(1) A consumer may invoke the consumer rights authorized pursuant to this section at any time by submitting a request to a controller, via the means specified by the controller pursuant to Section 4 of this Act, specifying the consumer rights the consumer wishes to invoke. A child's parent or legal guardian may invoke such consumer rights on behalf of the child regarding processing personal data belonging to the child.

(2) A controller shall comply with an authenticated consumer request to exercise the right to:

(a) Confirm whether or not a controller is processing the consumer's personal data and to access such personal data;

(b) Delete personal data provided by the consumer;

(c) Obtain a copy of the consumer's personal data that the consumer previously provided to the controller in a portable and, to the extent technically

1 practicable, readily usable format that allows the consumer to read or
2 transmit the data to another controller without hindrance, where the
3 processing is carried out by automated means;

4 (d) Opt out of targeted advertising;

5 (e) Opt out of tracking; and

6 (f) Opt out of the sale or sharing of personal data.

7 (3) A consumer may exercise his or her right to opt out of the selling or sharing of
8 his or her personal data via user-enabled global privacy controls, such as a
9 browser plug-in or privacy setting, device setting, or other mechanism, that
10 communicates or signals the consumer's choice to opt out, and a controller shall
11 comply with such an opt out request.

12 (4) A consumer may authorize another person, acting on the consumer's behalf, to
13 exercise any of the rights set forth in this section. A controller shall comply with a
14 request to exercise a right received from a person authorized to act on a
15 consumer's behalf if the controller is able to authenticate, with commercially
16 reasonable efforts, the identity of the consumer and the authorized agent's
17 authority to act on his or her behalf.

18 (5) Except as otherwise provided in subsection (6) of this section and Sections 6 and
19 7 of this Act, a controller shall comply with a request by a consumer to exercise
20 the consumer rights pursuant to this section as follows:

21 (a) A controller shall respond to the consumer without undue delay, but in all
22 cases within forty-five (45) days of receipt of the request submitted pursuant
23 to the methods described in this section. The response period may be
24 extended once by fifteen (15) additional days when reasonably necessary,
25 taking into account the complexity and number of the consumer's requests,
26 so long as the controller informs the consumer of any such extension within
27 the initial forty-five (45) day response period, together with the reason for

1 the extension;

2 (b) If a controller declines to take action regarding the consumer's request, the
3 controller shall inform the consumer without undue delay, but in all cases
4 and at the latest within forty-five (45) days of receipt of the request, of the
5 justification for declining to take action; and

6 (c) Information provided in response to a consumer request shall be provided
7 by a controller free of charge, at least twice annually per consumer. If a
8 request from a consumer is excessive, repetitive, technically infeasible, or
9 manifestly unfounded, such as when the controller reasonably believes that
10 the primary purpose of the request is not to exercise a consumer right, the
11 controller may charge the consumer a reasonable fee to cover the
12 administrative costs of complying with the request or decline to act on the
13 request. The controller bears the burden of demonstrating the excessive,
14 repetitive, technically infeasible, or manifestly unfounded nature of the
15 request.

16 (6) A controller shall not be required to comply with a request to exercise any of the
17 rights set forth in this section if the controller is unable to authenticate the
18 request using commercially reasonable efforts. In such a case, the controller
19 may, but is not required to, request the provision of additional information
20 reasonably necessary to authenticate the request.

21 (7) A controller shall:

22 (a) Establish an internal process whereby a consumer may appeal a refusal to
23 take action on a request to exercise any of the rights set forth in this section
24 within a reasonable period of time after the controller refuses to take action
25 on such request;

26 (b) Ensure that the appeal process is conspicuously available and as easy to use
27 as the process for submitting a request to exercise a right under this section;

