

1 A RESOLUTION adopting the Rules of Procedure for the 2022 Regular Session of
2 the Senate.

3 *Be it resolved by the Senate of the General Assembly of the Commonwealth of*
4 *Kentucky:*

5 ➔Section 1. The following Rules of Procedure are adopted to govern the 2022
6 Regular Session of the Senate.

7 **Rule 1. Hours of Meeting.** The Senate shall meet at the call of the members.
8 The official time shall be governed by the clock over the main entrance to the Senate
9 Chamber.

10 **Rule 2. Quorum.** A majority of the Senators elected to the Senate shall
11 constitute a quorum. If a quorum is not present at the time fixed for a meeting of the
12 Senate, four Senators may adjourn or recess from day to day or from time to time and
13 eight Senators may order a call of the Senate and send for absent Senators.

14 **Rule 3. Call of the Senate.** Upon a call of the Senate, the Clerk shall call the
15 roll, then call the absentees again. The doors of the Senate Chamber shall then be closed
16 and the absentees not excused by the Senate may be sent for and arrested by the Sergeant
17 at Arms.

18 The Senate shall determine upon what conditions they shall be discharged from
19 arrest. Senators who voluntarily appear shall be immediately admitted to the floor of the
20 Senate and their names entered upon the Journal as present, unless the Senate otherwise
21 directs.

22 **ORDER OF BUSINESS**

23 **Rule 4. Order of Business.** The order of business shall be as follows:

- 24 1. Invocation
- 25 2. Pledge of Allegiance
- 26 3. Roll Call
- 27 4. Approval of the Journal

1 **Rule 7. Withdrawal of Motions.** Every oral motion after it has been stated by
2 the President, and every written motion, bill, resolution or other paper, after it has been
3 read by the Clerk, shall be the property and in the possession of the Senate and shall not
4 be withdrawn without consent of the Senate. Every written motion, report or measure
5 may be committed or recommitted at the pleasure of the Senate.

6 **Rule 8. Order of Questions.** All questions, whether in Committee of the Whole
7 or in the Senate, when not a privileged question, shall be propounded in the order in
8 which they were moved, except that in filling blanks the smallest sum and the most
9 remote date shall be put first.

10 **Rule 9. Precedence of Motions.** When a question is under consideration, no
11 motion shall be in order except:

- 12 1. To call the Senate when there is no quorum present.
- 13 2. To fix the time to which the Senate shall adjourn.
- 14 3. To adjourn.
- 15 4. To take recess.
- 16 5. To lay on the table.
- 17 6. For the previous question.
- 18 7. To limit or extend limits of debate.
- 19 8. To postpone to a fixed time.
- 20 9. To lay on the Clerk's desk.
- 21 10. To refer or commit.
- 22 11. To amend.
- 23 12. To postpone indefinitely.

24 The above several motions shall have precedence in the order in which they are
25 arranged and the first seven of them shall not be debatable.

26 A second motion to adjourn, to take a recess, to lay on the table, for the previous
27 question, to limit or extend limits of debate, to postpone to a time certain, to lay on the

1 Clerk's desk, to refer or commit or to postpone indefinitely shall not be in order on the
2 same day, upon the same question, and at the same status unless other business
3 intervenes; provided, however, that amendments may be made to the time to which it is
4 proposed to adjourn, to take a recess or to postpone to a fixed time.

5 **Rule 10. Motion to Adjourn.** A motion to adjourn, to take a recess, or a motion
6 to adjourn to a time certain, shall always be in order, except when a Senator is speaking,
7 while a vote is being taken, or when the Committee on Committees is reporting; subject,
8 however, to the limitations set out in Rule 9.

9 **Rule 11. Motion to Table.** The adoption of the motion to table, under these rules,
10 defeats the subject matter under consideration. The reconsideration of the motion to table
11 shall require approval of a majority of the members elected.

12 **Rule 12. Previous Question.** When the previous question has been ordered, a
13 vote shall be taken immediately upon the pending measure and any pending amendments
14 as are in order. The effect of the previous question shall be to put an end to all debate, to
15 prevent the offering of additional amendments and to bring the Senate to an immediate
16 vote upon the measure and amendments aforesaid. The previous question may be ordered
17 by a majority of the Senators elected. On the call of the roll, no Senator shall be allowed
18 to speak more than three minutes to explain a vote and shall not speak at all if the
19 question is not a debatable question. After the previous question has been ordered, and
20 before the vote upon the main question, the opponents of the measure shall have ten
21 minutes, and proponents of the measure shall have ten minutes.

22 **Rule 13. Motion to Set the Limits of Debate.** A motion to extend a time limit
23 for debate on a measure beyond that permitted under Rule 12 shall be in order unless the
24 previous question shall have been ordered on the measure. The time limit set for debate
25 under this rule shall be allotted by the President evenly between the opponents of the
26 measure and the proponents of the measure. Adoption of a motion under this rule does
27 not prevent the offering of additional amendments.

