in Kentucky, or as allowed under the*
 2 *standards and provisions of a recognized interstate compact, in order to*
 3 *receive reimbursement for telehealth services.*

4 ➔SECTION 4. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO
 5 READ AS FOLLOWS:

6 *Nothing in Sections 1 to 4 of this Act shall be interpreted or construed to limit the*
 7 *authority of the Department of Workers' Claims to promulgate administrative*
 8 *regulations governing the delivery of health care services via telehealth or digital*
 9 *health pursuant to KRS Chapter 342.*

10 ➔Section 5. KRS 194A.105 is amended to read as follows:

11 There is hereby created a Division of Telehealth Services within the Office of Health
 12 Data and Analytics to be headed by a director appointed by the secretary pursuant to KRS
 13 12.050. The division shall:

14 *(1) Provide*~~oversight,~~ guidance~~,~~ and direction to *healthcare*~~Medicaid~~ providers
 15 delivering care using telehealth;~~The division shall implement telehealth services~~
 16 ~~and~~

17 *(2) Develop* ~~standards,~~ guidance, resources, and education to help promote access to
 18 healthcare services in the Commonwealth;

19 *(3) Assist the Cabinet for Health and Family Services with the implementation of*
 20 *Section 2 of this Act; and*

21 *(4) Provide the Department for Medicaid Services with any additional information*
 22 *deemed relevant by the division for inclusion in the report required by subsection*
 23 *(2) of Section 2 of this Act.*

24 ➔Section 6. KRS 205.510 is amended to read as follows:

25 As used in this chapter as it pertains to medical assistance unless the context clearly

17 the Commonwealth;

18 ~~(14)~~~~(13)~~ "Primary-care center" means a facility which provides comprehensive medical
19 care with emphasis on the prevention of disease and the maintenance of the patients'
20 health as opposed to the treatment of disease;

21 ~~(15)~~~~(14)~~ "Public assistance recipient" means a person who has been certified by the
22 Department for Community Based Services of the Cabinet for Health and Family
23 Services as being eligible for, and a recipient of, public assistance under the
24 provisions of this chapter;

25 ~~(16)~~~~(15)~~ "Telehealth" **means the same as in Section 1 of this Act**~~:-~~

26 ~~(a) — Means the delivery of health care related services by a Medicaid provider who~~
27 ~~is a health care provider licensed in Kentucky to a Medicaid recipient through~~

1 ~~a face-to-face encounter with access to real-time interactive audio and video~~
2 ~~technology or store and forward services that are provided via asynchronous~~
3 ~~technologies as the standard practice of care where images are sent to a~~
4 ~~specialist for evaluation. The requirement for a face-to-face encounter shall be~~
5 ~~satisfied with the use of asynchronous telecommunications technologies in~~
6 ~~which the health care provider has access to the Medicaid recipient's medical~~
7 ~~history prior to the telehealth encounter;~~

8 ~~(b) Shall not include the delivery of services through electronic mail, text chat,~~
9 ~~facsimile, or standard audio-only telephone call; and~~

10 ~~(c) Shall be delivered over a secure communications connection that complies~~
11 ~~with the federal Health Insurance Portability and Accountability Act of 1996,~~
12 ~~42 U.S.C. secs. 1320d to 1320d-9];~~

13 (17)~~[(16)]~~ "Telehealth consultation" means a medical or health consultation, for purposes
14 of patient diagnosis or treatment, that meets the definition of telehealth in this
15 section;

16 (18)~~[(17)]~~ "Third party" means an individual, institution, corporation, company,
17 insurance company, personal representative, administrator, executor, trustee, or
18 public or private agency, including, but not limited to, a reparation obligor and the
19 assigned claims bureau under the Motor Vehicle Reparations Act, Subtitle 39 of
20 KRS Chapter 304, who is or may be liable to pay all or part of the medical cost of
21 injury, disease, or disability of an applicant or recipient of medical assistance
22 provided under Title XIX of the Social Security Act, 42 U.S.C. sec. 1396 et seq.;

23 and

24 (19)~~[(18)]~~ "Vendor payment" means a payment for medical care which is paid by the
25 Cabinet for Health and Family Services directly to the authorized person or
26 institution which rendered medical care to an eligible recipient.

