1	AN ACT relating to step therapy protocols.
2	Be it enacted by the General Assembly of the Commonwealth of Kentucky:
3	→ Section 1. KRS 304.17A-163 is amended to read as follows:
4	(1) As used in this section and Section 2 of this Act, unless the context requires
5	otherwise:
6	(a) "Clinical practice guidelines" means a systematically developed statement
7	to assist decision making by health care providers and patients about
8	appropriate healthcare for specific clinical circumstances and conditions;
9	(b) ''Clinical review criteria'' means the written screening procedures, decision
10	abstracts, clinical protocols, and clinical practice guidelines used by the
11	insurer, health plan, pharmacy benefit manager, or private review agent to
12	determine the medical necessity and appropriateness of health care services,
13	(c) ''Health plan'':
14	1. Means any state-regulated policy, certificate, contract, or plan that
15	offers or provides coverage in this state, by direct payment
16	reimbursement, or otherwise, for prescription drugs pursuant to a step
17	therapy protocol, regardless of whether the protocol is described as a
18	step therapy protocol; and
19	2. Shall include but not be limited to a health benefit plan;
20	(d) "Pharmacy benefit manager" has the same meaning as in KRS 304.9-020;
21	(e) "Private review agent" has the same meaning as in KRS 304.17A-600;
22	(f) "Step therapy exception" means a determination that a step therapy protocol
23	should be overridden in favor of immediate coverage of the health care
24	provider's selected prescription drug; and
25	(g) "Step therapy protocol" means a protocol, policy, or program that
26	establishes the specific sequence in which prescription drugs that are for a
2.7	specified medical condition and medically appropriate for a particular

1			insured are covered by an insurer or health plan [protocol that establishes the
2			specific sequence in which prescription drugs for a specified medical
3			condition and medically appropriate for a particular patient are to be
4			prescribed;
5		(b)	"Fail first protocol" has the same meaning as step therapy in paragraph (a) of
6			this subsection;
7		(c)	"Override of the restriction" means the permission to deviate from the
8			required sequence by prescribing another drug that is medically necessary; and
9		(d)	"Insurer" has the same meaning as in KRS 304.17A 005].
10	(2)	<u>(a)</u>	Except as provided in paragraph (b) of this subsection, clinical review
11			criteria developed by an insurer, health plan, pharmacy benefit manager, or
12			private review agent to establish a step therapy protocol shall be based on
13			clinical practice guidelines that:
14			1. Recommend that prescription drugs be taken in the specific sequence
15			required by the step therapy protocol;
16			2. Are developed and endorsed by a multidisciplinary panel of experts
17			that manages conflicts of interest among the members of the writing
18			and review groups by:
19			a. Requiring members to:
20			i. Disclose any potential conflict of interests with entities,
21			including insurers, health plans, and pharmaceutical
22			manufacturers; and
23			ii. Recuse himself or herself from voting if the member has a
24			conflict of interest;
25			b. Using a methodologist to work with writing groups to provide
26			objectivity in data analysis and ranking of evidence through the
27			preparation of evidence tables and facilitating consensus; and

1	c. Offering opportunities for public review and comments;
2	3. Are based on high quality studies, research, and medical practice;
3	4. Are created by an explicit and transparent process that:
4	a. Minimizes biases and conflicts of interest;
5	b. Explains the relationship between treatment options and
6	outcomes;
7	c. Rates the quality of the evidence supporting recommendations;
8	<u>and</u>
9	d. Considers relevant patient subgroups and preferences; and
10	5. Are continually updated through a review of new evidence, research,
11	and newly developed treatments.
12	(b) In the absence of clinical practice guidelines that meet the requirements of
13	paragraph (a) of this subsection, an insurer, health plan, pharmacy benefit
14	manager, or private review agent may use peer-reviewed publications to
15	establish step therapy protocols.
16	(c) When establishing clinical review criteria for a step therapy protocol, an
17	insurer, health plan, pharmacy benefit manager, or private review agent
18	shall take into account the needs of atypical patient populations and
19	<u>diagnoses.</u>
20	(d) 1. An insurer, health plan, pharmacy benefit manager, or private review
21	agent shall, upon written request, provide all specific written clinical
22	review criteria relating to a particular condition or disease, including
23	clinical review criteria relating to a step therapy exception
24	determination.
25	2. The clinical review criteria and other clinical information shall be
26	made available:
27	a. On the insurer's, health plan's, pharmacy benefit manager's, or

