2 ***Be it enacted by the General Assembly of the Commonwealth of Kentucky:***

3 ➔Section 1. KRS 16.582 is amended to read as follows:

- 4 (1) (a) Total and permanent disability means a disability which results in the  
5 member's incapacity to engage in any occupation for remuneration or profit.  
6 Loss by severance of both hands at or above the wrists, or both feet at or  
7 above the ankles, or one (1) hand above the wrist and one (1) foot above the  
8 ankle, or the complete, irrevocable loss of the sight of both eyes shall be  
9 considered as total and permanent.
- 10 (b) Hazardous disability means a disability which results in the member's total  
11 incapacity to continue as a regular full-time officer or as an employee in a  
12 hazardous position, as defined in KRS 61.592, but which does not result in the  
13 member's total and permanent incapacity to engage in other occupations for  
14 remuneration or profit.
- 15 (c) In determining whether the disability meets the requirement of this section,  
16 any reasonable accommodation provided by the employer as provided in 42  
17 U.S.C. sec. 12111(9) and 29 C.F.R. Part 1630 shall be considered.
- 18 (d) If the board determines that the total and permanent disability of a member  
19 receiving a retirement allowance under this section has ceased, then the board  
20 shall determine if the member has a hazardous disability.
- 21 (2) Any person may qualify to retire on disability, subject to the following:
- 22 (a) The person shall have sixty (60) months of service, twelve (12) of which shall  
23 be current service credited under KRS 16.543(1), 61.543(1), or 78.615(1). The  
24 service requirement shall be waived if the disability is a total and permanent  
25 disability or a hazardous disability and is a direct result of an act in line of  
26 duty;
- 27 (b) For a person whose membership date is prior to August 1, 2004, the person

- 1 shall not be eligible for an unreduced retirement allowance;

10 medical evidence. The application shall be on file in the retirement office no  
11 later than twenty-four (24) months after the person's last day of paid  
12 employment as a regular full-time officer or in a regular full-time hazardous  
13 position.
- 14 (3) Upon the examination of the objective medical evidence by licensed physicians  
15 pursuant to KRS 61.665, it shall be determined that:
- 16 (a) The incapacity results from bodily injury, mental illness, or disease. For  
17 purposes of this section, "injury" means any physical harm or damage to the  
18 human organism other than disease or mental illness;
- 19 (b) The incapacity is deemed to be permanent; and
- 20 (c) The incapacity does not result directly or indirectly from:

22 2. Bodily injury, mental illness, disease, or condition which pre-existed  
23 membership in the system or reemployment, whichever is most recent,  
24 unless:
- 25 a. The disability results from bodily injury, mental illness, disease, or  
26 a condition which has been substantially aggravated by an injury or  
27 accident arising out of or in the course of employment; or

1           b. The person has at least sixteen (16) years' current or prior service  
2           for employment with employers participating in the retirement  
3           systems administered by the Kentucky Retirement Systems or the  
4           County Employees Retirement System.

5           For purposes of this subparagraph, "reemployment" shall not mean a  
6           change of employment between employers participating in the  
7           retirement systems administered by the Kentucky Retirement Systems or  
8           the County Employees Retirement System with no loss of service credit.

9       (4) (a) 1. An incapacity shall be deemed to be permanent for the purpose of  
10           hazardous disability if it is expected to result in death or can be  
11           expected to last for a continuous period of not less than twelve (12)  
12           months from the person's last day of paid employment in a position as a  
13           regular full-time officer or a hazardous position.

14           2. The determination of a permanent incapacity for the purpose of  
15           hazardous disability shall be based on the medical evidence contained  
16           in the member's file and the member's residual functional capacity and  
17           physical exertion requirements.

18           3. The determination of a total and permanent incapacity shall be based  
19           on the medical evidence contained in the member's file and the  
20           member's residual functional capacity.

21       (b) The person's residual functional capacity shall be the person's capacity for

2 impairments. Other impairments, including skin impairments, epilepsy, visual  
3 sensory impairments, postural and manipulative limitations, and  
4 environmental restrictions, shall be considered in conjunction with the  
5 person's physical and mental impairments to determine residual functional  
6 capacity.