1 (c) Inform the consumer of any action taken or not taken in response to the
2 appeal, along with a written explanation of the reasons in support thereof,
3 within thirty (30) days of receipt of an appeal. That period may be extended
4 by sixty (60) additional days where reasonably necessary, taking into
5 account the complexity and number of the requests serving as the basis for
6 the appeal. The controller shall inform the consumer of such an extension
7 within thirty (30) days of receipt of the appeal, together with the reasons for
8 the delay. The controller shall also provide the consumer with an e-mail
9 address or other online mechanism through which the consumer may
10 submit the appeal, along with any action taken or not taken by the
11 controller in response to the appeal and the controller's written explanation
12 of the reasons in support thereof, to the Attorney General; and

13 (d) When informing a consumer of any action taken or not taken in response to
14 an appeal pursuant to this subsection, clearly and prominently provide the
15 consumer with information about how to file a complaint with the Office of
16 Consumer Protection in the Office of the Attorney General. The controller
17 shall maintain records of all such appeals and how it responded to them for
18 at least twenty-four (24) months and shall, upon request, compile and
19 provide a copy of such records to the Attorney General.

20 ➔SECTION 4. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO
21 READ AS FOLLOWS:

22 (1) A controller shall:

23 (a) Establish, implement, and maintain reasonable administrative, technical,
24 and physical data security practices to protect the confidentiality, integrity,
25 and accessibility of personal data. Such data security practices shall be
26 appropriate to the volume and nature of the personal data at issue;

27 (b) Not process personal data in violation of state and federal laws that prohibit

1 unlawful discrimination against consumers. A controller shall not
2 discriminate against a consumer for exercising any of the consumer rights
3 contained in Section 3 of this Act, including denying goods or services,
4 charging different prices or rates for goods or services, or providing a
5 different level of quality of goods and services to the consumer. However,
6 nothing in this paragraph shall be construed to require a controller to
7 provide a product or service that requires the personal data of a consumer
8 that the controller does not collect or maintain if the consumer has
9 exercised his or her right to opt out pursuant to Section 3 of this Act or the
10 offer is related to a consumer's informed, voluntary participation in a bona
11 fide loyalty, rewards, premium features, discounts, or club card program;

12 (c) Upon a request made by the Office of the Attorney General pursuant to any
13 investigation or action taken under Section 9 of this Act, provide the
14 Attorney General with the specific third parties, if any, with whom the
15 controller shares or sells personal data relevant to the Attorney General's
16 investigation or action, including:

- 17 1. Each location, whether domestic or international, at which each third
18 party retains the data;
- 19 2. The length of time each third party retains the data; and
- 20 3. The use or uses to which the data is put by each third party; and

21 (d) Provide an annual report to the Attorney General. The report shall include:

- 22 1. The categories of personal data processed by the controller in the
23 preceding quarter;
- 24 2. The amount of personal data in each category, identified by specific
25 instances of collection in the preceding quarter; and
- 26 3. The number of identifiable consumers whose personal data the
27 controller processed in the preceding quarter.

1 (2) Any provision of a contract or agreement of any kind that purports to waive or
2 limit in any way consumer rights pursuant to Section 3 of this Act shall be
3 deemed contrary to public policy and shall be void and unenforceable.

4 (3) At or before the time that a controller collects personal data, the controller shall
5 provide consumers with a reasonably accessible, clear, and meaningful privacy
6 notice that includes:

7 (a) The categories of personal data processed by the controller;

8 (b) The purpose for processing personal data;

9 (c) One (1) or more secure and reliable means for consumers to submit a
10 request to exercise their consumer rights under Section 3 of this Act,
11 including how a consumer may appeal a controller's action with regard to
12 the consumer's request. Such means shall take into account the ways in
13 which consumers normally interact with the controller, the need for secure
14 and reliable communication of such requests, and the ability of the
15 controller to authenticate the identity of the consumer making the request.
16 Controllers shall not require a consumer to create a new account in order to
17 exercise consumer rights pursuant to Section 3 of this Act, but may require
18 a consumer to use an existing account;

19 (d) The specific types of personal data that the controller shares with, or sells
20 to, third parties, if any;

