2021 REGULAR SESSION  
**Unofficial Document**

Amend printed copy of **HB 563/HCS 1**

On page 28, line 22, after "providers.", insert the following:

**"The process shall require every individual applying to be approved as an education service provider to complete a state criminal background check by the Department of Kentucky State Police, a national criminal history check by the Federal Bureau of Investigation, and provide a letter from the Cabinet for Health and Family Services indicating that there are no administrative findings of child abuse or neglect related to the individual. If, for reasons beyond the control of the individual, the criminal background check or criminal history check cannot be completed or a letter from the Cabinet for Health and Family Services cannot be provided, the AGO may still approve the individual. If an entity is applying to be approved as an education service provider, then each individual that is employed by, contracted by, or a volunteer of the entity and that may have direct contact with an EOA student shall be subject to the provisions of this subsection prior to the entity receiving approval."**