7 (c) The person's physical exertion requirements shall be determined based on the  
8 following standards:

- 9 1. Sedentary work shall be work that involves lifting no more than ten (10)  
10 pounds at a time and occasionally lifting or carrying articles such as  
11 large files, ledgers, and small tools. Although a sedentary job primarily  
12 involves sitting, occasional walking and standing may also be required  
13 in the performance of duties.
- 14 2. Light work shall be work that involves lifting no more than twenty (20)  
15 pounds at a time with frequent lifting or carrying of objects weighing up  
16 to ten (10) pounds. A job shall be in this category if lifting is  
17 infrequently required but walking and standing are frequently required,  
18 or if the job primarily requires sitting with pushing and pulling of arm or  
19 leg controls. If the person has the ability to perform substantially all of  
20 these activities, the person shall be deemed capable of light work. A  
21 person deemed capable of light work shall be deemed capable of  
22 sedentary work unless the person has additional limitations such as the  
23 loss of fine dexterity or inability to sit for long periods.
- 24 3. Medium work shall be work that involves lifting no more than fifty (50)  
25 pounds at a time with frequent lifting or carrying of objects weighing up

2           hundred (100) pounds at a time with frequent lifting or carrying of  
3           objects weighing up to fifty (50) pounds. If the person is deemed capable  
4           of heavy work, the person shall also be deemed capable of medium,  
5           light, and sedentary work.
- 6           5. Very heavy work shall be work that involves lifting objects weighing  
7           more than one hundred (100) pounds at a time with frequent lifting or  
8           carrying of objects weighing fifty (50) or more pounds. If the person is  
9           deemed capable of very heavy work, the person shall be deemed capable  
10          of heavy, medium, light, and sedentary work.
- 11       (5) (a) The disability retirement allowance shall be determined as provided in KRS  
12          16.576, except if the member's total service credit on his or her last day of

17          of paid employment, and the maximum service credit for calculating his or her  
18          retirement allowance, including his or her total service and service added  
19          under this section, shall not exceed twenty (20) years.
- 20       (b) For a member whose participation begins on or after August 1, 2004, but prior  
21          to January 1, 2014, the disability retirement allowance shall be the higher of  
22          twenty-five percent (25%) of the member's monthly final rate of pay or the  
23          retirement allowance determined in the same manner as for retirement at his  
24          or her normal retirement date with years of service and final compensation  
25          being determined as of the date of his disability.
- 26       (c) For a member who begins participating on or after January 1, 2014, in the  
27          hybrid cash balance plan as provided by KRS 16.583, the disability retirement

1 allowance shall be the higher of twenty-five percent (25%) of the member's  
2 monthly final rate of pay or the retirement allowance determined in the same  
3 manner as for retirement at his or her normal retirement date under KRS  
4 16.583.

5 (6) If the member receives a satisfactory determination of hazardous disability pursuant  
6 to KRS 61.665 and the disability is the direct result of an act in line of duty as  
7 defined in KRS 16.505, the member's retirement allowance shall be calculated as  
8 follows:

9 (a) For the disabled member, benefits as provided in subsection (5) of this section

22 follows:

23 (a) For the disabled member, the benefits as provided in subsection (5) of this

10 each dependent child, or to a legally appointed guardian or as directed by  
11 the system, and shall be divided equally among all dependent children.

11           amortization method, except that any increase or decrease in the  
12           unfunded actuarially accrued liability occurring after the completion of  
13           the 2019 actuarial valuation shall be amortized over a closed period of  
14           twenty (20) years beginning with the actuarial valuation in which the  
15           increase or decrease in the unfunded actuarially accrued liability is  
16           recognized. An increase or decrease in the unfunded actuarially accrued  
17           liability may result from, but not be limited to, legislative changes to  
18           benefits, changes in actuarial methods or assumptions, or actuarial gains  
19           or losses;

20           2. Paid as a percentage of payroll on the creditable compensation reported

1 for nonhazardous employers in the Kentucky Employees Retirement  
2 System on or after July 1, 2021:

4 total unfunded actuarially accrued liability of the system over a  
5 closed period of thirty (30) years beginning with the 2019 actuarial  
6 valuation using the level percentage of payroll amortization  
7 method, except that any increase or decrease in the unfunded  
8 actuarially accrued liability occurring after the completion of the  
9 2019 actuarial valuation shall be amortized over a closed period of  
10 twenty (20) years beginning with the actuarial valuation in which  
11 the increase or decrease in the unfunded actuarially accrued  
12 liability is recognized. An increase or decrease in the unfunded  
13 actuarially accrued liability may result from but not be limited to  
14 legislative changes to benefits, changes in actuarial methods or  
15 assumptions, or actuarial gains or losses;

16 b. Shall be prorated to each individual nonhazardous employer in the  
17 Kentucky Employees Retirement System by multiplying the annual  
18 dollar amount of the actuarially accrued liability contribution for  
19 the system as determined by subdivision a. of this subparagraph by  
20 the individual employer's percentage of the system's total  
21 actuarially accrued liability as of the June 30, 2019, actuarial  
22 valuation which shall be determined solely by the system's  
23 consulting actuary and assigned to each employer based upon the  
24 last participating employer of the member or retiree as of June 30,  
25 2019. The individual employer's percentage of the system's total  
26 actuarially accrued liability as of the June 30, 2019, actuarial  
27 valuation shall be used to determine the individual employer's

