

1 AN ACT relating to construction or demolition waste disposal.

2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. KRS 224.40-120 is amended to read as follows:

- 4 (1) The cabinet shall ~~not~~ permit the off-site disposal of construction or demolition
5 waste at a site ***initially no larger*** ~~less~~ than one (1) acre ~~if~~ ~~unless~~, as a minimum,
6 the following conditions are imposed:
- 7 (a) The applicant shall provide a written certification that a copy of the
8 application has been delivered to the governing body of the solid waste
9 management area and that disposal of construction and demolition waste at
10 the proposed site will not violate local land use regulations;
- 11 (b) Disposal shall only occur during daylight hours in accordance with a posted
12 schedule that will allow inspection by local or state officials;
- 13 (c) The applicant shall erect on the site a sign clearly indicating that the site is
14 permitted for disposal of construction and demolition debris only, and the
15 operating hours shall appear on the sign along with the applicant's permit
16 number;
- 17 (d) The cabinet shall establish a schedule for closing and covering the site,
18 including provisions for intermediate cover when flammable waste is
19 involved;
- 20 (e) Notwithstanding any other provision of law, the applicant shall not allow the
21 disposal of tires in a waste disposal facility regulated by this section; and
- 22 (f) The cabinet shall require the applicant to post a bond in the amount of ten
23 thousand dollars (\$10,000) to insure compliance with the conditions of the
24 permit.
- 25 (2) ***Upon request of the applicant, the cabinet may increase the size of a construction***
26 ***or demolition waste site permitted under subsection (1) of this section to a total of***
27 ***no more than two (2) acres if the applicant:***

1 (a) Is compliant with all permit requirements for the currently permitted
2 construction or demolition waste disposal site; and

3 (b) Complies with the requirements of subsection (1) of this section with regard
4 to the additional permitted waste site area, including posting an additional
5 bond with the cabinet in the amount of ten thousand dollars (\$10,000) to
6 insure compliance with the conditions of the permit for the newly permitted
7 area.

8 **(3)** The cabinet may waive the requirement of subsection (1)(b) of this section, that the
9 hours of operation shall be posted, and the requirements of subsection (1)(c) and (d)
10 of this section, if the cabinet determines that the area of land to be affected, the
11 limited duration of the disposal operation, or the materials to be disposed of do not
12 require imposition of these standards to assure the safety of the public.

13 ~~(4)~~~~(3)~~ This section shall not apply to beneficial reuse of industrial solid waste.
