2 contributing service credit who declined membership as provided in Acts 1938 (1st
3 Ex. Sess.), Ch. 1, paragraph 29, may secure service credit for prior service, and for
4 any subsequent service prior to date of membership, by depositing in the teachers'
5 savings fund contributions for each year of subsequent service prior to date of
6 membership, with interest at the rate of eight percent (8%) compounded annually to
7 the date of deposit.

8 (5) Membership in the retirement system shall be terminated:

9 (a) By retirement for service;

10 (b) By death;

11 (c) By withdrawal of the member's accumulated account balance;

12 (d) When a member, having less than five (5) years of Kentucky service is absent
13 from service for more than three (3) consecutive years; or

14 (e) For persons whose membership begins~~[hired]~~ on or after August 1, 2000,
15 when a member is convicted, in any state or federal court of competent
16 jurisdiction, of a felony related to his or her employment as provided in
17 subparagraphs 1. and 2. of this paragraph.

18 1. Notwithstanding any provision of law to the contrary, a person whose
19 membership begins~~[member hired]~~ on or after August 1, 2000, who is
20 convicted, in any state or federal court of competent jurisdiction, of a
21 felony related to his or her employment shall forfeit rights and benefits
22 earned under the retirement system, except for the return of his or her
23 accumulated contributions and interest credited on those contributions.

24 2. The payment of retirement benefits ordered forfeited shall be stayed
25 pending any appeal of the conviction. If the conviction is reversed on
26 final judgment, no retirement benefits shall be forfeited.

27 Except for paragraph (e) of this subsection, upon termination of member accounts

1 under this subsection, funds in the account shall be transferred to the guarantee
2 fund. Inactive members may apply for refunds of these funds at any time. The
3 terminated service shall be reinstated, if not withdrawn by the member, in the event
4 that the member returns to active contributing service.

5 (6) In case of withdrawal from service prior to eligibility for retirement, the board of
6 trustees shall on request of the member return all of his *or her* accumulated account
7 balance, including any payments made by the member to the state accumulation
8 fund, but the member shall have no claim on any contributions made by the state or
9 employer with a view to his *or her* retirement, except as provided by KRS 161.235,
10 or to contributions made to the medical insurance fund. *A member who is*
11 *withdrawing from service prior to retirement eligibility shall be entitled to a*
12 *refund following sixty (60) days after his or her last day of employment.* If the
13 member is eligible for an immediate service retirement allowance as provided in
14 KRS 161.600, no withdrawal and refund shall be permitted, unless the allowance
15 would prohibit the member from qualifying for Social Security benefits or the
16 member elects to withdraw part or all of his service for the purpose of obtaining
17 *service* credit in another retirement plan. Requests for refund of contributions by the
18 member must be filed on forms prescribed by the Teachers' Retirement System and
19 the employer shall be financially responsible for all information that is certified on
20 the prescribed form. A member may not withdraw any part of his or her
21 accumulated account balance in the retirement system except as provided by this
22 subsection.

23 (7) Except as provided in KRS 161.520 and 161.525, in case of death prior to
24 retirement, the board of trustees shall pay to the estate of the deceased member,
25 unless a beneficiary was otherwise applicably designated by the deceased member,
26 then to the beneficiary, all of his *or her* accumulated account balance, including any
27 payments made by the member to the state accumulation fund, but the estate or

1 beneficiary shall have no claim on any contributions made by the state or employer
2 with a view to the retirement of the member, except as provided by KRS 161.235,
3 or to contributions made to the medical insurance fund.

4 (8) Any active contributing member of the Kentucky Employees Retirement System,
5 the County Employees Retirement System, the State Police Retirement System, or
6 the Judicial Retirement System may use service, under that retirement system for
7 the purpose of meeting the service requirement of subsections (3) and (4) of this
8 section.

9 →Section 7. KRS 161.480 is amended to read as follows:

10 (1) (a) Each person, upon becoming a member of the retirement system, shall file a
11 detailed statement as required by the board of trustees and shall designate a
12 primary beneficiary or two (2) or more cobeneficiaries to receive any benefits
13 accruing from the death of the member.

14 (b) A contingent beneficiary may be designated in addition to the primary
15 beneficiary or cobeneficiaries. The member may name more than one (1)
16 contingent beneficiary.

17 (c) Any beneficiary designation made by the member, including the estate should
18 the estate become the beneficiary by default, shall remain in effect until
19 changed by the member on forms prescribed by the ~~the Kentucky~~ Teachers'
20 Retirement System, except in the event of subsequent marriage or divorce.
21 Subsequent marriage by the member shall void the primary beneficiary and
22 any cobeneficiary designation, even that of a trust, and the spouse of the
23 member at death shall be considered as the primary beneficiary, unless the
24 member subsequent to marriage designates another beneficiary. **An individual**
25 **who is married prior to becoming a member of the retirement system and**
26 **remains married at the time of becoming a member shall have his or her**
27 **spouse considered the primary beneficiary, unless the member designates**

1 **another beneficiary.** A final divorce decree shall terminate an ex-spouse's
2 status as either primary beneficiary, cobeneficiary, or contingent beneficiary,
3 unless subsequent to divorce the member redesignates the former spouse as
4 primary beneficiary, cobeneficiary, or contingent beneficiary.

5 **(d)** To the extent permitted by the Internal Revenue Code, a trust may be
6 designated as beneficiary for receipt of a member's accumulated account
7 balance in the retirement system as provided under KRS 161.470(7). A final
8 divorce decree shall not terminate the designation of a trust as beneficiary
9 regardless of who is designated as beneficiary of the trust.

10 **(e)** In the event that a member fails to designate a beneficiary, or all designated
11 beneficiaries predecease the member, the member's estate shall be deemed to
12 be the beneficiary, **unless the member is married at the time of his or her**
13 **death, in which case the spouse shall be deemed the beneficiary.**

14 **(f)** Members may designate as beneficiaries only presently identifiable and
15 existing individuals, or trusts where otherwise permitted, without contingency
16 instructions, on forms prescribed by the retirement system.

17 **(2)** The provisions of this section shall be retroactive as they relate to election of
18 beneficiaries by members still in active status on the effective date of this section.
19 The provisions of this section shall not apply to any account from which a member
20 is drawing a retirement allowance or to the life insurance benefit available under
21 KRS 161.655.

22 ➔Section 8. KRS 161.500 is amended to read as follows:

23 (1) At the close of each fiscal year, the retirement system shall add service credit to the
24 account of each member who made contributions to his or her account during the
25 year. **Nonuniversity members are entitled to a full year of service credit if they**
26 **have no more than five (5) unpaid days in a school or fiscal year under a contract**
27 **requiring a work schedule of one hundred eighty-five (185) days or greater.**

1 *University members are entitled to a full year of service credit if they have no*
 2 *more than five (5) unpaid days in a school or fiscal year under a contract*
 3 *requiring a work schedule of one hundred eighty (180) days or greater* [~~Members~~
 4 ~~shall be entitled to a full year of service credit if their total paid days were not less~~
 5 ~~than one hundred eighty (180) days of a one hundred eighty five (185) day contract~~
 6 ~~for a regular school or fiscal year]. In the event *a member* [~~an individual who~~
 7 ~~became a member prior to January 1, 2019,]~~ is paid for less than *the required*
 8 *number of days for a full year of service credit* [~~one hundred eighty (180) days],~~ the
 9 member may purchase credit according to administrative regulations established by
 10 the board of trustees. In no case shall more than one (1) year of service be credited
 11 for all service performed in one (1) fiscal year. Members who complete their
 12 employment contract prior to the close of a fiscal year and elect to retire prior to the
 13 close of a fiscal year shall have their service credit reduced by eight percent (8%)
 14 for each calendar month that the retirement becomes effective prior to July 1.~~

15 (2) Members who are employed and paid for less than the number of days required in
 16 their normal employment year shall be entitled to pro rata service credit for the
 17 fractional service. Such credit shall be based upon the number of days employed
 18 and the number of days in the member's annual employment agreement or normal
 19 employment year.

20 (3) Service credit may not exceed the ratio between the school or fiscal year and the
 21 number of months or fraction of a month the member is employed during that year.

22 (4) No service credit shall be granted in the Teachers' Retirement System for service
 23 that has been or will be used in qualifying for annuity benefit payments from
 24 another retirement system financed wholly or in part by public funds.

25 ➔Section 9. KRS 161.515 is amended to read as follows:

26 (1) For the purposes of this section, "out-of-state service" shall mean service in any
 27 state in a comparable position on a full-time basis, which would be covered if in

1 Kentucky.

2 (2) (a) An active contributing member who has been a contributing member of the
3 retirement system for at least one (1) full scholastic year subsequent to the
4 latest out-of-state service, may present for credit service rendered out of state,
5 not to exceed ten (10) years actually taught as a certified or licensed teacher.
6 All members who elect to purchase this service shall pay to the retirement
7 system the full actuarial cost as provided under KRS 161.220(22). For each
8 year of which the retirement system shall accept payment, one (1) year of
9 service credit shall be given. For members who purchased this service under
10 the cost formula as it existed under this subsection on June 30, 2005, this
11 credit may not be used to meet the service requirements of KRS 161.525,
12 161.600, or 161.661, except as provided in subsection (2)(c) of this section.
13 No credit shall be granted for service which has been or will be used in
14 qualifying for annuity benefit payments from another retirement system
15 financed wholly or in part by public funds.

16 (b) A member of the retirement system having teaching service in the elementary
17 or secondary schools operated by the United States overseas or in this country,
18 or in a public college or university in Kentucky, not included in the Teachers'
19 Retirement System of the State of Kentucky, may present this service for
20 credit in the retirement system on the same basis as provided above for out-of-
21 state service credit; however, no service may be presented which shall be used
22 as a basis for retirement benefits in any program supported wholly or in part
23 by a public institution or governmental agency. This service when added to
24 service credited under subsection (2)(a) of this section shall not exceed a total
25 of ten (10) years' service credit.

26 (c) A member having service referred to in subsection (2)(a) or (2)(b) of this
27 section who purchased this service under the cost formula as it existed under

1 those subsections on June 30, 2005, may elect to use this service for meeting
 2 the requirements of KRS 161.600(1)(c) by making an additional contribution
 3 to the state accumulation fund equal to a member contribution rate of eight
 4 percent (8%) for each year so used. These payments shall not be picked up as
 5 described in KRS 161.540(2). The salary base to be used in determining this
 6 additional contribution shall be the final average salary which is used in
 7 calculating the member's regular retirement annuity.

8 (3) Members entering the Teachers' Retirement System for the first time, July 1, 1976,
 9 and after this date, shall not receive credit for service defined in subsections (2)(a)
 10 or (2)(b) of this section in excess of one (1) year of credit for each two (2) years of
 11 Kentucky service in a covered position or ten (10) years, whichever is the lesser
 12 number.