1 prorated dollar amount of the system's actuarially accrued liability  
2 contribution in all future fiscal years of the amortization period or  
3 periods, except that the employer's percentage shall be adjusted to  
4 reflect any employer who voluntarily or involuntarily ceases  
5 participation as provided by KRS 61.522 and except as provided  
6 by subparagraphs 4. and 5. of this paragraph. For purposes of this  
7 subdivision, all executive branch departments, program cabinets  
8 and their respective departments, and administrative bodies  
9 enumerated in KRS 12.020, and any other executive branch  
10 agencies administratively attached to a department, program  
11 cabinet, or administrative body enumerated in KRS 12.020, shall  
12 be considered a single individual employer and only one (1) value  
13 shall be computed for these executive branch employers. For  
14 purposes of this subdivision, all employers of the legislative  
15 branch, including the Legislative Research Commission and the  
16 General Assembly that covers legislators and staff who participate  
17 in the Kentucky Employees Retirement System, shall be  
18 considered a single individual employer and only one (1) value  
19 shall be computed for these employers. For purposes of this  
20 subdivision, all employers of the judicial branch, including the  
21 Administrative Office of the Courts, the Judicial Form Retirement  
22 System, and all master commissioners, shall be considered a single  
23 individual employer and only one (1) value shall be computed for  
24 these employers;

- 25 c. Shall be payable by an individual employer in equal monthly dollar  
26 installments during the fiscal year in accordance with the reporting  
27 requirements specified by KRS 61.675 so that the individual

1 employer pays its full prorated dollar amount of the actuarially  
2 accrued liability contribution as determined by subdivision b. of  
3 this subparagraph; and

4 d. Notwithstanding subdivision b. of this subparagraph for those  
5 individual participating employers who are local and district health  
6 departments governed by KRS Chapter 212, community mental  
7 health centers, and employers whose employees are not subject to  
8 KRS 18A.005 to 18A.200, who received or were eligible to  
9 receive a distribution of general fund appropriations in the 2018-  
10 2020 biennial executive branch budget to assist in paying  
11 retirement costs under 2018 Ky. Acts ch. 169, Part I, G., 4., (5);  
12 2018 Ky. Acts ch. 169, Part I, G., 5., (2); or 2018 Ky. Acts ch. 169,  
13 Part I, G., 9., (2), shall not, once the initial dollar amounts are  
14 established in accordance with this paragraph, be adjusted in terms  
15 of dollars paid by the individual employer, except that adjustments  
16 shall be made by the system upon completion of an actuarial  
17 investigation as provided by KRS 61.670, so long as at least four  
18 (4) years have passed since the last adjustment to the actuarially  
19 accrued liability contribution for these employers. The provisions  
20 of this subdivision shall not be interpreted to mean that employers  
21 described by this subdivision may continue paying the dollar value  
22 of contributions or employer contribution rates established or paid  
23 by the employer in budget periods occurring prior to July 1, 2021.

24 2. Individual employers, solely for purposes of collecting employer  
25 contributions from various fund sources during the fiscal year, may  
26 convert the actuarially accrued liability contribution established by this  
27 paragraph to a percentage of pay and may adjust the percent of pay

1 during the fiscal year in order to pay the required dollar value of  
2 actuarially accrued liability contribution required by this paragraph. No  
3 provision of this subparagraph shall be construed to reduce an individual  
4 employer's actuarially accrued liability contribution as otherwise  
5 provided by this paragraph.

6 3. The provisions of this paragraph shall not apply to those employers who  
7 cease participation as provided by KRS 61.522.

8 4. In the event an individual Kentucky Employees Retirement System  
9 nonhazardous employer who is required to pay an actuarially accrued  
10 liability contribution as provided by this paragraph and as calculated  
11 from the 2019 actuarial valuation or subsequent valuations, merges with  
12 another employer or entity, forms a new or separate employer or entity,  
13 or splits or separates operations into multiple employers or entities, the  
14 system shall, except for those employers or entities who pay the costs to  
15 cease participation as provided by KRS 61.522, have full authority to  
16 assign a portion or all of the total actuarially accrued liability  
17 contribution to the merged, new, split, or separate employers or entities,  
18 regardless of whether or not the merged, new, split, or separate  
19 employers or entities participate in the system. In the case of a district  
20 health department established pursuant to KRS Chapter 212, which  
21 ceases to operate or which has a county or counties that withdraw from  
22 the district health department, the systems shall assign the total  
23 actuarially accrued liability contribution based upon the proportion of  
24 taxable property of each county as certified by the Department for Public  
25 Health in the Cabinet for Health and Family Services in accordance with  
26 KRS 212.132. The system shall establish by administrative regulations  
27 the process of assigning actuarially accrued liability contributions as

1 authorized by this subparagraph.