27 ➔Section 7. KRS 205.559 is amended to read as follows:

- 1 (1) The Cabinet for Health and Family Services and any ~~regional~~ managed care
 2 organization with whom the Department for Medicaid Services contracts for the
 3 delivery of Medicaid services ~~[partnership or other entity under contract with the~~
 4 ~~cabinet for the administration or provision of the Medicaid program]~~ shall provide
 5 Medicaid reimbursement for covered~~[a]~~ telehealth services and telehealth
 6 consultations,~~[consultation as defined in KRS 205.510 that is]~~ if the telehealth
 7 service or telehealth consultation:
- 8 (a) Is provided by a Medicaid-participating practitioner~~[who is licensed in~~
 9 ~~Kentucky]~~, including those employed by a home health agency licensed
 10 pursuant to KRS Chapter 216, to a Medicaid recipient or another Medicaid-
 11 participating practitioner at a different physical location; and
- 12 (b) Meets all clinical, technology, and medical coding guidelines for recipient
 13 safety and appropriate delivery of services established by the Department for
 14 Medicaid Services or the provider's professional licensure board.
- 15 (2) (a) For rural health clinics, federally qualified health centers, and federally
 16 qualified health center look-alikes, reimbursement for covered telehealth
 17 services and telehealth consultations shall:~~[The cabinet shall establish~~
 18 ~~reimbursement rates for telehealth consultations]~~
- 19 1. To the extent permitted under federal law, include an originating site
 20 fee in an amount equal to that which is permitted under 42 U.S.C. sec.
 21 1395m for Medicare-participating providers if the Medicaid
 22 beneficiary who received the telehealth service or telehealth
 23 consultation was physically located at the rural health clinic, federally
 24 qualified health center, or federally qualified health center look-alike
 25 at the time of service or consultation delivery and the provider of the
 26 telehealth service or telehealth consultation is not employed by the
 27 rural health clinic, federally qualified health center, or federally

1 qualified health center look-alike; or
 2 2. If the telehealth service or telehealth consultation provider is
 3 employed by the rural health clinic, federally qualified health center,
 4 or federally qualified health center look-alike, include a supplemental
 5 reimbursement paid by the Department for Medicaid Services in an
 6 amount equal to the difference between the actual reimbursement
 7 amount paid by a Medicaid managed care organization and the
 8 amount that would have been paid if reimbursement had been made
 9 directly by the department.

10 (b) A request for reimbursement shall not be denied solely because:
 11 1. An in-person consultation between a Medicaid-participating practitioner
 12 and a patient did not occur; or

13 2. A Medicaid-participating provider employed by a rural health clinic,
 14 federally qualified health center, or federally qualified health center
 15 look-alike was not physically located on the premises of the clinic or
 16 health center when the telehealth service or telehealth consultation
 17 was provided.

18 (c) ~~(b)~~ Telehealth services and telehealth consultations ~~[A telehealth~~
 19 ~~consultation]~~ shall not be reimbursable under this section if they are ~~[it is]~~
 20 provided through the use of ~~[an audio-only telephone,]~~ a facsimile machine,
 21 text, chat, or electronic mail unless the Department for Medicaid Services
 22 determines that telehealth can be provided via these modalities in ways that
 23 enhance recipient health and well-being and meet all clinical and
 24 technology guidelines for recipient safety and appropriate delivery of
 25 services.

26 (3) (a) A health-care facility that receives reimbursement under this section for
 27 consultations provided by a Medicaid-participating provider who practices in

1 that facility and a health professional who obtains a consultation under this
 2 section shall establish quality-of-care protocols, which may include a
 3 requirement for an annual in-person or face-to-face consultation with a
 4 patient who receives telehealth services, and patient confidentiality guidelines
 5 to ensure that telehealth consultations meet all requirements and patient care
 6 standards as required by law.