13 (4) A member, having completed service as a volunteer in the Kentucky Peace Corps
 14 created by KRS 154.1-720, may purchase service credit for the time served in the
 15 corps on the same basis as provided in this section for the purchase of out-of-state
 16 service credit. A member, having completed service as a federal Peace Corps
 17 volunteer, may purchase up to two (2) years of service credit for time served in the
 18 Peace Corps on the same basis as provided in this section for the purchase of out-of-
 19 state service credit.

20 (5) (a) Service purchased under this section by members who at the time of purchase
 21 are employed by employers other than those described in KRS 161.220(4)(b)
 22 or (n) shall be credited~~[,]~~ **with the retirement factor in effect for members of**
 23 **the Teachers' Retirement System for the year that the out-of-state service**
 24 **was worked and as set forth in subsection (1)(a), (b), and (d) of Section 19**
 25 **of this Act for members who were not employed by employers described in**
 26 **subsection (4)(b) or (n) of Section 2 of this Act**~~[as described in KRS~~
 27 ~~161.620(1)(a) and (b), with a retirement factor of two and one-half percent~~

1 ~~(2.5%) for each year of service that was originally performed on or after July~~
 2 ~~1, 1983, and two percent (2.0%) for each year of service performed before~~
 3 ~~July 1, 1983].~~

4 **(b)** Service purchased under this section by members who at the time of purchase
 5 are employed by employers described in KRS 161.220(4)(b) or (n) shall be
 6 credited **with the retirement factor in effect for members of the Teachers'**
 7 **Retirement System for the year that the out-of-state service was worked and**
 8 **as set forth in subsection (1)(a) and (e) of Section 19 of this Act for**
 9 **members who were employed by employers described in subsection (4)(b) or**
 10 **(n) of Section 2 of this Act**~~, as described in KRS 161.620(1)(a), with a~~
 11 ~~retirement factor of two percent (2.0%) for each year of service, regardless of~~
 12 ~~when the service was performed].~~

13 (6) Effective January 1, 2019, this section does not apply to individuals who become
 14 members on or after January 1, 2019.

15 ➔Section 10. KRS 161.520 is amended to read as follows:

16 Upon the death of an active contributing member or upon the death of a member retired
 17 for disability, except as provided in KRS 161.661(6), the survivors of the deceased
 18 member in the following named order, may elect to receive a survivor's benefit payable as
 19 follows:

20 (1) Where there is a surviving widow or widower who is named as the primary
 21 beneficiary of the member's retirement account, the benefit shall be:

22 (a) One hundred eighty dollars (\$180) per month with no restriction on other
 23 income;

24 (b) Two hundred forty dollars (\$240) per month when the surviving widow or
 25 widower's total income from all sources does not exceed six thousand six
 26 hundred dollars (\$6,600) per year or five hundred fifty dollars (\$550) per
 27 month; or

1 (c) If the deceased member has a minimum of ten (10) years of service credit with
2 the Teachers' Retirement System, the surviving widow or widower may apply
3 for an annuity actuarially equivalent to the annuity that would have been paid
4 to the deceased member when eligibility conditions were met. Eligibility for
5 payments would begin at the time the age of the deceased member would have
6 met the requirements of KRS 161.235(6) or 161.600(1), as applicable. In
7 exercising this right, the surviving widow or widower shall be entitled to
8 receive an annuity for life, except as provided in subsection (6) of this section.
9 This subsection applies to surviving spouses of members who die on or after
10 July 1, 1978. A surviving widow or widower of a member who dies after July
11 1, 1978, shall be eligible for benefit payments provided under paragraphs (a)
12 and (b) of this subsection until they begin receiving payments under this
13 provision;

14 (2) (a) Where there are surviving unmarried children under age eighteen (18) or
15 under age nineteen (19) if a full-time student in high school, the benefit shall
16 be two hundred dollars (\$200) per month in the case of one (1) child, three
17 hundred forty dollars (\$340) per month in the case of two (2) children, four
18 hundred dollars (\$400) per month in the case of three (3) children, and four
19 hundred forty dollars (\$440) per month in the case of four (4) or more
20 children. Benefits under this subsection shall apply in addition to benefits
21 which may be payable under subsections (1) and (3) of this section.

22 (b) Notwithstanding any provision of law to the contrary, the surviving spouse
23 may elect to receive a lump-sum refund of the member's accumulated account
24 balance in lieu of the survivorship benefits payable under this subsection and
25 subsection (1) of this section only if the surviving spouse is designated as the
26 primary beneficiary and:

27 1. Is a biological or adoptive parent of all children eligible for a benefit

1 under this subsection and has not had his or her parental rights
2 terminated; or

3 2. Has been appointed as legal guardian of all of the children eligible under
4 paragraph (a) of this subsection.

5 (c) To elect a lump-sum refund of the member's accumulated account balance
6 under paragraph (b) of this subsection, the surviving spouse who is designated
7 as the primary beneficiary must sign a waiver on forms prescribed by the
8 retirement system of his or her rights and the member's children's rights to the
9 survivorship benefits payable under this subsection and subsection (1) of this
10 section. The surviving spouse shall not waive the survivorship benefits
11 available under this subsection or subsections (1) and (6) of this section if any
12 of the member's children have attained age eighteen (18) or older unless all of
13 those children consent in writing on forms prescribed by the retirement system
14 to waive their survivorship benefits available under this subsection;

15 (3) (a) Where the survivor is a child age eighteen (18) or older whose mental or
16 physical condition is sufficient to cause his dependency on the deceased
17 member at the time of the member's death, the benefit shall be two hundred
18 dollars (\$200) per month, payable for the life of the child or until the time as
19 the mental or physical condition creating the dependency no longer exists or
20 the child marries. The mental or physical condition of the adult child shall be
21 revealed by a competent examination by a licensed physician and shall be
22 approved by a majority of a medical review committee as defined in KRS
23 161.661(14). Benefits under this subsection shall apply in addition to benefits
24 which may be payable under subsections (1) and (2) of this section.

25 (b) Notwithstanding any provision of law to the contrary, the surviving spouse
26 shall not elect to receive a lump-sum refund of the member's accumulated
27 account balance in lieu of the survivorship benefits payable under this

1 subsection and subsection (1) of this section unless:

2 1. The surviving spouse is designated as the primary beneficiary;

3 2. The surviving spouse has been appointed by the court as guardian,
4 conservator, or other fiduciary with sufficient general or specific
5 authority to waive the survivorship benefits available under this
6 subsection for any child or children age eighteen (18) or older who have
7 been adjudicated incompetent to make decisions on their own behalf by
8 a court of law; and

9 3. Any child or children age eighteen (18) or older who are mentally
10 competent to make decisions on their own behalf ~~as attested to by two~~
11 ~~(2) physicians' statements~~ consent in writing on forms prescribed by the
12 retirement system to waive their survivorship benefits available under
13 this subsection.

14 (c) If eligible to elect a lump-sum refund of the member's accumulated account
15 balance, the surviving spouse shall sign a waiver on forms prescribed by the
16 retirement system of his or her rights and the member's children's rights to the
17 survivorship benefits payable under this subsection and subsections (1) and
18 (2) of this section;

19 (4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over,
20 the benefit shall be two hundred dollars (\$200) per month for one (1) parent or two
21 hundred ninety dollars (\$290) per month for two (2) parents. Dependency of a
22 parent shall be established as of the date of the death of the member;

23 (5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be
24 one hundred sixty five dollars (\$165) per month. In order to qualify the brother or
25 sister must have been a resident of the deceased member's household for at least one
26 (1) full year prior to the member's death or must have been receiving care in a
27 hospital, nursing home, or other institution at the member's expense for same

- 1 period;
- 2 (6) The benefit to a child as defined in subsection (2) of this section shall terminate
3 upon the attainment of age eighteen (18) or upon reaching age nineteen (19), if a
4 full-time student in high school, or upon marriage, except that benefits shall
5 continue until the attainment of age twenty-three (23) for an unmarried child who is
6 a full-time student in a recognized educational program beyond the high school
7 level. The benefit to a widow, widower, dependent parent, or dependent brother or
8 sister or dependent child age eighteen (18) or older shall terminate upon marriage,
9 or upon termination of the condition creating the dependency;
- 10 (7) The board of trustees shall be the sole judge of eligibility or dependency of any
11 beneficiary, and may require formal application or information relating to eligibility
12 or dependency, including proof of annual income satisfactory to the board. The
13 board of trustees may subpoena records and individuals whenever it deems this
14 action necessary;
- 15 (8) No payment of benefits shall be made unless the board of trustees authorizes the
16 payment. The board shall promulgate administrative regulations for the
17 administration of the provisions in this section and in every case the decision of the
18 board of trustees shall be final as to eligibility, dependency, or disability, and the
19 amount of benefits payable;
- 20 (9) In the event that there are no eligible survivors as defined in subsections (1) to (5)
21 of this section, or in the event that the surviving spouse elects not to receive
22 survivorship benefits on his or her own behalf or on behalf of any of the member's
23 children as permitted under subsections (2) and (3) of this section, the board of
24 trustees shall pay to the estate or the designated beneficiaries of the deceased
25 member a refund of his or her accumulated account balance as provided in KRS
26 161.470(7). If the benefits paid or payable under subsections (1) to (5) of this
27 section and KRS 161.661 shall amount to a sum less than the member's

1 accumulated account balance at the time of death, the board of trustees shall pay to
2 the estate or designated beneficiaries of the deceased member the balance of the
3 accumulated account balance;

4 (10) Any person who is receiving benefits and becomes disqualified from receiving
5 those benefits under this section shall immediately notify the Teachers' Retirement
6 System of this disqualification in writing and shall return all benefits paid after the
7 date of disqualification. Failure to comply with these provisions shall create an
8 indebtedness of that person to the Teachers' Retirement System. Interest at the rate
9 of eight percent (8%) per annum shall be charged if the debt is not repaid within
10 sixty (60) days after the date of disqualification. Failure to repay this debt creates a
11 lien in favor of the Teachers' Retirement System upon all property of the person
12 who improperly receives benefits and does not repay those benefits; and

13 (11) Benefits under subsections (2) and (3) of this section shall apply to a child who is a
14 legally adopted survivor at the time of the death of the member. This provision shall
15 be retroactive to include a child who was born after January 1, 1990, and is a legally
16 adopted survivor of a member whose death occurred prior to July 15, 2008.

17 ➔Section 11. KRS 161.540 is amended to read as follows:

18 (1) (a) Effective January 1, 2019, each individual who is a contributing nonuniversity
19 member, shall contribute to the retirement system twelve and eight hundred
20 fifty-five thousandths percent (12.855%) of annual compensation, of which:

21 1. Nine and one hundred five thousandths percent (9.105%) of annual
22 compensation shall be used to fund pension benefits; and

23 2. Three and three-quarters percent (3.75%) of annual compensation shall
24 be used to fund retiree health benefits.

