(1) The political subdivisions of the state and other agencies designated or appointed by
the Governor may make, amend, and rescind orders and promulgate administrative

supplement the carrying out of the provisions of this chapter, if not inconsistent
with any orders or administrative regulations promulgated by the Governor or by
any state agency exercising a power delegated to it by the Governor.

(2) All written orders and administrative regulations promulgated by the Governor, the
director, or by any political subdivision or other agency authorized by KRS
Chapters 39A to 39F to make orders and promulgate administrative regulations,
shall have the full force of law, when, if issued by the Governor, the director, or any

organization pursuant to KRS 39B.070, shall not, in itself, be deemed to be the making of a promise, or the undertaking of a special duty, towards any person for the services, or any particular level of, or manner of providing, the services; nor shall the provision of or failure to provide these services be deemed to create a special relationship or duty towards any person upon which an action in negligence or other tort might be founded. Specifically:

(a) The failure to respond to a disaster or other emergency, or to undertake particular inspections or types of inspections, or to maintain any particular level of personnel, equipment, or facilities, shall not be a breach of any duty to persons affected by any disaster or other emergency.

(b) When a state or local emergency management agency, or local emergency management agency-supervised operating unit officially affiliated with a local disaster and emergency services organization, does undertake to respond to a disaster or other emergency, the failure to provide the same level or manner of service, or equivalent availability or allocation of resources as may or could be provided, shall not be a breach of any duty to persons affected by that disaster or other emergency.

(c) A state or local emergency management agency, or local emergency management agency-supervised operating unit officially affiliated with a local disaster and emergency services organization shall not have or assume any duty towards any person to adopt, use, or avoid any particular strategy or tactic in responding to a disaster or other emergency.

(d) A state or local emergency management agency, or local emergency management agency-supervised operating unit officially affiliated with a local disaster and emergency services organization, in undertaking disaster and emergency preparedness or prevention activities including inspections, or in undertaking to respond to a disaster or other emergency, shall not have

created or caused by it, nor with respect to any risks which might have existed
even in the absence of that activity or response, nor shall any person have a
right to rely on such an assumption of duty.

(2) Neither the state nor any political subdivision of the state, nor the agents or
representatives of the state or any of its political subdivisions, shall be liable for
personal injury or property damage sustained by any person appointed or acting as a
volunteer emergency management agency member, or disaster and emergency
services member, or disaster and emergency response worker, or member of any
agency engaged in any emergency management or disaster and emergency services
or disaster and emergency response activity. The immunity provided by this
subsection shall not apply to the extent that the state, a political subdivision of the
state, or a person or organization maintains liability insurance or self-insurance for
an act or omission covered by this subsection. To the extent that the state, a political
subdivision of the state, or a person or an organization maintains liability insurance
or self-insurance, sovereign immunity shall not be claimed with regard to an act or
omission covered by this subsection. This immunity shall not affect the right of any
person to receive benefits or compensation to which the person might otherwise be
entitled under the Workers' Compensation Law, or this chapter, or any pension law,
or any Act of Congress.

(3) Subject to subsection (6) of this section, neither the state nor any political
subdivision of the state nor, except in cases of willful misconduct, gross negligence,
or bad faith, the employees, agents, or representatives of the state or any of its
political divisions, nor any volunteer or auxiliary emergency management agency or
disaster and emergency services organization member or disaster and emergency
response worker or member of any agency engaged in any emergency management
or disaster and emergency services or disaster and emergency response activity,
complying with or reasonably attempting to comply with this chapter or any order
or administrative regulation promulgated pursuant to the provisions of this chapter,
or other precautionary measures enacted by any city of the state, shall be liable for
the death of or injury to persons, or for damage to property, as a result of that
activity. The immunity provided by this subsection shall not apply to the extent that
the state, a political subdivision of the state, or a person or organization maintains
liability insurance or self-insurance for an act or omission covered by this
subsection. To the extent that the state, a political subdivision of the state, or a
person or an organization maintains liability insurance or self-insurance, sovereign
immunity shall not be claimed with regard to an act or omission covered by this
subsection.