2		b. To a health care professional on behalf of an insured upon
3		written request.
4	<u>(e)</u>	Nothing in this subsection shall be construed to require an insurer, health
5		plan, pharmacy benefit manager, or private review agent to establish a new
6		entity to develop clinical review criteria used for step therapy protocols.
7	(3) (a)	When <u>coverage of a prescription drug</u> [medications] for the treatment of any
8		medical condition is[are] restricted for use by an insurer, health plan, private
9		<u>review agent</u> , or a pharmacy benefit manager by a step therapy[or fail first
10]-protocol, the <u>insured and</u> prescribing <u>provider</u> [practitioner] shall have access
11		to a clear, <i>readily accessible</i> , and convenient process to request <u>a step therapy</u>
12		exception [an override of the restriction from the insurer].
13	<u>(b)</u>	An insurer, health plan, private review agent, or pharmacy benefit
14		manager:
15		1. May use its existing medical exceptions process to satisfy the
16		requirements of paragraph (a) of this subsection;
17		2. Shall make the step therapy protocol easily accessible on its Web site;
18		<u>and</u>
19		3. Shall, upon request, disclose all rules and criteria related to the step
20		therapy protocol to all prescribing providers, including the specific
21		information and documentation that must be submitted by a
22		prescribing provider or insured to be considered a complete request
23		for a step therapy exception.
24	(4) (a)	A step therapy exception request, or an internal appeal under Section 7 of
25		this Act of a step therapy exception request denial, [An override of the
26		restriction] shall be granted by the insurer, health plan, private review agent,
27		or the pharmacy benefit manager within forty-eight (48) hours [,] if:

2		(d) The medical conditions for which insureds were granted step therapy
3		exceptions due to the likelihood that switching the prescription drug would
4		likely cause an adverse reaction by physical or mental harm to the insured.
5		→ Section 3. KRS 304.17A-168 is amended to read as follows:
6	(1)	Notwithstanding any provision of law to the contrary, a health benefit plan shall, at
7		a minimum, provide coverage for all United States Food and Drug Administration-
8		approved tobacco cessation medications, all forms of tobacco cessation services
9		recommended by the United States Preventive Services Task Force, including but
10		not limited to individual, group, and telephone counseling, and any combination
11		thereof.
12	(2)	The following conditions shall not be imposed on any tobacco cessation services
13		provided pursuant to this section:
14		(a) Counseling requirements for medication;
15		(b) Limits on the duration of services, including but not limited to annual or
16		lifetime limits on the number of covered attempts to quit; or
17		(c) Copayments or other out-of-pocket cost sharing, including deductibles.
18	(3)	Utilization management requirements, including prior authorization and step
19		therapy <i>protocol</i> , shall not be imposed on any tobacco cessation services provided
20		pursuant to this section, except in the following circumstances where prior
21		authorization may be required:
22		(a) For a treatment that exceeds the duration recommended by the most recently
23		published United States Public Health Service clinical practice guidelines on
24		treating tobacco use and dependence; or
25		(b) For services associated with more than two (2) attempts to quit within a
26		twelve (12) month period.
27	(4)	Nothing in this section shall be construed to prohibit a plan or issuer from providing