25 (b) Effective January 1, 2019, each individual who is a contributing university
26 member, shall contribute to the retirement system ten and four-tenths percent
27 (10.4%) of annual compensation, of which:

- 1 1. Seven and six hundred twenty-five thousandths percent (7.625%) of
2 annual compensation shall be used to fund pension benefits; and
- 3 2. Two and seven hundred seventy-five thousandths percent (2.775%) of
4 annual compensation shall be used to fund retiree health benefits.
- 5 (c) When the medical insurance fund established under KRS 161.420(5) achieves
6 a sufficient prefunded status as determined by the retirement system's actuary,
7 the board of trustees shall recommend to the General Assembly that the
8 contributions required under paragraph (a)2. or (b)2. of this subsection shall,
9 in an actuarially accountable manner, be either decreased, suspended, or
10 eliminated.
- 11 (d) Payments authorized by statute that are made to retiring members, who
12 became members of the system before July 1, 2008, for not more than sixty
13 (60) days of unused accrued annual leave shall, subject to subsection (10) of
14 Section 2 of this Act, be considered as part of the member's annual
15 compensation, and shall be used only for the member's final year of active
16 service. Notwithstanding the provisions of this subsection or any other
17 statute to the contrary, for retirement calculation purposes, members may
18 only be credited for payment of annual leave under the following
19 conditions:
- 20 1. Payment by an employer for annual leave shall be equally available to
21 all members serving under contracts requiring the same number of
22 worked days and greater; and
- 23 2. At least two (2) members of the employer shall receive payment for
24 annual leave.
- 25 (e) The contribution of members shall not exceed ~~the~~^[these] applicable
26 percentages on annual compensation as set forth in this section or as where
27 otherwise limited by statute. When a member retires, if it is determined that

1 he or she has made contributions on a salary in excess of the amount to be
 2 included for the purpose of calculating his or her final average salary, any
 3 excess contribution shall be refunded in lump sum to the member's employer
 4 for distribution to the member~~[to him in a lump sum at the time of the~~
 5 ~~payment of his first retirement allowance. In the event a member is awarded a~~
 6 ~~court ordered back salary payment the employer shall deduct and remit the~~
 7 ~~member contribution on the salary payment, plus interest to be paid by the~~
 8 ~~employer, to the retirement system unless otherwise specified by the court~~
 9 ~~order].~~

10 (2) Each public board, institution, or agency listed in KRS 161.220(4) shall, solely for
 11 the purpose of compliance with Section 414(h) of the United States Internal
 12 Revenue Code, pick up the member contributions required by this section for all
 13 compensation earned after August 1, 1982, and the contributions so picked up shall
 14 be treated as employer contributions in determining tax treatment under the United
 15 States Internal Revenue Code and KRS 141.010. The picked-up member
 16 contribution shall satisfy all obligations to the retirement system satisfied prior to
 17 August 1, 1982, by the member contribution, and the picked-up member
 18 contribution shall be in lieu of a member contribution. Each employer shall pay
 19 these picked-up member contributions from the same source of funds which is used
 20 to pay earnings to the member. The member shall have no option to receive the
 21 contributed amounts directly instead of having them paid by the employer to the

12 ➔ Section 14. KRS 161.560 is amended to read as follows:

13 (1) (a) Each agency, school district, and institution employing members of the
 14 retirement system shall deduct from the compensation of each member for
 15 each payroll period subsequent to the date the individual became a member,
 16 the percentage of his compensation due under the rates prescribed in KRS
 17 161.540. No later than fifteen (15) days following~~[the end of]~~ each pay
 18 date~~[payroll period]~~, the employer~~[agency]~~ shall have on deposit with the
 19 retirement system all required deductions~~[forward all amounts deducted to~~
 20 ~~the Teachers' Retirement System]~~. The retirement system may~~[shall]~~ charge
 21 the employer~~[employing agency]~~ interest at an annual rate not to exceed eight
 22 percent (8%)~~[twelve percent (12%)]~~ for deductions not deposited~~[remitted]~~
 23 within the specified fifteen (15) days.

24 (b) Each employer employing members of the retirement system shall have on
 25 file at the retirement system's office no later than fifteen (15) days following
 26 each pay date payroll reports, contributions lists, and other data required by
 27 administrative regulation of the board~~[of trustees shall be submitted]~~. The

1 retirement system may impose a penalty on the employer not to exceed one
 2 thousand dollars (\$1,000) when the employer does not meet the reporting
 3 date. However, the retirement system may waive the penalty for good cause.

4 (c) Each employer employing members of the retirement system shall have on
 5 file at the retirement system's office an annual summary report~~Employers~~
 6 ~~shall submit an annual report, in compliance with requirements of the~~
 7 ~~retirement system,~~ of member contributions and periods employed ~~to the~~
 8 ~~retirement system~~ no later than August 1 following the completion of each
 9 fiscal year. The retirement system may impose a penalty on the employer not
 10 to exceed one thousand dollars (\$1,000) when the employer does not meet the
 11 August 1 reporting date. However, the retirement system may waive the
 12 penalty for good cause.

13 (d) The deductions described by paragraph (a) of this subsection shall be made
 14 notwithstanding the fact that the salary as a result may be less than the
 15 minimum compensation provided by law. Every member shall be deemed to
 16 consent and agree to the deductions, and the deductions shall be considered as
 17 having been paid to the member. After August 1, 1982, member contributions
 18 shall be picked up by the agency pursuant to KRS 161.540(2).

19 (2) If an employer fails to deduct the correct retirement contribution from a member's
 20 compensation, the member may make the contribution that should have been
 21 deducted by the employer and receive retirement credit for the payment. For
 22 correction of omitted member contributions that occur more than one (1) year after
 23 the year in which the error was made, the employer shall be responsible for paying
 24 interest to the retirement system at a rate of eight percent (8%) from the end of the
 25 year in which the service was performed to the date of payment.

26 ➔Section 15. KRS 161.597 is amended to read as follows:

27 (1) A member in active contributing status may purchase any service credit which the

- 1 member is authorized to purchase by making installment payments in lieu of a
2 lump-sum payment.
- 3 (2) To initiate an installment payment plan, a member shall make a written request to
4 the retirement system for an estimate to purchase service credit by making
5 installment payments.
- 6 (3) To qualify for installment payments, the total cost of the service purchase, including
7 any chargeable interest, shall exceed one thousand dollars (\$1,000).
- 8 (4) Installment payments shall be at least fifty dollars (\$50) per month and shall be
9 made for a period of time which is not less than twelve (12) months nor more than
10 sixty (60) months. Interest at eight percent (8%) per annum, unless the board
11 specifies in an administrative regulation a different interest rate, shall be charged on
12 all installment payment purchases of service credit that are purchasable at less than
13 full actuarial cost. **Interest shall be assigned to the guarantee fund.**
- 14 (5) Installment payments shall be made on a monthly basis by ~~payroll deduction or~~
15 electronic fund transfer ~~and forwarded separately to the Teachers' Retirement~~
16 ~~System on forms or by computer format not later than fifteen (15) days following~~
17 ~~the end of each month~~. The payments shall be considered accumulated
18 contributions and shall not be picked up as provided in KRS 161.560, except that
19 subject to approval by the Internal Revenue Service and only as permitted by the
20 Internal Revenue Code, installment payments ~~by payroll deduction~~ shall be made
21 on a tax-deferred basis.
- 22 (6) A member may elect to terminate **electronic fund transfers** ~~payroll deductions~~ at
23 any time and purchase the remaining service credit by lump-sum payment. A
24 member on a leave of absence may **continue to** make ~~personal~~ installment
25 payments. Termination of employment in a covered position shall terminate
26 installment payments. If the member is later employed by a different employer in a
27 covered position, the member may request a new estimate and reinstate installment

1 payments. A member that misses two (2) consecutive installment payments shall be
 2 in default. A member in default shall receive **a refund of all prior installment**
 3 **payments and the member's** service credit **shall be reduced accordingly** ~~[on a pro~~
 4 ~~rata basis for the total amount of contributions made by installment payments].~~ A
 5 member in default may not reinstate installment payments for twelve (12) months
 6 from the date the member was in default.

7 (7) If a member dies before completing scheduled installment payments, the named
 8 beneficiary of the member's retirement account may pay the remaining balance due
 9 by a lump-sum payment within thirty (30) days of the death of the member.

10 ➔Section 16. KRS 161.605 is amended to read as follows:

11 Any member retired by reason of service may return to work in a position covered by the ~~[~~
 12 ~~Kentucky]~~ Teachers' Retirement System and continue to receive his or her retirement
 13 allowance under the following conditions:

14 (1) Any member who is retired with thirty (30) or more years of service may return to
 15 work in a full-time or a part-time position, **or in a position providing substitute**
 16 **teaching service,** covered by the ~~[Kentucky]~~ Teachers' Retirement System and earn
 17 up to a maximum of seventy-five percent (75%) of the member's last annual
 18 compensation measured on a daily rate to be determined by the board of trustees.
 19 For purposes of determining whether the salary of a member returning to work is
 20 seventy-five percent (75%) or less of the member's last annual compensation, all
 21 remuneration paid and benefits provided to the member, on an actual dollar or fair
 22 market value basis as determined by the retirement system, **excluding employer-**
 23 **provided medical insurance required under subsection (5) of this section,** shall be
 24 considered. Members who were retired on or before June 30, 2002, shall be entitled
 25 to return to work under the provisions of this section as if they had retired with
 26 thirty (30) years of service. Nonqualified service credit purchased under the
 27 provisions of KRS 161.5465 or elsewhere with any state-administered retirement

1 system shall not be used to meet the thirty (30) year requirement set forth in this
2 subsection. Out-of state teaching service provided in public schools for kindergarten
3 through grade twelve (12) may count toward the thirty (30) year requirement set
4 forth in this subsection even if it is not purchased as service credit, if the member
5 obtains from his or her out-of-state employer certification of this service on forms
6 prescribed by the retirement system;

7 (2) Any member who is retired with less than thirty (30) years of service after June 30,
8 2002, may return to work in a full-time or part-time position, **or in a position**
9 **providing substitute teaching service,** covered by the ~~Kentucky~~ Teachers'
10 Retirement System and earn up to a maximum of sixty-five percent (65%) of the
11 member's last annual compensation measured on a daily rate to be determined by
12 the board of trustees. For purposes of determining whether the salary of a member
13 returning to work is sixty-five percent (65%) or less of the member's last annual
14 compensation, all remuneration paid and benefits provided to the member, on an
15 actual dollar or fair market value basis as determined by the retirement system,
16 **excluding employer-provided medical insurance required under subsection (5) of**
17 **this section,** shall be considered;

18 (3) Reemployment of a retired member under subsection (1) or (2) of this section in a
19 full-time teaching or nonteaching position in a local school district shall be
20 permitted only if the employer certifies to the Kentucky Teachers' Retirement
21 System that there are no other qualified applicants available to fill the teaching or
22 nonteaching position. The employer may use any source considered reliable
23 including but not limited to data provided by the Education Professional Standards
24 Board and the Department of Education to determine whether other qualified
25 applicants are available to fill the teaching or nonteaching position. The Kentucky
26 Board of Education shall promulgate administrative regulations to establish
27 procedures to determine whether other qualified applicants are available to fill a