1 **Rule 14. Motion to Reconsider.** A motion to reconsider a vote shall not be in
2 order unless made by a Senator who voted upon the prevailing side of the question; nor
3 shall that motion be in order unless made within two legislative days in which the Senate
4 is in session next after the day the vote was taken; however, the motion to reconsider
5 when coupled with the additional motion to lay that motion upon the table may be made
6 by any Senator. A motion to reconsider a vote on a bill or resolution not in the possession
7 of the Senate shall not be in order.

8 **Rule 15. Motion to Lay on Clerk's Desk.** The effect of the adoption of a motion
9 to lay on the Clerk's desk under these rules is to place in charge of the Clerk the pending
10 question and everything adhering to it. A motion laid on the Clerk's desk may be taken
11 from the desk and proceeded with at any time in the same order as when laid on the
12 Clerk's desk.

13 **Rule 16. Motion to Strike Out Enacting Clause.** A motion to amend by striking
14 out the enacting words of a bill or resolution shall have precedence over a motion to
15 amend, and, if adopted, shall have the same effect as though the bill or resolution were
16 regularly voted upon and rejected.

17 **Rule 17. Motion to Separate Part of a Measure.** A motion to commit,
18 recommit, or postpone a part of a measure so as to separate that part of the measure from
19 the remainder shall not be in order.

20 **Rule 18. Postponement of Measures.** When a measure shall have been
21 postponed indefinitely it shall not be in order again during the session.

22 **Rule 19. Reading of Pending Papers.** Any pending bill, resolution, motion or
23 report shall be read by the Clerk upon the demand of any Senator, but it shall not again be
24 read on the same day unless so ordered by the Senate.

25 **Rule 20. Nominations.** In all elections a previous nomination shall be made.

26
27 **Rule 21. Attendance of Members.** No Senator shall be absent from a session of

1 the Senate without leave from the Senate.

2 **Rule 22. Decorum of Members.** No Senator shall designate another Senator by
3 name.

4 **Rule 23. Call to Order.** If any Senator, in speech or otherwise, transgresses the
5 rules of order or decorum, the Senator shall immediately be called to order by the chair
6 and shall be seated. The Clerk shall reduce the objectionable words to writing and read
7 them to the Senate. After hearing a short explanation from the Senator called to order, or
8 upon the withdrawal of the objectionable language, the President may permit the Senator
9 to proceed, or may require the Senator's silence until the matter is disposed of. The ruling
10 of the chair shall be subject to an appeal to the Senate. A Senator offending the Senate
11 shall be liable to censure.

12 **Rule 24. Debate.** No Senator may speak more than once to the same subject until
13 all Senators desiring to be heard have spoken, but nothing in this rule shall do away with
14 the previous question if then in effect, nor permit debate on an undebatable motion.

15 No Senator shall speak more than fifteen~~thirty~~ minutes in the aggregate on any
16 question or measure, at the end of which period, or any portion thereof, the floor shall be
17 returned to the President.

18 **Rule 25. Members Shall Vote at Seats.** A Senator shall vote only when at the
19 Senator's seat or visibly approaching it.

20 OFFICERS AND EMPLOYEES

21 **Rule 26. President.** On the first day of the Regular Session in an odd-numbered
22 year, or at any time there is a vacancy in the office of President, immediately following
23 the adoption of the Rules, the President of the Senate shall take the chair to receive
24 nominations from the floor and to preside over the election of the President. The member
25 who receives the votes of a majority of the members elected shall be the President. If
26 there is more than one nominee, the election of each nominee shall be treated as an
27 alternative proposition, with each name being put to the Senate in the order in which

1 nominated. The first nominee receiving the votes of a majority of those elected to the
2 Senate shall be declared elected. If no member receives the votes of a majority of the
3 members elected, the election is of no effect.

4 The President shall take the chair every day precisely at the hour fixed for the
5 meeting of the Senate and shall call the Senate to order and direct the Clerk to call the
6 roll, whereupon, if there is a quorum present, the Order of Business shall be followed.

7 The President shall preserve decorum and order and, in the event of any disorder in
8 the gallery or in the Senate Chamber, may cause the same to be cleared of any persons
9 creating disturbances or disorders.

10 All writs, warrants, subpoenas or other processes shall be signed by the officer who
11 may be presiding over the Senate when the paper is issued; and the officer's signature
12 shall be attested by the Clerk, when ordered by a majority of the Senators.

13 The President may designate any Senator to preside in the absence of both the
14 President and President Pro Tem and to perform all duties of the President, including
15 duties as a member of the Committee on Committees. This designation by the President
16 may be made from time to time or for any period of time as the President may designate.

