

1 AN ACT relating to removal of local school board members.

2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. KRS 156.132 is amended to read as follows:

4 As used in this section, except subsection (1), "public school officer" means a person who
5 previously served as a superintendent of schools~~[or board member]~~ during which time
6 charges were brought against him under this section.

7 (1) The chief state school officer shall recommend, by written charges to the proper
8 school authorities having immediate jurisdiction, the removal of any superintendent
9 of schools, principal, teacher, member of a school council, or other public school
10 officer as to whom he has reason to believe is guilty of immorality, misconduct in
11 office, incompetency, willful neglect of duty, or nonfeasance. In the case of a
12 member of a school council, the written charges shall be provided to the local board
13 of education.

14 (2) The chief state school officer shall recommend by written charges the suspension by
15 the Kentucky Board of Education of any~~[district board member]~~ superintendent of
16 schools~~[,]~~ or other public school officer whom he has reason to believe is guilty of
17 immorality, misconduct in office, incompetency, willful neglect of duty, or
18 nonfeasance. If the charges brought under this subsection represent an immediate
19 threat to the public health, safety, or welfare, the Kentucky Board of Education shall
20 summarily suspend the person against whom the charges are made. The action by
21 the Kentucky Board of Education may be taken upon a recommendation of the chief
22 state school officer, or the action may be taken by a majority vote of the Kentucky
23 Board of Education without recommendation from the chief state school officer.

24 (3) The Kentucky Board of Education may suspend a district superintendent of schools
25 or other public school officer under subsection (2) of this section or remove him
26 pursuant to subsection (5) of this section only if, after thirty (30) days of receipt of
27 the written charges specified in subsection (1) of this section, the proper school

- 1 authorities having immediate jurisdiction, either the superintendent or the district
2 board of education, have refused to act, have acted in bad faith, arbitrarily, or
3 capriciously, or if a recommendation to the district board would have been futile.
- 4 (4) Any officer suspended by the Kentucky Board of Education under subsection (2) of
5 this section shall be furnished with an emergency order specifying in detail the
6 reasons for suspension and notifying the officer of his right to appeal the action and
7 have an emergency hearing pursuant to KRS 13B.125.
- 8 (5) As an alternative to first seeking suspension, the chief state school officer may
9 recommend by written charges the removal by the Kentucky Board of Education of
10 any~~[-district board member,]~~ superintendent of schools~~[,]~~ or other public school
11 officer whom he has reason to believe is guilty of immorality, misconduct in office,
12 incompetency, willful neglect of duty, or nonfeasance. The officer against whom the
13 written charges are issued by the chief state school officer shall be furnished with
14 the written charges and notice of procedural rights conferred under KRS Chapter
15 13B. Within twenty (20) days after receipt of the charges, the officer may notify the
16 Kentucky Board of Education of his intention to appear and answer the charges.
17 Upon appeal, an administrative hearing shall be conducted in accordance with KRS
18 Chapter 13B. If the officer fails to notify the board of his intention to appear and
19 answer the charges, the Kentucky Board of Education may remove the officer by a
20 majority vote, and the dismissal shall be final.
- 21 (6) The hearing shall be public or private at the discretion of the accused former or
22 current superintendent and shall be public when testimony is taken for board
23 members.
- 24 (7) The Kentucky Board of Education may meet in closed session to consider the
25 evidence and may by a majority vote remove the officer. If the board votes to
26 remove the officer, the board shall prepare final order specifying which charge or
27 charges it found to be the basis for removal. If within ninety (90) days from the date

1 of suspension if applicable, the state board has not removed the officer, or has
2 dismissed the charges, the suspended officer shall be reinstated and shall be paid his
3 full salary for the period of suspension.

4 (8) The officer shall have a right to appeal on the record to the Circuit Court located in
5 the county of the school district in accordance with KRS Chapter 13B. If the
6 decision of the court is against removal, the officer shall be paid his full salary from
7 the date of suspension. The payment shall be made from funds appropriated to the
8 State Department of Education.