21 (e) The categories of third parties, if any, with whom the controller shares or
22 sells personal data, including:

23 1. Each location, whether domestic or international, at which each third
24 party retains the data;

25 2. The length of time each third party retains the data; and

26 3. The use or uses to which the data is put by each third party;

27 (f) The name and contact information of the controller;

- 1 (g) The purposes for which personal data are processed, as well as the basis for
2 processing as provided in subsection (6) of this section; and
- 3 (h) The estimated period of time for which the controller will retain the
4 consumer's personal data or, if this is not known, the criteria that the
5 controller will use in determining that period of time.
- 6 (4) If a controller sells or shares personal data to third parties or processes personal
7 data for targeted advertising or tracking, the controller shall clearly and
8 conspicuously disclose the processing, as well as the manner in which a
9 consumer may exercise the right to opt out of the processing.
- 10 (5) Controllers shall ensure that any privacy notices or disclosures required under
11 this section:
- 12 (a) Use clear and plain language;
- 13 (b) Are provided in English and any other language in which the controller
14 communicates with the consumer to whom the information pertains; and
- 15 (c) Are understandable to the least sophisticated consumer.
- 16 (6) Controllers shall not process the personal data of a consumer unless at least one
17 (1) of the following conditions applies:
- 18 (a) The controller is able to demonstrate that all of the following apply:
- 19 1. The consumer has provided consent to process his or her personal
20 data for one (1) or more specific purposes or, in the case of processing
21 the personal data of a child, the parent or legal guardian of the child
22 has provided such consent;
- 23 2. The consumer is informed prior to providing consent under this
24 subsection that he or she may withdraw such consent at any time and
25 how such consent may be withdrawn;
- 26 3. The consent provided under this subsection is as easy for the
27 consumer to withdraw as it is to give;

- 1 4. The controller does not require the consumer to provide consent as a
2 condition of using the controller's product or service, unless
3 processing the consumer's personal data is required to provide the
4 product or service to the consumer; and
- 5 5. If the consumer grants consent as part of a written declaration that
6 also concerns other matters, the request for consent is clearly
7 distinguishable from the other matters in an intelligible and easily
8 accessible form using clear and plain language;
- 9 (b) The processing is necessary to perform a contract to which the consumer is
10 a party or in order to take steps at the request of the consumer prior to
11 entering into a contract;
- 12 (c) The processing is necessary for the controller to comply with a legal
13 obligation to which it is subject;
- 14 (d) The processing is necessary to protect the vital interests of the consumer or
15 another natural person, and the processing cannot be manifestly based on
16 another legal basis;
- 17 (e) The processing is necessary to perform a task carried out in the public
18 interest or to exercise official authority vested in the controller; or
- 19 (f) The processing is necessary for the purposes of the legitimate interests
20 pursued by the controller or by a third party, except where such legitimate
21 interests are overridden by the fundamental privacy interests of the
22 consumer, in particular when processing the personal data of a child.
- 23 (7) A controller's collection of personal data shall be limited to what is reasonably
24 necessary in relation to the purposes for which the personal data is processed.
- 25 (8) A controller shall store or otherwise retain personal data such that it can be
26 attributed to a consumer for no longer than is necessary for the purposes for
27 which the personal data are processed.

