26 health insurance group. The contracts shall include but not be limited to
27 designating the entity responsible for filing any federal forms, adoption of

1 policies required for proper plan administration, acceptance of the contractual
2 provisions with health insurance carriers or third-party administrators, and
3 adoption of the payment and reimbursement methods necessary for efficient
4 administration of the health insurance program. Health insurance coverage

14 during annual open enrollment.

15 (b) The policy or policies shall be approved by the commissioner of insurance
16 and may contain the provisions the commissioner of insurance approves,
17 whether or not otherwise permitted by the insurance laws.

18 (c) Any carrier bidding to offer health care coverage to employees shall agree to
19 provide coverage to all members of the state group, including active
20 employees and retirees and their eligible covered dependents and
21 beneficiaries, within the county or counties specified in its bid. Except as
22 provided in subsection (20) of this section, any carrier bidding to offer health
23 care coverage to employees shall also agree to rate all employees as a single
24 entity, except for those retirees whose former employers insure their active
25 employees outside the state-sponsored health insurance program and as
26 otherwise provided in KRS 61.702(2)(b)3.b. and 78.5536(2)(b)3.b.

27 (d) Any carrier bidding to offer health care coverage to employees shall agree to

1 provide enrollment, claims, and utilization data to the Commonwealth in a
2 format specified by the Personnel Cabinet with the understanding that the data
3 shall be owned by the Commonwealth; to provide data in an electronic form
4 and within a time frame specified by the Personnel Cabinet; and to be subject
5 to penalties for noncompliance with data reporting requirements as specified
6 by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions
7 to protect the confidentiality of each individual employee; however,
8 confidentiality assertions shall not relieve a carrier from the requirement of
9 providing stipulated data to the Commonwealth.

10 (e) The Personnel Cabinet shall develop the necessary techniques and capabilities
11 for timely analysis of data received from carriers and, to the extent possible,
12 provide in the request-for-proposal specifics relating to data requirements,
13 electronic reporting, and penalties for noncompliance. The Commonwealth
14 shall own the enrollment, claims, and utilization data provided by each carrier
15 and shall develop methods to protect the confidentiality of the individual. The
16 Personnel Cabinet shall include in the October annual report submitted
17 pursuant to the provisions of KRS 18A.226 to the Governor, the General

20 loss ratios, methods of risk adjustment, measurements of carrier quality of
21 service, prescription coverage and cost management, and statutorily required

24 including but not limited to loss ratios, reserves, and reinsurance agreements.

25 (f) If any agency participating in the state-sponsored employee health insurance
26 program for its active employees terminates participation and there is a state
27 appropriation for the employer's contribution for active employees' health

- 1 insurance coverage, then neither the agency nor the employees shall receive
2 the state-funded contribution after termination from the state-sponsored
3 employee health insurance program.
- 4 (g) Any funds in flexible spending accounts that remain after all reimbursements
5 have been processed shall be transferred to the credit of the state-sponsored
6 health insurance plan's appropriation account.
- 7 (h) Each entity participating in the state-sponsored health insurance program shall
8 provide an amount at least equal to the state contribution rate for the employer
9 portion of the health insurance premium. For any participating entity that used
10 the state payroll system, the employer contribution amount shall be equal to
11 but not greater than the state contribution rate.
- 12 (3) The premiums may be paid by the policyholder:
- 13 (a) Wholly from funds contributed by the employee, by payroll deduction or
14 otherwise;
- 15 (b) Wholly from funds contributed by any department, board, agency, public
16 postsecondary education institution, or branch of state, city, urban-county,
17 charter county, county, or consolidated local government; or
- 18 (c) Partly from each, except that any premium due for health care coverage or
19 dental coverage, if any, in excess of the premium amount contributed by any
20 department, board, agency, postsecondary education institution, or branch of
21 state, city, urban-county, charter county, county, or consolidated local
22 government for any other health care coverage shall be paid by the employee.
- 23 (4) If an employee moves his or her place of residence or employment out of the
24 service area of an insurer offering a managed health care plan, under which he or
25 she has elected coverage, into either the service area of another managed health care
26 plan or into an area of the Commonwealth not within a managed health care plan
27 service area, the employee shall be given an option, at the time of the move or

- 1 transfer, to change his or her coverage to another health benefit plan.
- 2 (5) No payment of premium by any department, board, agency, public postsecondary
3 educational institution, or branch of state, city, urban-county, charter county,
4 county, or consolidated local government shall constitute compensation to an
5 insured employee for the purposes of any statute fixing or limiting the
6 compensation of such an employee. Any premium or other expense incurred by any
7 department, board, agency, public postsecondary educational institution, or branch
8 of state, city, urban-county, charter county, county, or consolidated local
9 government shall be considered a proper cost of administration.
- 10 (6) The policy or policies may contain the provisions with respect to the class or classes
11 of employees covered, amounts of insurance or coverage for designated classes or
12 groups of employees, policy options, terms of eligibility, and continuation of
13 insurance or coverage after retirement.
- 14 (7) Group rates under this section shall be made available to the disabled child of an
15 employee regardless of the child's age if the entire premium for the disabled child's
16 coverage is paid by the state employee. A child shall be considered disabled if he or
17 she has been determined to be eligible for federal Social Security disability benefits.
- 18 (8) The health care contract or contracts for employees shall be entered into for a
19 period of not less than one (1) year.
- 20 (9) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of
21 State Health Insurance Subscribers to advise the secretary or the secretary's
22 designee regarding the state-sponsored health insurance program for employees.
23 The secretary shall appoint, from a list of names submitted by appointing
24 authorities, members representing school districts from each of the seven (7)
25 Supreme Court districts, members representing state government from each of the

10 deduction. The advisory committee shall be appointed in January of each year and
11 shall meet quarterly.