- 2 5. a. An employer who is not in the executive, legislative, or judicial  
3 branch of Kentucky state government as enumerated in  
4 subparagraph 1.b. of this paragraph may on or before July 1, 2021,  
5 appeal to the board regarding any current or former employees or  
6 retirees the employer believes should not be used to determine the  
7 employer's percentage of the system's total actuarially accrued  
8 liability. The only appeals that shall be submitted by the employer  
9 or considered by the board shall be potential errors where the last  
10 participating employer is in dispute, situations where employees of  
11 the employer were hired through a contract between the executive  
12 branch and the employer for the employee to provide services to  
13 the executive branch, or situations where a community mental  
14 health center was contracted to provide services at a facility  
15 previously operated by the executive branch. The employer shall  
16 submit the information required by the board to verify potential  
17 errors or contract employees with employers.
- 18 b. The board shall review and issue a final determination regarding  
19 any appeals by December 31, 2021. In situations where the board  
20 determines the last participating employer was incorrect and  
21 should be assigned to another employer, the system shall, effective  
22 for employer contributions payable on or after July 1, 2022, assign  
23 the cost to the executive branch until such time ownership of the  
24 liability can be determined and assigned to the correct employer. In  
25 situations where the board determines certain employees of  
26 employers were hired through a contract between the executive  
27 branch and the employer for an employee or employees to provide

1 services to the executive branch, those liabilities shall, effective for  
2 employer contributions payable on or after July 1, 2022, be  
3 assigned to the executive branch. In situations where the board  
4 determines the community mental health center was contracted to  
5 provide services at a facility previously operated by the executive  
6 branch, the liabilities for employees providing services at that  
7 facility shall, effective for employer contributions payable on or  
8 after July 1, 2022, be assigned to the executive branch.

9 c. No appeal shall be submitted by the employer or considered by the  
10 board regarding the assumptions or methodology used by the  
11 actuary to determine a particular employer's percentage of the  
12 system's total actuarially accrued liability or the use of the last  
13 participating employer to assign liabilities to an employer, except  
14 as otherwise provided by this subparagraph.

15 d. The board shall within thirty (30) days following the final  
16 determinations submit to the Public Pension Oversight Board the  
17 list of appeals that were approved, the number of employees  
18 involved, and any costs that will be transferred to the executive  
19 branch effective July 1, 2022.

20 (e) The employer contributions computed under this section shall be determined  
21 using:

- 22 1. The entry age normal cost funding method;
- 23 2. An asset smoothing method that smooths investment gains and losses  
24 over a five (5) year period; and
- 25 3. Other funding methods and assumptions established by the board in  
26 accordance with KRS 61.670.

27 (2) (a) Except as limited by subsection (1)(d)1.d. of this section as it relates to the

1 Kentucky Employees Retirement System, normal cost contribution rates and  
2 the actuarially accrued liability contribution shall be determined by the board  
3 on the basis of the annual actuarial valuation last preceding the July 1 of a new  
4 biennium.

5 (b) The board shall not have the authority to amend contribution rates as of July 1  
6 of the second year of the biennium for the Kentucky Employees Retirement  
7 System and the State Police Retirement System.

8 (3) The system shall advise each employer prior to July 1 of any change in the employer  
9 contribution rate. Based on the employer contribution rate, each employer shall  
10 include in the budget sufficient funds to pay the employer contributions as  
11 determined by the board under this section.

12 (4) All employers, including the General Assembly, shall pay the full actuarially  
13 required contributions, as prescribed by this section, to the Kentucky Employees  
14 Retirement System and the State Police Retirement System in fiscal years occurring  
15 on or after July 1, 2020.

1 initial retirement increased by the number of months of service credit  
2 earned for service performed during reemployment;

3 4. The retirement allowance payments resulting from the recomputation  
4 under this subsection shall be payable in the month following the

18 member is eligible for retirement, the member's service and creditable  
19 compensation earned as a result of his or her reemployment shall be used in  
20 the calculation of benefits, except that the member's final compensation shall  
21 not be less than the final compensation last used in determining his or her

9 administered by Kentucky Retirement Systems or County Employees Retirement  
10 System within twelve (12) months of his or her retirement date, the member shall

20 a retirement allowance, and is employed within one (1) month of the member's  
21 initial retirement date in a position that is required to participate in the same  
22 retirement system from which the member retired, the member's retirement shall be  
23 voided and the member shall repay to the retirement system all benefits received.  
24 The member shall contribute to the member account established for him or her prior  
25 to his or her voided retirement. The retirement allowance for which the member  
26 shall be eligible upon retirement shall be determined by total service and creditable  
27 compensation.