1 teaching or nonteaching position and, if not, for filling the position with a retired
 2 member who will then be permitted to return to work in that position under
 3 subsection (1) or (2) of this section. The administrative regulations shall assure that
 4 a retired member shall not be hired in a teaching or nonteaching position by a local
 5 school district until the superintendent of the school district assures the Kentucky
 6 Teachers' Retirement System that every reasonable effort has been made to recruit
 7 other qualified applicants for the position on an annual basis;

8 (4) Under this section, an employer may employ full-time a number of retired members
 9 not to exceed three percent (3%) of the membership actively employed full-time by
 10 that employer. The board of trustees may reduce this three percent (3%) cap upon
 11 recommendation of the retirement system's actuary if a reduction is necessary to
 12 maintain the actuarial soundness of the retirement system. The board of trustees
 13 may increase the three percent (3%) cap upon a determination that an increase is
 14 warranted to help address a shortage in the number of available teachers and upon
 15 the determination of the retirement system's actuary that the proposed cap increase
 16 allows the actuarial soundness of the retirement system to be maintained. For
 17 purposes of this subsection, "full-time" means the same as defined by KRS
 18 161.220(21). A local school district may exceed the quota established by this
 19 subsection by making an annual written request to the Kentucky Department of
 20 Education which the department may approve on a year-by-year basis if the
 21 statewide quota has not been met. A district's written request to exceed its quota
 22 shall be submitted no sooner than two (2) weeks after the start of the school year;

23 (5) (a) Except as provided by subsection (10) of this section, a member returning to
 24 work in a full-time or part-time position, or in a position providing substitute
 25 teaching service, under subsection (1) or (2) of this section ~~shall~~^{will}
 26 ~~contribute~~ to an account with the retirement system that ~~shall~~^{will} be
 27 administered independently from and with no reciprocal impact with the

1 member's original retirement account, or any other account from which the
2 member is eligible to draw a retirement allowance.

3 (b) Except as provided by subsection (10) of this section, a member returning to
4 work under subsection (1) or (2) of this section shall make contributions to the
5 retirement system at the rate provided under KRS 161.540. The new account
6 shall independently meet all~~[the five (5) year]~~ vesting
7 requirements~~[requirement]~~ as well as all other conditions set forth in KRS
8 161.600(1) before any retirement allowance is payable from this account. The
9 retirement allowance accruing under this new account shall be calculated
10 pursuant to KRS 161.620(1)(b). This new account shall not entitle the member
11 to a duplication of the benefits offered under KRS 161.620(7) or 161.675, nor
12 shall this new account provide the benefits offered by KRS 161.520, 161.525,
13 161.620(3), 161.655, 161.661, or 161.663.

14 (c) A member returning to work under subsection (1) or (2) of this section shall
15 waive his or her medical insurance with the ~~[Kentucky]~~ Teachers' Retirement
16 System during the period of reemployment and shall receive the medical
17 insurance coverage that is generally provided by the member's active employer
18 to the other members of the retirement system that the active employer
19 employs. If medical insurance coverage is not available from the employer,
20 the Kentucky Teachers' Retirement System may provide coverage for the
21 member.

22 (d) A member returning to work under subsection (1) or (2) of this section shall
23 not be eligible to purchase service credit for any service provided after the
24 member's effective date of retirement but prior to the date that the member
25 returns to work. A member returning to work under subsection (1) or (2) of
26 this section shall not be eligible to purchase service credit that the member
27 would have otherwise been eligible to purchase prior to the member's ~~[initial]~~

1 retirement.

2 (e) A member who returns to work under subsection (1) or (2) of this section, or
3 in the event of the death of the member, the member's estate or applicably
4 designated beneficiary, shall be entitled, within ninety (90) days of the posting
5 of the annual report submitted by the employer, to a refund of contributions as
6 permitted and limited by KRS 161.470;

7 (6) The board of trustees may annually, on July 1, adjust the current daily rate of a
8 member's last annual compensation, for each full twelve (12) month period that has
9 elapsed subsequent to the member earning his or her last annual compensation, by
10 the percentage increase in the annual average of the consumer price index for all
11 urban consumers for the calendar year preceding the adjustment as published by the
12 Federal Bureau of Labor Statistics, not to exceed five percent (5%) annually. Each
13 annual adjustment shall become part of the member's daily rate base. Failure to
14 comply with the salary limitations set forth in subsections (1) and (2) of this section
15 as may be adjusted by this subsection shall result in a reduction of the member's
16 retirement allowance or any other benefit to which the member would otherwise be
17 entitled on a dollar-for-dollar basis for each dollar that the member exceeds these
18 salary limitations, and the member shall be refunded his or her retirement
19 contributions made on the compensation that exceeds these salary limitations.

20 Notwithstanding any other provision of law to the contrary, a member retiring from
21 a local school district who returns to work for a local school district under
22 subsection (1) or (2) of this section shall be entitled, without any reduction to his or
23 her retirement allowance or any other retirement benefit, to earn a minimum amount
24 equal to one hundred seventy dollars (\$170) per day;

25 (7) (a) A retired member returning to work under subsection (1) or (2) of this section
26 shall have separated from service for a period of at least one (1) year if
27 returning to work for the same employer on a full-time basis, and at least three

1 (3) months if returning to work for a different employer on a full-time basis. A
2 retired member returning to work under subsection (1) or (2) of this section on
3 a part-time basis shall have separated from service for a period of at least three
4 (3) months before returning to work for any employer.

5 (b) As an alternative to the separation-from-service requirements in paragraph (a)
6 of this subsection, a retired member who is returning to work for the same
7 employer in a full-time position under subsections (1) and (2) of this section
8 may elect a separation-from-service of not less than two (2) months followed
9 by a forfeiture of the retired member's retirement allowance on a month-to-
10 month basis for each month that the member has separated from service for
11 less than twelve (12) full months. A retired member returning to work for the
12 same employer in a part-time position, or for a different employer in a full-
13 time position, may elect an alternative separation-from-service requirement of
14 at least two (2) months followed by a forfeiture of the member's retirement
15 allowance for one (1) month. During the period that the member forfeits his or
16 her retirement allowance and thereafter, member and employer contributions
17 shall be made to the retirement system as a result of employment in any
18 position subject to membership in the retirement system. The member shall
19 contribute to an account with the retirement system subject to the conditions
20 set forth in subsection (5) of this section.~~[For purposes of measuring the~~
21 ~~separation-from-service requirements set forth throughout this section, a~~
22 ~~member's separation from service begins on the first day following the last~~
23 ~~day of paid employment for the member prior to retirement.]~~

24 (c) *A retired member who is returning to work for an employer that has*
25 *employees who participate in the Teachers' Retirement System shall comply*
26 *with the separation-from-service requirements in this subsection before*
27 *performing any service for the employer, regardless of whether the retired*

1 member is providing service in a position covered by the Teachers'
2 Retirement System.

3 (d) The starting date for any separation from service required under this
4 subsection shall be the effective date of the member's retirement.

5 (e) The separation-from-service requirements of this subsection are not met if
6 there is a prearranged agreement between the member and an employer
7 that has employees who participate in the Teachers' Retirement System
8 prior to retirement for the member to work for the employer after
9 retirement.

10 (f) The Teachers' Retirement System may require the member and the
11 employer for which the member is returning to work to certify in writing on
12 a form prescribed by the Teachers' Retirement System that no prearranged
13 agreement was or will be entered into between the member and employer
14 prior to retirement for the member to work for the employer after
15 retirement.

16 (g) Failure to comply with the separation-from-service requirements in this
17 subsection voids a member's retirement and the member shall be required to
18 return all the retirement benefits he or she received, with interest, for the
19 period of time that the member returned to work without a sufficient
20 separation from service;

21 (8) (a) Effective July 1, 2004, local school districts may employ retired members in
22 full-time or part-time teaching or administrative positions without limitation
23 on the compensation of the retired members that is otherwise required by
24 subsections (1) and (2) of this section. Under provisions of this subsection, a
25 local school district may only employ retired members to fill critical shortage
26 positions for which there are no other qualified applicants as determined by
27 the local superintendent. The number of retired members that a local school

1 district may employ under this subsection shall be no more than two (2)
2 members per local school district or one percent (1%) of the total active
3 members employed by the local school district on a full-time basis as defined
4 under KRS 161.220(21), whichever number is greater. Retired members
5 returning to work under this subsection shall be subject to the separation-
6 from-service requirements set forth in subsection (7) of this section. Retired
7 members returning to work under this subsection shall waive their medical
8 insurance coverage with the retirement system during their period of
9 reemployment and receive medical insurance coverage that is offered to other
10 full-time members employed by the local school district. Retired members
11 returning to work under this subsection shall contribute to an account subject
12 to the conditions set forth in subsection (5) of this section. Retired members
13 returning to work under this subsection shall make contributions to the
14 retirement system at the rate provided under KRS 161.540. The employer
15 shall make contributions at the rate provided under KRS 161.550. Local
16 school districts shall make annual payments to the retirement system on the
17 compensation paid to the reemployed retirees at the rates determined by the
18 retirement system's actuary that reflect any accrued liability resulting from the
19 reemployment of these members.

20 (b) The Department of Education may employ retired members in full-time or
21 part-time teaching or nonteaching positions without the limitations on
22 compensation otherwise required by subsections (1) and (2) of this section to
23 fill critical shortage areas in the schools it operates, including the Kentucky
24 School for the Blind, the Kentucky School for the Deaf, and the Kentucky
25 Virtual High School, and to serve on audit teams. The department shall be
26 subject to the same requirements as local school districts as provided in
27 paragraph (a) of this subsection, except the Kentucky Teachers' Retirement

1 System shall determine the maximum number of employees that may be
2 employed under this paragraph;

3 (9) The return to work limitations set forth in this section shall apply to retired
4 members who are returning to work in the same position from which they retired, or
5 a position substantially similar to the one from which they retired, or a position
6 described in KRS 161.046 or any position listed in KRS 161.220(4) which requires
7 membership in the retirement system. Positions which generally require certification
8 or graduation from a four (4) year college or university as a condition of
9 employment which are created, or changed to remove the position from coverage
10 under KRS 161.220(4) are also subject to the return to work limitations set forth in
11 this section. The board of trustees shall determine whether employment in a
12 nonteaching position is subject to this subsection;

13 (10) (a) Notwithstanding the provisions of this section, individuals who retire and
14 begin drawing a retirement allowance from one (1) or more of the systems or
15 plans administered by the Kentucky Retirement Systems, the Teachers'
16 Retirement System, or the Judicial Form Retirement System on or after
17 January 1, 2019, who are reemployed on or after January 1, 2019, with an
18 employer participating in the Teachers' Retirement System shall not be
19 eligible to contribute to or earn benefits in a second retirement account during
20 the period of reemployment. Employers shall be required to pay the employer
21 normal cost for pension benefits established by KRS 161.550 for any period of
22 full-time reemployment to help pay down the unfunded liability of the
23 Teachers' Retirement System pension fund.