7 (b) The Department for Medicaid Services and any managed care organization
 8 with whom the department contracts for the delivery of Medicaid services
 9 shall not deny reimbursement for telehealth services covered by this section
 10 based solely on quality-of-care protocols adopted by a health-care facility
 11 pursuant to paragraph (a) of this subsection.

12 (4) The cabinet shall not require a telehealth consultation if an in-person consultation
 13 with a Medicaid-participating provider is reasonably available where the patient
 14 resides, works, or attends school or if the patient prefers an in-person consultation.

15 (5) The cabinet shall request any waivers of federal laws or regulations that may be
 16 necessary to implement this section and Section 8 of this Act.

17 (6) ~~{(a) —}~~ Medicaid-participating practitioners and home health agencies are
 18 strongly encouraged to use audio-only encounters as a mode of delivering
 19 telehealth services only when no other approved mode of delivering telehealth
 20 services is available~~[The cabinet and any regional managed care partnership or~~

21 ~~other entity under contract with the cabinet for the administration or provision of~~
 22 ~~the Medicaid program shall study the impact of this section on the health care~~
 23 ~~delivery system in Kentucky and shall, upon implementation, issue an annual report~~
 24 ~~to the Legislative Research Commission. This report shall include an analysis of:~~

25 1. ~~The economic impact of this section on the Medicaid budget, including~~
 26 ~~any costs or savings as a result of decreased transportation expenditures~~
 27 ~~and office or emergency room visits;~~

1 2.—The quality of care as a result of telehealth consultations rendered under
2 this section; and

3 3.—Any other issues deemed relevant by the cabinet.

4 (b)—In addition to the analysis required under paragraph (a) of this subsection, the
5 cabinet report shall compare telehealth reimbursement and delivery among all
6 regional managed care partnerships or other entities under contract with the
7 cabinet for the administration or provision of the Medicaid program.

8 (7)—The cabinet shall promulgate an administrative regulation in accordance with KRS
9 Chapter 13A to designate the claim forms, records required, and authorization
10 procedures to be followed in conjunction with this section].

11 **(7) As used in this section:**

12 **(a) "Federally qualified health center" means the same as in 42 U.S.C. sec.**
13 **1396d;**

14 **(b) "Federally qualified health center look-alike" means an organization that**
15 **meets all of the eligibility requirements of a federally qualified health center**
16 **but does not receive federal grants issued pursuant to 42 U.S.C. sec. 254b;**

17 **(c) "Originating site" means the site at which a Medicaid beneficiary is**
18 **physically located at the time a telehealth service or telehealth consultation**
19 **is provided; and**

20 **(d) "Rural health clinic" means the same as in 42 U.S.C. sec. 1395x.**

21 ➔Section 8. KRS 205.5591 is amended to read as follows:

22 (1) The cabinet shall provide oversight, guidance, and direction to Medicaid providers
23 delivering care using telehealth[as defined in KRS 205.510].

24 (2) The **Department for Medicaid Services**[cabinet] shall:

25 (a) **Within thirty (30) days after the effective date of this Act:**

26 **1. Promulgate administrative regulations in accordance with KRS**
27 **Chapter 13A to establish requirements for telehealth coverage and**

1 reimbursement rates, which shall be equivalent to coverage
 2 requirements and reimbursement rates for the same service provided
 3 in person unless the telehealth provider and the department or a
 4 managed care organization contractually agree to a lower
 5 reimbursement rate for telehealth services; and

6 2. Create, establish, or designate the claim forms, records required, and
 7 authorization procedures to be followed in conjunction with this
 8 section and Section 7 of this Act~~Develop policies and procedures to~~
 9 ~~ensure the proper use and security for telehealth, including but not~~
 10 ~~limited to confidentiality and data integrity, privacy and security,~~
 11 ~~informed consent, privileging and credentialing, reimbursement, and~~
 12 ~~technology;~~