1		coverage for tobacco cessation services in addition to those recommended or to				
2		deny coverage for services that are not recommended by the United States				
3		Preventive Services Task Force.				
4		→ Section 4. KRS 304.17A-535 is amended to read as follows:				
5	(1)	A managed care plan shall include a drug utilization review program, the primary				
6		emphasis of which shall be to enhance quality of care for enrollees by assuring				
7		appropriate drug therapy within the health care provider's legally authorized scope				
8		of practice, that:				
9		(a) Includes the following:				
10		$\underline{I.\{(a)\}}$ Retrospective review of prescription drugs furnished to enrollees;				
11		2.[(b)] Education of health care providers and enrollees regarding the				
12		appropriate use of prescription drugs; and				
13		$\underline{3.[(c)]}$ Ongoing periodic examination of data on outpatient prescription				
14		drugs to ensure quality therapeutic outcomes for enrollees; and				
15		(b) Complies with Sections 1 and 2 of this Act.				
16	(2)	The drug utilization review program shall utilize the following to effectuate the				
17		purposes of subsection (1) of this section:				
18		(a) Relevant clinical criteria and standards for drug therapy;				
19		(b) Nonproprietary criteria and standards developed and revised through input				
20		from participating health care providers;				
21		(c) Intervention that focuses on improving therapeutic outcomes; and				
22		(d) Measures to ensure the confidentiality of the relationship between an enrollee				
23		and a health care provider.				
24	(3)	When, in the professional opinion of a provider with prescriptive authority, the				
25		provider determines that generic substitution of a pharmaceutical product is				
26		medically inappropriate, the provider shall prescribe the pharmaceutical product the				
27		provider determines medically appropriate with the indication "Do Not Substitute,"

8		<u>(g)</u> [(e)] An insurer shall be required to cover the treatment, service, drug, or
9			device that was denied or provide notification of the right to external review
10			in accordance with paragraph $\underline{(f)}[(d)]$ of this subsection whether the covered
11			person has disenrolled or remains enrolled with the insurer.
12		<u>(h)</u> [(f)] If the covered person has disenrolled with the insurer, the insurer shall
13			only be required to provide the treatment, service, drug, or device that was
14			denied for a period not to exceed thirty (30) days[,] or provide the covered
15			person the opportunity for external review.
16		→ S	ection 8. KRS 304.17A-623 is amended to read as follows:
17	(1)	<u>(a)</u>	Every insurer shall have an external review process to be utilized by the
18			insurer or its designee, consistent with this section and which shall be
19			disclosed to covered persons in accordance with KRS 304.17A-505(1)(g).
20		<u>(b)</u>	An insurer, its designee, or agent shall disclose the availability of the external
21			review process to the covered person in the insured's timely notice of an
22			adverse determination or notice of a coverage denial as set forth in KRS
23			304.17A-607(1)(j) and in the denial letter required in KRS 304.17A-617(1)
24			and <u>(3)(d)</u> [(2)(e)] .
25		<u>(c)</u>	For purposes of this section, "coverage denial" means an insurer's
26			determination that a service, treatment, drug, or device is specifically limited
27			or excluded under the covered person's health benefit plan.

1	(2)	A covered person, an authorized person, or a provider acting on behalf of and with
2		the consent of the covered person, may request an external review of an adverse
3		determination rendered by an insurer, its designee, or agent.

- 4 (3) *Except as provided in Section 1 of this Act*, the insurer shall provide for an external review of an adverse determination if the following criteria are met:
- 6 (a) The insurer, its designee, or agent has rendered an adverse determination;

