- 3           information with respect to a vehicle for which a certificate of title has been
- 4           applied for is compared against the National Crime Information Center
- 5           (NCIC) computerized listings of vehicles reported stolen, unless NCIC is not
- 6           operational and the department has official notification that it is not expected

- 14           examinations, the application shall be examined by a title examination certifier.
- 15   (6) The title application certifier shall ensure that each application has received the

- 25       (b) His application is not in order;
- 26       (c) The documentation supporting an application is insufficient or fraudulent;
- 27       (d) The vehicle has an illegitimate vehicle identification number;

1 (e) The vehicle is stolen; or

2 (f) That the computer-produced certificate of title is not consistent with the  
3 owner's application.

4 (8) In the case of multiple owners, the Department of Vehicle Regulation shall require  
5 only two (2) primary owners' names to be printed on the certificate of title. Upon  
6 submission of the title application, if more than two (2) owners are listed, the  
7 primary owners shall be determined by the title applicants. In such instances, the  
8 certificate of the title shall note that there are more than two (2) owners. The names  
9 of all title applicants shall be documented in AVIS.

10 (9) When the Department of Vehicle Regulation finds that a certificate of title should  
11 be issued for a vehicle, the endorsement of the commissioner of the Department of  
12 Vehicle Regulation shall be engrossed upon the certificate of title following a  
13 preprinted statement which shall read: I certify that the Department of Vehicle  
14 Regulation has exercised due diligence in examining an application for a certificate  
15 of title for the above-described vehicle, and to the best of our knowledge and belief,  
16 the applicant whose name appears above is the lawful owner of the apparently  
17 legitimate vehicle described herein. ----- (signature), commissioner,  
18 Department of Vehicle Regulation, Kentucky Transportation Cabinet.

19 ➔Section 4. Whereas plans need to be developed to determine electric vehicle  
20 infrastructure needs and the best use of NEVI Formula Program funds, an emergency is  
21 declared to exist, and Sections 1 and 2 of this Act shall take effect upon their passage and  
22 approval by the Governor or upon their otherwise becoming a law.
