1 city or urban-county government, or chief executive of other local governments or
2 their designees as provided by ordinance of the affected county, city, or urban-

4 subject to any orders of the Governor, shall have and may exercise for the period as
5 the state of emergency exists or continues, the following emergency powers:

6 (a) To enforce all laws and administrative regulations relating to disaster and
7 emergency response and to direct all local disaster and emergency response

24 and, through the Governor, to request emergency assistance from any state
25 agency and to initiate requests for federal assistance as are necessary for
26 protection of public health and safety or for continuation of essential public
27 services.

1 (4) Nothing in this section shall be construed to allow any governmental entity to
2 impose additional restrictions on:

3 (a) The lawful possession, transfer, sale, transport, carrying, storage, display, or
4 use of firearms and ammunition or components of firearms and ammunition;

5 (b) The right of the people to exercise free speech, freedom of the press, to
6 petition their government for redress of injuries, or to peaceably assemble; or

7 (c) The right of the people to worship, worship in person, or to act or refuse to act
8 in a manner motivated by a sincerely held religious belief.

9 (5) Nothing in this section shall be construed to allow any governmental entity to
10 impose restrictions on the right of the people to:

11 (a) Peaceably assemble; or

12 (b) Worship, worship in person, or to act or refuse to act in a manner motivated
13 by a sincerely held religious belief.

14 **(6) (a) A governmental entity shall not prohibit a religious organization from**
15 **operating or engaging in religious services during a declared emergency to**
16 **the same or greater extent that other organizations or businesses that**
17 **provide essential services necessary and vital to the health and welfare of**
18 **the public are permitted to operate.**

19 **(b) Paragraph (a) of this subsection shall not prohibit the Governor from**
20 **requiring religious organizations to comply with neutral health, safety, or**
21 **occupancy requirements that are applicable to all organizations and**
22 **businesses that provide essential services. However, no health, safety, or**
23 **occupancy requirement may impose a substantial burden on a religious**
24 **organization or its services unless applying the burden to the religion or**
25 **religious service in the particular instance is essential to further a**
26 **compelling governmental interest and is the least-restrictive means of**
27 **furthering that compelling governmental interest.**

1 (c) A governmental entity shall not take any discriminatory action against a
2 religious organization wholly or partially on the basis that such
3 organization is religious, operates or seeks to operate during a state of
4 emergency, or engages in the exercise of religion as protected under the
5 First Amendment to the Constitution of the United States.

6 (7) As used in this section:

7 (a) "Discriminatory action" means any action taken by a governmental entity
8 to:

9 1. Alter in any way the tax treatment of, cause any tax, penalty or
10 payment to be assessed against, or deny, delay, or otherwise make
11 unavailable an exemption from taxation;

12 2. Disallow, deny, or otherwise make unavailable a deduction for state
13 tax purposes of any charitable contribution made to or by a religious
14 organization;

15 3. Impose, levy, or assess a monetary fine, fee, civil or criminal penalty,
16 damages award, or injunction; or

17 4. Withhold, reduce, exclude, terminate, materially alter the terms or
18 conditions of, or otherwise make unavailable or deny any:

19 a. State grant, contract, subcontract, cooperative agreement,
20 guarantee, loan, scholarship, or other similar benefit from or to
21 a religious organization;

22 b. Entitlement or benefit under a state benefit program from or to a
23 religious organization; or

24 c. License, certification, accreditation, recognition, or other similar
25 benefit, position, or status from or to any religious organization;

26 (b) "Governmental entity" means:

27 1. The Commonwealth or any of its political subdivisions;

- 1 2. Any agency of the state described in KRS 12.020;
2 3. Any person acting under color of state law; and
3 4. Any private person suing under or attempting to enforce a law, rule,
4 or administrative regulation adopted by the state or any of its political
5 subdivisions;

6 (c) "Religious organization" means:

- 7 1. A house of worship, including churches, synagogues, shrines,
8 mosques, and temples;

11 integrated or affiliated with a church or other house of worship; or
12 3. Any officer, owner, employee, manager, religious leader, clergy, or
13 minister of an entity or organization described in this paragraph; and

14 (d) "Religious services" means a meeting, gathering, or assembly of two (2) or
15 more persons organized by a religious organization for the purpose of
16 worship, teaching, training, providing educational services, conducting
17 religious rituals, or other activities that are deemed necessary by the
18 religious organization for the exercise of religion.

19 (8) A religious organization may assert a violation of this section as a claim against a
20 governmental entity in any judicial or administrative proceeding or as a defense
21 in any judicial or administrative proceeding without regard to whether the
22 proceeding is brought by or in the name of the governmental entity, any private
23 person, or any other party. Sovereign, governmental, and qualified immunity are
24 waived and abolished to the extent of liability created under this section. An
25 action asserting a violation of this section may be commenced, and relief may be
26 granted, without regard to whether the religious organization commencing the
27 action has sought or exhausted administrative remedies.

1 (9) Remedies available to a religious organization under this section against a
2 governmental entity include:

3 (a) Declaratory relief;

4 (b) Injunctive relief to prevent or remedy a violation of this section or the
5 effects of such violation;

8 (e) Any other appropriate relief.

9 (10) Remedies available to a religious organization under this section against a person

13 (a) Shall be construed in favor of a broad protection of free exercise of
14 religion;

15 (b) Shall be in addition to the protections provided under state and federal laws
16 and constitutions. Nothing in this section shall be construed to:

17 1. Preempt or repeal any state law or local ordinance that is equally or
18 more protective of free exercise of religion; or

19 2. Narrow the meaning or application of any state law or local ordinance
20 protecting free exercise of religion; and

21 (c) Applies to, and in cases of conflict, supersedes:

22 1. Each statute of the Commonwealth that infringes upon the free
23 exercise of religion protected by this section, unless a conflicting
24 statute is expressly made exempt from the application of this section;
25 and

26 2. Any ordinance, rule, administrative regulation, order, opinion,
27 decision, practice, or other exercise of a governmental entity's

1 authority that infringes upon the free exercise of religion protected by
2 this section.

3 (12) A religious organization shall bring an action to assert a claim under this section
4 no later than two (2) years from the date the person knew or should have known
5 that a discriminatory action or other violation of this section was taken against
6 that religious organization.