13 ~~(b) Promote access to health care provided via telehealth;~~

14 ~~(c) Maintain a list of Medicaid providers who may deliver telehealth services to~~
 15 ~~Medicaid recipients throughout the Commonwealth];~~

16 ~~(b)~~~~(d)~~ Require that specialty care be rendered by a health care provider who is
 17 recognized and actively participating in the Medicaid program;~~and]~~

18 ~~(c)~~~~(e)~~ Require that any required prior authorization requesting a referral or
 19 consultation for specialty care be processed by the patient's primary care
 20 provider and that any specialist coordinate care with the patient's primary care
 21 provider; and

22 (d) Require a telehealth provider to be licensed in Kentucky, or as allowed
 23 under the standards and provisions of a recognized interstate compact, in
 24 order to receive reimbursement for telehealth services.

25 (3) In accordance with Section 3 of this Act, the Department for Medicaid Services
 26 and any~~The cabinet or a Medicaid]~~ managed care organization with whom the
 27 department contracts for the delivery of Medicaid services shall not:

- 1 (a) Require a Medicaid provider to be physically present with a Medicaid
2 recipient, unless the provider determines that it is medically necessary to
3 perform those services in person;
- 4 (b) Require prior authorization, medical review, or administrative clearance for
5 telehealth that would not be required if a service were provided in person;
- 6 (c) Require a Medicaid provider to be employed by another provider or agency in
7 order to provide telehealth services that would not be required if that service
8 were provided in person;
- 9 (d) Require demonstration that it is necessary to provide services to a Medicaid
10 recipient through telehealth;
- 11 (e) Restrict or deny coverage of telehealth based solely on the communication
12 technology or application used to deliver the telehealth services; or
- 13 (f) Require a Medicaid provider to be part of a telehealth network.
- 14 ~~(4) [The Medicaid program or a Medicaid managed care organization shall require a~~
15 ~~telehealth provider to be licensed in Kentucky in order to receive reimbursement for~~
16 ~~telehealth services.~~
- 17 ~~(5) The Medicaid program or a Medicaid managed care organization shall reimburse~~
18 ~~for covered services provided to a Medicaid recipient through telehealth, as defined~~
19 ~~in KRS 205.510. The department shall promulgate administrative regulations to~~
20 ~~establish requirements for telehealth coverage and reimbursement, which shall be~~
21 ~~equivalent to the coverage for the same service provided in person unless the~~
22 ~~telehealth provider and the Medicaid program or a Medicaid managed care~~
23 ~~organization contractually agree to a lower reimbursement rate for telehealth~~
24 ~~services, or the department establishes a different reimbursement rate.~~
- 25 ~~(6)]Benefits for a service provided to a Medicaid recipient through telehealth may be~~
26 ~~made subject to a deductible, copayment, or coinsurance requirement. A deductible,~~
27 ~~copayment, or coinsurance applicable to a particular service provided through~~

1 telehealth shall not exceed the deductible, copayment, or coinsurance required by
2 the Medicaid program for the same service provided in person.

3 ~~(5)~~~~(7)~~ Nothing in this section shall be construed to require the Medicaid program or
4 a Medicaid managed care organization to:

5 (a) Provide coverage for telehealth services that are not medically necessary; or

6 (b) Reimburse any fees charged by a telehealth facility for transmission of a
7 telehealth encounter.

8 ~~(6)~~~~(8)~~ The cabinet, *in implementing Sections 2 and 3 of this Act*, shall maintain
9 telehealth policies and guidelines to providing care that ensure that Medicaid-
10 eligible citizens will have safe, adequate, and efficient medical care, and that
11 prevent waste, fraud, and abuse of the Medicaid program.