- 1 (9) Except as provided in Sections 1 to 12 of this Act, a controller shall collect and
2 process personal data only for specified and legitimate purposes, and a controller
3 may not further process personal data in a manner that is not reasonably
4 necessary to or compatible with those purposes, unless the controller obtains the
5 consumer's consent and such consent meets the conditions set forth in subsection
6 (6)(a) of this section.
- 7 (10) A controller shall not process personal data on the basis of a consumer's or a
8 class of consumers' actual or perceived race, color, ethnicity, religion, national
9 origin, sex, gender, gender identity, sexual orientation, family status, lawful
10 source of income, or disability, in a manner that unlawfully discriminates against
11 the consumer or class of consumers with respect to the offering or provision of:
- 12 (a) Housing;
13 (b) Employment;
14 (c) Credit;
15 (d) Education; or
16 (e) The goods, services, facilities, privileges, advantages, or accommodations of
17 any place of public accommodation.
- 18 (11) If a consumer exercises his or her right to opt out pursuant to Section 3 of this
19 Act, a controller shall not sell or share personal data to a third party as part of a
20 bona fide loyalty, rewards, premium features, discounts, or club card program in
21 which the consumer voluntarily participates unless:
- 22 (a) The sale or sharing of personal data to third parties is reasonably necessary
23 to enable the third party to provide a benefit to which the consumer is
24 entitled as part of such program;
25 (b) The sale or sharing of personal data to third parties is clearly disclosed in
26 the program's terms;
27 (c) The third party uses the personal data only for purposes of facilitating such

1 a benefit to which the consumer is entitled as part of such program; and

2 (d) The third party does not retain or use, transfer, or disclose the personal data
3 for any other purpose.

4 (12) Except as otherwise provided in Sections 1 to 12 of this Act, a controller shall not
5 process sensitive data concerning a consumer without obtaining the consumer's
6 consent pursuant to subsection (6)(a) of this section or, in the case of the
7 processing of sensitive data of a child, without obtaining consent from the child's
8 parent or lawful guardian, in accordance with the requirements set forth in the
9 federal Children's Online Privacy Protection Act, 15 U.S.C. sec. 6501 et seq.

10 (13) Except as otherwise provided in Sections 1 to 12 of this Act, a controller shall not
11 process the personal data of a child for the purposes of targeted advertising or
12 tracking.

13 (14) Except as otherwise provided in Sections 1 to 12 of this Act, a controller shall not
14 process the personal data of a consumer that is not a child and is younger than
15 eighteen (18) years old for the purposes of targeted advertising or tracking or the
16 sale or sharing of personal data without obtaining consent from such consumer
17 pursuant to subsection (6)(a) of this section.

18 ➔SECTION 5. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO
19 READ AS FOLLOWS:

20 (1) A processor shall adhere to the instructions of a controller and shall assist the
21 controller in meeting its obligations under Sections 1 to 12 of this Act. Such
22 assistance shall include taking into account the nature of processing and the
23 information available to the processor, by:

24 (a) Taking appropriate technical and organizational measures, insofar as this
25 is reasonably practicable, to fulfill the controller's obligation to respond to
26 consumer rights requests pursuant to Section 3 of this Act; and

27 (b) Assisting the controller in meeting the controller's obligations in relation to

1 the security of processing the personal data and in relation to the
2 notification of a breach of the security of the system of the processor
3 pursuant to KRS 365.732, or any other applicable state and federal law, in
4 order to meet the controller's obligations.

5 (2) A contract between a controller and a processor shall govern the processor's data
6 processing procedures with respect to processing performed on behalf of the
7 controller. The contract shall be binding and shall clearly set forth instructions
8 for processing personal data, the nature and purpose of processing, the type of
9 data subject to processing, the specific, fixed duration of processing for each type
10 of data to be processed, and the rights and obligations of both parties. The
11 contract shall also include requirements that the processor shall:

12 (a) Ensure that each person processing personal data is subject to a duty of
13 confidentiality with respect to the data;

14 (b) At the controller's direction, delete or return all personal data to the
15 controller as requested at the end of the provision of services, unless
16 retention of the personal data is required by law;

17 (c) Upon the reasonable request of the controller, make available to the
18 controller information in its possession necessary to demonstrate the
19 processor's compliance with the obligations in this section; and

20 (d) Engage any subcontractor pursuant to a written contract in accordance
21 with this subsection that requires the subcontractor to meet the obligations
22 of the processor with respect to the personal data.

