- 16 his or her average weekly wage.
- 17 (5) When the employee is working under concurrent contracts with two (2) or more
- 18 employers and the defendant employer has knowledge of the employment prior to

- 21 (6) The term "wages" as used in this section and KRS 342.143 means, in addition to
- 22 money payments for services rendered, the reasonable value of board, rent, housing,

- 24 received in the course of employment from others than the employer to the extent
- 25 the gratuities are reported for income tax purposes.
- 26 (7) The commissioner shall, from time to time, based upon the best available
- 27 information, determine by administrative regulation industries which ordinarily do

1 not have a full working day for five (5) days in every week. In those industries,
2 compensation shall be computed at the average weekly wage earned by the
3 employee at the time of injury reckoning wages as earned while working full time.
4 "At full time" as used in this subsection means a full working day for five (5)
5 working days in every week regardless of whether the injured employee actually
6 worked all or part of the time.