9 (9) If a superintendent of schools is removed from office or resigns while charges are
10 pending pursuant to this section after July 15, 1994, any continuing contract
11 pursuant to KRS 161.720 to 161.810 shall be terminated. If the removal is reversed
12 upon appeal, the continuing contract shall be restored and he shall be paid his full
13 salary for the period of suspension.

14 ➔Section 2. KRS 156.136 is amended to read as follows:

15 The Kentucky Board of Education, upon suspension of any officer ~~or district board of~~
16 ~~education member~~ under KRS 156.132, shall name a person to fill the vacancy caused by
17 such suspension. Persons appointed by the Kentucky Board of Education to fill vacancies
18 under KRS 156.132 and this section shall hold office only during the time an officer is
19 suspended, not to exceed ninety (90) days from the date of suspension. At the expiration
20 of such period, vacancies shall be filled in the manner provided by law for the office.
21 Persons appointed by the Kentucky Board of Education to fill vacancies caused by
22 suspension shall be paid from funds of the district board of education. Any person
23 employed to fill the position of a superintendent who has been removed by the Kentucky
24 Board of Education under KRS 156.132 shall be employed by the district board of
25 education for periods not to exceed one (1) year if the superintendent has appealed to the
26 courts and if the courts have not taken final action.

27 ➔Section 3. KRS 158.785 is amended to read as follows:

- 1 (1) The Kentucky Board of Education shall establish a program to improve specific
2 aspects of the management of local school districts as described in KRS 158.780.
- 3 (2) The State Department of Education shall, pursuant to administrative regulations
4 promulgated by the Kentucky Board of Education, collect and review data relative
5 to the instructional and operational performance of local school districts. When a
6 review of the data or of any other information, including site investigations of local
7 management practices, indicates the presence of critically ineffective or inefficient
8 management, the chief state school officer shall order a management audit of the
9 governance and administration of the district. A local school board or
10 superintendent may also request a management audit of the district.
- 11 (3) If a management audit, conducted for any of the reasons set forth in subsection (2)
12 of this section, indicates that there is a pattern of a significant lack of efficiency and
13 effectiveness in the governance or administration of a school district, the chief state
14 school officer shall recommend the district to the Kentucky Board of Education
15 either as a "state assisted district" or a "state managed district."
- 16 (4) The Kentucky Board of Education shall promulgate an administrative regulation
17 establishing a procedure for considering the recommendation of the chief state
18 school officer to declare a district a "state assisted district" or a "state managed
19 district." This procedure shall fully comply with the procedures for administrative
20 hearings established in KRS Chapter 13B.
- 21 (5) When the chief state school officer presents a recommendation to the state board for
22 designation as a "state assisted district" or a "state managed district," he shall
23 establish the following:
- 24 (a) Existence of a pattern of a significant lack of efficiency and effectiveness in
25 the governance or administration of the school district;
- 26 (b) The pattern of a significant lack of efficiency and effectiveness in the
27 governance or administration of the school district continues to exist; and

- 1 (c) State assistance or state management is necessary to correct the inefficiencies
2 and ineffectiveness.
- 3 (6) When a district is designated a "state assisted district" under subsection (4) of this
4 section, the following actions shall be required of the chief state school officer:
- 5 (a) Management assistance shall be provided to the district to develop and
6 implement a plan to correct deficiencies found in the management audit.
- 7 (b) The Department of Education shall monitor the development and
8 implementation of the correctional plan to improve the governance or
9 administration of the school district. If the chief state school officer
10 determines that the plan is being inadequately developed or implemented, he
11 shall make a recommendation to the Kentucky Board of Education to declare
12 the district a "state managed district."
- 13 (7) If the state board designates a district a "state managed district" under subsection (4)
14 of this section, the following actions shall be required of the chief state school
15 officer:
- 16 (a) All administrative, operational, financial, personnel, and instructional aspects
17 of the management of the school district formerly exercised by the local
18 school board and the superintendent shall be exercised by the chief state
19 school officer or his designee.
- 20 (b) ~~The~~~~[Any local school board member or the]~~ local superintendent may be
21 removed from office by the Kentucky Board of Education pursuant to KRS
22 156.132.
- 23 (c) Notwithstanding any statute to the contrary, after thirty (30) days after a
24 district becomes a "state managed district" any appointment to an
25 administrative position may be revoked by the chief state school officer and
26 the individual employee may be reassigned to any duty for which that person
27 is qualified. The chief state school officer shall provide to the reassigned

1 employee written reasons for the reassignment. The individual shall not be
2 dismissed from subsequent employment except as provided by KRS 156.132
3 and 161.790.

4 (d) The chief state school officer shall make the administrative appointments as
5 necessary to exercise full and complete control of all aspects of the
6 management of the district. The chief state school officer, through the
7 appointments, may make any and all decisions previously made by the local
8 school board and the local superintendent. The chief state school officer shall
9 retain clear supervisory and monitoring powers over the operation and
10 management of the district.

11 (8) A school district shall be designated as a "state managed district" until the Kentucky
12 Board of Education determines that the pattern of ineffective and inefficient
13 governance or administration and the specific deficiencies determined by the
14 management audit have been corrected. Each year following the school year in
15 which the designation of a "state managed district" was made, the chief state school
16 officer shall report the status of the corrective action being taken to the Kentucky
17 Board of Education. No local school district shall remain in the status of a "state
18 managed district" longer than three (3) consecutive school years unless the
19 Kentucky Board of Education extends the time after a complete review of a new
20 management audit. Any judicial review of actions taken by the chief state school
21 officer or the board under KRS 158.780 or this section shall be in accordance with
22 the provisions for conducting judicial review of administrative hearings outlined in
23 KRS Chapter 13B.

3 (b) "School" means an elementary or secondary educational institution that is
4 under the administrative control of a principal and is not a program or part of

6 that are:

- 7 1. Exclusively vocational-technical, special education, or preschool
8 programs;
- 9 2. Instructional programs operated in institutions or schools outside of the
10 district; or
- 11 3. Alternative schools designed to provide services to at-risk populations

21 decision making in the district which shall include but not be limited to a
22 description of how the district's policies, including those developed pursuant to
23 KRS 160.340, have been amended to allow the professional staff members of a
24 school to be involved in the decision-making process as they work to meet
25 educational goals established in KRS 158.645 and 158.6451. The policy may
26 include a requirement that each school council make an annual report at a public
27 meeting of the board describing the school's progress in meeting the educational

1 goals set forth in KRS 158.6451 and district goals established by the board. The
2 policy shall also address and comply with the following:

3 (a) Except as provided in paragraph (b)2. of this subsection, each participating

8 employee of the school in which that parent serves, nor shall the parent
9 representative be an employee or a relative of an employee in the district
10 administrative offices. A parent representative shall not be a local board

26 students enrolled, as determined by the enrollment on the preceding
27 October 1, shall have at least one (1) minority member. If the council

1 formed under paragraph (a) of this subsection does not have a minority

12 limitations shall not apply for a minority teacher member who is
13 the only minority on faculty;

14 (c) 1. The school council shall have the responsibility to set school policy
15 consistent with district board policy which shall provide an environment
16 to enhance the students' achievement and help the school meet the goals
17 established by KRS 158.645 and 158.6451. The principal shall be the

24 number of committees, their jurisdiction, composition, and the process
25 for membership selection;

26 (d) The school council and each of its committees shall determine the frequency
27 of and agenda for their meetings. Matters relating to formation of school

1 councils that are not provided for by this section shall be addressed by local

3 (e) The meetings of the school council shall be open to the public and all
4 interested persons may attend. However, the exceptions to open meetings
5 provided in KRS 61.810 shall apply;

6 (f) After receiving notification of the funds available for the school from the local
7 board, the school council shall determine, within the parameters of the total
8 available funds, the number of persons to be employed in each job
9 classification at the school. The council may make personnel decisions on
10 vacancies occurring after the school council is formed but shall not have the
11 authority to recommend transfers or dismissals;