24 (b) The provisions of subsections (1) to (8) of this section are not subject to KRS
25 161.714;

26 (11) Any member retired by reason of service may waive his or her annuity and return to
27 full-time employment in a position covered by the ~~Kentucky~~ Teachers' Retirement

1 System under the following conditions:

- 2 (a) The member shall receive no annuity payments while employed in a covered
3 position, shall waive his or her medical insurance coverage with the
4 ~~Kentucky~~ Teachers' Retirement System during the period of reemployment,
5 and shall receive the medical insurance coverage that is generally offered by
6 the member's active employer to the other members of the retirement system
7 employed by the active employer. The member's estate or, if there is a
8 beneficiary applicably designated by the member, then the beneficiary, shall
9 continue to be eligible for life insurance benefits as provided in KRS 161.655.
10 Service subsequent to retirement shall not be used to improve an annuity,
11 except as provided in paragraphs (b) and (c) of this subsection;
- 12 (b) Any member who waives regular annuity benefits and returns to teaching or
13 covered employment shall be entitled to make contributions on the salaries
14 received for this service and have his retirement annuity recalculated as
15 provided in the regular retirement formula in KRS 161.620(1), less any
16 applicable actuarial discount applied to the original retirement allowance due
17 to the election of a joint and last survivor option. Retirement option and
18 beneficiary designation on original retirement shall not be altered by
19 postretirement employment, and dependents and spouses of the members shall
20 not become eligible for benefits under KRS 161.520, 161.525, or 161.661
21 because of postretirement employment;
- 22 (c) When a member returns to full-time teaching or covered employment as
23 provided in subsection (b) of this section, the employer is required to withhold
24 and remit regular retirement contributions. The member must be employed
25 full-time for at least one (1) consecutive contract year to be eligible to
26 improve an annuity. The member shall be returned to the annuity rolls on July
27 1 following completion of the contract year or on the first day of the month

1 following the month of termination of service if full-time employment
2 exceeds one (1) consecutive contract year. **A member shall not be returned to**
3 **the annuity rolls until after he or she has filed a retirement application in**
4 **compliance with KRS 161.600(5).** Any discounts applied at the time of the
5 original retirement due to service or age may be reduced or eliminated due to
6 additional employment if full-time employment is for one (1) consecutive
7 contract year or longer; and

8 (d) A member retired by reason of service who has been employed the equivalent
9 of twenty-five (25) days or more during a school year under KRS 161.605
10 may waive the member's retirement annuity and return to regular employment
11 covered by the ~~the Kentucky~~ Teachers' Retirement System during that school
12 year a maximum of one (1) time during any five (5) year period, beginning
13 with that school year;

14 (12) Retired members may be employed in a part-time teaching capacity by an agency
15 described in KRS 161.220(4)(b) or (n), not to exceed the equivalent of twelve (12)
16 teaching hours in any one (1) fiscal year. Retired members may be employed for a
17 period not to exceed the equivalent of one hundred (100) days in any one (1) fiscal
18 year in a part-time administrative or nonteaching capacity by an agency described in
19 KRS 161.220(4)(b) or (n) in a position that would otherwise be covered by the
20 retirement system. **Except as otherwise provided by this subsection,** the return to
21 work provisions set forth in subsections (1) to (8) of this section shall not apply to
22 retired members who return to work solely for an agency described in KRS
23 161.220(4)(b) or (n). Calculation of the number of days and teaching hours for part-
24 time teaching, substitute teaching, or part-time employment in a nonteaching
25 capacity under this section shall not exceed the ratio between a school year and the
26 actual months of retirement for the member during that school year. The board of
27 trustees by administrative regulation may establish fractional equivalents of a day of

1 teaching service. Any member who exceeds the twelve (12) hour or one hundred
2 (100) day limitations of this subsection shall be subject to having his or her
3 retirement voided and be required to return all retirement allowances and other
4 benefits paid to the member or on the member's behalf since the effective date of
5 retirement. In lieu of voiding a member's retirement, the system may reduce the
6 member's retirement allowance or any other benefit to which the member would
7 otherwise be entitled on a dollar-for-dollar basis for each dollar of compensation
8 that the member earns in employment exceeding twelve (12) hours, one hundred
9 (100) days, or any apportionment of the two (2) combined. **Retired members**
10 **returning to work for an employer described in subsection (4)(b) or (n) of Section**
11 **2 of this Act shall comply with the separation-from-service requirements of**
12 **subsection (7) of this section;**

13 (13) When a retired member returns to employment in a part-time teaching capacity or in
14 a nonteaching capacity as provided in subsection (12) of this section, the employer
15 shall contribute annually to the retirement system on the compensation paid to the
16 retired member at rates determined by the retirement system actuary that reflect
17 accrued liability for retired members who return to work under subsection (12) of
18 this section; and

19 (14) For retired members who return to work during any one (1) fiscal year in both a
20 position described in KRS 161.220(4)(b) or (n) and in a position described under
21 another provision under KRS 161.220(4), and for retired members who return to
22 work in a position described under KRS 161.220(4)(b) or (n) in both a teaching and
23 an administrative or nonteaching capacity, the board of trustees shall adopt a
24 methodology for a pro rata apportionment of days and hours that the retired member
25 may work in each position.

26 ➔Section 17. KRS 161.612 is amended to read as follows:

27 Effective July 1, 2002, any individual occupying a position on a part-time basis that

1 requires certification or graduation from a four (4) year college or university as a
2 condition of employment and any individual providing part-time or substitute teaching
3 services that are the same or similar to those teaching services provided by certified, full-
4 time teachers shall be a member of the ~~Kentucky~~ Teachers' Retirement System,
5 according to the conditions and only to the extent set forth in this section, if the individual
6 is employed by one (1) of the public boards, institutions, or agencies set forth in KRS
7 161.220, excluding those public boards, institutions, and agencies described in KRS
8 161.220(4)(b) and (n). Members providing part-time and substitute services shall
9 participate in the retirement system as follows:

10 (1) Members providing part-time and substitute services shall accrue service credit as
11 provided under KRS 161.500 and be entitled to a retirement allowance upon
12 meeting the service retirement conditions of KRS 161.235 or 161.600, as
13 applicable. The board of trustees shall adopt a methodology for accrediting service
14 credit to these members on a pro rata basis. The methodology adopted by the board
15 of trustees may be amended as necessary to ensure its actuarial soundness. The
16 retirement allowance for members providing part-time and substitute services shall
17 be calculated pursuant to KRS 161.235 or 161.620, as applicable, except that the
18 provisions of KRS 161.620(3) shall not apply. Members providing part-time and
19 substitute services who meet the service retirement conditions of KRS 161.235 or
20 161.600, as applicable, may also be eligible to participate as approved by the board
21 of trustees in the medical insurance program provided by the retirement system
22 under KRS 161.675. Members providing part-time and substitute services shall
23 make contributions to the ~~Kentucky~~ Teachers' Retirement System at the rate
24 provided under KRS 161.540. A member who provides part-time or substitute
25 services, or in the event of the death of the member, the member's estate or
26 applicably designated beneficiary, will be entitled, within ninety (90) days of the
27 posting of the annual report submitted by the member's employer, to a refund of

1 contributions as permitted and limited by KRS 161.470;

2 (2) (a) 1. The board of trustees shall adopt eligibility conditions under which
3 members providing part-time and substitute services may participate in
4 the benefits provided under KRS 161.520, 161.655, 161.661, and
5 161.663.

6 2. For all disability retirement applications filed with the Teachers'
7 Retirement System on or after July 1, 2021, disability retirement
8 payments and any other recurring payments payable by any other
9 state-administered retirement system to members providing part-time
10 or substitute services shall be applied to reduce, on a dollar-for-dollar
11 basis, the minimum monthly disability retirement allowance of five
12 hundred dollars (\$500) provided for under subsection (6) of Section 24
13 of this Act.

14 3. Effective July 1, 2021, members providing part-time or substitute
15 services shall not be eligible to apply for a disability retirement
16 allowance if they are eligible for a service retirement allowance that is
17 not subject to an actuarial reduction required under KRS
18 161.600(1)(b) or (d).

19 (b) The board of trustees may permit members providing part-time or substitute
20 services to participate in other benefits offered by the retirement system by
21 promulgating administrative regulations that establish eligibility conditions
22 for participation in these benefits. All eligibility conditions adopted by the
23 board of trustees pursuant to this subsection may be amended as necessary to
24 ensure their actuarial soundness;

25 (3) In addition to the pro rata methodology adopted by the board of trustees under
26 subsection (1) of this section, members providing part-time and substitute services
27 shall be subject to all limitations and conditions regarding the accrual, retention,

1 accreditation, and use of service credit that apply to members providing full-time
2 services. In addition to the eligibility conditions set forth by the board of trustees
3 under subsection (2) of this section, members providing part-time and substitute
4 services shall be subject to all limitations and conditions regarding both the
5 eligibility to participate and the extent of participation in any benefit offered under
6 KRS 161.220 to 161.716 that apply to members providing full-time services;

7 (4) Notwithstanding any other provisions of this section to the contrary, instructional
8 assistants who provide teaching services in the local school districts on a full-time
9 basis in positions covered by the County Employees Retirement System who are
10 used as substitute teachers on an emergency basis for five (5) days or less during
11 any one (1) fiscal year shall not be considered members of the Teachers' Retirement
12 System during that period in which they are serving as substitute teachers for five
13 (5) days or less;

14 (5) The board of trustees may adopt a pro rata methodology to determine the annual
15 compensation of members providing part-time and substitute services in order to
16 determine benefits provided under KRS 161.661 and 161.663. Members providing
17 part-time and substitute services who had retirement contributions posted to their
18 accounts during the previous fiscal year and who have not had those contributions
19 refunded to them are eligible to vote for the board of trustees;

20 (6) The board of trustees of the Teachers' Retirement System shall be responsible for
21 final determination of membership eligibility and may direct employers to take
22 whatever action that may be necessary to correct any error relating to membership;

23 (7) Effective January 1, 2019, this section does not apply to any individual who retires
24 on or after January 1, 2019, and is reemployed on or after January 1, 2019; and

25 (8) The provisions of this section are not subject to KRS 161.714.