- 1 (11) (a) If a member of the Kentucky Employees Retirement System retires from a  
2 department which participates in more than one (1) retirement system and is

14 member shall obtain from his or her previous and current employers a copy of  
15 the job description established by the employers for the position and a  
16 statement of the duties performed by the member for the position from which  
17 he or she retired and for the position in which he or she has been reemployed.
- 18 (b) The job descriptions and statements of duties shall be filed with the retirement  
19 office.
- 20 (13) If the retirement system determines that the retired member has been employed in a  
21 position with the same principal duties as the position from which the member  
22 retired:
- 23 (a) The member's retirement allowance shall be suspended during the period that  
24 begins on the month in which the member is reemployed and ends six (6)  
25 months after the member's termination;
- 26 (b) The retired member shall repay to the retirement system all benefits paid from  
27 systems administered by Kentucky Retirement Systems or County Employees

6 member shall receive the amount to which he or she is entitled, including an  
7 increase as provided by KRS 61.691;

8 (d) Except as provided in subsection (7) of this section, if the position in which a  
9 retired member is employed after initial retirement is a regular full-time

11 established for him or her in the retirement system. Service credit gained after  
12 the member's date of reemployment shall be credited to the second member  
13 account; and

14 (e) Upon termination, the retired member shall be entitled to benefits payable  
15 from his or her second retirement account.

16 (14) (a) If the retirement system determines that the retired member has not been

18 which he or she retired, the retired member shall continue to receive his or her  
19 retirement allowance.

20 (b) If the position is a regular full-time position, the member shall contribute to a  
21 second member account in the retirement system.

22 (15) (a) If a retired member is reemployed at least one (1) month after initial

26 and continue to receive a retirement allowance from the first member account.

27 (b) Service credit gained after reemployment shall be credited to the second

11 ➔Section 18. KRS 78.5526 is amended to read as follows:

12 (1) Once each year following the retirement of a person on a disability retirement  
 13 allowance, except for persons who become totally and permanently disabled as a  
 14 direct result of an act in line of duty as defined in KRS 78.510 or become disabled

 27 electronic means to file at the retirement office the review form and the current

1 employment and medical information. The person shall certify to the Authority that  
2 the review form, including current employment and medical information, is ready to  
3 be evaluated by the medical examiner in accordance with KRS 78.5528.

4 (2) If, after good faith efforts, the person informs the Authority that he or she has been  
5 unable to obtain the employment or medical information, the Authority shall assist  
6 the person in obtaining the records and may use the powers granted pursuant to  
7 KRS 61.685(1) to obtain the records.

8 (3) If the person fails or refuses to file at the retirement office the review form,  
9 including the current employment and medical information, his or her retirement  
10 allowance shall be discontinued or reduced on the first day of the month following  
11 the expiration of the one hundred eighty (180) days from the day the Authority  
12 ~~sent~~~~mailed~~ the review form **by United States first-class mail** to the person's last

26 **system in cases involving members who become totally and permanently disabled**  
27 **as a direct result of an act in line of duty as defined in KRS 78.510 or become**

1           *disabled as a result of a duty-related injury as defined in KRS 61.621.*

2           ➔Section 19. KRS 78.5530 is amended to read as follows:

3       Notwithstanding any other provisions of KRS 78.510 to 78.852, a maximum disability  
4       benefit is hereby established which shall apply, upon disability retirement, to any disabled  
5       employee's account to which service credit is added to determine disability benefits or in  
6       any case where disability benefits are determined by computing a percentage of the  
7       disabled employee's final monthly rate of pay *or monthly average pay*. The maximum  
8       disability benefit shall be determined by the following formula:

9       (1) Add the monthly benefit payable to the disabled employee from the County  
10       Employees Retirement System and the Kentucky Retirement Systems, using the  
11       monthly disability retirement allowance without any reduction due to the selection  
12       of an optional payment plan under KRS 61.635 but excluding dependent children's  
13       allowances, if any, to his or her monthly benefit, if any, from Social Security, even  
14       though these payments may not begin for a period of time as required for  
15       qualification under the federal Social Security law, excluding spouse or dependent  
16       benefits, and his or her monthly benefit, if any, from workers' compensation, even  
17       though these payments may not have begun as of the date the disabled member  
18       applies for disability retirement benefits, excluding spouse or dependent children's  
19       allowances, from workers' compensation, to arrive at a projected combined monthly  
20       benefit.

