

KENTUCKY GENERAL ASSEMBLY AMENDMENT FORM
2021 REGULAR SESSION
Unofficial Document

Amend printed copy of **HB 8/SCS 1**

On page 7, by deleting lines 5 to 24 in their entirety and inserting the following in lieu thereof:

"actuarially accrued liability. The only appeals that shall be submitted by the employer or considered by the board shall be potential errors where the last participating employer is in dispute, situations where employees of a university or a community mental health center were hired through a contract between the executive branch and the university or community mental health center employer for the employee to provide services to the executive branch, or situations where the community mental health center was contracted to provide services at a facility previously operated by the executive branch. The employer shall submit the information required by the board to verify potential errors or contract employees with universities and community mental health centers.

b. The board shall review and issue a final determination regarding any appeals by December 31, 2021. In situations where the board determines the last participating employer was incorrect and should be assigned to another employer, the system shall assign the cost to the executive

Amendment No. SFA 2

branch until such time ownership of the liability can be determined. In situations where the board determines certain employees of a university or community mental health center were hired through a contract between the executive branch and the university or community mental health center for the employee or employees to provide services to the executive branch, liabilities for those employees shall be assigned to the executive branch. In situations where the board determines the community mental health center was contracted to provide services at a facility previously operated by the executive branch, the liabilities for employees providing services at that facility shall be assigned to the executive branch.