17 **Rule 27. Appeal from Decision of Chair.** The President while presiding may
18 speak to points of order in preference to Senators. The President shall decide points of
19 order and manner of procedure. If two or more Senators arise from their respective seats
20 and address the chair, the President shall determine who was first and recognize that
21 Senator.

22 Any decision made by the President shall be subject to appeal to the Senate. During
23 the pendency of any appeal to the Senate from a decision of the chair, the President shall
24 vacate the chair and call the President Pro Tem to preside. When the President Pro Tem is
25 presiding on an appeal to the Senate from a decision of the President, no motion or
26 business shall be in order except the motion on appeal from the decision of the President,
27 and that motion shall not be debatable. Upon an appeal, the question put to the Senate

1 shall be stated as follows: "Shall the decision of the President stand as the judgment of
2 the Senate? An 'Aye' vote shall support the President's ruling, and a 'Nay' vote shall
3 oppose the President's ruling." The ruling of the President shall be sustained unless a
4 majority of the members elected to the Senate oppose the ruling.

5 **Rule 28. President Pro Tempore.** The Senate shall elect a President Pro Tem,
6 who shall perform the duties of the President when the President is absent from the
7 Senate, or when empowered by the President to perform the duties of the chair.

27 to concur in that amendment, and when neither will recede from such action, the

1 Committee on Committees shall appoint a Committee on Conference, of three members,
2 to meet a like Committee from the House. The Committee on Conference shall confer
3 with the House Committee and report back to the Senate within a reasonable time, in the
4 same manner as reports are made for Senate bills. The conference report shall make no
5 recommendation other than agreement upon or rejection of the matter or matters in
6 controversy and shall be voted upon, and, if adopted, the bill shall immediately be put
7 upon its final passage. Second and subsequent conference committees may be appointed.

8 Should a Committee on Conference report its inability to submit a report, or if
9 either house refuses to adopt its report, each house may appoint a Committee on Free
10 Conference, consisting of three or more members. The Senate Committee on Free
11 Conference shall meet with a like committee from the House, and may propose any
12 amendment to the bill at issue, except the report of a Committee on Free Conference shall
13 not be in order if it proposes to make a part of the measure at issue the substantial
14 insertion of the text of any other bill which has not passed both the House and the Senate,
15 or if it proposes the enactment of subject matter not previously considered at the session.
16 The President, when the question is raised, shall rule as to the admissibility of the report
17 of the Committee on Free Conference, subject to appeal to the Senate. The free
18 conference report shall be voted upon; if adopted, the bill shall immediately be put upon
19 its final passage, provided, however, that if a motion to reconsider coupled with a motion
20 to lay on the table has been adopted by the Senate, the vote of a constitutional majority of
21 the Senate shall be required to adopt the report of the free conference. Second and
22 subsequent free conference committees may be appointed.

23 Except for report of disagreement, the consideration of the report of a Committee on
24 Conference or a Committee on Free Conference, and final passage of the bill to which the

11 except during a roll call or while a vote is being taken.

12 The Committee on Committees, in conference with committee chairmen, shall
13 schedule a definite time and place for the meetings of each committee, and that schedule
14 shall be posted in the Senate Chamber and published in the Legislative Record. A

16 before the committee. A committee chairman may recess a committee meeting on the
17 chairman's own motion for a definite period of time, not to exceed fifteen minutes. Any
18 member of a committee who is physically present in his or her Capitol Annex office may
19 remotely participate in a committee meeting and vote on any measure pending before the
20 committee by utilizing previously approved videoconference technology.

22 record shall be filed with the Clerk.

2 "With the expression of opinion that the same should pass," or,

3 "With the expression of opinion that the same should pass, with the committee
4 amendment attached thereto," or,

5 "With the expression of opinion that the same should pass, with the committee
6 substitute attached thereto," or,

7 "Without expression of opinion."

8 **Rule 47. Majority and Minority Reports.** It shall require a majority of the
9 committee membership to report a bill or resolution. The chairman shall keep a record of
10 the vote of each member on the disposition of each bill which shall be filed with the
11 Clerk. The chairman may sign reports on behalf of a majority of the committee members.
12 The chairman's signature shall attest to the action of a majority, but shall not be construed
13 as the chairman's personal approval or disapproval of the bill.

14 A committee report may be accompanied by a minority report, signed by those
15 members who have dissented from the committee's report; it shall be in order to move the
16 adoption of the minority report as a substitute for the committee's report when the
17 committee offers its report. It shall require a majority of the members elected to adopt the
18 minority report. The committee's report shall always be read before the minority report is
19 read.

20 **Rule 48. Failure to Report.** Whenever a committee fails or refuses to report a
21 bill submitted to it, any member may, upon filing with the Clerk a written petition to
22 determine if the committee has held the bill for an unreasonable time, call the petition for
23 consideration on the next succeeding legislative day after its filing. If a majority of the
24 members elected to the Senate concur that the bill has been held an unreasonable time by
25 voting to approve the petition, the bill shall be considered as though it had been regularly
26 reported and shall be given its first reading and thereafter treated as any other bill which
27 had been reported from a committee.

