 20 consent under Sections 1 to 10 of this Act.

21 ➔SECTION 3. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO  
 22 READ AS FOLLOWS:

23 (1) A consumer may invoke the consumer rights authorized pursuant to this section  
 24 at any time by submitting a request to a controller, via the means specified by the  
 25 controller pursuant to Section 4 of this Act, specifying the consumer rights the  
 26 consumer wishes to invoke. A known child's parent or legal guardian may invoke  
 27 such consumer rights on behalf of the child regarding processing personal data

1 belonging to the known child.

2 (2) A controller shall comply with an authenticated consumer request to exercise the  
3 right to:

4 (a) Confirm whether or not a controller is processing the consumer's personal  
5 data and to access such personal data;

6 (b) Delete personal data provided by the consumer;

7 (c) Obtain a copy of the consumer's personal data that the consumer previously  
8 provided to the controller in a portable and, to the extent technically  
9 practicable, readily usable format that allows the consumer to transmit the  
10 data to another controller without hindrance, where the processing is  
11 carried out by automated means; and

12 (d) To opt out of targeted advertising and the sale of personal data.

13 (3) Except as otherwise provided in Sections 1 to 10 of this Act, a controller shall  
14 comply with a request by a consumer to exercise the consumer rights pursuant to  
15 this section as follows:

16 (a) A controller shall respond to the consumer without undue delay, but in all  
17 cases within forty-five (45) days of receipt of the request submitted pursuant  
18 to the methods described in this section. The response period may be  
19 extended once by forty-five (45) additional days when reasonably necessary,  
20 taking into account the complexity and number of the consumer's requests,  
21 so long as the controller informs the consumer of any such extension within  
22 the initial forty-five (45) day response period, together with the reason for  
23 the extension;

24 (b) If a controller declines to take action regarding the consumer's request, the  
25 controller shall inform the consumer without undue delay, but in all cases  
26 within forty-five (45) days of receipt of the request, of the justification for  
27 declining to take action;

1 (c) Information provided in response to a consumer request shall be provided  
2 by a controller free of charge, up to twice annually per consumer. If  
3 requests from a consumer are excessive, repetitive, technically infeasible, or  
4 manifestly unfounded, such as when the controller reasonably believes that  
5 the primary purpose of the request is not to exercise a consumer right, the  
6 controller may charge the consumer a reasonable fee to cover the  
7 administrative costs of complying with the request or decline to act on the  
8 request. The controller bears the burden of demonstrating the excessive,  
9 repetitive, technically infeasible, or manifestly unfounded nature of the  
10 request; and

11 (d) If a controller is unable to authenticate the request using commercially  
12 reasonable efforts, the controller shall not be required to comply with a  
13 request to initiate an action under subsection (1) of this section and may  
14 request that the consumer provide additional information reasonably  
15 necessary to authenticate the consumer and the consumer's request.

16 ➔SECTION 4. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO  
17 READ AS FOLLOWS:

18 (1) A controller shall:

19 (a) Establish, implement, and maintain reasonable administrative, technical,  
20 and physical data security practices to protect the confidentiality, integrity,  
21 and accessibility of personal data. Such data security practices shall be  
22 appropriate to the volume and nature of the personal data at issue;

23 (b) Not process personal data in violation of state and federal laws that prohibit  
24 unlawful discrimination against consumers. A controller shall not  
25 discriminate against a consumer for exercising any of the consumer rights  
26 contained in Section 3 of this Act, including denying goods or services,  
27 charging different prices or rates for goods or services, or providing a

1 different level of quality of goods and services to the consumer. However,  
2 nothing in this paragraph shall be construed to require a controller to  
3 provide a product or service that requires the personal data of a consumer  
4 that the controller does not collect or maintain or to prohibit a controller  
5 from offering a different price, rate, level, quality, or selection of goods or  
6 services to a consumer, including offering goods or services for no fee, if  
7 the consumer has exercised his right to opt out pursuant to Section 3 of this  
8 Act or the offer is related to a consumer's voluntary participation in a bona  
9 fide loyalty, rewards, premium features, discounts, or club card program;  
10 and

11 (c) Not process sensitive data concerning a consumer for a nonexempt purpose  
12 without the consumer having been presented with clear notice and an  
13 opportunity to opt out of such processing, or, in the case of the processing  
14 of sensitive data collected from a known child, for purposes of delivering a  
15 product or service requested by the parent of such child, without processing  
16 the data in accordance with the federal Children's Online Privacy  
17 Protection Act 15 U.S.C. sec. 6501 et seq.