26 ➔Section 18. KRS 161.614 is amended to read as follows:

27 A court order awarding additional back salary to or reinstating a member as a result of

1 employment in a position covered by the ~~[Kentucky]~~ Teachers' Retirement System shall
2 entitle the member to additional salary or service credit, or both, under the following
3 circumstances:

4 (1) Members shall make contributions to the ~~[Kentucky]~~ Teachers' Retirement System
5 at the rate set forth in KRS 161.540 and members' employers shall make
6 contributions at the rate set forth in KRS 161.550, with interest accruing on all
7 contributions at the rate of eight percent (8%) per annum from the end of each fiscal
8 year that back salary or the reinstatement was ordered. Contributions, plus interest,
9 shall be made for each year that back salary or reinstatement was ordered. No
10 service or salary credit shall be credited to a member's account unless full
11 contributions are paid to the ~~[Kentucky]~~ Teachers' Retirement System;

12 (2) The member may have court-ordered back salary credited to his or her account only
13 to the extent that the member actually received payment for the back salary and only
14 to the extent that the court-ordered back salary is within the salary scale that was
15 available to the member in the covered position for the years that the back salary
16 was awarded. Court-ordered back salary can be credited to the member's account
17 only as permitted under KRS 161.220(9) and (10). The member may have court-
18 ordered service credited to his or her account only after the retirement system has
19 received the contributions and interest on the full compensation that would
20 normally be earned in the position that is the subject of the litigation;

21 (3) The member's employer ordered to pay back salary or to reinstate the member by a
22 court of competent jurisdiction shall provide the retirement system with a
23 breakdown of the back salary awarded to the member on a year-by-year basis;

24 (4) The calculations of the contributions and interest required to be paid for court-
25 ordered back salary or reinstatement shall be provided by the retirement system to
26 the member or the member's employer at the member's or employer's request.
27 Requests for these calculations shall be made with at least two (2) weeks of advance

1 notice to the retirement system to provide these calculations. The retirement system
2 will calculate accrued interest as of the last day of the month during which payment
3 of the full contributions are made;

4 (5) For purposes of this section, a settlement agreement that provides back salary or
5 reinstatement, and is adopted by order or judgment of a court of competent
6 jurisdiction or is referenced in an order dismissing the action as settled shall have
7 the same effect as a court order adjudicating the matter. Orders entered by a
8 government board or agency as a result of litigation conducted on an administrative
9 hearing level and legally binding arbitration and mediation awards shall be
10 considered as court orders for the purposes of this section; and

11 (6) Under no circumstances shall a member be entitled to service credit as a result of
12 court-ordered reinstatement that is in violation of the provisions of KRS 161.500.

13 ➔Section 19. KRS 161.620 is amended to read as follows:

14 (1) The retirement allowance, in the form of a life annuity with refundable balance, of a
15 member retiring for service shall be calculated as follows:

16 (a) For retirements effective July 1, 1998, and thereafter, except as otherwise
17 provided by this section, the annual allowance for each year of service shall be
18 two percent (2%) of the final average salary for service performed prior to
19 July 1, 1983, and two and one-half percent (2.5%) of the final average salary
20 for service performed after July 1, 1983, for all nonuniversity members. The
21 annual retirement allowance for each year of service performed by members
22 of the Teachers' Retirement System who are university members shall be two
23 percent (2%) of the final average salary. Actuarial discounts due to age or
24 service credit at retirement may be applied as provided in this section;

25 (b) For individuals who become nonuniversity members of the Teachers'
26 Retirement System on or after July 1, 2002, and before July 1, 2008, who
27 upon retirement have earned less than ten (10) full years of service credit, the

1 retirement allowance shall be two percent (2%) of the member's final average
2 salary for each year of service. For individuals who become nonuniversity
3 members of the Teachers' Retirement System on or after July 1, 2002, and
4 before July 1, 2008, and who upon retirement have earned at least ten (10) full
5 years of service credit, the annual allowance for each year of service shall be
6 two and one-half percent (2.5%) of the member's final average salary;

7 (c) The board of trustees may approve for members who initially retire on or after
8 July 1, 2004, and who become nonuniversity members before July 1, 2008, a
9 retirement allowance of three percent (3%) of the member's final average
10 salary for each year or partial year of service credit earned in excess of thirty
11 (30) years.

12 This three percent (3%) factor shall be in lieu of the two and one-half percent
13 (2.5%) factor provided for in paragraph (b) of this subsection for every year or
14 fraction of a year of service in excess of thirty (30) years. Upon approval of
15 this three percent (3%) retirement factor, the board of trustees may establish
16 conditions of eligibility regarding the type of service credit that will qualify
17 for meeting the requirements of this subsection. This subsection is optional
18 with the board of trustees and shall not be subject to KRS 161.714;

19 (d) For individuals who become nonuniversity members of the Teachers'
20 Retirement System on or after July 1, 2008, the retirement allowance shall be:

21 1. a. One and seven-tenths percent (1.7%) of the member's final average
22 salary for each year of service if the member has earned ten (10) or
23 less years of service at retirement;

24 b. Two percent (2%) of the member's final average salary for each
25 year of service if the member has earned greater than ten (10) but
26 no more than twenty (20) years of service at retirement;

27 c. Two and three-tenths percent (2.3%) of the member's final average

- 1 salary for each year of service if the member has earned greater
2 than twenty (20) but no more than twenty-six (26) years of service
3 at retirement; or
- 4 d. Two and one-half percent (2.5%) of the member's final average
5 salary for each year of service if the member has earned greater
6 than twenty-six (26) but no more than thirty (30) years of service at
7 retirement; and
- 8 2. Three percent (3%) of the member's final average salary for each year *or*
9 *partial year* of service earned in excess of thirty (30) years of service at
10 retirement subject to the same terms and conditions as set forth in
11 paragraph ~~(c)~~^{(e)2.} of this subsection;
- 12 (e) For individuals who become university members of the Teachers' Retirement
13 System on or after July 1, 2008, the retirement allowance shall be:
- 14 1. One and one-half percent (1.5%) of the member's final average salary for
15 each year of service if the member has earned ten (10) or less years of
16 service at retirement;
- 17 2. One and seven-tenths percent (1.7%) of the member's final average
18 salary for each year of service if the member has earned greater than ten
19 (10) but no more than twenty (20) years of service at retirement;
- 20 3. One and eighty-five hundredths percent (1.85%) of the member's final
21 average salary for each year of service if the member has earned greater
22 than twenty (20) but less than twenty-seven (27) years of service at
23 retirement; or
- 24 4. Two percent (2%) of the member's final average salary for each year of
25 service if the member has earned twenty-seven (27) or more years of
26 service at retirement; and
- 27 (f) The retirement allowance of a member at retirement, as measured on a life

1 annuity, shall not exceed the member's last yearly salary or the member's final
2 average salary, whichever is the greater amount. For purposes of this section,
3 "yearly salary" means the compensation earned by a member during the most
4 recent period of contributing service, either consecutive or nonconsecutive,
5 preceding the member's effective retirement date and shall be subject to the
6 provisions of KRS 161.220(9) and (10).

7 (2) Effective July 1, 2002, and annually on July 1 thereafter, the retirement allowance
8 of each retired member and of each beneficiary of a retirement option shall be
9 increased in the amount of one and one-half percent (1.5%), provided the retired
10 member had been retired for at least the full twelve (12) months immediately
11 preceding the date that the increase is effective. In the event that the retired member
12 had been retired for less than the full twelve (12) months immediately preceding the
13 date that the increase is effective, then the increase shall be reduced on a pro rata
14 basis by each month that the retired member had not been retired for the full twelve
15 (12) months immediately preceding the effective date of the increase.

16 (3) Any member qualifying for retirement under a life annuity with refundable balance
17 shall be entitled to receive an annual allowance amounting to not less than four
18 hundred dollars (\$400) effective July 1, 2002, and not less than four hundred forty
19 dollars (\$440) effective July 1, 2003, multiplied by the service credit years of the
20 member. These minimums shall apply to the retired members receiving annuity
21 payments and to those members retiring on or subsequent to the effective dates
22 listed in this subsection, except the following:

23 (a) Individuals who become members of the ~~Kentucky~~ Teachers' Retirement
24 System on or after July 1, 2008; or

25 (b) Members whose retirement allowance payment is reduced below the
26 minimum allowance as a result of its division in a qualified domestic relations
27 order or any other provision permitted under KRS 161.700.

- 1 (4) The minimum retirement allowance provided in this section shall apply in the case
2 of members retired or retiring under an option other than a life annuity with
3 refundable balance in the same proportion to the benefits of the member and his
4 beneficiary or beneficiaries as provided in the duly-adopted option tables at the time
5 of the member's retirement.
- 6 (5) Effective July 1, 2008, the monthly allowance of each retired member and each
7 recipient of a retirement option of the retired member may be increased in an
8 amount not to exceed three and one-half percent (3.5%) of the monthly allowance in
9 effect the previous month, provided the retired member had been retired for at least
10 the full twelve (12) months immediately preceding the date that the increase is
11 effective. In the event that the retired member had been retired for less than the full
12 twelve (12) months immediately preceding the date that the increase is effective,
13 then the increase shall be reduced on a pro rata basis by each month that the retired
14 member had not been retired for the full twelve (12) months immediately preceding
15 the effective date of the increase. The level of increase provided for in this
16 subsection shall be determined by the funding provided in the 2008-2010 biennium
17 budget appropriation.
- 18 (6) Effective July 1, 2009, the monthly allowance of each retired member and each
19 recipient of a retirement option of the retired member may be increased in an
20 amount not to exceed seven-tenths of one percent (0.7%) of the monthly allowance
21 in effect the previous month, provided the retired member had been retired for at
22 least the full twelve (12) months immediately preceding the date that the increase is
23 effective. In the event that the retired member had been retired for less than the full
24 twelve (12) months immediately preceding the date that the increase is effective,
25 then the increase shall be reduced on a pro rata basis by each month that the retired
26 member had not been retired for the full twelve (12) months immediately preceding
27 the effective date of the increase. The level of increase provided for in this

1 subsection shall be determined by the funding provided in the 2008-2010 biennium
2 budget appropriation.

3 (7) Effective July 1, 1990, monthly payments of two hundred dollars (\$200) shall be
4 payable for the benefit of an adult child of a member retired for service when the
5 child's mental or physical condition is sufficient to cause dependency on the
6 member at the time of retirement. Eligibility for this payment shall continue for the
7 life of the child or until the time the mental or physical condition creating the
8 dependency no longer exists or the child marries. Benefits under this subsection
9 shall apply to legally adopted survivors provided the proceedings for the adoption
10 were initiated at least one (1) year prior to the death of the member. The board of
11 trustees shall be the sole judge of eligibility or dependency and may require formal
12 application or information relating thereto.

13 (8) Members of the Teachers' Retirement System shall be subject to the annuity income
14 limitations imposed by Section 415 of the Internal Revenue Service Code.

15 (9) Compensation in excess of the limitations imposed by Section 401(a)(17) of the
16 Internal Revenue Code shall not be used in determining a member's retirement
17 annuity. The limitation on compensation for eligible members shall not be less than
18 the amount which was allowed to be taken into account by the retirement system in
19 effect on July 1, 1993. For this purpose, an eligible member is an individual who
20 was a member of the retirement system before the first plan year beginning after
21 December 31, 1995.