1 any time the Clerk's office is open. Bills and resolutions that have been filed with the
2 Clerk shall be introduced in the regular Order of Business. The Clerk or an assistant Clerk
3 shall be present at the Clerk's desk in the Senate Chamber one hour prior to the time
4 fixed for convening each day to receive bills and resolutions. Bills and resolutions filed
5 after the Senate has concluded Introduction of New Bills and Resolutions in the Order of
6 Business shall be introduced on the next legislative day. The Clerk shall number bills in
7 the order received, record their introduction, and transmit a copy immediately to the
8 Committee on Committees for reference to committee. In a regular session in an even-
9 numbered year, no bill or resolution having the force of law shall be introduced after the
10 40th legislative day of the session. In a regular session in an odd-numbered year, no bill
11 or resolution having the force of law shall be introduced after the 13th legislative day of
12 the session. The two legislative days immediately prior to the veto recess shall be
13 reserved by the Senate exclusively for the business of concurring in amended Senate bills.
14 Any legislative day falling after the veto recess shall be reserved by the Senate
15 exclusively for the purpose of considering vetoed bills.

16 **Rule 52. Statutory Fiscal Impact Statements.** The staff of the Legislative
17 Research Commission shall analyze and prepare a fiscal statement for any bill which, if
18 enacted, would fiscally affect local governments in a significant manner through the
19 imposition of a local mandate; constitute a mandated health benefit; change the financial
20 liability of any public retirement system administered by an agency of state government;
21 or fiscally affect state or local corrections services in a significant manner, including any
22 bill which would modify or create a criminal penalty or otherwise affect the population of
23 a correctional system or facility. No measure for which the preparation of a fiscal
24 statement is required pursuant to this rule shall be placed in the Orders of the Day until
25 the fiscal statement is attached, unless the requirement is waived by a vote of a majority
26 of the members elected to the Senate.

27 **Rule 52A. Member Requested Fiscal Notes.** A sponsor of a bill which, if enacted,

1 would affect the revenues or expenditures of the Commonwealth generally, may at any
2 time by request cause the staff of the Legislative Research Commission to analyze and
3 prepare a fiscal note for the measure describing such impacts on revenues or
4 expenditures. The fiscal note, if requested, shall be delivered to the sponsor.

5 The chairman or a majority of the committee to which a bill has been referred may
6 require that a fiscal note be attached to the bill prior to final committee action. Members
7 may require, by majority vote, that a fiscal note be prepared for any bill on the Orders of
8 the Day. In that instance, the fiscal note shall be attached to the bill prior to final
9 consideration on the floor of the Senate.

10 **Rule 53. Member Requested Fiscal Notes and Statutory Fiscal Impact**
11 **Statements for Amendments.** Any member proposing an amendment from the floor for
12 a measure to which a fiscal note or fiscal statement has been attached shall cause an
13 amended fiscal note or fiscal statement, as appropriate, to be prepared and attached to the
14 amendment.

15 **Rule 54. Reference of Bills.** The Committee on Committees shall refer all bills to
16 the proper standing committee not later than the fifth day in which the Senate is in session
17 after the date of introduction. When a Senate bill has been amended in the House and has
18 been returned to the Senate for concurrence in the amendment, it shall be referred to the
19 Rules Committee, which may refer the bill to a standing committee or post the bill in the
20 Orders of the Day. Bills originating in and passed by the House when reported to the
21 Senate shall be referred to the Committee on Committees and shall take the same course
22 as other bills.

23 **Rule 55. Printing of Bills.** Upon receipt of a bill, the Legislative Research
24 Commission shall examine the form of the bill, to ensure that it is free from errors of
25 form or typography and has been assigned the proper KRS section or chapter numbers. If
26 a formal change is necessary, the Commission shall request the sponsor of the bill to sign
27 a form approving the specified changes. If a bill is found to be correct, or corrections have

1 been approved, the Commission shall authorize its printing.

2 The Legislative Research Commission shall have printed at least two hundred
3 copies of each bill or resolution carrying the force and effect of law introduced in the
4 Senate and of each bill or resolution carrying the force and effect of law acted on by the
5 House and reported to the Senate. Bills shall be printed in the order in which they are
6 introduced and distributed to members immediately upon being printed.

7 **Rule 56. Readings of Bills.** If a bill is reported without expression of opinion, a
8 vote may then be taken on whether it shall be read at length and be placed on the
9 Calendar, if a majority of the members elected to the Senate shall concur therein. When
10 reported favorably by the committee, the bill shall then be given its first reading at length
11 and shall be placed by the Clerk upon the Calendar, and shall then be entitled to its
12 second reading the next succeeding legislative day.