21       (2) If the projected combined monthly benefit exceeds one hundred percent (100%) of  
22       the disabled employee's final rate of pay or his or her final compensation, whichever  
23       is greater, his or her disability retirement allowance from the County Employees  
24       Retirement System and the Kentucky Retirement Systems shall be reduced to an  
25       amount which would cause his or her projected combined monthly benefit to equal  
26       one hundred percent (100%) of his or her final rate of pay or his or her final  
27       compensation, whichever is greater; however, the disability retirement allowance

1 shall not be reduced below an amount which would result from a computation of his  
2 or her disability retirement allowance from the County Employees Retirement  
3 System and the Kentucky Retirement Systems using the disabled employee's actual  
4 total service.

5 (3) The system may pay estimated benefits to a disabled employee, upon qualification  
6 for disability retirement, based on an estimate of his or her Social Security and  
7 workers' compensation benefits until the amounts are actually determined, at which  
8 time a final calculation of the member's actual benefits shall be determined and his  
9 or her account corrected retroactive to his or her effective retirement date.

10 (4) Any increase in Social Security benefits or workers' compensation benefits which  
11 becomes law, regardless of their effective date, subsequent to the disabled  
12 employee's effective retirement date, shall not be considered in determination of the  
13 maximum benefit payable, as the maximum benefit payable is based on the amount  
14 of combined benefits under these programs as of the disabled employee's effective  
15 retirement date.

16 (5) Any disabled recipient whose potential payments from the system were reduced as  
17 provided for in this section shall advise the Authority if his or her payments under  
18 the federal Social Security Act or Workers' Compensation Act cease at any time  
19 subsequent to his or her effective retirement date. Upon investigation, if the system  
20 determines that the disabled recipient continues to be eligible for disability benefits,  
21 the system may increase his or her retirement allowance by adding to his or her  
22 payment an amount equal to the reduction applied upon the effective retirement date  
23 in accordance with subsection (2) of this section.

24 (6) The amount of combined disability benefit payments made to an individual on or  
25 after April 1 2021, from the Kentucky Retirement Systems and the County  
26 Employees Retirement System shall not be increased as a result of the passage of  
27 2021 Ky. Acts ch. 102.

1 (7) Subsequent to his or her effective retirement date, each disability recipient who is  
 2 still eligible to receive disability payments based upon a total and permanent  
 3 disability that occurred as a direct result of an act in line of duty as defined in  
 4 KRS 78.510 or a disablement that occurred as a result of a duty-related injury as  
 5 defined in KRS 61.621 shall annually file, on a form or via an electronic method  
 6 established by the Authority, information on whether payments to the recipient  
 7 have ceased or begun under the federal Social Security Act or Workers'  
 8 Compensation Act and the Authority shall make any necessary adjustments as  
 9 provided by this section.

10 ➔Section 20. KRS 78.5536 is amended to read as follows:

11 (1) For purposes of this section:

12 (a) "Hospital and medical insurance plan" may include, at the board's discretion,  
 13 any one (1) or more of the following:

 18 reimbursement arrangement or a similar account as may be permitted by  
 19 26 U.S.C. sec. 105 or 106. Such arrangement or account, at the board's  
 20 discretion, may reimburse any medical expense permissible under 26  
 21 U.S.C. sec. 213; or
- 22 3. A medical insurance reimbursement program established by the board  
 23 through the promulgation of administrative regulation under which  
 24 members purchase individual health insurance coverage through a health  
 25 insurance exchange established under 42 U.S.C. sec. 18031 or 18041;

26 (b) "Monthly contribution rate" shall be the amount determined by the board  
 27 based upon the requirements of subsection (4)(a) to (c) of this section, except

1           that for members who began participating in the system on or after July 1,  
2           2003, the term shall mean the amount determined in subsection (4)(d) of this  
3           section; and

4           (c) "Months of service" shall mean the total months of combined service used to  
5           determine benefits under the system, except service added to determine  
6           disability benefits or service otherwise prohibited from being used to  
7           determine retiree health benefits under KRS 78.510 to 78.852 shall not be  
8           counted as "months of service."

9           (2) (a) 1.   The board of trustees of the system shall arrange by appropriate contract  
10           or on a self-insured basis to provide a group hospital and medical  
11           insurance plan coverage for:

12           a.   Present and future recipients of a retirement allowance from the  
13           County Employees Retirement System; and

14           b.   The spouse and each qualified dependent of a recipient who is a  
15           former member or the beneficiary, provided the spouse and  
16           dependent meet the requirements to participate in the hospital and  
17           medical insurance plans established, contracted, or authorized by  
18           the system.