12 *(7) In order to comply with the deadline for the promulgation of administrative*
13 *regulations established in subsection (2) of this section, the Department for*
14 *Medicaid Services may promulgate emergency administrative regulations in*

16 ➔Section 9. KRS 304.17A-005 is amended to read as follows:

17 As used in this subtitle, unless the context requires otherwise:

18 (1) "Association" means an entity, other than an employer-organized association, that
19 has been organized and is maintained in good faith for purposes other than that of
20 obtaining insurance for its members and that has a constitution and bylaws;

21 (2) "At the time of enrollment" means:

22 (a) At the time of application for an individual, an association that actively
23 markets to individual members, and an employer-organized association that
24 actively markets to individual members; and

25 (b) During the time of open enrollment or during an insured's initial or special
26 enrollment periods for group health insurance;

27 (3) "Base premium rate" means, for each class of business as to a rating period, the

1 lowest premium rate charged or that could have been charged under the rating
2 system for that class of business by the insurer to the individual or small group, or
3 employer as defined in KRS 304.17A-0954, with similar case characteristics for
4 health benefit plans with the same or similar coverage;

5 (4) "Basic health benefit plan" means any plan offered to an individual, a small group,
6 or employer-organized association that limits coverage to physician, pharmacy,
7 home health, preventive, emergency, and inpatient and outpatient hospital services
8 in accordance with the requirements of this subtitle. If vision or eye services are
9 offered, these services may be provided by an ophthalmologist or optometrist.
10 Chiropractic benefits may be offered by providers licensed pursuant to KRS
11 Chapter 312;

12 (5) "Bona fide association" means an entity as defined in 42 U.S.C. sec. 300gg-
13 91(d)(3);

14 (6) "Church plan" means a church plan as defined in 29 U.S.C. sec. 1002(33);

15 (7) "COBRA" means any of the following:

16 (a) 26 U.S.C. sec. 4980B other than subsection (f)(1) as it relates to pediatric
17 vaccines;

18 (b) The Employee Retirement Income Security Act of 1974 (29 U.S.C. sec. 1161
19 et seq. other than sec. 1169); or

20 (c) 42 U.S.C. sec. 300bb;

21 (8) "Creditable coverage":

22 (a) Means, with respect to an individual, coverage of the individual under any of
23 the following:

24 1. A group health plan;

25 2. Health insurance coverage;

26 3. Part A or Part B of Title XVIII of the Social Security Act;

27 4. Title XIX of the Social Security Act, other than coverage consisting

- 1 solely of benefits under section 1928;
- 2 5. Chapter 55 of Title 10, United States Code, including medical and dental
3 care for members and certain former members of the uniformed services,
4 and for their dependents; for purposes of Chapter 55 of Title 10, United
5 States Code, "uniformed services" means the Armed Forces and the
6 Commissioned Corps of the National Oceanic and Atmospheric
7 Administration and of the Public Health Service;

27 pension benefit plan or a plan which is both an employee welfare benefit plan and

1 an employee pension benefit plan as defined by ERISA;

2 (11) "Eligible individual" means an individual:

3 (a) For whom, as of the date on which the individual seeks coverage, the
4 aggregate of the periods of creditable coverage is eighteen (18) or more
5 months and whose most recent prior creditable coverage was under a group
6 health plan, governmental plan, or church plan. A period of creditable
7 coverage under this paragraph shall not be counted if, after that period, there
8 was a sixty-three (63) day period of time, excluding any waiting or affiliation
9 period, during all of which the individual was not covered under any
10 creditable coverage;

11 (b) Who is not eligible for coverage under a group health plan, Part A or Part B of
12 Title XVIII of the Social Security Act (42 U.S.C. secs. 1395j et seq.), or a
13 state plan under Title XIX of the Social Security Act (42 U.S.C. secs. 1396 et
14 seq.) and does not have other health insurance coverage;

15 (c) With respect to whom the most recent coverage within the coverage period
16 described in paragraph (a) of this subsection was not terminated based on a
17 factor described in KRS 304.17A-240(2)(a), (b), and (c);

18 (d) If the individual had been offered the option of continuation coverage under a
19 COBRA continuation provision or under KRS 304.18-110, who elected the
20 coverage; and

21 (e) Who, if the individual elected the continuation coverage, has exhausted the
22 continuation coverage under the provision or program;

23 (12) "Employer-organized association" means any of the following:

24 (a) Any entity that was qualified by the commissioner as an eligible association

4 for at least two (2) years, formed under the Employee Retirement Income
5 Security Act, 29 U.S.C. secs. 1001 et seq., to provide an employee welfare
6 benefit plan under guidance issued by the United States Department of Labor
7 prior to the issuance of 29 C.F.R. sec. 2510.3-5, and for which the entity's
8 health insurance decisions are made by a board or committee, the majority of
9 which are representatives of employer members of the entity who obtain
10 group health insurance coverage through the entity or through a trust or other
11 mechanism established by the entity, and whose health insurance decisions are
12 reflected in written minutes or other written documentation; and
- 13 (d) Any entity or association of employers, which has been actively in existence
14 for at least two (2) years, formed under the Employee Retirement Income
15 Security Act, 29 U.S.C. secs. 1001 et seq., to provide an employee welfare
16 benefit plan, whose members consist of employers or a group of employers
17 that satisfy the requirements of 29 C.F.R. sec. 2510.3-5.

18 Except as provided in KRS 304.17A-0954, 304.17A-200, and 304.17A-220, and
19 except as otherwise provided by the definition of "large group" contained in this
20 section, an employer-organized association shall not be treated as an association,
21 small group, or large group under this subtitle, except that an employer-organized
22 association as defined under paragraph (c) or (d) of this subsection shall be treated
23 as a large group under this subtitle;

- 24 (13) "Employer-organized association health insurance plan" means any health insurance
25 plan, policy, or contract issued to an employer-organized association, or to a trust

2 patient or client through telehealth;
- 3 4. Require a provider to be employed by another provider or agency in
4 order to provide telehealth services that would not be required if that
5 service were provided in person;
- 6 5. Restrict or deny coverage of telehealth based solely on the
7 communication technology or application used to deliver the telehealth
8 services; or
- 9 6. Require a provider to be part of a telehealth network;

10 **(b) Shall:**

- 11 **1. Require that telehealth services reimbursed under this section meet all**
12 **clinical, technology, and medical coding guidelines for recipient safety**
13 **and appropriate delivery of services established by the Department of**
14 **Insurance or the provider's professional licensure board;**
- 15 **2. Require a telehealth provider to be licensed in Kentucky, or as allowed**
16 **under the standards and provisions of a recognized interstate compact,**
17 **in order to receive reimbursement for telehealth services; and**
- 18 **3. Reimburse a rural health clinic, federally qualified health clinic, or**
19 **federally qualified health center look-alike for covered telehealth**
20 **services provided by a provider employed by the rural health clinic,**
21 **federally qualified health clinic, or federally qualified health center**
22 **look-alike, regardless of whether the provider was physically located**
23 **on the premises of the rural health clinic, federally qualified health**
24 **clinic, or federally qualified health clinic look-alike when the**
25 **telehealth service was provided; and**

- 26 **(c) May utilize audits for medical coding accuracy in the review of telehealth**
27 **services specific to audio-only encounters.**

1 ~~(4)~~~~(2)~~ — A health benefit plan shall require a telehealth provider to be licensed in
2 Kentucky in order to receive reimbursement for telehealth services.

3 ~~(3)~~ Benefits for a service provided through telehealth required by this section may be
4 made subject to a deductible, copayment, or coinsurance requirement. A deductible,
5 copayment, or coinsurance applicable to a particular service provided through
6 telehealth shall not exceed the deductible, copayment, or coinsurance required by
7 the health benefit plan for the same service provided in person.

8 ~~(5)~~~~(4)~~ Nothing in this section shall be construed to require a health benefit plan to:

- 9 (a) Provide coverage for telehealth services that are not medically necessary; or
10 (b) Reimburse any fees charged by a telehealth facility for transmission of a
11 telehealth encounter.

