11 ➔Section 4. Whereas the Kentucky Association of Conservation Districts
12 represents the 121 soil conservation districts throughout our great Commonwealth, and its
13 mission is to conserve and develop all renewable natural resources within each district, it
14 is imperative that the continuity of the conservation district's board of supervisors remain

16 General Assembly that each supervisor of the district shall serve his or her term as
17 elected by the residents of the district which the supervisor represents and shall not be
18 replaced until his or her successor has been elected and has qualified. Furthermore, it is
19 the intent of the General Assembly that, upon the effective date of this Act, candidates for
