21           ➔SECTION 7. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO  
22 READ AS FOLLOWS:

23           For the purpose of Sections 7 to 17 of this Act, the term "prevailing wage" for each  
24           classification of employees engaged in the construction of public works within the  
25           Commonwealth of Kentucky, means the sum of:

26           (1) The basic hourly rate paid or being paid subsequent to the commissioner's most  
27           recent wage determination to the majority of employees in each classification of

1 construction upon reasonably comparable construction in the locality where the  
 2 work is to be performed. This rate shall be determined by the commissioner in  
 3 accordance with subsection (3) of Section 10 of this Act. If there is not a majority  
 4 paid at the same rate, then the basic hourly rate of pay shall be the average basic  
 5 hourly rate which shall be determined by adding the basic hourly rates paid to all  
 6 workers in the classification and dividing by the total number of these workers;  
 7 and

8 (2) An additional amount per hour equal to the hourly rate of contribution  
 9 irrevocably made or to be made by an employer on behalf of employees within  
 10 each classification of construction to a trustee or to a third person pursuant to an  
 11 enforceable commitment to carry out a financially responsible plan or program.  
 12 This commitment shall be communicated in writing to the employees affected, for  
 13 the following fringe benefits: medical or hospital care, pensions on retirement,  
 14 death compensation for injuries or illness resulting from occupational activity or  
 15 insurance to provide any of these, unemployment benefits, life insurance,  
 16 disability and sickness insurance, accident insurance, vacation and holiday pay,  
 17 defraying costs of apprenticeship or other similar programs, or other bona fide  
 18 fringe benefits, but only where the employer is not required by other federal, state  
 19 or local law to provide any of these benefits. This additional amount may, at the  
 20 discretion of the employer, be paid either in cash to the employee or by  
 21 contributions for fringe benefits, or partly in cash and partly by these  
 22 contributions. It is the intention of this subsection to recognize fringe benefits as  
 23 a part of the prevailing wage rate where made in accordance with this subsection.

24 ➔SECTION 8. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO  
 25 READ AS FOLLOWS:

26 (1) Before advertising for bids or entering into any contract for construction of  
 27 public works, every public authority shall notify the department in writing of the

1 specific public work to be constructed, and shall ascertain from the department  
2 the prevailing rates of wages for each classification of employees for the class of  
3 work required in the locality where the work is to be performed. This schedule of  
4 the prevailing rate of wages shall include a statement that the rate has been  
5 determined in accordance with Sections 7 to 17 of this Act. The schedule shall be  
6 attached to and made part of the specifications for the work, shall be printed on  
7 the bidding blanks, and made a part of every contract for the construction of  
8 public works.

9 (2) The public authority advertising and awarding the contract shall cause to be  
10 inserted in the proposal and contract a stipulation that not less than the  
11 prevailing hourly rate of wages as determined by the commissioner shall be paid  
12 to all employees performing work under the contract. It shall also require in all  
13 the contractor's bonds that the contractor include provisions that will guarantee  
14 the faithful performance of the prevailing hourly wage clause as provided by  
15 contract. The public authority awarding the contract, and its agents and officers,  
16 shall take notice of all complaints of violations of Sections 7 to 17 of this Act  
17 committed in the course of the execution of the contract, and when making  
18 payments to the contractor becoming due under the contract, to withhold, and  
19 retain amounts due and owing as a result of any violation thereof. A contractor  
20 may withhold from any subcontractor sufficient sums to cover any penalties  
21 withheld from the contractor by the awarding authority, because of the  
22 subcontractor's failure to comply with the terms thereof and, if payment has  
23 already been made to the subcontractor, the contractor may recover from him or  
24 her the amount of the penalty in a suit at law.

25 ➔SECTION 9. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO  
26 READ AS FOLLOWS:

27 (1) A public official authorized to contract for or construct public works shall

1 ascertain from the commissioner the prevailing rates of wages under Sections 7  
2 to 17 of this Act before advertising for bids or undertaking construction.