19           2.   Any recipient who chooses coverage under a hospital and medical  
20           insurance plan shall pay, by payroll deduction from the retirement  
21           allowance, electronic funds transfer, or by another method, the  
22           difference between the premium cost of the hospital and medical  
23           insurance plan coverage selected and the monthly contribution rate to  
24           which he or she would be entitled under this section.

25           (b) 1.   For present and future recipients of a retirement allowance from the  
26           system who are not eligible for Medicare, the board may authorize these  
27           participants to be included in the Kentucky Employees Health Plan as

1 provided by KRS 18A.225 to 18A.2287 and shall provide benefits for  
2 recipients in the plan equal to those provided to state employees having  
3 the same Medicare hospital and medical insurance eligibility status.  
4 Notwithstanding the provisions of any other statute, system recipients  
5 shall be included in the same class as current state employees for  
6 purposes of determining medical insurance policies and premiums in the  
7 Kentucky Employees Health Plan as provided by KRS 18A.225 to  
8 18A.2287.

9 2. Regardless of age, if a recipient or the spouse or dependent child of a  
10 recipient who elects coverage becomes eligible for Medicare, he or she  
11 shall participate in the plans offered by the systems for Medicare eligible  
12 recipients. Individuals participating in the Medicare eligible plans may  
13 be required to obtain and pay for Medicare Part A and Part B coverage  
14 in order to participate in the Medicare eligible plans offered by the  
15 system.

16 3. The system shall continue to provide the same hospital and medical  
17 insurance plan coverage for recipients and qualifying dependents after  
18 the age of sixty-five (65) as before the age of sixty-five (65), if:

19 a. The recipient is not eligible for Medicare coverage; or

20 b. *The recipient would otherwise be eligible for Medicare coverage*  
21 *but is subject to the Medicare Secondary Payer Act under 42*  
22 *U.S.C. sec. 1395y(b) and has been reemployed by a participating*  
23 *agency which offers the recipient a hospital and medical*  
24 *insurance benefit or by a participating agency which is prevented*  
25 *from offering a hospital and medical benefit to the recipient as a*  
26 *condition of reemployment under KRS 70.293, 95.022, or*  
27 *164.952.*

1 (c) For recipients of a retirement allowance who are not eligible for the same  
2 level of hospital and medical benefits as recipients living in Kentucky having  
3 the same Medicare hospital and medical insurance eligibility status, the board  
4 shall provide a medical insurance reimbursement plan as described in  
5 subsection (6) of this section.

6 (d) Notwithstanding anything in KRS Chapter 78 to the contrary, the board of  
7 trustees, in its discretion, may take necessary steps to ensure compliance with  
8 42 U.S.C. secs. 300bb-1 et seq.

9 (3) (a) Each employer participating in the County Employees Retirement System as  
10 provided in KRS 78.510 to 78.852 shall contribute to the insurance trust fund  
11 established by KRS 61.701 the amount necessary to provide the monthly  
12 contribution rate as provided for under this section. Such employer  
13 contribution rate shall be developed by appropriate actuarial method as a part  
14 of the determination of each respective employer contribution rate determined  
15 under KRS 78.635.

16 (b) 1. Each employer described in paragraph (a) of this subsection shall deduct  
17 from the creditable compensation of each member whose membership  
18 date begins on or after September 1, 2008, an amount equal to one  
19 percent (1%) of the member's creditable compensation. The deducted  
20 amounts shall, at the discretion of the board, be credited to accounts  
21 established pursuant to 26 U.S.C. sec. 401(h), within the funds  
22 established in KRS 78.520, or the insurance trust fund established under  
23 KRS 61.701. Notwithstanding the provisions of this paragraph, a  
24 transfer of assets between the accounts established pursuant to 26 U.S.C.  
25 sec. 401(h), within the funds established in KRS 78.520, and the  
26 insurance trust fund established under KRS 61.701 shall not be allowed.

27 2. The employer shall file the contributions as provided by subparagraph 1.

1 of this paragraph at the retirement office in accordance with KRS  
2 78.625. Any interest or penalties paid on any delinquent contributions  
3 shall be credited to accounts established pursuant to 26 U.S.C. sec.  
4 401(h), within the funds established in KRS 78.520, or the insurance  
5 trust fund established under KRS 61.701. Notwithstanding any  
6 minimum compensation requirements provided by law, the deductions  
7 provided by this paragraph shall be made, and the compensation of the  
8 member shall be reduced accordingly.

9 3. Each employer shall submit payroll reports, contributions lists, and other  
10 data as may be required by administrative regulation promulgated by the  
11 board of trustees pursuant to KRS Chapter 13A.

