Be it resolved by the Senate of the General Assembly of the Commonwealth of
Kentucky:

Section 1. The Senate encourages the members of this body to join the
Southeastern State Legislature Taiwan Caucus, calling like-minded states and
international communities to support Taiwan's democracy, freedom, and the nation's
meaningful participation in international organizations and cooperation, such as the
World Health Organization, the International Civil Aviation Organization, INTERPOL,
the UN Framework Convention on Climate Change, and the Comprehensive and
Progressive Agreement for Trans-Pacific Partnership.

Section 2. The Senate supports the early start of negotiations on a US-Taiwan Bilateral Trade Agreement and establishing a trade office in Taiwan, as Taiwanese companies are looking for diverse and free markets in the United States instead of China.

Section 3. The Clerk of the Senate is directed to transmit a copy of this Resolution to Governor Andy Beshear, Secretary of State Michael Adams, and Mr. Elliot Yi-lung Wang, Director-General of the Taipei Economic and Cultural Office in Atlanta, Georgia.
