1 (a) A majority of funds available for first-time applicants shall be reserved for  
 2 students whose household income does not exceed that necessary to  
 3 establish eligibility for reduced-price meals based on size of household as

4. Not to use EOA funds to cover the cost of educational materials or services if they are currently receiving the same types of materials or services through their assigned public school district.

(3) The AGO shall annually renew a student's EOA if funds are available unless the student's family income has increased above two hundred fifty percent (250%) of the amount of household income necessary to establish eligibility for reduced-price meals based on size of household as determined annually by the United States Department of Agriculture applicable to the Commonwealth, pursuant to 42 U.S.C. secs. 1751 to 1789;

(4) In the event that an eligible student becomes ineligible for reasons other than fraud or misuse of funds, the AGO may cease funding for the student's EOA provided that:

(a) The AGO immediately suspends payment of additional funds into the student's EOA. For EOAs that have been open for at least one (1) full school year, the EOA shall remain open and active for the parent to make qualifying expenditures to educate the student from funds remaining in the EOA. When no funds remain in the student's EOA, the AGO may close the EOA;
