- 27 2. By two hundred percent (200%) in the most recent calendar year; and

1 (8) "Kentucky resident" is a Kentucky resident as defined by the council pursuant to
2 KRS 164.020(8).

3 ➔SECTION 2. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO
4 READ AS FOLLOWS:

5 (1) It is the intent of the General Assembly to address Kentucky's persistent shortage
6 of a broad spectrum of certified and licensed healthcare professionals, including
7 nurses, mental health professionals, and emergency medical services
8 professionals, by incentivizing collaboration between healthcare programs,
9 healthcare industry partners, and the Commonwealth to grow and strengthen the
10 education and training pipeline of healthcare professionals within Kentucky to
11 better serve patients across the Commonwealth by:

12 (a) Improving the ability of a broad variety of Kentucky's healthcare programs
13 to meet the workforce demands and capacity of the Commonwealth,
14 including the workforce demands of historically underserved counties;

15 (b) Raising awareness of and interest in a broad variety of healthcare
16 occupations and reducing the barriers of access to the healthcare programs
17 necessary to pursue these occupations, including financial barriers;

18 (c) Increasing knowledge and awareness of opportunities in high-need areas of
19 healthcare, including but not limited to geriatrics and neurology;

20 (d) Improving pathways between high school career and technical programs
21 and other healthcare programs; and

22 (e) Developing strategies for healthcare organizations to support career growth
23 and development for their employees.

24 (2) There is hereby created the Kentucky healthcare workforce investment fund to be
25 administered by the council for the purpose of funding:

26 (a) Public and private partnerships to provide healthcare training scholarships
27 in accordance with Section 3 of this Act to reduce the financial barriers of

- 1 Kentucky residents seeking high-demand eligible healthcare credentials;
- 2 (b) Healthcare program incentives in accordance with Section 4 of this Act to
- 3 reward performance and excellence among the Commonwealth's healthcare
- 4 programs; and
- 5 (c) The council's administrative, research, consulting, fundraising, planning,
- 6 and analysis costs of Sections 1 to 6 of this Act.
- 7 (3) (a) It is the intent of the General Assembly to encourage private financial and
- 8 philanthropic support of the Kentucky healthcare workforce investment
- 9 fund, as the healthcare industry directly benefits from a well-trained
- 10 workforce capable of meeting its employment needs and the needs of
- 11 patients. To the extent allowed by applicable laws, the fund may directly
- 12 accept gifts, grants, or donations subject to restrictions imposed by a
- 13 grantor.
- 14 (b) Notwithstanding KRS 45.229, any moneys appropriated to the fund by the
- 15 General Assembly remaining in the fund at the end of the first fiscal year in
- 16 a budget biennium shall not lapse but shall be carried forward into the
- 17 second fiscal year.
- 18 (c) Any moneys appropriated to the fund by the General Assembly remaining in
- 19 the fund at the end of the second fiscal year in a budget biennium shall be
- 20 forfeited and shall lapse to the general fund.
- 21 (4) The Kentucky healthcare workforce investment fund shall consist of any:
- 22 (a) Appropriations designated for the fund;
- 23 (b) Funds, grants, and receipts from the council's fundraising activities on
- 24 behalf of the fund; and
- 25 (c) Other moneys made available for the purposes of the fund.
- 26 (5) Any interest earnings of the fund shall become a part of the fund and shall lapse
- 27 only as provided in subsection (3) of this section, except that interest on moneys

1 contributed by a grantor shall not lapse. Moneys in the fund are hereby
2 appropriated for the purposes set forth in this section.

3 (6) The portion of the fund expended towards the council's costs of administering
4 Sections 1 to 6 of this Act shall not exceed four percent (4%) of all gross moneys
5 in the fund or one million five hundred thousand dollars (\$1,500,000) annually,
6 whichever is less.

7 (7) (a) The council shall promulgate administrative regulations by July 1, 2023, in
8 accordance with this subsection and KRS Chapter 13A to administer
9 Sections 1 to 6 of this Act.

10 (b) At least thirty (30) days before filing an administrative regulation with the
11 regulations compiler, the council shall first submit the draft administrative
12 regulation, a detailed implementation plan, and other documents required
13 to be filed by KRS Chapter 13A to the members of the Interim Joint
14 Committee on Education and the Interim Joint Committee on Health,
15 Welfare, and Family Services for review and comment.

16 (c) The council shall consider any comments and recommendations provided
17 by the members of the Interim Joint Committee on Education and the
18 Interim Joint Committee on Health, Welfare, and Family Services before
19 filing the administrative regulation.

