

1 A CONCURRENT RESOLUTION establishing the Abandoned Horse Task Force.

2 WHEREAS, abandoning horses on reclaimed mine sites and other remote areas of  
3 the state has become a problem in the Commonwealth; and

4 WHEREAS, the problem first presented in 2015 and in response, the General  
5 Assembly established the Free Roaming Horse Task Force in 2016; and

6 WHEREAS, through the work of the Free Roaming Horse Task Force, the public  
7 learned that abandoned domestic horses quickly become feral, reproduce, and become  
8 dangerous and unwieldy for animal control officers to capture; and

9 WHEREAS, abandoned feral horses roam in search of food and shelter, need  
10 veterinary care, and are at risk of causing accidents and injuring themselves on reclaimed  
11 coal mine sites; and

12 WHEREAS, there have been incidents where feral horses have run out in front of  
13 automobiles causing a public safety hazard; and

14 WHEREAS, unfortunately in reaction to the difficulties in catching and removing  
15 these horses, the problem has gone largely unattended leading to lawless actions such as  
16 the recent shooting of abandoned horses in Floyd County in 2019; and

17 WHEREAS, the General Assembly finds that reconvening a task force of various  
18 stakeholder groups is necessary and appropriate to produce a consensus for humanely  
19 addressing the problem of individuals abandoning their horses and removing those horses  
20 from these remote, reclaimed mine sites;

21 NOW, THEREFORE,

22 ***Be it resolved by the Senate of the General Assembly of the Commonwealth of***