18 (2) Any provision of a contract or agreement of any kind that purports to waive or  
19 limit in any way consumer rights pursuant to Section 3 of this Act shall be  
20 deemed contrary to public policy and shall be void and unenforceable.

21 (3) Controllers shall provide consumers with a reasonably accessible, clear, and  
22 meaningful privacy notice that includes:

23 (a) The categories of personal data processed by the controller;

24 (b) The purpose for processing personal data;

25 (c) How consumers may exercise their consumer rights pursuant to Section 3  
26 of this Act;

27 (d) The categories of personal data that the controller shares with third parties,

1 if any; and

2 (e) The categories of third parties, if any, with whom the controller shares  
3 personal data.

4 (4) If a controller sells personal data to third parties or engages in targeted  
5 advertising, the controller shall clearly and conspicuously disclose such activity,  
6 as well as the manner in which a consumer may exercise the right to opt out of  
7 such processing.

8 (5) A controller shall establish, and shall describe in a privacy notice, one (1) or  
9 more secure and reliable means for consumers to submit a request to exercise  
10 their consumer rights under Section 3 of this Act. Such means shall take into  
11 account the ways in which consumers normally interact with the controller, the  
12 need for secure and reliable communication of such requests, and the ability of  
13 the controller to authenticate the identity of the consumer making the request.  
14 Controllers shall not require a consumer to create a new account in order to  
15 exercise consumer rights pursuant to Section 3 of this Act but may require a  
16 consumer to use an existing account.

17 ➔SECTION 5. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO  
18 READ AS FOLLOWS:

19 (1) A processor shall adhere to the instructions of a controller and shall assist the  
20 controller in meeting its obligations under Section 1 to 10 of this Act. Such  
21 assistance shall include:

22 (a) Taking into account the nature of processing and the information available  
23 to the processor, by appropriate technical and organizational measures,  
24 insofar as this is reasonably practicable, to fulfill the controller's obligation  
25 to respond to consumer rights requests pursuant to Section 3 of this Act;  
26 and

27 (b) Taking into account the nature of processing and the information available

1 to the processor, by assisting the controller in meeting the controller's  
2 obligations in relation to the security of processing the personal data and in  
3 relation to the notification of a breach of the security of the system of the  
4 processor pursuant to KRS 365.732 or any other applicable state and  
5 federal law in order to meet the controller's obligations.

6 (2) A contract between a controller and a processor shall govern the processor's data  
7 processing procedures with respect to processing performed on behalf of the  
8 controller. The contract shall be binding and shall clearly set forth instructions  
9 for processing personal data, the nature and purpose of processing, the type of  
10 data subject to processing, the duration of processing, and the rights and  
11 obligations of both parties. The contract shall also include requirements that the  
12 processor shall:

13 (a) Ensure that each person processing personal data is subject to a duty of  
14 confidentiality with respect to the data;

15 (b) At the controller's direction, delete or return all personal data to the  
16 controller as requested at the end of the provision of services, unless  
17 retention of the personal data is required by law;

18 (c) Upon the reasonable request of the controller, make available to the  
19 controller information in its possession necessary to demonstrate the  
20 processor's compliance with the obligations prescribed in Sections 1 to 10 of  
21 this Act; and

22 (d) Engage any subcontractor pursuant to a written contract in accordance  
23 with this section that requires the subcontractor to meet the obligations of  
24 the processor with respect to the personal data.

25 (3) Determining whether a person is acting as a controller or processor with respect  
26 to a specific processing of data is a fact-based determination that depends upon  
27 the context in which personal data is to be processed. A processor that continues

1 to adhere to a controller's instructions with respect to a specific processing of  
2 personal data remains a processor.

3 ➔SECTION 6. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO  
4 READ AS FOLLOWS:

5 (1) Nothing in Sections 1 to 10 of this Act shall be construed to require a controller  
6 or processor to:

7 (a) Re-identify de-identified data or pseudonymous data; or

8 (b) Maintain data in identifiable form, or collect, obtain, retain, or access any  
9 data or technology, in order to be capable of associating an authenticated  
10 consumer request with personal data.