20 ➔SECTION 3. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO
21 READ AS FOLLOWS:

22 (1) The council shall reserve at least sixty-five percent (65%) of all net moneys in the
23 Kentucky healthcare workforce investment fund for partnership proposals
24 between healthcare programs and healthcare partners to provide healthcare
25 training scholarships to Kentucky residents enrolled in healthcare programs in
26 Kentucky.

27 (2) In accepting partnerships, the council shall evaluate each partnership proposal to

1 determine if the proposal meets the requirements of this section and
2 administrative regulations promulgated by the council. The administrative
3 regulations shall create a process to prioritize accepting partnerships to
4 proposals:

5 (a) Targeted to address the specific needs of a historically underserved county
6 or to improve racial and ethnic diversity within a specific designated
7 healthcare credential targeted by the partnership;

8 (b) Targeted to reduce the workforce demand of a specific eligible healthcare
9 credential that is determined by the council, based on objective criteria, to
10 be among the highest in-demand in the Commonwealth; or

11 (c) From healthcare partners with fifty (50) or fewer employees.

12 (3) A partnership shall require a written partnership contract between a healthcare
13 program, healthcare partner, and the council. The partnership contract shall:

14 (a) Prohibit any disbursement of moneys from the Kentucky healthcare
15 workforce investment fund until the moneys appropriated by the General
16 Assembly to be distributed are matched, at least dollar for dollar, with
17 moneys deposited to the fund by the healthcare partner;

18 (b) Require the healthcare program to use all moneys distributed to the
19 healthcare program pursuant to the partnership contract to issue direct
20 healthcare training scholarships to Kentucky students enrolled in the
21 healthcare program;

22 (c) If applicable to a healthcare program, require that the healthcare training
23 scholarship application process encourage applicants to complete the
24 Federal Application for Student Aid; and

25 (d) Meet all other requirements set forth in this section and administrative
26 regulation, including but not limited to any reporting requirements to the
27 council.

- 1 (4) Disbursements of moneys from the Kentucky healthcare workforce investment
2 fund to support healthcare training scholarships shall be made directly to a
3 healthcare program pursuant to the terms of the partnership contract.
- 4 (5) A healthcare program that enters a partnership contract shall solicit, accept, and
5 review healthcare training scholarship applications submitted by students
6 enrolled in the healthcare program. A partnership contract may require that a
7 healthcare program do so in collaboration with the healthcare partner. The
8 healthcare program shall award healthcare training scholarships pursuant to any
9 scholarship criteria set forth in the partnership contract, this section, and
10 administrative regulations. The decisions of the healthcare program in the
11 issuance of scholarships shall be final.
- 12 (6) A healthcare training scholarship issued by a healthcare program pursuant to a
13 partnership contract shall be made directly to a recipient pursuant to a written
14 scholarship contract between the recipient and the healthcare program. The
15 scholarship contract shall not restrict the recipient's ability to utilize the
16 scholarship for the total cost of attendance. Each recipient of a scholarship shall:
- 17 (a) Agree in the written contract to practice as a licensed or certified medical
18 professional in the Commonwealth for a contract period of one (1) year for
19 each academic year funded by the scholarship up to a maximum of two (2)
20 total years; and
- 21 (b) Sign a promissory note as evidence of the scholarship and the obligation to
22 repay the scholarship amount upon failure to complete terms of the
23 contract.
- 24 (7) A grantor may place restrictions upon a contribution to the Kentucky healthcare
25 workforce investment fund requiring specific criteria for a healthcare training
26 scholarship or scholarships funded by the grantor's dedicated funds to students
27 who agree in the scholarship contract required by subsection (6)(a) of this section

1 to practice as a certified or licensed healthcare professional, including but not
2 limited to criteria restricting employment:

3 (a) Except as provided in subsection (9) of this section, employment by the
4 healthcare partner for the contract period; or

5 (b) Location within a designated geographic area of the Commonwealth for the
6 contract period.

7 (8) The healthcare training scholarship contract shall grant the healthcare program
8 or healthcare partner the authority to initiate recoupment proceedings for the
9 recovery of the total amount of all healthcare training scholarships awarded to
10 an individual that fails to complete the terms of a contract entered into in
11 accordance with subsection (6) of this section, together with attorney fees and
12 interest at a compound rate not to exceed eight percent (8%) from the date of
13 disbursement from the fund.