13 Every bill shall be read at length on three different days; but the second and third
14 readings may be dispensed with by a majority of all the members elected to the Senate
15 and the bill read by its title.

16 **Rule 57. Calendar; Consent Calendar.** (1) In order to reduce the time required
17 for final passage of bills posted in the Orders of the Day, a consent procedure for the
18 consideration of uncontested bills shall be established and designated as follows:

19 (a) The Clerk shall keep a Regular Calendar and a Consent Calendar for each
20 legislative day, showing the bills receiving their second reading.

21 (b) The Clerk shall also keep a Regular Orders and a Consent Orders, showing
22 bills posted for final passage by the Rules Committee.

27 House Bill, recommend that it be placed in the Consent Calendar, provided:

1 (a) The primary sponsor has so requested, when it is a Senate Bill, and

2 (b) The bill receives a "should pass" or "should pass with committee
3 amendment/substitute attached" recommendation from the committee by a unanimous
4 vote of the members present.

5 Any Senate or House Bill thus reported shall be first placed in the Consent Calendar
6 on the day on which it is entitled to a second reading and shall continue to be shown in
7 the Calendar until taken therefrom by the Rules Committee and posted in the Consent
8 Orders. Bills receiving a second reading should be so designated to distinguish them from
9 bills which have already received their second reading.

10 (4) A certificate shall be attached to each bill recommended for the Consent
11 Calendar, showing the request of the sponsor of any Senate Bill, and the unanimous
12 recommendation of the members present, signed by the Chairman.

13 (5) After a sufficient number of bills have accumulated in the Consent Calendar,
14 the Rules Committee may post any or all of the bills to the Consent Orders for a day
15 certain. On that day certain the Consent Orders shall be called before the Regular Orders.

16 (6) Upon the call of the Consent Orders, each bill in those Orders shall be given a
17 third reading by title only. The President shall then allow a reasonable time for questions
18 from the floor and any explanation necessary by the sponsor or committee chairman.
19 Consent Order bills may not be amended from the floor.

20 (7) The Clerk shall attach a roll call to each bill in the Consent Calendar and any
21 member may at any time prior to passage of the Consent Orders record with the Clerk a
22 "nay" or "pass" vote on any bill within the Consent Calendar or Consent Orders.

23 (8) Upon the call for the question on the Consent Orders, the President shall
24 instruct the Clerk to announce the "nay" and "pass" votes previously filed on each bill in
25 the Consent Orders. All other members present in the chamber on the day and at the time
26 the Consent Orders are called shall be considered as having voted "aye" and the roll call
27 attached to each bill shall so reflect as the final vote.

1 (9) Upon the written petition of any five members objecting to the placement or
2 retention of any bill in the Consent Calendar or Consent Orders, that bill shall cease to be
3 so considered and shall be placed in the Regular Calendar or Regular Orders, as provided
4 in these rules.

5 **Rule 58. Orders of the Day.** When a bill has had its second reading it shall be
6 referred to the Rules Committee to be placed in the Orders of the Day, or be recommitted,
7 and when next reached in the Senate it shall be ready for recommitment, or to be read a
8 third time and placed upon its passage, and the President shall so announce to the Senate.

9 Except as provided in Rule 41, a bill may be recommitted or amended at any time
10 before its passage. Bills shall be placed in the Orders of the Day and shall be taken
11 therefrom in accordance with Rule 41. When a Senate bill is in the Orders of the Day, it
12 shall be in order on motion of the author to substitute for it an identical House bill which
13 is in the Calendar of the Senate.

14 No bill shall be taken from the Orders of the Day unless it shall have been
15 previously distributed to the members. No bill, amendment, or committee substitute
16 relating to congressional or legislative redistricting shall be taken from the Orders of the
17 Day unless it shall have been verified by Legislative Research Commission staff using the
18 Commission's redistricting software, as evidenced by the Legislative Record summary
19 notation "PLAN INTEGRITY VERIFIED" and the "Geographic Integrity Verified"
20 notation on amendments.

21 **Rule 59. Concurrence in Amendments and Reports of Conference**
22 **Committees; Receding from Amendments; Final Passage.** When a Senate bill and
23 message have been received from the House requesting concurrence in an amendment or
24 amendments adopted thereby, or when a report of a conference committee or a veto
25 message is received, the bill and message or report so received shall be referred to the
26 Rules Committee for posting to the Orders of the Day or referral of a bill for concurrence
27 to a standing committee as provided in Rule 54. The Clerk shall distribute appropriate

1 copies of the bill and its proposed amendment, report, or message to each member of the
2 appropriate committee. The Rules Committee may post those bills to Orders of the Day
3 for consideration of the amendment, report, or message, and final passage, giving
4 precedence to those over all other matters posted.

5 When bills with amendments for concurrence or with conference committee reports
6 are reached in Orders of the Day, the President shall first put the question of concurrence
7 in the amendment or report, and if the vote on that question is favorable, the bill shall be
8 put immediately upon its final passage.