11 (2) Nothing in Sections 1 to 10 of this Act shall be construed to require a controller  
12 or processor to comply with an authenticated consumer rights request pursuant to  
13 Section 3 of this Act if all of the following are met:

14 (a) The controller is not reasonably capable of associating the request with the  
15 personal data or it would be unreasonably burdensome for the controller to  
16 associate the request with the personal data;

17 (b) The controller does not use the personal data to recognize or respond to the  
18 specific consumer who is the subject of the personal data, or associate the  
19 personal data with other personal data about the same specific consumer;  
20 and

21 (c) The controller does not sell the personal data to any third party or otherwise

23 processor, except as otherwise permitted in this section.

24 (3) The consumer rights contained in subsection (2) of Section 3 of this Act and  
25 Section 4 of this Act shall not apply to pseudonymous data in cases where the  
26 controller is able to demonstrate any information necessary to identify the  
27 consumer is kept separately and is subject to appropriate technical and

1 organizational measures to ensure that the personal data is not attributed to an  
2 identified or identifiable natural person.

3 (4) A controller that discloses pseudonymous data or de-identified data shall exercise  
4 reasonable oversight to monitor compliance with any contractual commitments to  
5 which the pseudonymous data or de-identified data is subject and shall take  
6 appropriate steps to address any breaches of those contractual commitments.

7 ➔SECTION 7. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO  
8 READ AS FOLLOWS:

10 processor's ability to:

11 (a) Comply with federal, state, or local laws or regulations;

12 (b) Comply with a civil, criminal, or regulatory inquiry, investigation,  
13 subpoena, or summons by federal, state, local, or other governmental  
14 authorities;

15 (c) Cooperate with law enforcement agencies concerning conduct or activity  
16 that the controller or processor reasonably and in good faith believes may  
17 violate federal, state, or local laws, rules, or regulations;

18 (d) Investigate, establish, exercise, prepare for, or defend legal claims;

19 (e) Provide a product or service specifically requested by a consumer or a  
20 parent or guardian of a child, perform a contract to which the consumer or

22 written warranty, or take steps at the request of the consumer or parent or  
23 guardian of a child prior to entering into a contract;

24 (f) Take immediate steps to protect an interest that is essential for the life or  
25 physical safety of the consumer or of another natural person, and where the  
26 processing cannot be manifestly based on another legal basis;

27 (g) Prevent, detect, protect against, or respond to security incidents, identity

- 1           theft, fraud, harassment, malicious or deceptive activities, or any illegal  
2           activity; preserve the integrity or security of systems; or investigate, report,  
3           or prosecute those responsible for any such action;
- 4           (h) Engage in public or peer-reviewed scientific or statistical research in the  
5           public interest that adheres to all other applicable ethics and privacy laws  
6           and is approved, monitored, and governed by an institutional review board,  
7           or similar independent oversight entities that determine:
- 8           1. If the information is likely to provide substantial benefits that do not  
9           exclusively accrue to the controller;
- 10           2. The expected benefits of the research outweigh the privacy risks; and
- 11           3. If the controller has implemented reasonable safeguards to mitigate  
12           privacy risks associated with research, including any risks associated  
13           with re-identification; or
- 14           (i) Assist another controller, processor, or third party with any of the  
15           obligations under this subsection.
- 16           (2) The obligations imposed on controllers or processors under Sections 1 to 10 of  
17           this Act shall not restrict a controller's or processor's ability to collect, use, or  
18           retain data to:
- 19           (a) Conduct internal research to develop, improve, or repair products, services,  
20           or technology;
- 21           (b) Effectuate a product recall;

23           functionality; or
- 24           (d) Perform internal operations that are reasonably aligned with the  
25           expectations of the consumer or reasonably anticipated based on the  
26           consumer's existing relationship with the controller or are otherwise  
27           compatible with processing data in furtherance of the provision of a product

1 or service specifically requested by a consumer or a parent or guardian of  
2 child or the performance of a contract to which the consumer or a parent or  
3 guardian of a child is a party.

4 (3) The obligations imposed on controllers or processors under Sections 1 to 10 of  
5 this Act shall not apply if compliance by the controller or processor with Sections  
6 1 to 10 of this Act would violate an evidentiary privilege under the laws of this  
7 Commonwealth. Nothing in Sections 1 to 10 of this Act shall be construed to  
8 prevent a controller or processor from providing personal data concerning a  
9 consumer to a person covered by an evidentiary privilege under the laws of this  
10 Commonwealth as part of a privileged communication.