23 (3) Determining whether a person is acting as a controller or processor with respect
24 to a specific processing of data is a fact-based determination that depends upon
25 the context in which personal data is to be processed. A processor that continues
26 to adhere to a controller's instructions with respect to a specific processing of
27 personal data remains a processor.

1 ➔SECTION 6. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO
2 READ AS FOLLOWS:

3 (1) Nothing in Sections 1 to 12 of this Act shall be construed to require a controller
4 or processor to:

5 (a) Re-identify de-identified data or pseudonymous data; or

6 (b) Maintain de-identified or pseudonymous data in an identifiable form.

7 (2) Nothing in Sections 1 to 12 of this Act shall be construed to require a controller
8 or processor to comply with an authenticated consumer rights request, pursuant
9 to Section 3 of this Act, if all of the following are true:

10 (a) The controller is not reasonably capable of associating the request with the
11 personal data or it would be unreasonably burdensome for the controller to
12 associate the request with the personal data;

13 (b) The controller does not use the personal data to recognize or respond to the
14 specific consumer who is the subject of the personal data, or associate the
15 personal data with other personal data about the same specific consumer;
16 and

17 (c) The controller does not sell or share the personal data to any third party or
18 otherwise voluntarily disclose the personal data to any third party other
19 than a processor, except as otherwise permitted in this section.

20 (3) A controller that discloses pseudonymous data or de-identified data shall exercise
21 reasonable oversight to monitor compliance with any contractual commitments to
22 which the pseudonymous data or de-identified data is subject.

23 ➔SECTION 7. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO
24 READ AS FOLLOWS:

25 (1) Nothing in Sections 1 to 12 of this Act shall be construed to restrict a controller's
26 or processor's ability to:

27 (a) Comply with federal, state, or local laws or regulations;

- 1 (b) Comply with a civil, criminal, or regulatory inquiry, investigation,
2 subpoena, or summons by federal, state, local, or other governmental
3 authorities;
- 4 (c) Cooperate with law enforcement agencies concerning conduct or activity
5 that the controller or processor reasonably and in good faith believes may
6 violate federal, state, or local laws, rules, or regulations;
- 7 (d) Investigate, establish, exercise, prepare for, or defend legal claims;
- 8 (e) Provide a product or service specifically requested by a consumer or a
9 parent or guardian of a child, perform a contract to which the consumer or
10 parent or guardian of a child is a party, including fulfilling the terms of a
11 written warranty, or take steps at the request of the consumer or parent or
12 guardian of a child prior to entering into a contract;
- 13 (f) Take immediate steps to protect an interest that is essential for the life or
14 physical safety of the consumer or of another natural person, and where the
15 processing cannot be manifestly based on another legal basis;
- 16 (g) Prevent, detect, protect against, or respond to security incidents, identity
17 theft, fraud, harassment, malicious or deceptive activities, or any illegal
18 activity; preserve the integrity or security of systems; or investigate, report,
19 or prosecute those responsible for any such action;
- 20 (h) Engage in public or peer-reviewed scientific or statistical research in the
21 public interest that adheres to all other applicable ethics and privacy laws
22 and is approved, monitored, and governed by an institutional review board,
23 or similar independent oversight entities that determine:
- 24 1. If the information is likely to provide substantial benefits that do not
25 exclusively accrue to the controller;
- 26 2. The expected benefits of the research outweigh the privacy risks; and
- 27 3. If the controller has implemented reasonable safeguards to mitigate