22 (10) Effective January 1, 2019, subsections (1) to (7) of this section do not apply to
23 individuals who become members of the Teachers' Retirement System on or after
24 January 1, 2019.

25 ➔Section 20. KRS 161.630 is amended to read as follows:

26 (1) (a) An individual who became a member prior to January 1, 2019, upon
27 retirement, shall receive a retirement allowance in the form of a life annuity,

1 with refundable balance, as provided in KRS 161.620, unless an election is
2 made before the effective date of retirement to receive actuarially equivalent
3 benefits under options which the board of trustees approves.

4 (b) An individual who is participating in the hybrid cash balance plan as provided
5 by KRS 161.235 may, before the effective date of retirement, elect to receive
6 his or her accumulated account balance annuitized into a monthly payment
7 under one (1) of the actuarial equivalent payment options approved by the
8 board of trustees.

9 (c) No option shall provide for a benefit with an actuarial value at the age of
10 retirement greater than that provided in KRS 161.235(7)(a) or 161.620, as
11 applicable. This section does not apply to disability allowances as provided in
12 KRS 161.661(1).

13 (2) The retirement option chosen by a retiree at the time of service retirement shall
14 remain in force unless the retiree became a member prior to January 1, 2019, and
15 elects to make a change under the following conditions:

16 (a) A divorce, annulment, or marriage dissolution following retirement shall, at
17 the election of the retiree, cancel any optional plan selected at retirement that
18 provides *indefinitely* continuing benefits to a spousal beneficiary and return
19 the retiree to a single lifetime benefit equivalent as determined by the board;
20 or

21 (b) Following marriage or remarriage, or the death of the designated beneficiary, a
22 retiree may elect a new optional plan of payment based on the actuarial
23 equivalent of a single lifetime benefit at the time of the election, as determined
24 by the board. The plan shall become effective the first of the month following
25 receipt of an application on a form approved by the board.

26 (3) Except as otherwise provided in this section, a beneficiary designation shall not be
27 changed after the effective date of retirement except for retirees who elect the life

1 annuity with refundable balance or the predetermined years certain and life
 2 thereafter option. A member may remove a beneficiary at any time, but shall not
 3 designate a substitute beneficiary. If a member elects to remove a beneficiary, the
 4 member's retirement allowance shall not change regardless of the retirement option
 5 selected by the member, even if the removed beneficiary predeceases the member.

6 (4) A member who experiences a qualifying event under subsection (2) of this section
 7 and who elects a new optional plan of payment shall make that election within sixty
 8 (60) days of the qualifying event.

9 ➔Section 21. KRS 161.643 is amended to read as follows:

10 **(1)** Each school district, **institution**, and agency employing annuitants of the retirement
 11 system shall **have on file at the retirement system's office an annual summary**
 12 **report**~~maintain a record~~ of the days employed and the compensation paid to each
 13 annuitant and **other data as required by administrative regulation of the board of**
 14 **trustees**~~submit an annual report on forms prescribed by the retirement system~~ no
 15 later than August 1, following the completion of each fiscal year.

16 **(2)** The retirement system may impose a penalty on the employer not to exceed one
 17 thousand dollars (\$1,000) when the employer does not meet the August 1
 18 **filing**~~reporting~~ date or fails to provide the information required for employment of
 19 annuitants of the retirement system. **However, the retirement system may waive the**
 20 **penalty for good cause.**

21 **(3)** **The retirement system may promulgate administrative regulations in accordance**
 22 **with KRS Chapter 13A to require employers to report more frequently than on an**
 23 **annual basis.**

24 ➔Section 22. KRS 161.650 is amended to read as follows:

25 (1) In the case of death of a member who has retired by reason of service or disability,
 26 any portion of the member's accumulated contributions, including member
 27 contributions to the state accumulation fund and regular interest to the date of

1 retirement, that has not, and will not be paid as an allowance or benefit shall be paid
2 to the member's beneficiary in such manner as the board of trustees elects.

3 (2) (a) The member may designate a primary beneficiary or two (2) or more
4 cobeneficiaries to receive any remaining accumulated member contributions
5 payable under this section.

6 (b) A contingent beneficiary may be designated in addition to the primary
7 beneficiary or the cobeneficiaries. The member may designate two (2) or more
8 contingent beneficiaries.

9 (c) To the extent permitted by the Internal Revenue Code, a trust may be
10 designated as beneficiary for receipt of any remaining funds of the member's
11 accumulated contributions.

12 (d) Members may designate as beneficiaries only presently identifiable and
13 existing individuals, or trusts where otherwise permitted, without contingency
14 instructions, on forms prescribed by the retirement system. Cobeneficiaries
15 shall be composed of a single class of individuals, or trusts where permitted,
16 who will share in equal proportions in any payment that may become available
17 under this section.

18 (e) 1. Any beneficiary designation made by the member shall remain in effect
19 until changed by the member on forms prescribed by the retirement
20 system, except in the event of subsequent marriage or divorce.

21 2. Subsequent marriage by the member shall void the primary
22 beneficiary and any cobeneficiary designation, even that of a trust,
23 and the spouse of the member at death shall be considered as the
24 primary beneficiary, unless the member subsequent to marriage
25 designates another beneficiary. An individual who is married prior to
26 becoming a retired member of the retirement system and remains
27 married at the time of becoming a retired member shall have his or

1 *her spouse considered the primary beneficiary, unless the member*
 2 *designates another beneficiary for any amounts payable under*
 3 *subsection (1) of this section.*

4 3. A final divorce decree shall terminate the beneficiary status of an ex-
 5 spouse unless, subsequent to divorce, the member redesignates the
 6 former spouse as a beneficiary. A final divorce decree shall not
 7 terminate the designation of a trust as beneficiary regardless of who is
 8 designated as beneficiary of the trust.

9 (f) In the event that the member fails to designate a beneficiary or all designated
 10 beneficiaries predecease the member, any remaining accumulated member
 11 contributions shall be payable to the member's estate, *unless the member is*
 12 *married at the time of his or her death, in which case any remaining*
 13 *contributions shall be payable to his or her spouse.*

14 ➔Section 23. KRS 161.655 is amended to read as follows:

15 (1) Effective July 1, 2000, the Teachers' Retirement System shall for those individuals
 16 who became members prior to January 1, 2019:

17 (a) Provide a life insurance benefit in a minimum amount of five thousand dollars
 18 (\$5,000) for its members who are retired for service or disability. This life
 19 insurance benefit shall be payable upon the death of a member retired for
 20 service or disability to the member's estate or to a party designated by the
 21 member on a form prescribed by the retirement system; and

22 (b) Provide a life insurance benefit in a minimum amount of two thousand dollars
 23 (\$2,000) for its active contributing members. This life insurance benefit shall
 24 be payable upon the death of an active contributing member to the member's
 25 estate or to a party designated by the member on a form prescribed by the
 26 retirement system.

27 (2) (a) The member may name one (1) primary and one (1) contingent beneficiary for

1 receipt of the life insurance benefit. To the extent permitted by the Internal
2 Revenue Code, a trust may be designated as beneficiary for receipt of the life
3 insurance benefit.

4 **(b)** Members may designate as beneficiaries only presently identifiable and
5 existing individuals, or trusts where otherwise permitted, without contingency
6 instructions, on forms prescribed by the retirement system.

7 **(c)** In the event that a member fails to designate a beneficiary, or all designated
8 beneficiaries predecease the member, the member's estate shall be deemed to
9 be the beneficiary, **unless the member is married at the time of his or her**
10 **death, in which case the spouse shall be deemed the beneficiary.**

11 **(d)** **1.** Any beneficiary designation made by the member, including the estate
12 should the estate become the beneficiary by default, shall remain in
13 effect until changed by the member on forms prescribed by the
14 retirement system, except in the event of subsequent marriage or
15 divorce.

16 **2.** A valid marriage license shall terminate any previously designated
17 beneficiary, even that of a trust, and establish the spouse as beneficiary
18 unless, subsequent proof of the marriage, the member or retired member
19 redesignates someone other than the new spouse as the beneficiary.

20 **3.** **An individual who is married prior to becoming an active member or a**
21 **retired member of the retirement system and remains married at the**
22 **time of becoming an active or retired member of the retirement system**
23 **shall have his or her spouse considered the primary beneficiary,**
24 **unless the member designates another beneficiary.**

25 **4.** A final divorce decree shall terminate the beneficiary status of an ex-
26 spouse unless, subsequent to divorce, the member redesignates the
27 former spouse as a beneficiary. A final divorce decree shall not

1 terminate the designation of a trust as beneficiary regardless of who is
2 designated as beneficiary of the trust.

3 **(e) The Teachers' Retirement System shall not acknowledge a beneficiary**
4 **designation unless the life insurance beneficiary form is received by the**
5 **Teachers' Retirement System prior to the member's death, or the life**
6 **insurance beneficiary form has been deposited in the mail with a postmark**
7 **date no later than the date of the member's death.**

8 (3) Application for payment of life insurance proceeds shall be made to the Teachers'
9 Retirement System together with acceptable evidence of death and eligibility. The
10 reciprocal provisions of KRS 61.680(2)(a) shall not apply to the coverage and
11 payment of proceeds by the life insurance benefit under this section.

12 (4) Suit or civil action shall not be required for the collection of the proceeds of the life
13 insurance benefit provided for by this section, but nothing in this section shall
14 prevent the maintenance of suit or civil action against the beneficiary or legal
15 representative receiving the proceeds of the life insurance benefit.

16 (5) Upon the death of a member of the Teachers' Retirement System, the life insurance
17 provided pursuant to subsection (1) of this section may be assigned by the
18 designated beneficiary to a bank or licensed funeral home.

19 ➔Section 24. KRS 161.661 is amended to read as follows:

20 (1) **(a)** Any member who **is accredited by the Teachers' Retirement System for** ~~has~~
21 ~~completed~~ five (5) or more years of ~~accredited~~ service in ~~the public schools~~
22 ~~of~~ Kentucky after July 1, 1941, may retire for disability and be granted a
23 disability allowance if found to be eligible as provided in this section.
24 Application for disability benefits shall be made within one (1) year of the last
25 contributing service in Kentucky, and the disability must have occurred during
26 the most recent period of employment in a position covered by the Teachers'
27 Retirement System and subsequent to the **accreditation by the Teachers'**

1 Retirement System~~[completion]~~ of five (5) years of retirement
 2 system~~[teaching]~~ service credit in Kentucky. A disability occurring during the
 3 regular vacation immediately following the last period of active service in
 4 Kentucky or during an official leave for which the member is entitled to make
 5 regular contributions to the retirement system, shall be considered as having
 6 occurred during a period of active service.

7 **(b)** The annual disability allowance shall be equal to sixty percent (60%) of the
 8 member's final average salary.