- (b) The covered person has completed the insurer's internal appeal process, or the insurer has failed to make a timely determination or notification as set forth in KRS 304.17A-619(2). The insurer and the covered person may, however, jointly agree to waive the internal appeal requirement;
 - (c) The covered person was enrolled in the health benefit plan on the date of service or, if a prospective denial, the covered person was enrolled and eligible to receive covered benefits under the health benefit plan on the date the proposed service was requested; and
 - (d) The entire course of treatment or service will cost the covered person at least one hundred dollars (\$100) if the covered person had no insurance.
 - (4) The covered person, an authorized person, or a provider with consent of the covered person shall submit a request for external review to the insurer within sixty (60) days, except as set forth in KRS 304.17A-619(1), of receiving notice that an adverse determination has been timely rendered under the insurer's internal appeal process. As part of the request, the covered person shall provide to the insurer or its designee written consent authorizing the independent review entity to obtain all necessary medical records from both the insurer and any provider utilized for review purposes regarding the decision to deny, limit, reduce or terminate coverage.
- 25 (5) The covered person shall be assessed a one (1) time filing fee of twenty-five dollars 26 (\$25) to be paid to the independent review entity and which may be waived if the 27 independent review entity determines that the fee creates a financial hardship on the

2		favo	or of the covered person.
3	(6)	Ac	covered person shall not be afforded an external review of an adverse
4		dete	rmination if:
5		(a)	The subject of the covered person's adverse determination has previously gone
6			through the external review process and the independent review entity found
7			in favor of the insurer; and
8		(b)	No relevant new clinical information has been submitted to the insurer since
9			the independent review entity found in favor of the insurer.
10	(7)	The	department shall establish a system for each insurer to be assigned an
11		inde	pendent review entity for external reviews. The system established by the
12		depa	artment shall be prospective and shall require insurers to utilize independent
13		revie	ew entities on a rotating basis so that an insurer does not have the same
14		inde	pendent review entity for two (2) consecutive external reviews. The department
15		shal	l contract with no less than two (2) independent review entities.
16	(8)	(a)	If a dispute arises between an insurer and a covered person regarding the
17			covered person's right to an external review, the covered person may file a
18			complaint with the department. Within five (5) days of receipt of the
19			complaint, the department shall render a decision and may direct the insurer to
20			submit the dispute to an independent review entity for an external review if it
21			finds:
22			1. The dispute involves denial of coverage based on medical necessity or
23			the service being experimental or investigational; and
24			2. All of the requirements of subsection (3) of this section have been met.
25		(b)	The complaint process established in this section shall be separate and distinct
26			from, and shall in no way limit other grievance or complaint processes

1		promulgated administrative regulations. This complaint process shall not
2		limit, alter, or supplant the mechanisms for appealing coverage denials
3		established in KRS 304.17A-617.
4	(9)	The external review process shall be confidential and shall not be subject to KRS
5		61.805 to 61.850 and KRS 61.870 to 61.884.
6	(10)	External reviews shall be conducted in an expedited manner by the independent
7		review entity if the covered person is hospitalized, or if, in the opinion of the
8		treating provider, review under the standard time frame could, in the absence of
9		immediate medical attention, result in any of the following:
10		(a) Placing the health of the covered person or, with respect to a pregnant woman,
11		the health of the covered person or her unborn child in serious jeopardy;
12		(b) Serious impairment to bodily functions; or
13		(c) Serious dysfunction of a bodily organ or part.
14	(11)	Requests for expedited external review, shall be forwarded by the insurer to the
15		independent review entity within twenty-four (24) hours of receipt by the insurer.
16	(12)	For expedited external review, a determination shall be made by the independent
17		review entity within twenty-four (24) hours from the receipt of all information
18		required from the insurer. An extension of up to twenty-four (24) hours may be
19		allowed if the covered person and the insurer or its designee agree. The insurer or
20		its designee shall provide notice to the independent review entity and to the covered
21		person, by same-day communication, that the adverse determination has been
22		assigned to an independent review entity for expedited review.
23	(13)	External reviews which are not expedited shall be conducted by the independent
24		review entity and a determination made within twenty-one (21) calendar days from
25		the receipt of all information required from the insurer. An extension of up to
26		fourteen (14) calendar days may be allowed if the covered person and the insurer are

designating the entity responsible for filing any federal forms, adoption of

policies required for proper plan administration, acceptance of the contractual

provisions with health insurance carriers or third-party administrators, and

adoption of the payment and reimbursement methods necessary for efficient

> administration of the health insurance program. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994, and shall include a mail-order drug option as provided in subsection (13) of this section. All employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the Commonwealth or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment.

