

1           A RESOLUTION recognizing September 17th as Constitution Day in the  
2 Commonwealth of Kentucky.

3           WHEREAS, in the summer of 1787, 55 delegates from throughout the fledgling  
4 United States, intent on erecting a government that would stand the test of time and  
5 protect the hard-won freedoms secured during the Revolutionary War, gathered at the  
6 Pennsylvania State House in Philadelphia; and

7           WHEREAS, the document they produced – our Constitution – remains the bedrock  
8 of our system of government, one rooted in equality under the law and an unyielding  
9 commitment to individual liberty; and

10           WHEREAS, with profound wisdom, the framers of our Constitution divided  
11 political power among three separate and coequal branches, and further between the  
12 Federal and State governments, ensuring that a government of the people, by the people,  
13 and for the people would remain accountable to its citizens, from whom all legitimate  
14 political power is derived; and

15           WHEREAS, our Constitution outlines a government that encourages individuals to  
16 flourish while still empowering the states to perform necessary functions like protecting  
17 law and order and providing essential public goods; and

18           WHEREAS, this revolutionary concept has made and continues to make our nation  
19 the most free and just society in the world; and

20           WHEREAS, our rights and liberties are rooted in the Constitution and its Bill of  
21 Rights which gave birth to our great nation, and we, as Americans, enjoy our freedom  
22 and rule of law through these cherished documents that our founding fathers created; and

23           WHEREAS, we recognize that each generation needs to renew the spirit of  
24 America by upholding our constitutional system, honoring its framers and those who  
25 have sacrificed to defend it, and embracing the duty we as citizens have to preserve the  
26 society it has built; and

27           WHEREAS, Constitution Day was established to celebrate the United States

1 Constitution and its Bill of Rights and provides an opportunity for American citizens to  
2 reaffirm the achievements of our founding fathers and recommit ourselves to preserving  
3 the rights, privileges, and responsibilities our nation's founders secured for themselves  
4 and for the posterity of future generations of Americans;

5 NOW, THEREFORE,
