

1 AN ACT relating to COVID-19 emergency actions and declaring an emergency.

2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. (1) Notwithstanding any state law to the contrary, by October 1,
4 2021, and until January 31, 2022, the Cabinet for Health and Family Services shall
5 require that visitation in a long-term care facility as defined in KRS 216A.010 or a
6 residential long-term care facility as defined in KRS 216.510 be allowed by an essential
7 compassionate care visitor, including a family member, legal guardian, outside caregiver,
8 friend, or volunteer, who:

9 (a) Provided regular care and support to the resident prior to the COVID-19
10 pandemic; and

11 (b) Is designated an essential compassionate care visitor who is important to the
12 mental, physical, or social well-being of a resident in:

- 13 1. Critical situations such as end of life;
- 14 2. Instances of significant mental or social decline of the resident; or
- 15 3. Exigent circumstances existing regarding a resident in the facility.

16 (2) The cabinet shall promulgate administrative regulations in accordance with KRS
17 Chapter 13A that:

18 (a) Set forth procedures for the designation of a family member, legal guardian,
19 outside caregiver, friend, or volunteer as an essential compassionate care
20 visitor;

21 (b) Require all essential compassionate care visitors to follow safety protocols
22 required for staff, including testing for communicable disease, checking body
23 temperature, health screenings, the use of appropriate personal protective
24 equipment, social distancing, and any other requirement the facility deems
25 appropriate in accordance with guidance from the Centers for Disease Control
26 and Prevention. If testing of communicable disease is not provided by the
27 facility, the essential compassionate care visitor shall be responsible for

- 1 obtaining testing per protocol mandated by the facility;
- 2 (c) Restrict visitation of essential compassionate care visitors to one room in the
- 3 facility to provide compassionate care to the resident;
- 4 (d) Provide that essential compassionate care visitors shall be exempt from any
- 5 prohibitions on visitation at a facility subject to the provisions of this
- 6 subsection;
- 7 (e) Provide that the facility may require a written agreement with the essential
- 8 compassionate care visitor;
- 9 (f) Require that essential compassionate care visitors assume the risk for
- 10 exposure to COVID-19 and other viruses, provided the facility is compliant
- 11 with the Kentucky Department for Public Health guidelines; and
- 12 (g) Provide that facilities are not required to accept visitors, except as required by
- 13 this section.

14 ➔Section 2. (1) No later than October 1, 2021, the Cabinet for Health and

15 Family Services shall assist and support established and additional COVID-19 antibody

16 administration centers (CAACs) throughout the Commonwealth and develop protocols

17 for appropriate patient eligibility criteria for receiving treatments and proper protocol for

18 the administration of treatments.

19 (2) CAACs shall:

- 20 (a) Have at least one qualified treatment provider in each of the 15 Area
- 21 Development Districts as permissible under federal law and guidance;
- 22 (b) Be equipped with therapeutic drugs to treat COVID-19 that have full use or
- 23 emergency use authorization approval from the United States Food and Drug
- 24 Administration (FDA), including but not limited to REGEN-COV
- 25 (casirivimab and imdevimab, administered together) monoclonal antibodies or
- 26 other FDA-approved equivalents, in order to treat COVID-19 positive patients
- 27 12 years of age and older;

1 (c) Allow volunteer health practitioners providing health services under KRS
2 39A.350 to 39A.366 to administer the therapeutic drugs; and

3 (d) Not require prior authorization for administration of the therapeutic drugs.

4 (3) CAACs shall operate until January 31, 2022, unless otherwise reauthorized by the
5 General Assembly.

6 ➔Section 3. No later than October 1, 2021, the Cabinet for Health and Family
7 Services shall assist and support hospitals, licensed health care providers, jails, prisons,
8 homeless shelters, local health departments, and other entities in:

9 (1) Acquiring sufficient COVID-19 tests;

10 (2) Developing a plan for statewide distribution of the COVID-19 tests; and

11 (3) Distributing for use all COVID-19 tests.

12 ➔Section 4. No later than October 1, 2021, the Cabinet for Health and Family
13 Services shall promulgate emergency administrative regulations in accordance with KRS
14 Chapter 13A to implement Sections 2 and 3 of this Act.

15 ➔Section 5. (1) Notwithstanding KRS 311A.170, until January 31, 2022, a
16 paramedic may be employed by a hospital or nursing facility to work as a licensed
17 paramedic in any department of a hospital or nursing facility subject to the following
18 conditions:

19 (a) The hospital or nursing facility in collaboration with the medical staff
20 provides operating procedures and policies under which the paramedic
21 operates that are consistent with the paramedic's scope of practice;

22 (b) A paramedic is permitted to render services only under the supervision of a
23 medical director;

24 (c) A paramedic provides patient care services under the orders of a physician,
25 physician assistant, or advanced practice registered nurse, or as delegated by a
26 registered nurse; and

27 (d) The paramedic does not violate KRS 311A.175 or any other statute or

1 administrative regulation relating to paramedics.

2 (2) Subject to the provisions relating to the scope of practice of a paramedic, a hospital
3 or nursing facility may require a paramedic to take additional training on any
4 subject or skill which the paramedic may be required to perform in a hospital or
5 nursing facility and demonstrate competency in the skill or subject to a competent
6 evaluator.

7 ➔Section 6. (1) The Cabinet for Health and Family Services shall by October
8 1, 2021, and until January 31, 2022, in partnership with any universities, colleges, and
9 health care organizations in Kentucky:

10 (a) Produce public service announcements providing information about the severe
11 symptoms and effects of contracting COVID-19; and

12 (b) Develop and initiate a public awareness campaign encouraging Kentuckians to
13 talk with their doctor about the benefits of receiving a COVID-19 vaccination.

14 (2) Partnerships may include individual athletes, coaches, physicians, and nurses
15 affiliated with or employed by universities, colleges, and health care organizations
16 in Kentucky.

17 ➔Section 7. (1) In order to improve access to the COVID-19 vaccination and
18 address disparities in immunization by expanding distribution of the vaccine to primary
19 care providers, as recommended by the Centers for Disease Control and Prevention, the
20 Cabinet for Health and Family Services, by October 1, 2021, shall:

21 (a) Develop and implement a plan to significantly increase the distribution of
22 COVID-19 vaccines to providers of primary care as defined in KRS 164.925
23 and to provide technical assistance and support to primary care providers
24 regarding the completion of necessary forms, vaccine administration,
25 confidence, and access;

26 (b) Create a singular form in accordance with federal law, to be used by providers
27 of primary care who wish to be authorized, approved, or otherwise permitted

1 to offer and administer COVID-19 vaccines to patients;

2 (c) Make the form created pursuant to paragraph (b) of this subsection available
3 on its Web site; and

4 (d) Promulgate administrative regulations in accordance with KRS Chapter 13A
5 for the storage of vaccines.

6 (2) In developing and implementing a plan to significantly increase the distribution of
7 COVID-19 vaccines to providers of primary care, the Cabinet for Health and Family
8 Services may incorporate the federal Centers for Disease Control and Prevention's
9 guidance on expanding COVID-19 vaccine distribution to primary care providers to
10 address disparities in immunization published on April 14, 2021, and may seek
11 technical assistance from the federal Centers for Disease Control and Prevention.

12 ➔Section 8. KRS 205.636 is amended to read as follows:

13 (1) As used in this section:

14 (a) "COVID-19 pandemic" means the *national emergency declaration*
15 *concerning COVID-19 as declared by the President of the United States and*