9 **Rule 60. Amendments to Bills.** All amendments offered by a committee or by an
10 individual Senator shall be typewritten on forms with a proper heading, furnished by the
11 Legislative Research Commission. Each amendment shall bear in addition to the
12 signature of the Senators offering it, an indication of review by the staff of the Legislative
13 Research Commission. All amendments shall refer to the proper page and line of the
14 printed bill. An original and ~~two~~^{six} copies of each amendment shall be filed. The Clerk
15 shall not accept for filing any amendment not conforming with this Rule as to form.
16 Amendments filed with the Clerk shall be introduced in the regular Order of Business.
17 Amendments may be filed with the Clerk any time the Clerk's office is open, and at the
18 Clerk's desk in the Senate Chamber while the Senate is in session. The Clerk shall
19 forward two copies to the Legislative Research Commission. No amendment shall be in
20 order that is not germane to the matter under consideration and that has not been filed
21 prior to adjournment at least one legislative day prior to consideration of the bill or
22 resolution. The President, when the question is raised, shall rule as to the admissibility of
23 the proposed amendment, subject to appeal to the Senate.

24 No amendment to a bill under consideration shall be in order if it contains the
25 substantial text of the language of any other bill introduced during the session which has
26 not passed the Senate. When an amendment is drafted which contains the substantial text
27 of any bill introduced during the session, the staff of the Legislative Research

1 Commission shall identify the amendment. When a question is raised as to the identity of
2 a proposed amendment containing the substantial text of any other bill introduced during
3 the session which has not passed the Senate, the President shall rule thereon, subject to
4 appeal to the Senate.

5 If a proposed floor amendment to a branch budget bill will result, if adopted, in a
6 loss of revenues or an increase in expenditures for a budget unit, the amendment shall
7 specify by budget unit the source of funds that will offset the loss of revenues or specify
8 the budget unit or other source of funds that will support the increased expenditures. If a
9 budget unit or other source of funds is specified, the amendment shall include all
10 necessary language to effect the changes.

11 A committee substitute, upon its adoption, shall be considered as the original bill
12 for purposes relating to the permissible degree of further amendment of the bill. Any
13 proposal to amend the title of a bill shall be by separate title amendment. The question of
14 adoption of an offered title amendment for a bill shall be presented to the body
15 immediately after adoption of the bill.

16 **Rule 61. Engrossment of Bills.** Every Senate bill and joint resolution, together
17 with the amendments thereto, which has been passed by the Senate and not subject to
18 further amendment or motion, shall be engrossed by the Clerk. The Clerk shall endorse
19 thereon the day of passage or adoption. The bill shall be delivered to the House in open
20 session by the Clerk or someone designated by the Clerk, and the House concurrence
21 asked therein. A like procedure shall be observed toward House bills.

22 When engrossing a bill, the Clerk may incorporate amendments by means of typing
23 or by generating a replacement original of the bill through computerized process.

24 **Rule 62. Enrollment of Bills.** All Senate bills and resolutions which have passed
25 both the Senate and the House shall be delivered by the Senate Clerk to the Enrolling
26 Clerk, taking a receipt therefor. The Senate Clerk shall keep the number and title of all
27 bills and joint and concurrent resolutions carrying the force and effect of law, passed by

1 the House of Representatives and the Senate, in a suitable record book attesting the fact
2 and date of passage.

3 If a bill which originates in the Senate is amended by the House and the Senate
4 concurs in the amendments proposed and adopted by the House, the Clerk of the Senate
5 shall engross said amendments in the original copy of the bill by typing or may generate a
6 replacement original copy of the Senate bill through computerized process. The Clerk
7 shall deliver a printed copy of the original bill or replacement therefor, if applicable, to
8 the Legislative Research Commission, taking a receipt therefor. The Commission then
9 shall prepare the amended enrolled copy, and return the copy to the Enrolling Clerk of the
10 Senate.

11 The original bill or resolution or replacement therefor, if applicable, and the
12 enrolled copy prepared by the Legislative Research Commission shall be delivered to the
13 Committee on Enrollment. The Enrolling Clerk shall certify that each is in the exact form
14 as finally passed prior to delivery. The Committee on Enrollment and the Enrolling Clerk
15 shall jointly compare the original bill with the enrollment copy, and if the enrollment is
16 ascertained to be correctly done, the Committee shall report the same to the Senate. If any
17 bill or resolution is found not correctly enrolled, it shall be returned to the Enrolling Clerk
18 to be properly enrolled and delivered to the Committee on Enrollment as is first provided
19 herein.

