17 employers of any class of employees or former employees shall enter into a
18 contract with the Personnel Cabinet prior to including that group in the state
19 health insurance group. The contracts shall include but not be limited to
20 designating the entity responsible for filing any federal forms, adoption of
21 policies required for proper plan administration, acceptance of the contractual
22 provisions with health insurance carriers or third-party administrators, and
23 adoption of the payment and reimbursement methods necessary for efficient
24 administration of the health insurance program. Health insurance coverage
25 provided to state employees under this section shall, at a minimum, contain

6 provisions of KRS 45A.080, 45A.085, and 45A.090 and made available
7 during annual open enrollment.

8 (b) The policy or policies shall be approved by the commissioner of insurance and
9 may contain the provisions the commissioner of insurance approves, whether
10 or not otherwise permitted by the insurance laws.

11 (c) Any carrier bidding to offer health care coverage to employees shall agree to
12 provide coverage to all members of the state group, including active
13 employees and retirees and their eligible covered dependents and
14 beneficiaries, within the county or counties specified in its bid. Except as
15 provided in subsection (20) of this section, any carrier bidding to offer health
16 care coverage to employees shall also agree to rate all employees as a single
17 entity, except for those retirees whose former employers insure their active
18 employees outside the state-sponsored health insurance program.

19 (d) Any carrier bidding to offer health care coverage to employees shall agree to
20 provide enrollment, claims, and utilization data to the Commonwealth in a
21 format specified by the Personnel Cabinet with the understanding that the data
22 shall be owned by the Commonwealth; to provide data in an electronic form
23 and within a time frame specified by the Personnel Cabinet; and to be subject
24 to penalties for noncompliance with data reporting requirements as specified
25 by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions
26 to protect the confidentiality of each individual employee; however,
27 confidentiality assertions shall not relieve a carrier from the requirement of

- 1 providing stipulated data to the Commonwealth.
- 2 (e) The Personnel Cabinet shall develop the necessary techniques and capabilities
3 for timely analysis of data received from carriers and, to the extent possible,
4 provide in the request-for-proposal specifics relating to data requirements,
5 electronic reporting, and penalties for noncompliance. The Commonwealth
6 shall own the enrollment, claims, and utilization data provided by each carrier
7 and shall develop methods to protect the confidentiality of the individual. The
8 Personnel Cabinet shall include in the October annual report submitted
9 pursuant to the provisions of KRS 18A.226 to the Governor, the General
10 Assembly, and the Chief Justice of the Supreme Court, an analysis of the
11 financial stability of the program, which shall include but not be limited to
12 loss ratios, methods of risk adjustment, measurements of carrier quality of
13 service, prescription coverage and cost management, and statutorily required

15 also shall provide a detailed financial analysis of the self-insurance fund
16 including but not limited to loss ratios, reserves, and reinsurance agreements.
- 17 (f) If any agency participating in the state-sponsored employee health insurance
18 program for its active employees terminates participation and there is a state
19 appropriation for the employer's contribution for active employees' health
20 insurance coverage, then neither the agency nor the employees shall receive
21 the state-funded contribution after termination from the state-sponsored
22 employee health insurance program.
- 23 (g) Any funds in flexible spending accounts that remain after all reimbursements
24 have been processed shall be transferred to the credit of the state-sponsored
25 health insurance plan's appropriation account.
- 26 (h) Each entity participating in the state-sponsored health insurance program shall
27 provide an amount at least equal to the state contribution rate for the employer

1 portion of the health insurance premium. For any participating entity that used
2 the state payroll system, the employer contribution amount shall be equal to
3 but not greater than the state contribution rate.

- 4 (3) The premiums may be paid by the policyholder:
- 5 (a) Wholly from funds contributed by the employee, by payroll deduction or
6 otherwise;
- 7 (b) Wholly from funds contributed by any department, board, agency, public
8 postsecondary education institution, or branch of state, city, urban-county,
9 charter county, county, or consolidated local government; or
- 10 (c) Partly from each, except that any premium due for health care coverage or
11 dental coverage, if any, in excess of the premium amount contributed by any
12 department, board, agency, postsecondary education institution, or branch of
13 state, city, urban-county, charter county, county, or consolidated local
14 government for any other health care coverage shall be paid by the employee.
- 15 (4) If an employee moves his or her place of residence or employment out of the service
16 area of an insurer offering a managed health care plan, under which he or she has
17 elected coverage, into either the service area of another managed health care plan or
18 into an area of the Commonwealth not within a managed health care plan service
19 area, the employee shall be given an option, at the time of the move or transfer, to
20 change his or her coverage to another health benefit plan.
- 21 (5) No payment of premium by any department, board, agency, public postsecondary
22 educational institution, or branch of state, city, urban-county, charter county,
23 county, or consolidated local government shall constitute compensation to an
24 insured employee for the purposes of any statute fixing or limiting the
25 compensation of such an employee. Any premium or other expense incurred by any
26 department, board, agency, public postsecondary educational institution, or branch
27 of state, city, urban-county, charter county, county, or consolidated local