3 (2) No member of a public authority authorized to contract for or construct public  
4 works shall vote for the award of any contract for the construction of the public  
5 works, or vote for the disbursement of any funds, unless the public authority has  
6 first ascertained from the commissioner the prevailing rates of wages of  
7 employees for each class of work required in the locality where the work is to be  
8 performed. The determination of prevailing wages shall be made a part of the  
9 proposal specifications and contract for the public works.

10 ➔SECTION 10. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO  
11 READ AS FOLLOWS:

12 (1) The commissioner shall make initial determinations and current revisions of  
13 schedules of rates of prevailing wages, of the amount of fringe benefits included  
14 as described in Section 7 of this Act, and the number of hours applicable. The  
15 commissioner may promulgate administrative regulations to implement Sections  
16 7 to 17 of this Act. The administrative regulations shall not require each  
17 contractor and subcontractor furnish a sworn affidavit with respect to the wages  
18 paid each employee.

19 (2) The commissioner shall require the filing of all wage contracts of all employees  
20 in this state which have been agreed to between organizations of labor and an  
21 employer or associations of employers. The contracts shall be filed within ten (10)  
22 days after they are signed.

23 (3) The commissioner may determine schedules and current revisions of the rates of  
24 prevailing wages as defined in Section 7 of this Act, but shall not determine  
25 wages to be paid for a legal day's work to employees engaged in the construction  
26 of public works at less than the prevailing wages paid in the localities. The  
27 commissioner, in determining what rates of wages prevail, shall consider the

1 following criteria:

2 (a) Wage rates paid on previous public works constructed in the localities. In  
3 considering the rates, the commissioner shall ascertain, insofar as  
4 practicable, the names and addresses of the contractors, including  
5 subcontractors, the locations, approximate costs, dates of construction and  
6 types of projects, the number of workers employed on each project, and the  
7 respective wage rates paid each worker who was engaged in the  
8 construction of these projects;

9 (b) Wage rates previously paid on reasonably comparable private construction  
10 projects constructed in the localities. In considering the rates the  
11 commissioner shall ascertain, insofar as practicable, the names and  
12 addresses of the contractors, including subcontractors, the locations,  
13 approximate costs, dates of construction and types of projects, the number  
14 of workers employed on each project, and the respective wage rates paid  
15 each worker who was engaged in the construction of these projects; and

16 (c) Collective bargaining agreements or understandings between organizations  
17 of labor and their employers located in the Commonwealth and which  
18 agreements apply or pertain to the localities in which the public works are  
19 to be constructed.

20 (4) The wage rates to be used by the public authority in a contract for the  
21 construction of public works shall be the prevailing wage as of the date the public  
22 works project is advertised and offered for bid. If contracts are not awarded  
23 within ninety (90) days after the date of offering for bid, the public authority shall  
24 ascertain the prevailing rate of wages from the department before the contract is  
25 awarded. The schedule or scale of prevailing wages shall be incorporated in and  
26 made a part of each contract.

27 (5) The commissioner may promulgate administrative regulations authorizing the

1       employment of apprentices and trainees in skilled trades at wages lower than the  
2       applicable prevailing wage.

3       ➔SECTION 11. A NEW SECTION OF KRS CHAPTER 337 IS CREATED TO  
4 READ AS FOLLOWS:

5       (1) If the federal government or any of its agencies furnishes by loans or grants any  
6       part of the funds used in constructing public works, and if the federal  
7       government or its agencies prescribe predetermined prevailing minimum wages  
8       to be paid to employees employed in the construction of the public works, and if  
9       Sections 7 to 17 of this Act is also applicable, those wages in each classification  
10       which are higher shall prevail.

11       (2) The commissioner or the commissioner's authorized representative shall conduct  
12       a public hearing for the purpose of making initial determinations or current  
13       revisions of a prevailing wage schedule for the construction of public works  
14       pertaining to a locality. The commissioner shall, within sixty (60) days of the  
15       hearing, publish his or her wage determination. The hearing shall be conducted