11 (4) A controller or processor that discloses personal data to a third-party controller  
12 or processor in compliance with the requirements of Sections 1 to 10 of this Act is  
13 not in violation of Sections 1 to 10 of this Act if the third-party controller or  
14 processor that receives and processes such personal data is in violation of  
15 Sections 1 to 10 of this Act, provided that, at the time of disclosing the personal  
16 data, the disclosing controller or processor did not have actual knowledge that the  
17 recipient intended to commit a violation. A third-party controller or processor  
18 receiving personal data from a controller or processor in compliance with the  
19 requirements of Sections 1 to 10 of this Act is likewise not in violation of Sections  
20 1 to 10 of this Act for the transgressions of the controller or processor from which  
21 it receives such personal data.

22 (5) Nothing in Sections 1 to 10 of this Act shall be construed as an obligation  
23 imposed on controllers and processors that adversely affects the privacy or other  
24 rights or freedoms of any persons, such as exercising the right of free speech  
25 pursuant to the First Amendment to the United States Constitution, or applies to  
26 personal data by a person in the course of a purely personal or household  
27 activity.

1 (6) Personal data processed by a controller pursuant to this section shall not be  
2 processed for any purpose other than those expressly listed in this section unless  
3 otherwise allowed by Sections 1 to 10 of this Act. Personal data processed by a  
4 controller pursuant to this section may be processed to the extent that such  
5 processing is:

6 (a) Reasonably necessary and proportionate to the purposes listed in this  
7 section; and

8 (b) Adequate, relevant, and limited to what is necessary in relation to the  
9 specific purposes listed in this section. Personal data collected, used, or  
10 retained pursuant to subsection (2) of this section shall, where applicable,  
11 take into account the nature and purpose or purposes of such collection,  
12 use, or retention. Such data shall be subject to reasonable administrative,  
13 technical, and physical measures to protect the confidentiality, integrity,  
14 and accessibility of the personal data.

15 (7) If a controller processes personal data pursuant to an exemption in this section,  
16 the controller bears the burden of demonstrating that such processing qualifies  
17 for the exemption and complies with the requirements in this section.

18 (8) Processing personal data for the purposes expressly identified in subsection (1) of  
19 this section shall not by itself make an entity a controller with respect to such  
20 processing.

21 (9) Nothing in Sections 1 to 10 of this Act shall require a controller, processor, third  
22 party, or consumer to disclose trade secrets.

23 ➔SECTION 8. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO  
24 READ AS FOLLOWS:

25 (1) The Attorney General shall have exclusive authority to enforce violations of  
26 Sections 1 to 10 of this Act. The Attorney General may enforce Sections 1 to 10 of  
27 this Act by bringing an action in the name of the Commonwealth of Kentucky or

1 on behalf of persons residing in this Commonwealth. The Attorney General may  
2 issue a civil investigative demand to any controller or processor believed to be  
3 engaged in, or about to engage in, any violation of Sections 1 to 10 of this Act.

4 (2) Prior to initiating any action under Sections 1 to 10 of this Act, the Attorney  
5 General shall provide a controller or processor thirty (30) days' written notice  
6 identifying the specific provisions of Sections 1 to 10 of this Act the Attorney  
7 General, on behalf of a consumer, alleges have been or are being violated. If  
8 within the thirty (30) days the controller or processor cures the noticed violation  
9 and provides the Attorney General an express written statement that the alleged  
10 violations have been cured and that no further violations shall occur, no action  
11 for statutory damages shall be initiated against the controller or processor.

12 (3) If a controller or processor continues to violate Sections 1 to 10 of this Act in  
13 breach of an express written statement provided to the consumer under this  
14 section, the Attorney General may initiate an action and seek damages for up to  
15 seven thousand five hundred dollars (\$7,500) for each such continued violation  
16 under Sections 1 to 10 of this Act.

17 (4) Nothing in Sections 1 to 10 of this Act or under any other law, regulation, or the  
18 equivalent shall be construed as providing the basis for, or be subject to, a private  
19 right of action for violations of Sections 1 to 10 of this Act.

20 (5) The Attorney General may recover reasonable expenses incurred in investigating  
21 and preparing the case, including attorney's fees, of any action initiated under  
22 Sections 1 to 10 of this Act.

17 (1) When the Attorney General has reason to believe that a person has engaged in, is  
 18 engaging in, or is about to engage in any act or practice declared to be unlawful by  
 19 KRS 367.110 to 367.300 *or Sections 1 to 10 of this Act*, or when he believes it to