12 (g) The school council shall determine which textbooks, instructional materials,
13 and student support services shall be provided in the school. Subject to
14 available resources, the local board shall allocate an appropriation to each
15 school that is adequate to meet the school's needs related to instructional
16 materials and school-based student support services, as determined by the
17 school council. The school council shall consult with the school media
18 librarian on the maintenance of the school library media center, including the
19 purchase of instructional materials, information technology, and equipment;

20 (h) Personnel decisions at the school level shall be as follows:

21 1. From a list of qualified applicants submitted by the local superintendent,
22 the principal at the participating school shall select personnel to fill
23 vacancies, after consultation with the school council, consistent with
24 paragraph (i)11. of this subsection. The superintendent shall provide
25 additional applicants to the principal upon request when qualified
26 applicants are available. The superintendent may forward to the school
27 council the names of qualified applicants who have pending certification

3 alternative routes to certification pursuant to KRS 161.028 and 161.048.
4 Requests for transfer shall conform to any employer-employee bargained
5 contract which is in effect;

6 2. a. i. If the vacancy to be filled is the position of principal, the
7 outgoing principal shall not serve on the council during the
8 principal selection process. The superintendent or the
9 superintendent's designee shall serve as the chair of the
10 council for the purpose of the hiring process and shall have
11 voting rights during the selection process.

12 ii. Except as provided in subdivision b. of this subparagraph,

25 and sign a nondisclosure agreement forbidding the sharing of
26 information shared and discussions held in the closed
27 session;

- 1 ii. The superintendent shall convene the school council and
2 move into closed session as provided in KRS 61.810(1)(f) to
3 confidentially recommend a candidate;
- 4 iii. The council shall have the option to interview the
5 recommended candidate while in closed session; and
- 6 iv. After any discussion, at the conclusion of the closed session,
7 the council shall decide, in a public meeting by majority vote
8 of the membership of the council, whether to accept or reject
9 the recommended principal candidate;
- 10 c. If the recommended candidate is selected, and the recommended
11 candidate accepts the offer, the name of the candidate shall be
12 made public during the next meeting in open session;
- 13 d. i. If the recommended candidate is not accepted by the school
14 council under subdivision b. of this subparagraph, then the
15 process set forth in subdivision a. of this subparagraph shall
16 apply.
- 17 ii. The confidentially recommended candidate's name and the
18 discussions of the closed session shall remain confidential
19 under KRS 61.810(1)(f), and any documents used or
20 generated during the closed meeting shall not be subject to an
21 open records request as provided in KRS 61.878(1)(i) and (j).
- 22 iii. A recommended candidate who believes a violation of this
23 subdivision has occurred may file a written complaint with
24 the Kentucky Board of Education.
- 25 iv. A school council member who is found to have disclosed
26 confidential information regarding the proceeding of the
27 closed session shall be subject to removal from the school

1 council by the Kentucky Board of Education under
2 subsection (9)(e) of this section;

3 3. No principal who has been previously removed from a position in the
4 district for cause may be considered for appointment as principal in that
5 district;

6 4. Personnel decisions made at the school level under the authority of
7 subparagraphs 1. and 2. of this paragraph shall be binding on the
8 superintendent who completes the hiring process;

9 5. Applicants subsequently employed shall provide evidence that they are
10 certified prior to assuming the duties of a position in accordance with
11 KRS 161.020;

12 6. Notwithstanding other provisions of this paragraph, if the applicant is
13 the spouse of the superintendent and the applicant meets the service
14 requirements of KRS 160.380(3)(a), the applicant shall only be
15 employed upon the recommendation of the principal and the approval of
16 a majority vote of the school council; and

17 7. Beginning June 27, 2019, notwithstanding the requirement that a
18 principal be elected on a majority vote of the council in subparagraph 2.
19 of this paragraph, if the school council is in a county school district in a
20 county with a consolidated local government adopted under KRS
21 Chapter 67C, then the selection of a principal shall be subject to
22 approval by the superintendent. If the superintendent does not approve