- 1 privacy risks associated with research, including any risks associated
2 with re-identification; or
- 3 (i) Assist another controller, processor, or third party with any of the
4 obligations under this subsection.
- 5 (2) The obligations imposed on controllers or processors under Sections 1 to 12 of
6 this Act shall not restrict a controller's or processor's ability to collect, use, or
7 retain data to:
- 8 (a) Conduct internal research to develop, improve, or repair products, services,
9 or technology;
- 10 (b) Effect a product recall, if the data is retained and processed solely for that
11 purpose;
- 12 (c) Identify and repair technical errors that impair existing or intended
13 functionality; or
- 14 (d) Perform solely internal operations that are reasonably aligned and
15 compatible with the purposes of processing as disclosed to the consumer
16 and with the expectations of the consumer based on such purposes, or are
17 otherwise compatible with processing in furtherance of the provision of a
18 product or service specifically requested by the consumer or the
19 performance of a contract to which the consumer is a party when those
20 internal operations are performed during, and not following, the
21 consumer's relationship with the controller.
- 22 (3) The obligations imposed on controllers or processors under Sections 1 to 12 of
23 this Act shall not apply where compliance by the controller or processor with
24 Sections 1 to 12 of this Act would violate an evidentiary privilege under the laws
25 of this Commonwealth. Nothing in Sections 1 to 12 of this Act shall be construed
26 to prevent a controller or processor from providing personal data concerning a
27 consumer to a person covered by an evidentiary privilege under the laws of this

1 Commonwealth as part of a privileged communication.

2 (4) Nothing in Sections 1 to 12 of this Act shall be construed as an obligation
3 imposed on controllers and processors that:

4 (a) Adversely affects the privacy or other rights or freedoms of any persons,
5 such as exercising the right of free speech pursuant to the First Amendment
6 to the United States Constitution; or

7 (b) Applies to personal data by a person in the course of a purely personal or
8 household activity.

9 (5) Personal data processed by a controller pursuant to this section shall not be
10 processed for any purpose other than those expressly listed in this section unless
11 otherwise allowed by Sections 1 to 12 of this Act.

12 (6) Personal data processed by a controller pursuant to this section may be processed
13 solely to the extent that such processing is:

14 (a) Reasonably necessary and proportionate to the purposes listed in this
15 section;

16 (b) Adequate, relevant, and limited to what is necessary in relation to the
17 specific purposes listed in this section; and

18 (c) Insofar as possible, taking into account the nature and purpose of
19 processing the personal data, subjected to reasonable administrative,
20 technical, and physical measures to protect the confidentiality, integrity,
21 and accessibility of the personal data and to reduce reasonably foreseeable
22 risks of harm to consumers.

23 (7) If a controller processes personal data pursuant to an exemption in this section,
24 the controller bears the burden of demonstrating that such processing qualifies
25 for the exemption and complies with the requirements in this section.

26 (8) Processing personal data for the purposes expressly identified in subsection (1) of
27 this section shall not by itself make an entity a controller with respect to such

1 processing.

2 (9) Nothing in Sections 1 to 12 of this Act shall require a controller, processor, third
3 party, or consumer to disclose trade secrets.

4 (10) A controller or processor that discloses personal data to a third party controller or
5 processor, in compliance with the requirements of Sections 1 to 12 of Act, shall
6 not be in violation of Sections 1 to 12 of this Act if the third party controller or
7 processor that receives and processes such personal data is in violation of
8 Sections 1 to 12 of this Act, provided that, at the time of disclosing the personal
9 data, the disclosing controller or processor did not have actual knowledge that the
10 recipient intended to commit a violation.

11 (11) A third party controller or processor that receives personal data from a controller
12 or processor, in compliance with the requirements of Sections 1 to 12 of this Act,
13 is not in violation of Sections 1 to 12 of this Act if the controller or processor that
14 discloses such personal data is in violation of Sections 1 to 12 of this Act,
15 provided that, at the time of receiving the personal data, the receiving controller
16 or processor did not have actual knowledge that the disclosing controller or
17 processor intended to commit a violation.

18 (12) Nothing in Sections 1 to 12 of this Act shall be construed as requiring a
19 controller or processor to identify de-identified data in response to a consumer
20 request made under Section 3 of this Act.