12 ~~[(5) Payment made under this section may be consistent with any provider network
13 arrangements that have been established for the health benefit plan.]~~

14 (6) **Providers and home health agencies are strongly encouraged to use audio-only
15 encounters as a mode of delivering telehealth services when no other approved
16 mode of delivering telehealth services is available.**

17 ~~(7)~~ The department shall promulgate an administrative regulation in accordance with
18 KRS Chapter 13A to designate the claim forms and records required to be
19 maintained in conjunction with this section.

20 ➔Section 11. KRS 342.315 is amended to read as follows:

21 (1) For workers who have had injuries or occupational hearing loss, the commissioner
22 shall contract with the University of Kentucky and the University of Louisville
23 medical schools to evaluate workers. For workers who have become affected by
24 occupational diseases, the commissioner shall contract with the University of
25 Kentucky and the University of Louisville medical schools, or other physicians
26 otherwise duly qualified as "B" readers who are licensed in the Commonwealth and
27 are board-certified pulmonary specialists. Referral for evaluation may be made

- 1 whenever a medical question is at issue.
- 2 (2) The physicians and institutions performing evaluations pursuant to this section shall
3 render reports encompassing their findings and opinions in the form prescribed by
4 the commissioner. Except as otherwise provided in KRS 342.316, the clinical
5 findings and opinions of the designated evaluator shall be afforded presumptive
6 weight by administrative law judges and the burden to overcome such findings and
7 opinions shall fall on the opponent of that evidence. When administrative law
8 judges reject the clinical findings and opinions of the designated evaluator, they
9 shall specifically state in the order the reasons for rejecting that evidence.
- 10 (3) The commissioner or an administrative law judge may, upon the application of any
11 party or upon his own motion, direct appointment by the commissioner, pursuant to
12 subsection (1) of this section, of a medical evaluator to make any necessary medical
13 examination of the employee. Such medical evaluator shall file with the
14 commissioner within fifteen (15) days after such examination a written report. The
15 medical evaluator appointed may charge a reasonable fee not exceeding fees
16 established by the commissioner for those services.
- 17 (4) Within thirty (30) days of the receipt of a statement for the evaluation, the employer
18 or carrier shall pay the cost of the examination. Upon notice from the commissioner
19 that an evaluation has been scheduled, the insurance carrier shall forward within
20 seven (7) days to the employee the expenses of travel necessary to attend the
21 evaluation at a rate equal to that paid to state employees for travel by private
22 automobile while conducting state business.
- 23 (5) Upon claims in which it is finally determined that the injured worker was not the
24 employee at the time of injury of an employer covered by this chapter, the special
25 fund shall reimburse the carrier for any evaluation performed pursuant to this
26 section for which the carrier has been erroneously compelled to make payment.
- 27 (6) Not less often than annually the designee of the secretary of the Cabinet for Health

1 and Family Services shall assess the performance of the medical schools and render
2 findings as to whether evaluations conducted under this section are being rendered
3 in a timely manner, whether examinations are conducted in accordance with
4 medically recognized techniques, whether impairment ratings are in conformity
5 with standards prescribed by the "Guides to the Evaluation of Permanent
6 Impairment," and whether coal workers' pneumoconiosis examinations are
7 conducted in accordance with the standards prescribed in this chapter.

8 (7) The General Assembly finds that good public policy mandates the realization of the
9 potential advantages, both economic and effectual, of the use of telehealth. The
10 commissioner may, to the extent that he or she finds it feasible and appropriate,
11 require the use of telehealth, as defined in Section 1 of this Act ~~[KRS 304.17A-005]~~,
12 in the independent medical evaluation process required by this chapter.

13 ➔Section 12. If the Cabinet for Health and Family Services or the Department for
14 Medicaid Services determines that a waiver or any other authorization from a federal
15 agency is necessary prior to the implementation of any provision of Section 7 or 8 of this
16 Act, the cabinet or department shall, within 90 days after the effective date of this Act,
17 request the waiver or authorization and shall only delay full implementation of those
18 provisions for which a waiver or authorization was deemed necessary until the waiver or
19 authorization is granted.

20 ➔Section 13. Sections 9 and 10 of this Act take effect January 1, 2022.
