 3           *thirty (30) days shall be deemed to be the support of the city or county if the*  
 4           *hospital submits proof to the cabinet of its request and the non-response as*  
 5           *part of its proposal.*

6           *(c) An ambulance service established under this subsection shall not be*  
 7           *transferred to another entity that does not meet the requirements of*
