

1 AN ACT relating to state dealings with companies that engage in energy company
2 boycotts.

3 *Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

4 ➔SECTION 1. A NEW SECTION OF KRS CHAPTER 41 IS CREATED TO
5 READ AS FOLLOWS:

6 *The General Assembly finds that:*

- 7 *(1) Fossil fuels currently supply more than eighty percent (80%) of the world's*
8 *primary energy, and the United States Energy Information Administration still*
9 *projects global consumption of fossil fuels to increase steadily at least through*
10 *2050;*
- 11 *(2) Restricting the supply of fossil fuels, without an immediate substitute for those*
12 *fuels, only serves to raise prices on energy consumers, profoundly impacting the*
13 *poorest among us;*
- 14 *(3) Denying financing to American and European fossil energy producers, who are*
15 *among the most socially and environmentally responsible companies in the*
16 *world, only serves to support hostile nations and less responsible producers;*
- 17 *(4) Banks are increasingly denying financing to creditworthy fossil energy*
18 *companies solely for the purpose of decarbonizing their lending portfolios and*
19 *marketing their environmental credentials, to the detriment of potential returns*
20 *for their shareholders;*
- 21 *(5) Institutional investors are divesting from fossil energy companies and pressuring*
22 *corporations to commit to the goal of the Paris Agreement to reduce greenhouse*
23 *gas emissions to zero by 2050;*
- 24 *(6) Large investment firms are colluding to force fossil energy companies to*
25 *cannibalize their existing businesses and direct time and attention away from*
26 *increasing shareholder returns;*
- 27 *(7) Corporations are boycotting fossil energy companies by refusing to provide them*

1 with products or services; and

2 (8) Energy-producing states, when financially prudent, should avoid doing business
3 with companies that are attacking the industries that substantially contribute to
4 their state budgets.

18 (c) "Energy company boycott" means, without an ordinary business purpose,
19 refusing to deal with, terminating business activities with, or otherwise
20 taking any action that is intended to penalize, inflict economic harm on, or
21 limit commercial relations with a company because the company:

22 1. Engages in the exploration, production, utilization, transportation,
23 sale, or manufacturing of fossil fuel-based energy and does not
24 commit or pledge to meet environmental standards beyond applicable
25 federal and state law; or

26 2. Does business with a company described in subparagraph 1. of this
27 paragraph;

1 (d) "Financial company" means a publicly traded financial services, banking,
2 or investment company;

3 (e) "Indirect holdings" means, with respect to a financial company, all
4 securities of that financial company held in an account or fund, such as a
5 mutual fund, managed by one (1) or more persons not employed by a state
6 governmental entity, in which the state governmental entity owns shares or
7 interests together with other investors not subject to the provisions of this
8 chapter. The term does not include money invested under a plan described

11 Treasurer;

12 (g) "State governmental entity" means any state board, bureau, cabinet,

16 (h) "Treasurer" means the State Treasurer.

17 (2) Notwithstanding any provision of law to the contrary, with respect to actions
18 taken in compliance with Sections 1 to 4 of this Act, including all good faith
19 determinations regarding financial companies as required by Sections 1 to 4 of
20 this Act, a state governmental entity and the Treasurer are exempt from any
21 conflicting statutory or common law obligations, including any obligations with
22 respect to making investments, divesting from any investment, preparing or
23 maintaining any list of financial companies, or choosing asset managers,
24 investment funds, or investments for the state governmental entity's securities
25 portfolios.

26 (3) A state governmental entity shall not be subject to the requirements of Sections 1
27 to 4 of this Act if the state governmental entity determines that the requirements

1 would be inconsistent with its fiduciary responsibility with respect to the
2 investment of entity assets or other duties imposed by law relating to the
3 investment of entity assets.

4 ➔SECTION 3. A NEW SECTION OF KRS CHAPTER 41 IS CREATED TO
5 READ AS FOLLOWS:

6 (1) (a) The Treasurer shall prepare and maintain, and provide to each state
7 governmental entity through publication on the Treasurer's official Web
8 site, a list of all financial companies that have engaged in energy company
9 boycotts. In maintaining the list, the Treasurer may:

10 1. Review and rely, as appropriate in the Treasurer's judgment, on all
11 available information regarding financial companies, including
12 information provided by the Commonwealth, nonprofit organizations,
13 research firms, international organizations, governmental entities, or
14 other organizations in the business of providing information relevant
15 for investments; and

16 2. Request written verification from a financial company that it does not
17 engage in energy company boycotts and rely on, as appropriate in the
18 Treasurer's judgment and without conducting further investigation,
19 research, or inquiry, a financial company's written response to the
20 request.

21 (b) A financial company that fails to provide to the Treasurer a written
22 verification under paragraph (a)2. of this subsection within sixty (60) days
23 of receiving the request from the Treasurer is presumed to be engaging in
24 energy company boycotts.

25 (c) The Treasurer shall update the list required in paragraph (a) of this
26 subsection annually or more often as the Treasurer considers necessary
27 based on information from, among other sources, those listed in paragraph

1 (a) of this subsection.

2 (d) Within thirty (30) days of the date the list of financial companies that
3 engage in energy company boycotts is first provided or updated, the
4 Treasurer shall file the list with the Legislative Research Commission and
5 the Attorney General and post the list on a publicly available Internet Web
6 site.