20 **Rule 63. Signing of Bills.** The Enrolling Clerk of the Senate shall deliver the
21 original and enrolled copies of Senate bills and resolutions signed by the President or the
22 President Pro Tem to the Chairman of the Enrollment Committee of the House for
23 presentation to the Speaker of the House for the Speaker's signature. When signed by the
24 Speaker of the House, the enrolled bill or resolution and the original copy thereof shall be
25 returned by the Enrolling Clerk to the Clerk of the Senate, who shall present the enrolled
26 bill or resolution to the Governor for approval and take the Governor's receipt for same.

27 **Rule 64. Resolutions.** Resolutions having the force and effect of law shall be

1 treated and considered as bills in all respects under these rules. A simple or concurrent
2 resolution expressing the will of the Senate shall, upon its introduction, be referred to the
3 Committee on Committees, which may refer it to the floor if it is honorary, benevolent,
4 and does not direct further action; otherwise, it shall be referred to a standing committee.
5 Resolutions referred to a standing committee may be considered for adoption only after
6 receiving a recommendation from a standing committee and being posted for passage by
7 the Rules Committee. All resolutions recommending a study by an interim committee,
8 task force, or special committee of the Legislative Research Commission shall include the
9 following language: "Provisions of this resolution to the contrary notwithstanding, the
10 Legislative Research Commission shall have the authority to alternatively assign the
11 issues identified herein to an interim joint committee or subcommittee thereof, and to
12 designate a study completion date." All resolutions recommending a study, or which
13 recommend creation of a task force or special committee of the Legislative Research
14 Commission shall be concurrent or joint resolutions.

15 **Rule 65. Legislative Citations.** For the purpose of extending the commendations,
16 condolences or congratulations of the General Assembly to a particular person, or to
17 recognize a particular event or occasion, there may be issued a "Legislative Citation."
18 Citations may not be used for procedural matters, matters of a controversial or partisan
19 political nature, nor in place of resolutions memorializing the U.S. Congress, but only
20 when appropriate to express the feeling of the Senate or of the General Assembly with
21 reference to a person or event.

22 Each citation shall be prepared in single copy on an artistically designed form,
23 suitable for framing, shall bear the signature of the sponsor and the name of the person or
24 event cited, and upon adoption shall be spread at length upon the Journal. Citations shall
25 be considered in the order of business "Motions, Petitions, and Communications," and
26 without objection shall be adopted upon motion of the sponsor. Citations shall be offered
27 for consideration through presentation to the Clerk.

8 Senate shall be allowed to participate and vote via videoconferencing in all matters before
9 a Senate committee if the following conditions are met:

10 1. The member is experiencing a short-term physical condition, because of which a
11 physician states the member shall not travel from home or hospital. The member shall file
12 with the Rules Committee the physician's written statement verifying the member's
13 inability to travel; and

14 2. The member's illness or incapacity does not permit travel for at least one week
15 but not more than four weeks; and

16 3. The member pays all expenses related to implementing the videoconferencing
17 connection between the committee meeting rooms and the member's remote location; and

18 4. The Rules Committee approves the member's request for implementation of a
19 videoconferencing connection.

20 If the Rules Committee approves the member's request to participate via
21 videoconferencing, the Committee on Committees shall arrange for committees to which
22 the member belongs to meet in rooms equipped with videoconferencing capability. If the
23 only meeting room available is scheduled to be occupied by a committee of the House of
24 Representatives, the Committee on Committees shall make a written request to the Clerk
25 of the House, asking that arrangements be made to exchange meeting rooms with the
26 Senate committee which seeks to use the videoconferencing room.

27 **Rule 68. Division of the Senate.** If the President is in doubt as to the result of a

1 viva voce, or a division is demanded, the Senate shall divide. Those voting in the
2 affirmative shall first rise and be counted, and the President shall announce the number of
3 those so voting. Those voting in the negative shall then rise and be counted and the
4 President shall announce the number so voting. The President may appoint tellers to
5 count those voting.

6 **Rule 69. Adjournment Extended During Roll Call.** When the roll is being
7 called in taking a yea and nay vote, and the hour of adjournment arrives, the same shall
8 stand extended until after the yea and nay vote has been completed and the result
9 announced.

10 **PRIVILEGE OF THE FLOOR**

11 **Rule 70. Persons Entitled to the Floor.** When the Senate is in session, including
12 any time that the Senate has resolved itself into a committee of the whole, and one hour
13 before and one-half hour after no person shall be permitted upon the floor, except the
14 present members of the General Assembly and all officers and employees of the Senate
15 and members of the immediate family of Senators. Bona fide news media correspondents
16 shall be admitted to the floor when recommended by the Committee on Committees and
17 shall be governed by the rules of the Senate and assigned by the Committee on
18 Committees to a press section specifically set aside for them. The clerk of the Senate shall
19 provide proper identification for families of Senators. The doorkeepers shall not admit
20 these persons without proper identification.