21 ➔SECTION 8. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO
22 READ AS FOLLOWS:

23 (1) Within thirty (30) days of becoming a controller by beginning to process personal
24 data, controllers shall conduct and document a data protection impact assessment
25 of each of the following processing activities involving personal data:

26 (a) The processing of personal data for the purposes of targeted advertising or
27 tracking;

- 1 (b) The processing of personal data for the purposes of selling or sharing the
2 personal data;
- 3 (c) The processing of personal data for the purposes of profiling, where such
4 profiling presents a reasonably foreseeable risk of:
- 5 1. Unfair or deceptive treatment of consumers or disparate impact on
6 consumers;
- 7 2. Financial, physical, or reputational injury to consumers;
- 8 3. A physical or other intrusion upon the solitude or seclusion, or the
9 private affairs or concerns, of consumers, where such intrusion would
10 be offensive to a reasonable person; or
- 11 4. Any other substantial injury to consumers;
- 12 (d) The processing of sensitive data; and
- 13 (e) Any processing of personal data that presents a heightened risk of harm to
14 consumers.
- 15 (2) Data protection impact assessments conducted under this section shall take into
16 account the type of personal data to be processed by the controller, including the
17 extent to which the personal data are sensitive data, and the context in which the
18 processing is to occur.
- 19 (3) Data protection impact assessments conducted under this section shall identify
20 and weigh the benefits that may flow directly and indirectly from the processing
21 of personal data to the controller, consumer, other stakeholders, and the public
22 against the potential risks to the rights of the consumer associated with such
23 processing, as mitigated by safeguards that can be employed by the controller to
24 reduce such risk. The use of de-identified data and the reasonable expectations of
25 consumers, as well as the context of the processing of personal data and the
26 relationship between the controller and the consumer whose personal data will be
27 processed, shall be factored into this assessment by the controller.

1 (4) The Attorney General may request, in writing, that a controller disclose any data
2 protection impact assessment that is relevant to an investigation conducted by the
3 Attorney General, and the controller shall make the requested data protection
4 impact assessment available to the Attorney General upon such request. The
5 Attorney General may evaluate the data protection impact assessments for
6 compliance with the requirements of Sections 1 to 12 of this Act.

7 (5) Data protection impact assessments are confidential and exempt from public
8 inspection and copying under KRS 61.870 to 61.884.

9 (6) The disclosure of a data protection impact assessment pursuant to a request from
10 the Attorney General under subsection (4) of this section does not constitute a
11 waiver of the attorney-client privilege or work product protection with respect to
12 the assessment and any information contained in the assessment, unless
13 otherwise subject to case law regarding the applicability of the attorney-client
14 privilege or work product protections.

15 (7) Data protection assessments conducted by a controller for the purpose of
16 compliance with other laws or regulations may fulfill a controller's obligations
17 under this section if they have a similar scope and effect.

18 (8) Data protection assessments conducted by a controller under this section shall be
19 updated immediately upon any material change in the nature or volume of data
20 controlled, processed, sold, traded, or shared by the controller or, if there is no
21 material change, annually.

22 ➔SECTION 9. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO
23 READ AS FOLLOWS:

24 (1) Except as provided in Section 10 of this Act, the Attorney General shall have
25 exclusive authority to enforce the provisions of Sections 1 to 12 of this Act.

26 (2) The Attorney General may enforce Sections 1 to 12 of this Act by bringing an
27 action in the name of the Commonwealth, or on behalf of persons residing in the

1 Commonwealth. The Attorney General may issue a civil investigative demand to
2 any controller or processor believed to be engaged in, or about to engage in, any
3 violation of Sections 1 to 12 of this Act. The provisions of KRS 367.240 shall
4 apply to civil investigative demands issued under this section.

5 (3) Prior to initiating any action under Sections 1 to 12 of this Act, the Attorney
6 General shall provide a controller or processor thirty (30) days' written notice
7 identifying the specific provisions of Sections 1 to 12 of this Act the Attorney
8 General, on behalf of a consumer, alleges have been or are being violated. If
9 within the thirty (30) days the controller or processor cures the noticed violation
10 and provides the Attorney General an express written statement that the alleged
11 violations have been cured and that no further violations shall occur, no action
12 for damages shall be initiated against the controller or processor.