7 (2) Within thirty (30) days of a state governmental entity receiving the list provided
8 under subsection (1)(a) of this section, the state governmental entity shall notify
9 the Treasurer of the listed financial companies in which the state governmental
10 entity owns direct or indirect holdings.

11 (3) (a) For each listed financial company identified under subsection (2) of this
12 section, the state governmental entity shall send a written notice:

13 1. Informing the financial company of its status as a listed financial
14 company;

15 2. Warning the financial company that it may become subject to
16 divestment by state governmental entities after the expiration of the
17 period described by paragraph (b) of this subsection; and

18 3. Offering the financial company the opportunity to clarify its activities
19 related to companies that are engaged in energy company boycotts.

20 (b) Within ninety (90) days of the financial company receiving notice under
21 paragraph (a) of this subsection, the financial company must cease
22 engaging in energy company boycotts in order to avoid becoming subject to
23 divestment by state governmental entities.

24 (c) If, during the time provided by paragraph (b) of this subsection, the
25 financial company ceases engaging in energy company boycotts, the
26 Treasurer shall remove the financial company from the list maintained
27 under subsection (1)(a) of this subsection, and Sections 2, 3, and 4 of this

1 Act shall no longer apply to the financial company unless it resumes
2 engaging in energy company boycotts.

3 (d) If, after the time provided by paragraph (b) of this subsection expires, the
4 financial company continues to engage in energy company boycotts, the
5 state governmental entity shall sell, redeem, divest, or withdraw all publicly
6 traded securities of the financial company, except securities described in
7 subsection (5) of this section, according to the schedule provided in
8 subsection (4) of this section.

9 (4) (a) A state governmental entity shall sell, redeem, divest, or withdraw all
10 publicly traded securities of a listed financial company within one (1) year
11 of the expiration of the time period provided in subsection (3)(b) of this
12 section.

13 (b) If a financial company that ceased engaging in energy company boycotts
14 after receiving notice under subsection (3) of this section resumes its
15 boycott, the state governmental entity shall send a written notice to the
16 financial company informing it that the state governmental entity will sell,
17 redeem, divest, or withdraw all publicly traded securities of the financial
18 company according to the schedule in paragraph (a) of this subsection.

19 (c) A state governmental entity may delay the schedule for divestment under
20 paragraph (a) of this subsection only to the extent that the state
21 governmental entity determines, in the state governmental entity's good
22 faith judgment, and consistent with the entity's fiduciary duty, that
23 divestment from listed financial companies will likely result in a loss in
24 value or a benchmark deviation described in subsection (6) of this section.

25 (d) If a state governmental entity delays the schedule for divestment under
26 paragraph (c) of this subsection, the state governmental entity shall submit
27 a report within thirty (30) days of the decision to the Treasurer, the

1 Legislative Research Commission, and the Attorney General stating the
2 reasons and justification for the state governmental entity's delay in
3 divestment from listed financial companies. The report shall include
4 documentation, including objective numerical estimates, supporting its
5 determination that the divestment would result in a loss in value or a
6 benchmark deviation described by subsection (6) of this section.

7 (5) A state governmental entity shall not be required to divest from any indirect
8 holdings in actively or passively managed investment funds or private equity
9 funds. The state governmental entity shall submit the list of all financial
10 companies that have engaged in energy company boycotts to each investment
11 fund manager and request that if any of those companies are present within their
12 funds, they remove those financial companies from the fund or create a similar
13 actively or passively managed fund with indirect holdings devoid of listed
14 financial companies. If a manager creates a similar fund with substantially the
15 same management fees and same level of investment risk and anticipated return,
16 the state governmental entity may replace all applicable investments with
17 investments in the similar fund in a time frame consistent with prudent fiduciary
18 standards but not later than the four hundred fifty (450) days after the date the
19 fund is created.

20 (6) (a) A state governmental entity may cease divesting from one (1) or more listed
21 financial companies only if reasonable evidence shows that:

- 22 1. The state governmental entity has suffered or will suffer a material
23 financial loss as a result of having to divest from listed financial
24 companies under this section; or
- 25 2. An individual portfolio that uses a benchmark-aware strategy would
26 be subject to an aggregate expected deviation from its benchmark as a
27 result of having to divest from listed financial companies under this

1 section.

2 (b) A state governmental entity may cease divesting from a listed financial
 3 company as provided by this section only to the extent necessary to ensure
 4 that the state governmental entity does not suffer a loss in value or deviate
 5 from its benchmark as described by paragraph (a) of this subsection.

6 (c) Before a state governmental entity may cease divesting from a listed
 7 financial company under this section, the state governmental entity shall
 8 provide a written report to the Treasurer, the Legislative Research
 9 Commission, and the Attorney General setting forth the reason and
 10 justification, supported by reasonable evidence, for deciding to cease
 11 divestment or to remain invested in a listed financial company.

12 (d) This section shall not apply to reinvestment in a financial company that is
 13 no longer a listed financial company under subsection (1) of this section.

14 ➔SECTION 4. A NEW SECTION OF KRS CHAPTER 41 IS CREATED TO