21 Any person may be extended the privilege of the floor by invitation previously
22 extended by a majority vote of members of the Senate, but that privilege shall be
23 extended only for a specified time and purpose. No person who shall have been extended
24 the privilege of the floor for a specified time shall engage in any activities for or against
25 any bill, motion or other proceeding upon the floor of the Senate while in session. No
26 privilege of the floor shall be granted to any registered or unregistered lobbyist or
27 legislative agent if the same be known by the Senate, and it shall be the duty of any

1 Senator having this knowledge to bring it to the attention of the Senate, and lobbying
2 shall be grounds for revocation of this privilege.

3 A special section of the gallery shall be reserved for the guests of members, who
4 shall be admitted upon presentation of an identification card. Senators may submit the
5 names of guests to the Clerk, who shall read the names to the Senate.

6 **Rule 71. Restriction of lobbying and access to the Senate Chambers and**
7 **office areas.** No person shall engage in lobbying for or against any measure while the
8 Senate is in session, or in recess, in any of the corridors or passages or in any of the
9 rooms in that part of the Capitol assigned to the use of the Senate, and no registered
10 lobbyist shall enter that part of the Capitol while the Senate is in session, including any
11 time the Senate has resolved itself into a committee of the whole. This rule shall not be
12 construed to prohibit the use of the corridors or passages in going to and from the Senate
13 galleries by any person.

14 Only authorized persons shall be allowed access to the office areas assigned for use
15 of the members and staff of the Senate. For the purposes of this paragraph, "authorized
16 person" means a member of the General Assembly, an employee of the General Assembly
17 or Legislative Research Commission, or a person having obtained specific access
18 authorization from a member or employee. For the purposes of this paragraph, "office
19 areas" means the fourth floor of the Capitol.

20 **Rule 72. Restrictions.** No article, booklet, pamphlet or any other printed matter,
21 other than documents sent by a member identified on the face of the document or its
22 attachments to any other member, shall be placed upon the Chamber desk of any member
23 unless the article, booklet, pamphlet or other printed matter is authorized by the Senate
24 President's office and contains the signature of the author, or the party interested in the
25 distribution thereof is clearly identified. The Sergeant-at-Arms shall be charged with the
26 duty of enforcing this rule and seeing that no individual other than Senate members or
27 employees of the Senate under the direction of the Clerk shall cause materials of any

1 nature to be distributed in the Chamber. Questions as to the propriety of materials shall be
2 referred to the Committee on Committees for resolution. Any unauthorized material shall
3 be collected from members' desks by the Janitor and treated as litter. No material may be
4 displayed upon the screen at the front of the Chamber without authorization of the
5 President. Any member or guest requesting to display props, charts, or other visual aids in
6 the Chamber during the debate of a bill, resolution, or amendment shall, one legislative
7 day preceding the deliberation of the matter under consideration, deliver to the Senate
8 Clerk a petition of the material intended for display. The petition shall be referred to the
9 Rules Committee. No props, charts, or other visual aids shall be displayed in the Senate
10 Chamber during the debate of a bill, resolution, or amendment without prior consent of
11 the Rules Committee.

12 SENATE CONFIRMATION

13 **Rule 73. Requests for Confirmation of Executive Appointments.** When a
14 communication is received by the Senate requesting its confirmation of an appointment of
15 an officer or officers to membership on an executive agency body the question of the
16 confirmation shall be referred to the Committee on Committees for its consideration and
17 action. The Committee on Committees shall refer the matter to a standing committee, to
18 the Senate sitting as a committee of the whole, or directly to the Rules Committee. Any
19 question of confirmation of an appointment reported to the floor by a standing committee
20 or the Senate sitting as a committee of the whole shall then be referred to the Rules
21 Committee. Any person whose confirmation of appointment is under consideration by a
22 standing committee or the Senate sitting as a committee of the whole shall appear for the
23 purpose of offering testimony before the committee at its direction prior to final
24 committee action on the matter, unless the appearance is waived by vote of the
25 committee.

26 RULES

27 **Rule 74. Mason's Manual.** In the absence of a specific rule of the Senate, the

1 most recent edition of Mason's Manual of Legislative Procedure adopted by the National
2 Conference of State Legislatures shall govern the proceedings, except that in all cases
3 where general parliamentary law provides for a rule of two thirds, it shall mean in this
4 Senate a majority of all the members elected to the Senate. Any issue not addressed by the
5 Rules of the Senate or Mason's Manual of Legislative Procedure shall be decided by the
6 normal rules of statutory construction.

7 **Rule 75. Change of Rules.** The Rules of the Senate, after their adoption, shall not
8 be altered, changed, amended, suspended or interrupted, unless the same be done by a
9 majority of the members elected to the Senate; notwithstanding any other rule of the
10 Senate to the contrary, a constitutional majority of the Senate may suspend the rules at
11 any time for any purpose. Whenever a rule is suspended, no measure shall be considered
12 under suspension except the measure or measures in whose favor the suspension was
13 invoked, and only for that day.