9 **(c)** The following individuals shall not be eligible for disability benefits under
 10 this section:

11 **1.** Members with~~[Individuals who became members prior to January 1,~~
 12 ~~2019, who have]~~ twenty-seven (27) or more years of service credit; and

13 **2.** Individuals who become members on or after July 1, 2021, who are
 14 eligible for an unreduced benefit under KRS 161.600(1)(b)2. or (d)~~[are~~
 15 ~~eligible for service retirement only. Individuals who become members~~
 16 ~~on or after January 1, 2019, who have met the requirements of KRS~~
 17 ~~161.235(6)(b) shall be eligible for service retirement only].~~

18 (2) The provisions of KRS 161.520, 161.525, and subsections (3), (4), and (5) of this
 19 section shall not apply to disability retirees whose benefits were calculated on the
 20 service retirement formula nor to survivors of these members.

21 (3) Members shall earn one (1) year of entitlement to disability retirement, at sixty
 22 percent (60%) of the member's final average salary, for each four (4) years of
 23 service in a covered position, but any member meeting the service requirement for
 24 disability retirement shall be credited with no less than five (5) years of eligibility.

25 (4) A member retired by reason of disability shall continue to earn service credit at the
 26 rate of one (1) year for each year retired for disability. This service shall be credited
 27 to the member's account at the expiration of entitlement as defined in subsection (3)

1 of this section, or when the member's eligibility for disability benefits is terminated
2 upon recommendation of a medical review committee, and this service shall be used
3 in calculating benefits as provided in subsection (5) of this section, but under no
4 circumstances shall this service be used to provide the member with more than
5 twenty-seven (27) years of total service credit or the level of service credit needed
6 to meet the requirements of KRS 161.235(6)(b), as applicable. The service credit
7 shall be valued at the same level as service earned by active members as provided
8 under KRS 161.235, 161.600, or 161.620, as applicable. Members participating in
9 the hybrid cash balance plan as provided by KRS 161.235 shall also be credited
10 with employer credits and interest credits for each year of service earned under the
11 provisions of this subsection based upon the salary in which the last employer credit
12 was paid. Payments during the entitlement period as specified by subsection (3) of
13 this section shall not reduce the accumulated account balance of a member
14 participating in the hybrid cash balance plan.

15 (5) Any member retired by reason of disability and remaining disabled at the expiration
16 of the entitlement period shall have his disability benefits recalculated using the
17 service retirement formula with service credit and any additional accumulated
18 account balance earned as set out in subsection (4) of this section. For persons who
19 became members prior to January 1, 2019, the retirement allowance shall be
20 calculated as set forth in KRS 161.620, except that those persons less than sixty
21 (60) years of age shall be considered as sixty (60) years of age. For persons who
22 become members on or after January 1, 2019, the retirement allowance or benefit
23 shall be calculated as set forth in KRS 161.235, except that those persons less than
24 age sixty-five (65) shall be considered as sixty-five (65) years of age. Members
25 having their disability benefits recalculated under this subsection shall not be
26 entitled to a benefit based upon an average of their three (3) highest salaries as set
27 forth in KRS 161.220(9), unless approved otherwise by the board of trustees.

- 1 (6) Members who have their disability retirement allowance recalculated at the
2 expiration of the entitlement period shall continue to have coverage under the post-
3 retirement medical insurance program. Restrictions on employment shall remain in
4 effect until the member attains age seventy (70) or until the member's eligibility is
5 discontinued. KRS 161.520 and 161.525 shall not apply to survivors of disability
6 retirees whose retirement allowances have been recalculated at the expiration of the
7 entitlement period. Members who have their disability retirement allowance
8 recalculated at the expiration of their entitlement period shall be entitled to a
9 minimum monthly allowance of five hundred dollars (\$500) as the basic straight life
10 annuity. The minimum allowance shall be effective July 1, 1992, and shall apply to
11 those members who have had their allowance recalculated prior to that date and to
12 disability retirees who will have their benefit allowance recalculated on or after that
13 date. *For individuals who become members on or after July 1, 2021, disability*
14 *retirement payments and any other recurring payments payable by any other*
15 *state-administered retirement system shall be applied to reduce, on a dollar-for-*
16 *dollar basis, the minimum monthly disability retirement allowance payable under*
17 *this subsection.*
- 18 (7) Effective July 1, 1992, members retired for disability prior to July 1, 1964, shall be
19 entitled to a minimum monthly allowance of five hundred dollars (\$500) as their
20 basic straight life annuity and their surviving spouse shall be eligible for survivor
21 benefits as provided in KRS 161.520(1)(a) and (b).
- 22 (8) Any member retired by reason of disability may voluntarily waive disability benefits
23 and return to teaching or any individual who became a member prior to January 1,
24 2019, who is age sixty (60) years or older, may elect to waive disability benefits and
25 retire for service on the basis of service credited to the member on the effective date
26 of the disability retirement, or any individual who becomes a member on or after
27 January 1, 2019, who is sixty-five (65) years of age or older, may elect to waive

1 disability benefits and retire for service on the basis of his or her accumulated
2 account balance and service credited to the member on the effective date of
3 disability retirement.

4 (9) In order to qualify for retirement by reason of disability a member must suffer from
5 a physical or mental condition presumed to be permanent in duration and of a nature
6 as to render the member incapable of being gainfully employed in a covered
7 position. The incapability must be revealed by a competent examination by a
8 licensed physician or physicians and must be approved by a majority of a medical
9 review committee.

10 (10) A member retired by reason of disability shall be required to undergo periodic
11 examinations at the discretion of the board of trustees to determine whether the
12 disability allowance shall be continued. When examination and recommendation of
13 a medical review committee indicate the disability no longer exists, the allowance
14 shall be discontinued.

15 (11) Eligibility for payment shall begin on the first day of the month following receipt of
16 the application in the Teachers' Retirement System office, or the first of the month
17 next following the last payment of salary or sick leave benefits by the employer,
18 whichever is the later date.

19 (12) No person who receives a disability allowance may be employed in a position that
20 entails duties or qualification requirements similar to positions subject to
21 participation in the retirement system either within or without the State of
22 Kentucky. So doing shall constitute a misdemeanor and shall result in loss of the
23 allowance from the first date of this service. **For purposes of this subsection and**
24 **subsection (13) of this section, "employment" and "occupation," and derivatives**
25 **thereof, mean any activity engaged in by the member receiving disability**
26 **allowance from which income is earned.** A member who applies for and is
27 approved for disability retirement on or after July 1, 2002, and whose annual

1 disability benefit is less than forty thousand dollars (\$40,000) may earn income in
2 any occupation other than covered employment only to the extent that the annual
3 income from the other employment when added to the annual disability benefit does
4 not exceed forty thousand dollars (\$40,000). For any member who exceeds this
5 limit as a result of income from other employment, the Kentucky Teachers'
6 Retirement System shall reduce the member's disability benefit on a dollar-for-
7 dollar basis for each dollar that the member's combined annual disability benefit and
8 annual income from other employment exceeds forty thousand dollars (\$40,000).
9 The board of trustees may annually increase the forty thousand dollar (\$40,000)
10 limit by the percentage increase in the annual average of the consumer price index
11 for all urban consumers for the most recent calendar year as published by the
12 Federal Bureau of Labor Statistics, not to exceed five percent (5%). *The retirement*
13 *system may require income verification from the member, including but not*
14 *limited to copies of tax returns and federal forms W-2 and W-4P.*

15 (13) All members who applied for disability retirement before July 1, 2002, and were
16 approved as a result of that application shall be subject to the income limitations as
17 they existed on June 30, 2002, until July 1, 2006. Effective July 1, 2006, the twenty-
18 seven thousand dollar (\$27,000) limitation shall be increased to forty thousand
19 dollars (\$40,000) and may be adjusted by the board of trustees by the consumer
20 price index in the manner described in subsection (12) of this section. The recipient
21 of a disability allowance who engages in any gainful occupation other than covered
22 employment must make a report of the duties involved, compensation received, and
23 any other pertinent information required by the board of trustees. *The retirement*
24 *system may require income verification from the member, including but not*
25 *limited to copies of tax returns and federal forms W-2 and W-4P.*

26 (14) The board of trustees shall designate medical review committees, each consisting of
27 three (3) licensed physicians. A medical review committee shall pass upon all

1 applications for disability retirement and upon all applicant statements, medical
2 certifications, and examinations submitted in connection with disability
3 applications. The disposition of each case shall be recommended by a medical
4 review committee in writing to the retirement system. Members of a medical review
5 committee shall follow administrative regulations regarding procedures as the board
6 of trustees may enact and shall be paid reasonable fees and expenses as authorized
7 by the board of trustees in compliance with the provisions of KRS 161.330 and
8 161.340. The retirement system may secure additional medical examinations and
9 information as it deems necessary. A member may appeal any final agency decision
10 denying his or her disability retirement application pursuant to the provisions of
11 KRS 161.250(2).

12 (15) A disability may be presumed to be permanent if the condition creating the
13 disability may be reasonably expected to continue for one (1) year or more from the
14 date of application for disability benefits.

15 (16) Any member who has voluntarily waived disability benefits or whose disability
16 benefits have been discontinued on recommendation of a medical review
17 committee, may apply for reinstatement of disability benefits. The application for
18 reinstatement must be made to the retirement system within twelve (12) months of
19 the date disability benefits terminated. If the termination of benefits were voluntary,
20 the reinstatement may be made without medical examination if application is made
21 within three (3) months of the termination date. Other applications for reinstatement
22 will be processed in the same manner as new applications for benefits.

23 (17) No person who is receiving disability benefits under this section may be employed
24 in a position which qualifies the person for membership in a retirement system
25 financed wholly or in part with public funds. Employment in a position prohibited
26 by this subsection shall result in disqualification for those disability benefits from
27 the date of employment in the prohibited position.

1 (18) Any person who is receiving benefits and becomes disqualified from receiving
2 those benefits under this section, or becomes disqualified from receiving a portion
3 of those benefits due to income from other than covered employment, shall
4 immediately notify the Teachers' Retirement System of this disqualification in
5 writing and shall return all benefits paid after the date of disqualification. Failure to
6 comply with these provisions shall create an indebtedness of that person to the
7 Teachers' Retirement System. Interest at the rate of eight percent (8%) per annum
8 shall be charged if the debt is not repaid within sixty (60) days after the date of
9 disqualification. Failure to repay this debt creates a lien in favor of the Teachers'
10 Retirement System upon all property of the person who improperly receives benefits
11 and does not repay those benefits. The ~~Kentucky~~ Teachers' Retirement System
12 may, in order to collect an outstanding debt, reduce or terminate any benefit that a
13 member is otherwise entitled to receive.

14 ➔Section 25. KRS 161.680 is amended to read as follows:

15 (1) If any change or error in a record results in any individual receiving from the
16 retirement system more or less than the individual was entitled to receive, the board
17 of trustees shall, when the error is discovered, correct the error, and as far as
18 practicable adjust the payments so that the actuarial equivalent of the benefit to
19 which the individual was entitled shall be paid.
