2. As the exclusive method by which the number of hours required for basic training courses shall be modified from that which is specifically established by this paragraph, the council may, by the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A, explicitly set the exact number of hours for basic training at a number different from nine hundred twenty-eight (928) hours based upon a training curriculum approved by the Kentucky Law Enforcement Council as determined by a validated job task analysis.
3. If the council sets an exact number of hours different from nine hundred twenty-eight (928) in an administrative regulation as provided by this paragraph, it shall not further change the number of hours required for basic training without promulgating administrative regulations in accordance with the provisions of KRS Chapter 13A.
4. Nothing in this paragraph shall be interpreted to prevent the council, pursuant to its authority under KRS 15.330, from approving training schools with a curriculum requiring attendance of a number of hours that exceeds nine hundred twenty-eight (928) hours or the number of hours established in an administrative regulation as provided by subparagraphs 2. and 3. of this paragraph. However, the training programs and schools for the basic training of law enforcement personnel conducted by the department pursuant to KRS 15A.070 shall not contain a curriculum that requires attendance of a number of hours for basic training that is different from nine hundred twenty-eight (928) hours or the number of hours established in an administrative regulation promulgated by the council pursuant to the provisions of KRS Chapter 13A as provided by subparagraphs 2. and 3. of this paragraph.