12 4. Every member shall be deemed to consent and agree to the deductions  
13 made pursuant to this paragraph, and the payment of salary or  
14 compensation less the deductions shall be a full and complete discharge  
15 of all claims for services rendered by the person during the period  
16 covered by the payment, except as to any benefits provided by KRS  
17 78.510 to 78.852. No member may elect whether to participate in, or  
18 choose the contribution amount to accounts established pursuant to 26  
19 U.S.C. sec. 401(h) within the funds established in KRS 78.520, or the  
20 insurance trust fund established under KRS 61.701. The member shall  
21 have no option to receive the contribution required by this paragraph  
22 directly instead of having the contribution paid to accounts established  
23 pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS  
24 78.520, or the insurance trust fund established under KRS 61.701. No  
25 member may receive a rebate or refund of contributions. If a member  
26 establishes a membership date prior to September 1, 2008, pursuant to  
27 KRS 61.552(2) or (3), then this paragraph shall not apply to the member

1 and all contributions previously deducted in accordance with this  
2 paragraph shall be refunded to the member without interest. The  
3 contribution made pursuant to this paragraph shall not act as a reduction  
4 or offset to any other contribution required of a member or recipient  
5 under KRS 78.510 to 78.852.

6 5. The board of trustees, at its discretion, may direct that the contributions  
7 required by this paragraph be accounted for within accounts established  
8 pursuant to 26 U.S.C. sec. 401(h) within the funds established in KRS  
9 78.520, or the insurance trust fund established under KRS 61.701,  
10 through the use of separate accounts.

11 (4) (a) The premium required to provide hospital and medical insurance plan  
12 coverage under this section shall be paid wholly or partly from funds  
13 contributed by:

14 1. The recipient of a retirement allowance, by payroll deduction from his or  
15 her retirement allowance, electronic funds transfer, or by other method;

16 2. The insurance trust fund established by KRS 61.701 or accounts  
17 established pursuant to 26 U.S.C. sec. 401(h) within the funds  
18 established in KRS 78.520;

19 3. Another state-administered retirement system, including the systems  
20 administered by Kentucky Retirement Systems, under a reciprocal  
21 arrangement, except that any portion of the premium paid from the funds  
22 specified by subparagraph 2. of this paragraph under a reciprocal  
23 agreement shall not exceed the amount that would be payable under this  
24 section if all the member's service were in the County Employees  
25 Retirement System. If the board provides for cross-referencing of  
26 insurance premiums, the employer's contribution for the working  
27 member or spouse shall be applied toward the premium, and the

1 insurance trust fund established under KRS 61.701 or accounts  
2 established pursuant to 26 U.S.C. sec. 401(h) within the funds  
3 established in KRS 78.520, shall pay the balance; or

4 4. A combination of the fund sources described by subparagraph 1. to 3. of  
5 this paragraph.

6 Group rates under the hospital and medical insurance plan shall be made  
7 available to the spouse, each dependent child, and each disabled child,  
8 regardless of the disabled child's age, of a recipient who is a former member  
9 or the beneficiary, if the premium for the hospital and medical insurance for  
10 the spouse, each dependent child, and each disabled child, or beneficiary is  
11 paid by payroll deduction from the retirement allowance, electronic funds  
12 transfer, or by another method. For purposes of this subsection only, a child  
13 shall be considered disabled if he or she has been determined to be eligible for  
14 federal Social Security disability benefits or meets the dependent disability  
15 standard established by the Department of Employee Insurance in the  
16 Personnel Cabinet.

17 (b) For a member who began participating in the system prior to July 1, 2003, the  
18 monthly contribution rate shall be paid by the system from the funds specified  
19 under paragraph (a)2. of this subsection and shall be equal to a percentage of  
20 the single premium to cover the retired member as follows:

21 1. One hundred percent (100%) of the monthly premium for single  
22 coverage shall be paid for a retired member who had two hundred forty  
23 (240) months of service or more upon retirement or for a retired member  
24 who when he or she was an employee was disabled as a direct result of  
25 an act in line of duty as defined in KRS 78.510(48) or as a result of a  
26 duty-related injury as defined in KRS 61.621;

27 2. Seventy-five percent (75%) of the monthly premium for single coverage

1 shall be paid for a retired member who had less than two hundred forty  
2 (240) months of service but at least one hundred eighty (180) months of  
3 service upon retirement, provided such retired member agrees to pay the  
4 remaining twenty-five percent (25%) by payroll deduction from his or  
5 her retirement allowance, electronic funds transfer, or by another  
6 method;

- 7 3. Fifty percent (50%) of the monthly premium for single coverage shall be
