1	AN ACT relating to internal police communications.
2	Be it enacted by the General Assembly of the Commonwealth of Kentucky:
3	→SECTION 1. A NEW SECTION OF KRS CHAPTER 15 IS CREATED TO
4	READ AS FOLLOWS:

7	agency to support the physical and mental health of law enforcement
8	personnel; and
9	(b) "Early intervention system" means a methodology that identifies and
10	addresses potentially problematic behaviors.
11	(2) A law enforcement agency may create its own wellness program in order to
12	support the mental health and wellbeing of its employees. These programs may
13	include but are not limited to an early intervention system, access to mental
14	health counseling, crisis counseling, support systems, training, equipment, and
15	technology necessary for an employee to perform his or her job.
16	(3) Any law enforcement agency that creates its own wellness program shall establish
17	written policies and procedures for the program.

19	records, opinions, conclusions, and recommendations arising from any
20	aspect of a wellness program shall be confidential and privileged from
21	disclosure, regardless of who possesses them. Under this confidentiality and
22	privilege, the wellness program records or communications shall be subject
23	to the same protections as any counselor-client privilege provided under the
24	Kentucky Rules of Evidence in any criminal or civil proceeding. The
25	participating officer or telecommunicator shall be the holder of the
26	privilege.
27	(b) This privilege shall not apply:

2	by the holder of the privilege against a law enforcement agency related
3	to programs or services provided by a wellness program under this
4	section; or
5	2. When an officer's or telecommunicator's communication contains:
6	a. An explicit threat of suicide in which the participant shares an
7	intent to die by suicide, a plan to carry out a suicide attempt by
8	the participant, or a disclosure of the means by which the
9	participant intends to carry out a suicide attempt. This
10	paragraph shall not apply to any wellness program
11	communication where the officer or telecommunicator solely
12	shares that the participant is experiencing suicidal thoughts;
13	b. An explicit threat by a participant of imminent and serious
14	physical injury and bodily harm or death to a clearly identified
15	or reasonably identifiable victim;
16	c. Information related to the abuse or neglect of a child or an older
17	adult or vulnerable individual that is required by law to be
18	reported;
19	d. An admission of criminal conduct; or
20	e. Other information which is required by law to be disclosed.
21	(c) Nothing in this subsection shall be construed to restrict or limit the right to
22	discover or use in any civil action any evidence, document, or record that is
23	subject to discovery independently of the proceedings of the wellness
24	program.
25	(d) A law enforcement agency may use anonymous data for research, statistical
26	analysis, and educational purposes.