13 (4) If a controller or processor does not cure a violation under subsection (3) of this
14 section or violates Sections 1 to 12 of this Act in breach of an express written
15 statement provided to the Attorney General under this section, the Attorney
16 General may initiate an action and seek damages for up to seven thousand five
17 hundred dollars (\$7,500) for each violation under Sections 1 to 12 of this Act.

18 (5) The Attorney General may recover reasonable expenses incurred in investigating
19 and preparing the case, including attorneys' fees, of any action initiated under
20 Sections 1 to 12 of this Act.

21 (6) In determining a civil penalty under this section, the court:

22 (a) Shall consider:

- 23 1. A controller's or processor's good-faith efforts to comply with the
24 requirements of Sections 1 to 12 of this Act; and
25 2. Whether a controller made willful or reckless omissions on the data
26 protection impact assessment required by Section 8 of this Act, the
27 nature of the omissions, and the nature and volume of data; and

1 (b) May, notwithstanding any other provision in this section, increase any
2 penalty imposed by a percentage to be selected by the court if it is
3 determined that the controller made willful or reckless omissions on the
4 data protection impact assessment required by Section 8 of this Act.

5 (7) Proceeds from the civil penalties imposed under this section shall be deposited
6 into the consumer privacy fund created in Section 11 of this Act.

7 ➔SECTION 10. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO
8 READ AS FOLLOWS:

9 (1) Except as provided in subsection (3) of this section or for those actions brought
10 by the Attorney General to enforce Sections 1 to 12 of this Act, nothing in
11 Sections 1 to 12 of this Act creates an independent cause of action.

12 (2) Except as provided in subsection (3) of this section, no person, except for the
13 Attorney General, may enforce the rights and protections created by Sections 1 to
14 12 of this Act in any action. However, nothing in Sections 1 to 12 of this Act shall
15 limit any other independent causes of action enjoyed by any person, including
16 any constitutional, statutory, administrative, or common law rights or causes of
17 action. The rights and protections in Sections 1 to 12 of this Act are not exclusive,
18 and to the extent that a person has the rights and protections in this chapter
19 because of another law other than Sections 1 to 12 of this Act, the person
20 continues to have those rights and protections notwithstanding the existence of
21 Sections 1 to 12 of this Act.

22 (3) A consumer alleging a violation of any of the rights identified in subsection (2) of
23 Section 3 of this Act may bring a civil action in any court of competent
24 jurisdiction against any controller or processor that received a written notice of
25 violation from the Attorney General and failed to cure the violation within thirty
26 (30) days as provided in Section 9 of this Act. Remedies shall be limited to
27 appropriate injunctive relief solely for the violation of the rights and obligations

1 pursuant to Sections 1 to 12 of this Act and shall not include economic,
2 noneconomic, or punitive damages. The court shall also award reasonable
3 attorneys' fees and costs to any prevailing party.

4 ➔SECTION 11. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO
5 READ AS FOLLOWS:

6 There is hereby created a restricted fund to be known as the consumer privacy fund.
7 The fund shall be administered by the Office of the Attorney General. All civil penalties
8 collected under Section 9 of this Act shall be deposited into the fund. Interest earned
9 on the moneys in the fund shall accrue to the fund. Moneys in the fund shall be used
10 by the Office of the Attorney General to enforce the provisions of Sections 1 to 12 of
11 this Act. Notwithstanding KRS 45.229, any moneys remaining in the fund at the close
12 of the fiscal year shall not lapse but shall be carried forward into the succeeding fiscal
13 year to be used by the Office of the Attorney General for the purposes set forth in
14 Sections 1 to 12 of this Act.

15 ➔SECTION 12. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO
16 READ AS FOLLOWS:

17 (1) Sections 1 to 12 of this Act is a matter of statewide concern and supersedes and