14 (9) A healthcare training scholarship shall not:

15 (a) Be awarded to an applicant enrolled in a state registered nursing aide
16 training and competency evaluation program who is:

17 1. Not charged for any portion of the program pursuant to 42 C.F.R. sec.
18 483.152(c)(1); or

19 2. Eligible for reimbursement for the costs of the program pursuant to 42
20 C.F.R. sec. 483.152(c)(2) prior to entering the scholarship contract; or

21 (b) Include an employment restriction that would restrict the recipient to be
22 employed by a specific healthcare partner for the contract period required
23 by subsection (6) of this section or that would otherwise constitute an offer
24 of employment in accordance with 42 C.F.R. sec. 483.152(c)(1).

25 (10) An applicant who has been listed on the nurse aide abuse registry with a
26 substantiated finding of abuse, neglect, or misappropriation of property shall not
27 be eligible for a healthcare training scholarship.

1 ➔SECTION 4. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO
2 READ AS FOLLOWS:

3 *(1) The council shall reserve up to thirty-five percent (35%) of all net moneys in the*
4 *Kentucky healthcare workforce investment fund for healthcare program*
5 *incentives to reward performance and excellence among eligible healthcare*
6 *programs. Any appropriation applied towards the amount of a healthcare*
7 *program incentive award shall be matched, at least dollar for dollar, with moneys*
8 *deposited to the fund by the healthcare partner.*

9 *(2) The council shall promulgate administrative regulations to establish criteria for*
10 *issuing healthcare program incentives. The criteria shall consider the following*
11 *factors:*

12 *(a) The workforce demands and capacity for a specific eligible healthcare*
13 *credential;*

14 *(b) The workforce demands and capacity for a specific eligible healthcare*
15 *credential within historically underserved counties;*

16 *(c) The percentage of increase over a baseline standard in the number of*
17 *students completing the healthcare program;*

18 *(d) The passage rate and first-time passage rate of graduates of the healthcare*
19 *program on the healthcare credential examination; and*

20 *(e) Any other objective factors determined by the council to be relevant to the*
21 *evaluation of the performance and excellence of the healthcare programs*
22 *and the ability of the healthcare programs to meet the workforce needs of*
23 *the communities they serve.*

24 *(3) (a) The council, or its designee, shall solicit, accept, and review applications for*
25 *healthcare program incentives by healthcare programs located in Kentucky.*
26 *The council, or its designee, shall select the healthcare programs to receive*
27 *healthcare program incentives and the amount thereof based on the criteria*

1 established by this section, administrative regulations, and a grantor of
2 dedicated funds, if applicable.

3 (b) A healthcare partner that is the grantor of dedicated funds may reserve the
4 right to require the council, or its designee, to collaborate with the
5 healthcare partner in fulfilling the duties assigned under paragraph (a) of
6 this subsection for any healthcare program incentive funded by the
7 grantor's dedicated funds, except an incentive shall not be:

8 1. Awarded to a healthcare program that has gifted, granted, or donated
9 any moneys to the fund that are dedicated funds reserved for the
10 purpose of issuing incentives under this section; or

11 2. Restricted to a specific healthcare program or pursuant to criteria
12 which would have the impact of effectively excluding all but a single
13 healthcare program from qualification.

14 (c) Decisions of the council, or its designee, in these matters shall be final.

15 (4) The council shall require the healthcare program to submit proof that the entire
16 amount of the incentive is invested in the continued excellence of the program
17 awarded by funding the:

18 (a) Education, recruitment, and training of the healthcare program's faculty
19 and staff; or

20 (b) Maintenance and acquisition of medical equipment utilized by the
21 healthcare program.

22 A healthcare program that fails to submit the proof required by the council shall
23 return the entire amount of the incentive to the Kentucky healthcare workforce
24 investment fund.

25 (5) An approved state registered nursing aide training and competency evaluation
26 program eligible for reimbursement of program costs through the Kentucky State
27 Medicaid Program shall not be eligible for a healthcare program incentive under

1 this section.