- 1 government shall be considered a proper cost of administration.
- 2 (6) The policy or policies may contain the provisions with respect to the class or classes
3 of employees covered, amounts of insurance or coverage for designated classes or
4 groups of employees, policy options, terms of eligibility, and continuation of
5 insurance or coverage after retirement.
- 6 (7) Group rates under this section shall be made available to the disabled child of an
7 employee regardless of the child's age if the entire premium for the disabled child's
8 coverage is paid by the state employee. A child shall be considered disabled if he or
9 she has been determined to be eligible for federal Social Security disability benefits.
- 10 (8) The health care contract or contracts for employees shall be entered into for a period
11 of not less than one (1) year.
- 12 (9) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of
13 State Health Insurance Subscribers to advise the secretary or the secretary's designee
14 regarding the state-sponsored health insurance program for employees. The
15 secretary shall appoint, from a list of names submitted by appointing authorities,
16 members representing school districts from each of the seven (7) Supreme Court

18 Supreme Court districts, two (2) members representing retirees under age sixty-five
19 (65), one (1) member representing local health departments, two (2) members

2 advisory committee shall be appointed in January of each year and shall meet
3 quarterly.

4 (10) Notwithstanding any other provision of law to the contrary, the policy or policies
5 provided to employees pursuant to this section shall not provide coverage for
6 obtaining or performing an abortion, nor shall any state funds be used for the
7 purpose of obtaining or performing an abortion on behalf of employees or their
8 dependents.

9 (11) Interruption of an established treatment regime with maintenance drugs shall be
10 grounds for an insured to appeal a formulary change through the established appeal
11 procedures approved by the Department of Insurance, if the physician supervising
12 the treatment certifies that the change is not in the best interests of the patient.

13 (12) Any employee who is eligible for and elects to participate in the state health
14 insurance program as a retiree, or the spouse or beneficiary of a retiree, under any
15 one (1) of the state-sponsored retirement systems shall not be eligible to receive the
16 state health insurance contribution toward health care coverage as a result of any
17 other employment for which there is a public employer contribution. This does not
18 preclude a retiree and an active employee spouse from using both contributions to
19 the extent needed for purchase of one (1) state sponsored health insurance policy for
20 that plan year.

21 (13) (a) The policies of health insurance coverage procured under subsection (2) of
22 this section shall include a mail-order drug option for maintenance drugs for
23 state employees. Maintenance drugs may be dispensed by mail order in
24 accordance with Kentucky law.

1 price, dispensing fee, and copay requirements of a mail-order option. The
2 retail pharmacy shall not be required to dispense by mail.

3 (c) The mail-order option shall not permit the dispensing of a controlled
4 substance classified in Schedule II.

5 (14) The policy or policies provided to state employees or their dependents pursuant to
6 this section shall provide coverage for obtaining a hearing aid and acquiring hearing
7 aid-related services for insured individuals under eighteen (18) years of age, subject
8 to a cap of one thousand four hundred dollars (\$1,400) every thirty-six (36) months
9 pursuant to KRS 304.17A-132.

10 (15) Any policy provided to state employees or their dependents pursuant to this section
11 shall provide coverage for the diagnosis and treatment of autism spectrum disorders
12 consistent with KRS 304.17A-142.

14 shall provide coverage for obtaining amino acid-based elemental formula pursuant
15 to KRS 304.17A-258.

16 (17) If a state employee's residence and place of employment are in the same county, and
17 if the hospital located within that county does not offer surgical services, intensive
18 care services, obstetrical services, level II neonatal services, diagnostic cardiac
19 catheterization services, and magnetic resonance imaging services, the employee
20 may select a plan available in a contiguous county that does provide those services,
21 and the state contribution for the plan shall be the amount available in the county
22 where the plan selected is located.

23 (18) If a state employee's residence and place of employment are each located in counties
24 in which the hospitals do not offer surgical services, intensive care services,
25 obstetrical services, level II neonatal services, diagnostic cardiac catheterization
26 services, and magnetic resonance imaging services, the employee may select a plan
27 available in a county contiguous to the county of residence that does provide those

1 services, and the state contribution for the plan shall be the amount available in the
2 county where the plan selected is located.

3 (19) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and
4 in the best interests of the state group to allow any carrier bidding to offer health
5 care coverage under this section to submit bids that may vary county by county or
6 by larger geographic areas.

7 (20) Notwithstanding any other provision of this section, the bid for proposals for health
8 insurance coverage for calendar year 2004 shall include a bid scenario that reflects
9 the statewide rating structure provided in calendar year 2003 and a bid scenario that
10 allows for a regional rating structure that allows carriers to submit bids that may
11 vary by region for a given product offering as described in this subsection:

12 (a) The regional rating bid scenario shall not include a request for bid on a
13 statewide option;

14 (b) The Personnel Cabinet shall divide the state into geographical regions which
15 shall be the same as the partnership regions designated by the Department for
16 Medicaid Services for purposes of the Kentucky Health Care Partnership
17 Program established pursuant to 907 KAR 1:705;

18 (c) The request for proposal shall require a carrier's bid to include every county
19 within the region or regions for which the bid is submitted and include but not
20 be restricted to a preferred provider organization (PPO) option;

21 (d) If the Personnel Cabinet accepts a carrier's bid, the cabinet shall award the
22 carrier all of the counties included in its bid within the region. If the Personnel
23 Cabinet deems the bids submitted in accordance with this subsection to be in
24 the best interests of state employees in a region, the cabinet may award the
25 contract for that region to no more than two (2) carriers; and

26 (e) Nothing in this subsection shall prohibit the Personnel Cabinet from including
27 other requirements or criteria in the request for proposal.