- The policy or policies shall be approved by the commissioner of insurance and (b) may contain the provisions the commissioner of insurance approves, whether or not otherwise permitted by the insurance laws.
- Any carrier bidding to offer health care coverage to employees shall agree to (c) provide coverage to all members of the state group, including active employees and retirees and their eligible covered dependents and beneficiaries, within the county or counties specified in its bid. Except as provided in subsection (20) of this section, any carrier bidding to offer health care coverage to employees shall also agree to rate all employees as a single entity, except for those retirees whose former employers insure their active employees outside the state-sponsored health insurance program.
- Any carrier bidding to offer health care coverage to employees shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject

The advisory committee shall be appointed in January of each year and shall meet quarterly.

- (10) Notwithstanding any other provision of law to the contrary, the policy or policies provided to employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of employees or their dependents.
- (11) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.
- (12) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.
- 25 (13) (a) The policies of health insurance coverage procured under subsection (2) of 26 this section shall include a mail-order drug option for maintenance drugs for 27 state employees. Maintenance drugs may be dispensed by mail order in

A health insurer shall not discriminate against any retail pharmacy located within the geographic coverage area of the health benefit plan and that meets the terms and conditions for participation established by the insurer, including price, dispensing fee, and copay requirements of a mail-order option. The retail pharmacy shall not be required to dispense by mail.

- The mail-order option shall not permit the dispensing of a controlled (c) substance classified in Schedule II.
- 9 (14) The policy or policies provided to state employees or their dependents pursuant to 10 this section shall provide coverage for obtaining a hearing aid and acquiring hearing 11 aid-related services for insured individuals under eighteen (18) years of age, subject 12 to a cap of one thousand four hundred dollars (\$1,400) every thirty-six (36) months 13 pursuant to KRS 304.17A-132.
- 14 (15) Any policy provided to state employees or their dependents pursuant to this section 15 shall provide coverage for the diagnosis and treatment of autism spectrum disorders 16 consistent with KRS 304.17A-142.
- (16) Any policy provided to state employees or their dependents pursuant to this section 18 shall provide coverage for obtaining amino acid-based elemental formula pursuant 19 to KRS 304.17A-258.
 - (17) If a state employee's residence and place of employment are in the same county, and if the hospital located within that county does not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services, and magnetic resonance imaging services, the employee may select a plan available in a contiguous county that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.
- 27 (18) If a state employee's residence and place of employment are each located in counties

in which the hospitals do not offer surgical services, intensive care services,
obstetrical services, level II neonatal services, diagnostic cardiac catheterization
services, and magnetic resonance imaging services, the employee may select a plan
available in a county contiguous to the county of residence that does provide those
services, and the state contribution for the plan shall be the amount available in the
county where the plan selected is located.

- (19) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.
- (20) Notwithstanding any other provision of this section, the bid for proposals for health insurance coverage for calendar year 2004 shall include a bid scenario that reflects the statewide rating structure provided in calendar year 2003 and a bid scenario that allows for a regional rating structure that allows carriers to submit bids that may vary by region for a given product offering as described in this subsection:
 - (a) The regional rating bid scenario shall not include a request for bid on a statewide option;
 - (b) The Personnel Cabinet shall divide the state into geographical regions which shall be the same as the partnership regions designated by the Department for Medicaid Services for purposes of the Kentucky Health Care Partnership Program established pursuant to 907 KAR 1:705;
 - (c) The request for proposal shall require a carrier's bid to include every county within the region or regions for which the bid is submitted and include but not be restricted to a preferred provider organization (PPO) option;
 - (d) If the Personnel Cabinet accepts a carrier's bid, the cabinet shall award the carrier all of the counties included in its bid within the region. If the Personnel Cabinet deems the bids submitted in accordance with this subsection to be in