2 ➔SECTION 5. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO
3 READ AS FOLLOWS:

- 4 (1) The council shall submit a written report to the Interim Joint Committee on
5 Education, the Interim Joint Committee on Health, Welfare, and Family
6 Services, and the Interim Joint Committee on Appropriations and Revenue
7 Budget Review Subcommittee on Education no later than December 1 of each
8 year. The report shall include:
- 9 (a) A detailed summary of the council's costs throughout the year;
- 10 (b) Legislative recommendations to help grow and strengthen the education
11 and training pipeline of healthcare professions within Kentucky;
- 12 (c) A detailed overview of the Kentucky healthcare workforce investment fund,
13 including an accounting of all moneys raised and expended;
- 14 (d) A detailed analysis of healthcare training scholarships awarded pursuant to
15 Section 3 of this Act, including but not limited to:
- 16 1. The criteria used to award the scholarships;
- 17 2. The number of scholarships awarded and the amount of each
18 scholarship;
- 19 3. An overview of the demographic information of scholarship recipients,
20 including the county of residence;
- 21 4. The names of the healthcare programs with scholarship recipients and
22 the type of eligible healthcare credential corresponding to each
23 program; and
- 24 5. To extent available, student and program outcomes, including but not
25 limited to:
- 26 a. Graduation rates of the healthcare program overall and of
27 scholarship recipients within any such program;

1 **b. Employment and employment retention rates of the healthcare**
 2 **program overall and scholarship recipients; and**

3 **c. The workforce participation of program graduates practicing in**
 4 **Kentucky under an eligible healthcare credential in relation to**
 5 **the workforce demand and capacity for that specific eligible**
 6 **healthcare credential; and**

7 **(e) A detailed analysis of the number of the healthcare program incentives**
 8 **awarded pursuant to Section 4 of this Act, including but not limited to:**

9 **1. The criteria used by the council to award the incentives;**

10 **2. The number of incentives awarded;**

11 **3. The name of each healthcare program that received an incentive, the**
 12 **corresponding eligible healthcare credential, and the amount of the**
 13 **incentive; and**

14 **4. The qualifications of each healthcare program that received an**
 15 **incentive in relation to the criteria identified by the council for**
 16 **awarding the incentives.**

17 **(2) If the report required by subsection (1) of this section is not filed by December 14**
 18 **of each year, or a later date approved by the Interim Joint Committee on**
 19 **Education and the Interim Joint Committee on Health, Welfare, and Family**
 20 **Services, any appropriations to the fund shall be forfeited and any remaining**
 21 **moneys in the fund appropriated by the General Assembly shall lapse to the**
 22 **general fund. The council shall return any remaining private moneys to its**
 23 **grantor, prorated as necessary.**

24 ➔SECTION 6. A NEW SECTION OF KRS CHAPTER 164 IS CREATED TO
 25 READ AS FOLLOWS:

26 **Each public postsecondary education institution shall review the cost of their**
 27 **healthcare programs, as defined in Section 1 of this Act, in relation to the realistic**

- 1 earning potential and employability of the institution's graduates and submit a written
2 report to the Interim Joint Committees on Health, Welfare, and Family Services and
3 Education no later than September 1 of each year. The report shall include:
- 4 (1) The current tuition of each healthcare program at the institution for in-state and
5 out-of-state students;
- 6 (2) The student capacity of each healthcare program;
- 7 (3) The number of total applications for enrollment, in-state applications for
8 enrollment, and out-of-state applications for enrollment for each healthcare
9 program;
- 10 (4) The total number of students, in-state students, and out-of-state students admitted
11 to each healthcare program;
- 12 (5) The minimum number of years required to complete the healthcare program and
13 the average number of years graduates of each healthcare program were
14 enrolled;
- 15 (6) The average amount of student loans of the graduates of each healthcare
16 program;
- 17 (7) The graduation rate of each healthcare program and the graduation rate of in-
18 state and out-of-state students;
- 19 (8) The passage rate and first-time passage rate of graduates of each healthcare
20 program on the healthcare credential examination;
- 21 (9) The employment rate of graduates of each healthcare program within twelve (12)
22 months after graduation; and
- 23 (10) A summary of all new actions taken by the institution during the reporting year to
24 reduce the financial barriers to healthcare professions.

25 ➔Section 7. The General Assembly hereby encourages public postsecondary
26 education institutions to prioritize students enrolled in the institution's healthcare
27 programs when awarding institutional scholarships.

1 ➔Section 8. In the event the Legislative Research Commission dissolves the
2 Interim Joint Committee on Health, Welfare, and Family Services and establishes another
3 interim joint committee with jurisdiction over health services, the reviser of statutes shall
4 change the name of the Interim Joint Committee on Health, Welfare, and Family Services
5 in Sections 2, 5, and 6 of this Act to that interim joint committee.

6 ➔Section 9. Whereas the General Assembly recognizes the urgent need to address
7 the ability of the Kentucky healthcare workforce to meet the needs of patients across the
8 Commonwealth, an emergency is declared to exist, and this Act takes effect upon its
9 passage and approval by the Governor or upon its otherwise becoming a law.