12 (10) Notwithstanding any other provision of law to the contrary, the policy or policies
13 provided to employees pursuant to this section shall not provide coverage for
14 obtaining or performing an abortion, nor shall any state funds be used for the
15 purpose of obtaining or performing an abortion on behalf of employees or their
16 dependents.

17 (11) Interruption of an established treatment regime with maintenance drugs shall be
18 grounds for an insured to appeal a formulary change through the established appeal
19 procedures approved by the Department of Insurance, if the physician supervising
20 the treatment certifies that the change is not in the best interests of the patient.

21 (12) Any employee who is eligible for and elects to participate in the state health
22 insurance program as a retiree, or the spouse or beneficiary of a retiree, under any
23 one (1) of the state-sponsored retirement systems shall not be eligible to receive the
24 state health insurance contribution toward health care coverage as a result of any
25 other employment for which there is a public employer contribution. This does not
26 preclude a retiree and an active employee spouse from using both contributions to
27 the extent needed for purchase of one (1) state sponsored health insurance policy

1 for that plan year.

2 (13) (a) The policies of health insurance coverage procured under subsection (2) of
3 this section shall include a mail-order drug option for maintenance drugs for
4 state employees. Maintenance drugs may be dispensed by mail order in
5 accordance with Kentucky law.

9 price, dispensing fee, and copay requirements of a mail-order option. The
10 retail pharmacy shall not be required to dispense by mail.

11 (c) The mail-order option shall not permit the dispensing of a controlled
12 substance classified in Schedule II.

13 (14) The policy or policies provided to state employees or their dependents pursuant to
14 this section shall provide coverage for obtaining a hearing aid and acquiring hearing
15 aid-related services for insured individuals under eighteen (18) years of age, subject
16 to a cap of one thousand four hundred dollars (\$1,400) every thirty-six (36) months
17 pursuant to KRS 304.17A-132.

18 (15) Any policy provided to state employees or their dependents pursuant to this section
19 shall provide coverage for the diagnosis and treatment of autism spectrum disorders
20 consistent with KRS 304.17A-142.

21 (16) Any policy provided to state employees or their dependents pursuant to this section
22 shall provide coverage for obtaining amino acid-based elemental formula pursuant
23 to KRS 304.17A-258.

24 (17) If a state employee's residence and place of employment are in the same county,
25 and if the hospital located within that county does not offer surgical services,
26 intensive care services, obstetrical services, level II neonatal services, diagnostic
27 cardiac catheterization services, and magnetic resonance imaging services, the

1 employee may select a plan available in a contiguous county that does provide
2 those services, and the state contribution for the plan shall be the amount available
3 in the county where the plan selected is located.

4 (18) If a state employee's residence and place of employment are each located in
5 counties in which the hospitals do not offer surgical services, intensive care
6 services, obstetrical services, level II neonatal services, diagnostic cardiac
7 catheterization services, and magnetic resonance imaging services, the employee
8 may select a plan available in a county contiguous to the county of residence that
9 does provide those services, and the state contribution for the plan shall be the
10 amount available in the county where the plan selected is located.

11 (19) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and
12 in the best interests of the state group to allow any carrier bidding to offer health
13 care coverage under this section to submit bids that may vary county by county or
14 by larger geographic areas.

15 (20) Notwithstanding any other provision of this section, the bid for proposals for health
16 insurance coverage for calendar year 2004 shall include a bid scenario that reflects
17 the statewide rating structure provided in calendar year 2003 and a bid scenario that
18 allows for a regional rating structure that allows carriers to submit bids that may
19 vary by region for a given product offering as described in this subsection:

20 (a) The regional rating bid scenario shall not include a request for bid on a
21 statewide option;

22 (b) The Personnel Cabinet shall divide the state into geographical regions which
23 shall be the same as the partnership regions designated by the Department for
24 Medicaid Services for purposes of the Kentucky Health Care Partnership
25 Program established pursuant to 907 KAR 1:705;

26 (c) The request for proposal shall require a carrier's bid to include every county
27 within the region or regions for which the bid is submitted and include but not

- 1 be restricted to a preferred provider organization (PPO) option;
- 2 (d) If the Personnel Cabinet accepts a carrier's bid, the cabinet shall award the
3 carrier all of the counties included in its bid within the region. If the Personnel
4 Cabinet deems the bids submitted in accordance with this subsection to be in
5 the best interests of state employees in a region, the cabinet may award the
6 contract for that region to no more than two (2) carriers; and
- 7 (e) Nothing in this subsection shall prohibit the Personnel Cabinet from including
8 other requirements or criteria in the request for proposal.
