12 ➔SECTION 26. A NEW SECTION OF KRS CHAPTER 218A IS CREATED
 13 TO READ AS FOLLOWS:

14 (1) For the purposes of this section, "local government" means a city, county,
 15 urban-county government, consolidated local government, charter county
 16 government, or unified local government.

17 (2) A local government may:

18 (a) 1. Enact ordinances, not in conflict with Sections 1 to 30 of this Act or
 19 with the department's administrative regulations, regulating the time,
 20 place, and manner of cannabis business operations, except that a local
 21 government shall not enact ordinances that impose an undue burden
 22 or make cannabis business operations unreasonable or impractical;
 23 and

24 2. Enact an ordinance to assess a local fee on cannabis businesses
 25 operating within the jurisdiction of the local government to
 26 compensate the local government for any additional public safety
 27 impact caused by the operation of cannabis businesses within the

1 jurisdiction of the local government. Any fee established pursuant to
2 this paragraph shall not exceed the additional public safety impact
3 caused by the operation of cannabis businesses within the jurisdiction
4 of the local government;

5 (b) Prohibit all cannabis business operations within its territory through the
6 passage of an ordinance; or

7 (c) Enact resolutions directing that the question of prohibiting cannabis
8 businesses from operating within its territory be submitted to the voters of
9 its territory at the next regular election pursuant to subsection (4) of this
10 section.

11 (3) If a county, consolidated local government, charter county government, or
12 unified local government prohibits all cannabis business operations, the
13 legislative body of a city located within the county, consolidated local
14 government, charter county government, or unified local government may:

15 (a) Approve cannabis business operations within the limits of the city through
16 the passage of an ordinance; or

21 (4) If, not later than the second Tuesday in August preceding the day established for
22 a regular election, the county clerk has received a local government resolution
23 pursuant to subsection (2) or (3) of this section, the county clerk shall have
24 prepared to place before the voters of the affected territory at the next regular

5 elapse before the question of medicinal cannabis sales and cannabis
6 business operations may be included on a regular election ballot for the
7 affected territory.

8 (b) If the question submitted to the voters passes, medicinal cannabis sales and

10 notwithstanding any local government ordinances which prohibit all
11 cannabis business operations within its territory.

12 (6) In circumstances where a county, consolidated local government, charter county
13 government, or unified local government prohibits cannabis business operations
14 but a city within that county, consolidated local government, charter county
15 government, or unified local government approves cannabis business operations
16 either through the adoption of an ordinance or following the affirmative vote of a
17 public question allowing cannabis business operations, then:

18 (a) The cannabis business operations may proceed within the limits of the city;
19 and

20 (b) The county, consolidated local government, charter county government, or
21 unified local government may assess an additional reasonable fee to
22 compensate for any additional public safety impact caused by the approval
23 of cannabis business operations. Any additional fees collected pursuant to
24 this subsection shall not exceed the additional public safety impact caused
25 by the approval of cannabis business operations.

26 (7) In circumstances where both a city and the county, consolidated local
27 government, charter county government, or unified local government in which

1 the city is located have assessed a local fee on cannabis businesses pursuant to
2 subsection (2) of this section, a cannabis business shall be allowed to credit any
3 fee paid to the city against fees owed to the county, consolidated local
4 government, charter county government, or unified local government.

5 (8) The provisions of general election law shall apply to public questions submitted to
6 voters under this section.

20 There are excluded from the computation of the amount of taxes imposed by this chapter:

21 (1) Gross receipts from the sale of, and the storage, use, or other consumption in this
 22 state of, tangible personal property or digital property which this state is prohibited
 23 from taxing under the Constitution or laws of the United States, or under the
 24 Constitution of this state;

25 (2) Gross receipts from sales of, and the storage, use, or other consumption in this state
 26 of:

27 (a) Nonreturnable and returnable containers when sold without the contents to

1 persons who place the contents in the container and sell the contents together
2 with the container; and

3 (b) Returnable containers when sold with the contents in connection with a retail
4 sale of the contents or when resold for refilling;

5 As used in this section the term "returnable containers" means containers of a kind
6 customarily returned by the buyer of the contents for reuse. All other containers are
7 "nonreturnable containers";

8 (3) Gross receipts from occasional sales of tangible personal property or digital
9 property and the storage, use, or other consumption in this state of tangible personal
10 property or digital property, the transfer of which to the purchaser is an occasional
11 sale;

12 (4) Gross receipts from sales of tangible personal property to a common carrier,
13 shipped by the retailer via the purchasing carrier under a bill of lading, whether the
14 freight is paid in advance or the shipment is made freight charges collect, to a point
15 outside this state and the property is actually transported to the out-of-state
16 destination for use by the carrier in the conduct of its business as a common carrier;

17 (5) Gross receipts from sales of tangible personal property sold through coin-operated
18 bulk vending machines, if the sale amounts to fifty cents (\$0.50) or less, if the
19 retailer is primarily engaged in making the sales and maintains records satisfactory
20 to the department. As used in this subsection, "bulk vending machine" means a
21 vending machine containing unsorted merchandise which, upon insertion of a coin,
22 dispenses the same in approximately equal portions, at random and without

25 other statutory or constitutional agency of the state and gross receipts from sales to
26 counties, cities, or special districts as defined in KRS 65.005. This exemption shall
27 apply only to purchases of tangible personal property, digital property, or services

19 Tennessee Valley Authority, if the "residential" classification is
20 reasonably consistent with the definitions of "residential" contained in
21 tariff filings accepted and approved by the Public Service Commission
22 with respect to utilities which are subject to Public Service Commission
23 regulation.

24 If the service is classified as residential, use other than for "residential"
25 purposes by the customer shall not negate the exemption;

26 (c) The exemption shall not apply if charges for sewer service, water, and fuel are
27 billed to an owner or operator of a multi-unit residential rental facility or

1 mobile home and recreational vehicle park other than residential
2 classification; and

3 (d) The exemption shall apply also to residential property which may be held by
4 legal or equitable title, by the entireties, jointly, in common, as a
5 condominium, or indirectly by the stock ownership or membership

20 or industrial processing process, they shall come into direct contact
21 with the product being manufactured or processed; and
- 22 3. Materials and supplies that are not reusable in the same manufacturing
23 or industrial processing process at the completion of a single
24 manufacturing or processing cycle. A single manufacturing cycle shall