(4) Decisions of the director, his subordinates or employees, a local emergency
management director, or the local director's subordinates or employees, a rescue
chief or the chief's subordinates, concerning the allocation and assignment of
personnel and equipment, and the strategies and tactics used, shall be the exercise of
a discretionary, policy function for which neither the officer nor the state, county,
urban-county, charter county, or city, or local emergency management agency-
supervised operating unit formally affiliated with a local disaster and emergency
services organization, shall be held liable in the absence of malice or bad faith, even
when those decisions are made rapidly in response to the exigencies of an
emergency.

(5) Any person owning or controlling real estate or other premises who voluntarily and
without compensation grants a license or privilege, or otherwise permits the
designation or use of the whole or any part of the real estate or premises for the
purpose of sheltering persons during an actual, impending, mock, or practice
disaster or emergency, together with his or her successors in interest, shall not be
civilly liable for negligently causing the death of, or injury to, any person on or
about the real estate or premises for loss of, or damage to, the property of that
person. The immunity provided by this subsection shall not apply to the extent that
the state, a political subdivision of the state, or a person or organization maintains
liability insurance or self-insurance for an act or omission covered by this
subsection. To the extent that the state, a political subdivision of the state, or a
person or organization maintains liability insurance or self-insurance, sovereign
immunity shall not be claimed with regard to an act or omission covered by this
subsection.

(6) Subsection (3) of this section shall apply to a volunteer or auxiliary disaster and
emergency response worker only if the volunteer or worker is enrolled or registered
with a local disaster and emergency services organization or with the division in
accordance with the division's administrative regulations.

(7) While engaged in disaster and emergency response activity, volunteers and auxiliary
disaster and emergency response workers enrolled or registered with a local disaster
and emergency service organization or with the division in accordance with
subsection (6) of this section shall have the same degree of responsibility for their
actions and enjoy the same immunities as officers and employees of the state and its
political subdivisions performing similar work, including the provisions of KRS
12.211, 12.212, and 12.215, allowing the Attorney General to provide defense of
any civil action brought against a volunteer enrolled or registered with a local
disaster or emergency service organization or with the division due to an act or
omission made in the scope and course of a disaster and emergency response
activity.

(8) (a) Notwithstanding subsections (3) and (6) of this section, a licensed
professional engineer as defined in KRS 322.010 or an architect licensed
under KRS Chapter 323, who voluntarily and without compensation provides
architectural, structural, electrical, mechanical, or other professional services
at the scene of a declared emergency, disaster, or catastrophe, shall not be
liable for any personal injury, wrongful death, property damage, or other loss
of any nature related to the licensed professional engineer's or licensed
architect's acts, errors, or omissions in the performance of the services carried
out:

1. At the request of or with the approval of a federal, state, or local:
   a. Emergency management agency official with executive
      responsibility in the jurisdiction to coordinate disaster and
      emergency response activity;
   b. Fire chief or his or her designee; or
   c. Building inspection official;
   whom the licensed professional engineer or licensed architect believes to
   be acting in an official capacity;

2. Within ninety (90) days following the end of the period for the declared
   emergency, disaster, or catastrophe, unless extended under Section 1 of
   this Act[by the Governor under KRS 39A.100]; and

3. If the professional services arose out of the declared emergency, disaster,
   or catastrophe and if the licensed professional engineer or licensed
   architect acted as an ordinary reasonably prudent member of the
   profession would have acted under the same or similar circumstances.

   (b) Nothing in this subsection shall provide immunity for wanton, willful, or
   intentional misconduct.

Section 5. KRS 214.020 is amended to read as follows:

When the Cabinet for Health and Family Services believes that there is a probability that
any infectious or contagious disease will invade this state, it shall take such action and
adopt and enforce such administrative rules and regulations promulgated under KRS
Chapter 13A as it deems efficient in preventing the introduction or spread of such
infectious or contagious disease or diseases within this state, and to accomplish these

(2) The provisions of this section may be extended, in writing, by the Governor if
necessary to protect the lives or welfare of the citizens.

(3) Nothing in this section shall be affected by the requirements of Section 1 of this
Act.

➤Section 8. KRS 367.374 is amended to read as follows:
